

Kiss Me 311

Chapter 311: Plan

Later that night, Shi Nuannuan came into the master bedroom with her cell phone in her hand. She was looking very depressed.

“Sister-in-law, tell me, why is Xiangyi, that bastard not replying any of my text messages at all?” Ever since the last time that he told her that he knew that she was the one sending him the text message, he had not replied any of her text messages anymore.

This was a huge blow to Shi Nuannuan’s self-esteem.

No matter what it was, she was still the distinguished young lady of the Shi family! How could Xiangyi totally disregard her? She was furious!

Zuo Weiyi lowered her eyes after looking at the frustrated expression on her face.

Zuo Weiyi had not received any news from Shi Yuting for the past two days.

“I don’t know. Perhaps, it is because he is busy.”

She did not know whether she had said this to comfort Shi Nuannuan or herself.

As they were chatting, Shen Lanzhi appeared in front of the bedroom door as she held a glass of warm milk in her hand.

It was already eight forty-five at night.

Shen Lanzhi walked into the room as she stared at the both of them with a gentle expression on her face.

After that, she walked toward Zuo Weiyi before she smiled and handed her the glass of warm milk. “You should drink a glass of warm milk before going to bed. You will be able to sleep better like this.”

Zuo Weiyi did not think too much as she looked at the pure white liquid in the crystal cup.

After all, Shen Lanzhi had been really attentive toward her for the past few days.

When she saw how thoughtful and concern her mother was toward Zuo Weiyi, Shi Nuannuan was also very happy!

She knew that her beloved mother could never bring herself to hate Zuo Weiyi!

“Thank you.” Zuo Weiyi naturally could not refuse her kind gesture since Shen Lanzhi was already showing so much kindness toward her. Therefore, she quickly took the glass of warm milk in her hand before she thanked her politely.

Shen Lanzhi smiled slightly before she looked at the time. It was almost nine o’clock at night.

“You better go to bed earlier.”

After that, Shen Lanzhi turned around as she prepared to walk out of the master bedroom.

After turning around, Shen Lanzhi sensed that her daughter was not leaving the master bedroom. Therefore, she could not help but turn around as she pulled Shi Nuannuan out of the bedroom as she said, "You should also go back to your bedroom and rest earlier. Weiyi needs to rest earlier for the baby's sake."

Even though she felt very reluctant, Shi Nuannuan felt that her mother was right and a pregnant mother should be going to bed earlier. As her mother was dragging her out of the master bedroom, Shi Nuannuan could not help but turn around and made a mischievous expression to Zuo Weiyi before she said, "Goodnight, Sister-in-law!"

Then, both of them disappeared behind the door.

As she looked at the closed bedroom door, Zuo Weiyi climbed onto the huge bed.

She took out her cell phone as she tried to dial Shi Yuting's private phone number again. However, her calls were not connected once again.

Zuo Weiyi felt a little confused as she held her cell phone in her hand.

Was he really so busy that he could not answer her phone calls at all?

It was already so late at night and under any normal circumstances, she would have already fallen asleep at this time of the night. However, even though it was already ten o'clock at night, Zuo Weiyi was still wide awake and was feeling very distraught.

She turned around and looked at the glass of milk that Shen Lanzhi had given to her, sitting on the bedside table.

When she thought about the doctor advising her to rest more, she did not even think twice and simply drank the glass of milk before she laz down. Within a few minutes, Zuo Weiyi was already fast asleep.

At three o'clock in the morning, a loud voice suddenly echoed in the seaside villa in the quiet and silent night.

"Go back to Country C? Why are we suddenly going back to Country C? What about Weiyi? What is she going to do?"

Shen Lanzhi was exceptionally calm as she faced her daughter's angry questions. She had already expected this to happen.

"She is going to stay here."

"Why?"

"This is your grandfather's instructions. Stop questioning it and just obey his orders."

"No! I am not going! Mommy! You... you already knew about this, didn't you? Have you been planning to leave the country tonight and leave Weiyi all alone here?"

Shen Lanzhi also felt a sense of heaviness in her heart as she faced her daughter's questions.

Chapter 312: I am Not Going!

“Yes.”

“Was Grandpa the one who called you yesterday?”

“That’s right.”

“My brother... did grandpa really put him under house arrest?” Shi Nuannuan finally understood everything after looking at her mother.

Her mother’s sudden arrival. Her brother’s sudden departure. All of this turned out to be her grandfather’s plan!

Shen Lanzhi did not say a word but she only lowered her eyes.

It was indeed Shi Le who had planned for her to come to Country Z but she did not know if her son had really been put under house arrest.

However, according to the current situation, it did not seem unlikely.

“Mommy, how can you do this? Weiyi is pregnant with my brother’s child!” Shi Nuannuan asked her mother with an aggrieved expression on her face.

Shen Lanzhi raised her eyes and her eyes were also a little moist as she faced her daughter’s reproach.

“If it is possible, I would also love for Weiyi to be my daughter-in-law. Moreover, I am also very excited for the arrival of my grandson. However, her status would always get in the way, and your grandfather will never be able to accept her into the Shi family. The only granddaughter-in-law that he would ever acknowledge in his life is Tengtang Xi!”

“Is that the reason why you are colluding with Grandpa? Mommy, have you ever thought about my brother’s feelings?” Shi Nuannuan asked as she looked at her mother broken-heartedly. In her heart, her mother had always been a kind and sweet person. How could she possibly do something like this?

The disappointed and hurt expression on her daughter’s face also broke Shen Lanzhi’s heart.

“Then, what do you expect your mother to do? I have already lost your daddy and I do not want to lose the both of you...”

Shi Nuannuan was startled at her mother’s words, and she instantly asked, “What do you mean?”

Shen Lanzhi took a deep breath as she tried to hold back her tears. “Stop asking me so many questions. Just come back to Country C with me.”

“No, my brother is already gone! I am not leaving!” After that, Shi Nuannuan turned around as she tried to run up to the second floor to look for Zuo Weiyi,

What made Shi Nuannuan feel really curious was the fact that even though Zuo Weiyi was fast asleep, why didn’t she come down to have a look when there was such a huge commotion downstairs?

“Stop her!”

Shen Lanzhi gave an order as soon as she saw Shi Nuannuan running upstairs!

Very soon, a few men dressed in black rushed into the house and grabbed Shi Nuannuan before they stopped her from going upstairs.

“What are you doing? Let go of me!” Shi Nuannuan was originally planning to go upstairs to wake Zuo Weiyi who was still fast asleep.

She could not leave just like this. She could not imagine how Zuo Weiyi would feel when she woke up in the morning, only to find out that they had already disappeared and left her all alone.

Her brother was already under house arrest. Were they really going to let Zuo Weiyi live in this seaside villa alone with the baby in her belly?

She could not allow that to happen!

“Weiyi! Weiyi!”

Shi Nuannuan shouted desperately as she looked in the direction of the second floor. However, Zuo Weiyi who was fast asleep in the master bedroom was still silent and did not move at all despite the huge commotion downstairs.

The men dressed in black dragged Shi Nuannuan out of the seaside villa before they tucked her into the back of a black Bentley.

“Let me go! Let me out of the car!”

Shi Nuannuan continued struggling inside the car. She did not want to leave Zuo Weiyi all on her own. She knew that Zuo Weiyi would definitely be heartbroken.

As she walked out of the door, Shen Lanzhi could not help but turn around to look in the direction of the second floor.

Perhaps, this was all fated.

“Mommy, you cannot do this! Weiyi will be sad and my brother will also be sad!”

Shi Nuannuan could not help but feel extremely upset as the black Bentley gradually moved away from the seaside villa.

Of course, Shen Lanzhi was not feeling very happy too.

“So, do you want Weiyi or your mother?” Shen Lanzhi asked as she raised her head to look at her daughter, with a clearly aggrieved expression on her face.

Her words made the struggling Shi Nuannuan stop before she stared at her blankly. “What do you mean by that?”

Chapter 313: Nuannuan and Shen Lanzhi’s Disappearance

“Yes, everything was indeed planned by your grandfather. If you refused to go back to Country C with me, then everything will return to the way it was five years ago.”

As soon as she heard this, Shi Nuannuan was at a loss for words.

Five years ago?

Her mother was only officially accepted into the Shi family five years ago. Did this mean that her grandfather would kick her mother out of the Shi family if she refused to comply with his instructions?

As she thought about this, Shi Nuannuan could not help but clench her fists tightly as she fought the hatred in her heart!

Early in the morning, the sunlight shone brightly into the master bedroom through the bedroom windows.

Zuo Weiyi finally opened her heavy eyelids as she tossed around in bed.

It seemed as though she slept very deeply last night.

Zuo Weiyi got up before she went to the bathroom to wash up. When she checked the time, it was already eight o'clock in the morning.

After going downstairs, Zuo Weiyi felt that something was a little strange today. It seemed as though the seaside villa was exceptionally quiet today.

Zuo Weiyi looked around the huge living room and realized that neither Shen Lanzhi nor Shi Nuannuan was there.

Were they still fast asleep?

Zuo Weiyi frowned as she thought to herself.

Xiao Cui walked into the living room, and Zuo Weiyi could see the sad expression on her face.

"Miss Zuo, you are finally awake."

Zuo Weiyi smiled when she saw Xiao Cui walking into the living room.

"Yes."

"Breakfast is already ready." When Xiao Cui spoke, she was a little jittery, as though she was afraid that Zuo Weiyi would ask her something. After that, she quickly turned around before she walked back into the kitchen.

Zuo Weiyi quickly realized that there was something wrong with Xiao Cui today.

However, she did not think too much when she saw her walking toward the kitchen. She simply followed behind her as she walked toward the dining room.

Zuo Weiyi sat at the dining table as she had breakfast as usual.

However, Zuo Weiyi was the only one seated at the dining table today. She did not even see Aunt Yu anywhere in the seaside villa at all.

At this point, Zuo Weiyi could not help but feel that something was wrong. She looked up at Xiao Cui who was carrying a bowl of porridge in her hand.

“Nuannuan and Uunty is not coming down for breakfast? Also, why isn’t Aunty Yu here today?”

Xiao Cui was startled when she heard Zuo Weiyi’s sudden question and quickly placed the bowl of porridge on the table.

Xiao Cui raised her head, but it seemed as though she was avoiding eye contact with Zuo Weiyi.

“When I woke up this morning, I did not see Madam or the young lady in the seaside villa. Aunty Yu is also not here.”

After that, Xiao Cui quickly turned around wandered into the kitchen, as though she was deliberately avoiding any further questions from Zuo Weiyi.

Zuo Weiyi was left in a daze as she stared at Xiao Cui’s back.

Not here? What was happening?

After placing the breakfast on the table, Xiao Cui turned around before she started cleaning up the living room.

Zuo Weiyi had a blank expression on her face.

Even after she was done eating her breakfast, Zuo Weiyi sat on the sofa and waited but the both of them did not come home at all.

If Zuo Weiyi did not notice that anything was amiss by now, she would be really dim-witted.

Moreover, Zuo Weiyi could tell that Xiao Cui had been deliberately avoiding her the entire morning. What was happening?

In order to get to the bottom of the matter, Zuo Weiyi picked up her cell phone as she tried to dial Shi Nuannuan’s phone number.

However, Zuo Weiyi received a notification stating that Shi Nuannuan’s cell phone had been turned off.

What the hell was going on?

Zuo Weiyi was completely lost as she sat on the sofa.

The entire morning passed and even though it was already lunchtime, Shi Nuannuan was still missing. What was even stranger was the fact that Xiao Cui did not ask or say anything as though she was not surprised at all.

“Xiao Cui!”

Zuo Weiyi quickly called out to Xiao Cui when she saw that she was about to enter the kitchen again.

Xiao Cui stopped as soon as she heard Zuo Weiyi’s voice and turned around, glancing at Zuo Weiyi before she lowered her head again.

“Do you know where Nuannuan has gone?”

Xiao Cui was silent for a long time and she finally could not bear to keep Zuo Weiyi in the dark anymore. Therefore, she decided to tell her the truth.

“Madam, the young lady, and Aunty Yu have already left for Country C early in the morning.”

Zuo Weiyi was shocked as soon as she heard Xiao Cui’s words.

They had all gone back to Country C?

As she stared at Xiao Cui, Zuo Weiyi seemed to suddenly recall something.

For the past few days, Shen Lanzhi had been especially concerned about her. Moreover, she had even given her the gold card and also bought so many baby clothes and products that would be enough to last the baby until it was three years old! Shi Yuting’s sudden departure, all of this...

Chapter 314: New CEO of Di Zun Group

Was this all Shen Lanzhi’s plan?

All of them returned to Country C? Even Nuannuan had left without saying anything at all?

Why? Why did they do this?

“Nuannuan is gone?”

Zuo Weiyi raised her eyes as she looked at Xiao Cui.

Zuo Weiyi was very surprised at Shi Nuannuan’s sudden departure.

To her, Shi Nuannuan was the only member of the Shi family who did not dislike her or despise her because of her status. Shi Nuannuan never once disapproved of her relationship with Shi Yuting. So, why would she leave without a word?

Xiao Cui simply nodded as she listened to her question, “Yes.”

“Then, did she say when she was going to come home?”

Zuo Weiyi was extremely shocked and surprised, but the expression on her face was as calm and composed as always. She subconsciously convinced herself that Shi Yuting and Shi Nuannuan would definitely return to Country Z.

As she looked at her, Xiao Cui simply shook her head and said softly, “No.”

After that, Xiao Cui turned around and headed back into the kitchen, as if she did not want to tell Zuo Weiyi the sad truth.

She was afraid that the young lady and everyone else would never come back here again.

Zuo Weiyi fell into a daze as she stared at Xiao Cui’s back as she walked away from her.

Time passed quickly and in a blink of an eye, another week had already gone by.

It had already been more than half a month since Shi Yuting left the country and there was still no news from him at all. Moreover, Shi Nuannuan had never once returned to the country.

Zuo Weiyi sat on the sofa as she thought about everything that has happened, and she felt as though her heart could not take this anymore.

She desperately wanted to figure out what was going on!

A piece of news started broadcasting on the television. Zuo Weiyi did not usually follow the news but after hearing a familiar name, she quickly raised her head as she focused on the LCD television.

[The CEO of Di Zun Group, Shi Yuting temporarily handed over the company to his half-brother, Shi Tiannan, due to physical discomfort. Shi Tiannan will also temporarily assume the position as CEO of Di Zun Group...]

Zuo Weiyi stared at the familiar face and name on the screen and it turned out to be Shi Tiannan, who had made a visit to Shi Mansion in the past.

What happened to Shi Yuting? Why was he suddenly handing his company over to Shi Tiannan?

Was he unwell? She obviously did not believe it.

He had been in good health when he left the other day. He was not sick, and he was definitely not injured. So, how could he possibly be unwell?

Zuo Weiyi looked at the screen that showed Shi Tiannan entering Di Zun Group. In order to understand and make sense of all this confusion, Zuo Weiyi knew that she could not sit back and wait anymore. Zuo Weiyi grabbed her car keys and headed straight to the gate.

She was going to find out what exactly happened to Shi Yuting.

Zuo Weiyi drove the red Maserati and finally arrived at the entrance of Di Zun Group about half an hour later.

As soon as she got out of the car, Zuo Weiyi raised her head before she looked at the skyscraper rising high above the clouds. It was still as brilliant and magnificent as ever!

Zuo Weiyi was no stranger to the beautiful girl sitting at the reception desk but the receptionist was slightly surprised to see Zuo Weiyi.

This was because the big boss had suddenly disappeared for more than half a month. Moreover, they suddenly received news that they would have a new CEO today. Even though the new CEO was still very handsome, the receptionist could not help but feel somewhat confused at the sudden change.

“Miss Zuo.”

The receptionist greeted her with a slightly surprised expression on her face when she saw Zuo Weiyi walking toward the front desk.

The only person who ever shared the same office as the big boss was none other than Zuo Weiyi!

Even though both of them had never made their relationship clear to the other employee, everyone in the company knew about their relationship. This was because the big boss, who had always been alone and arrogant, had suddenly arranged for Zuo Weiyi to be by his side. Even her desk was located in the top office. Therefore, everyone knew about their relationship, no explanation needed.

Chapter 315: Where is Shi Yuting?

“I am looking for Shi Tiannan.”

Zuo Weiyi spoke to the receptionist as soon as she approached the front desk.

The receptionist exchanged glances with the other girl seated next to her before she picked up the cell phone and dialed the number for the top floor.

“Wait for a moment.”

The receptionist dialed the number and after a short while, she put down the phone before she looked at Zuo Weiyi and said, “You may go up now.”

Zuo Weiyi was not surprised at all when she glanced at the receptionist at the front desk.

She knew that Shi Tiannan probably would not refuse to see her because he knew exactly who she was.

After all, everyone in the Shi family knew all about her relationship with Shi Yuting.

Zuo Weiyi turned around and walked towards the elevator. After a few minutes, the elevator finally arrived at the top floor.

Feilin was even more surprised at Zuo Weiyi’s sudden arrival when she appeared at the entrance of the CEO office.

“Miss Zuo...”

As soon as she saw Feilin, Zuo Weiyi was also very tempted to ask her why Shi Tiannan was replacing Shi Yuting as the CEO of Di Zun Group. However, after thinking about it, she felt that it was impossible for Feilin to know what happened to Shi Yuting if she herself did not even know what happened to him.

Zuo Weiyi turned her head around and looked toward the other end of the floor. Xiangyi’s office was also empty at the moment.

He must have followed Shi Yuting all the way to Country C.

Zuo Weiyi did not say anything until the phone on the table suddenly rang.

Feilin quickly answered the phone. About two seconds later, Feilin turned her gaze on Zuo Weiyi.

Immediately after hanging up the phone, Feilin looked at Zuo Weiyi and said, “CEO Shi asks you to go in.”

Zuo Weiyi nodded calmly at Feilin before she turned around to look toward the office that originally belonged to Shi Yuting.

Nothing seemed to have changed at all. However, as soon as she pushed the door open, it was another man who was sitting behind the huge desk.

Shi Tiannan was not surprised at her sudden arrival and it seemed as though he had been expecting her to make an appearance here.

Shi Tiannan stood up and the corners of his lips rose unconsciously as he smiled slightly. After that, he scanned Zuo Weiyi up and down.

He did not get the opportunity to look at the woman in front of him clearly the last time he came to Shi Mansion. Now that he could finally take a closer look at her, he realized that she was indeed a very beautiful woman.

“Are you looking for me?” Shi Tiannan asked as he walked toward Zuo Weiyi.

“Where is Shi Yuting?” Zuo Weiyi did not waste any time on any nonsense at all but simply went straight to the subject!

Shi Tiannan glanced at her before he grinned and asked, “Are you asking me?”

“Do you think there is anyone else aside from me in this office right now?”

Shi Tiannan did not take her sharp words seriously but simply smirked as he walked toward the leather sofa at the side.

“Why should I tell you?”

Shi Tiannan raised his eyes to look at Zuo Weiyi after he sat down on the sofa.

Zuo Weiyi glared coldly at him.

She had all sorts of reasons why he should answer her question. She wanted to know why Shi Yuting was missing, and she also wanted to know why he was replacing Shi Yuting as the CEO of Di Zun Group!

Zuo Weiyi clenched her fists tightly as she stared at the dismissive man standing before her. After calming herself down and regaining her composure, Zuo Weiyi replied resolutely, “Because this office belongs to my husband!”

Shi Tiannan was slightly startled when he heard those words and could not help but look up at the woman standing before him.

He really had to admire this woman a little. At best, she could only be regarded as Shi Yuting’s woman but she actually had the audacity to claim that he was her husband?

“Husband?”

“That’s right.”

“Hahaha!”

Shi Tiannan lowered his eyes as he sneered at Zuo Weiyi.

After that, he looked at her before he said, "Aren't you thinking too highly of yourself? You are saying that Shi Yuting is your husband?"

Chapter 316: Why Don't You Become My Woman Instead?

"Whether you believe it or not, I don't care. I just want to know where my husband is, and why you are replacing his position in this office!"

Shi Tiannan was slightly startled when he faced the woman's firm and cold eyes.

Even in the face of his grandfather's oppression and threats, this woman was still facing everything in such a calm and confident manner, as though she was completely unaffected by his grandfather's actions at all.

She... did she really like Shi Yuting so much?

Then, he would have to test how much she actually loved him!

Shi Tiannan got up from the sofa before he walked toward the woman standing in front of him.

Zuo Weiyi seemed to perceive some sort of danger when she saw Shi Tiannan slowly approaching her step by step.

She subconsciously took a few steps back before she looked at Shi Tiannan and said, "What are you trying to do?"

Shi Tiannan did not speak but the corners of his lips curled up slightly as he approached her again.

Zuo Weiyi kept retreating as far as she could until she was finally trapped in a corner!

"You... what do you want to do?"

The man's face was getting closer and closer to her. Even though the man was very handsome, he still looked slightly inferior compared to Shi Yuting.

"I can tell you all about Shi Yuting, but... what benefit will I get from it?"

Zuo Weiyi felt a little repulsed as the man continued coming closer to her but she was trapped and there was no way out for her at all.

Zuo Weiyi raised her hands as she violently pushed the man in front of her. She initially thought that she would be able to push him away from her. Unexpectedly, the man did not move at all.

Shi Tiannan smirked as he stared at her delicate and beautiful face. He lowered her head and moved closer to her face as he said in a sexy and ambiguous voice, "Why don't you become my woman instead? Then, I will tell you all about Shi Yuting."

Zuo Weiyi's eyes widened as soon as she heard his words. She pushed the man in front of her disgustedly. "You are crazy!"

Shi Tiannan seemed to have been adequately prepared for this move. Just as Zuo Weiyi raised her hand, he quickly took the opportunity to grab her wrist before he said, "Why? Are you not willing to?"

"You bastard! Let go of me!" Shi Tiannan was holding tightly onto Zuo Weiyi's hand, and the more she tried to struggle, the more he held her hand tightly in his!

"Why? Weren't you curious to find out about what happened to him? You are not interested to know about him anymore?"

"Let go of me now, Shi Tiannan!"

Shi Tiannan did not intend to let go of the woman who was struggling in front of him. Instead, the more she struggled, the more it aroused the possessiveness in his heart. "Well, let me see what Shi Yuting's woman actually tastes like..."

After he was done speaking, Shi Tiannan lowered his face as he tried to kiss Zuo Weiyi on her lips...

"Asshole!"

Slap!

Anger and the sound of Zuo Weiyi cursing echoed in the huge office, accompanied by the sound of a loud slap!

After gathering all the strength that she had left, Zuo Weiyi finally pulled her hand out of his grasp and instinctively slapped Shi Tiannan across his face!

This was the first time that Shi Tiannan had ever been hit, more so by a woman! He was a little confused as he was caught completely off guard.

When he finally regained his senses, he felt pain on his cheek and his black jade-like eyes were filled with anger!

"You have actually dared to hit me?"

Zuo Weiyi could only stare at Shi Tiannan in a daze because she was also very shocked. She did not expect to subconsciously hit the man in front of her.

All that she wanted was to know about Shi Yuting's whereabouts but the man in front of her wanted to be frivolous!

Chapter 317: You Want to Leave After Hitting Me?

As she faced the man's angry eyes, Zuo Weiyi knew that it was impossible for her to inquire or obtain any news about Shi Yuting from Shi Tiannan anymore. She clenched her fists tightly together before she turned around to rush out of this office.

"You want to leave?"

When Shi Tiannan saw her turning around in a panic, he did not want to let her go at all. Instead, he grabbed hold of her arm as he pulled her back to him.

Zuo Weiyi was completely caught off guard as she was violently pulled by this strong force. Her feet staggered, and it seemed as though she was losing her balance because of him...

Just as she thought she was going to fall to the ground, Shi Tiannan pressed her down onto the sofa. After that, Zuo Weiyi was met with a pair of angry and sinister eyes!

“You want to leave after hitting me? Who do you think you are?”

Shi Tiannan asked angrily as he locked her hands and trapped Zuo Weiyi’s body under his.

“Let go of me!” Zuo Weiyi felt very disgusted as she was being held down by Shi Tiannan, and she kept struggling because she desperately wanted to get away from under him.

The man had an evil smile on his face as he said, “Let go of you? If I let you go just like this, then wouldn’t that mean that the slap that I received earlier was all in vain?”

“What the hell are you trying to do?” Zuo Weiyi roared as she glared angrily at the man who was pinning her down.

“What am I trying to do? Of course, I am trying to show you the price and the consequences that you have to pay for hitting me!”

As soon as his words fell, Shi Tiannan lowered his head again, as though he wanted to kiss the seductive pink lips before him.

Zuo Weiyi moved around as she struggled to avoid him when she saw his lips approaching. “Let go of me, you bastard!”

Of course, Shi Tiannan had no intention of letting her go at all. Instead, he continued trying to kiss her.

He did not know whether he was punishing this woman simply because of the slap that he had received earlier, or because of this inexplicable possessiveness that he was feeling at the moment.

He was obviously not inferior to Shi Yuting in the Shi family but he was always looked at differently because the blood that was flowing in his body was not of the Shi family’s blood. No matter how hard he tried and no matter how good he was, in Shi Le’s eyes, he would always be inferior compared to his precious grandson, Shi Yuting!

“Shi Tiannan, you bastard...”

Zuo Weiyi was pinned down on the sofa by his heavy body and could hardly move her body at all. She could only move her head slightly and was extremely disgusted at him!

Feilin, who was seated outside the door, seemed to hear the sound of the struggle going on inside the office. She knew all about the relationship between her big boss and Miss Zuo. Now that she heard the commotion that was going in the office, she naturally understood what was happening inside. Therefore, Feilin rushed into the office without any hesitation at all!

As soon as she rushed into the office, Feilin saw Shi Tiannan pinning Zuo Weiyi on the sofa as he tried to kiss her. Feilin immediately rushed over to help Zuo Weiyi.

“CEO Shi, please do not do this!”

As she said that, Feilin reached out and pulled Shi Tiannan away from Zuo Weiyi.

It was only then that Zuo Weiyi was finally able to break free from his grasp.

She quickly got up from the sofa as she escaped from Shi Tiannan!

“Who asked you to come in? Get out now!”

Shi Tiannan roared as he glared at Feilin, who had broken into his office, with eyes filled with anger!

Feilin naturally felt a little afraid as she faced his bloodthirsty eyes.

However, she continued standing in front of Zuo Weiyi as she said, “CEO Shi, please do not do this. You will only ruin the reputation of Di Zun Group!”

“Who gave you the rights to order or instruct me to do anything? Get out of my office immediately!” Shi Tiannan pointed in the direction of the door as he yelled at Feilin.

Zuo Weiyi grabbed hold of Feilin’s hand as she turned around and walked toward the office door.

Shi Tiannan’s anger rose and he wanted to continue speaking when he saw both of them leaving his office. However, a man suddenly walked into his office.

Chapter 318: Go to Country C! (1)

Shi Tiannan suppressed his anger and gradually calmed himself down after seeing the man who had just stepped into the office.

The man who came in was an assistant sent by Shi Le to follow him. Although he was already assigned to temporarily act as the CEO of Di Zun Group, he was still unable to gain Shi Le’s trust. The reason why Shi Le had sent someone here to follow him and watch his every move was that he was afraid that Shi Tiannan would try to take the company for himself.

“This is a document from the Speaker.” The man who came into the office, placed a document on the coffee table as he spoke.

After that, Shi Tiannan glanced in the direction of the door before he said, “You can go out now!”

Outside the office, Zuo Weiyi and Feilin were relieved when they finally entered the elevator.

“Miss Zuo, are you okay?”

Zuo Weiyi raised her eyes to look at Feilin who was standing in front of her before she shook her head gently. Her face was still a little pale, and she still had lingering fear written all over her face but she said, “I am fine.”

When she looked at Zuo Weiyi’s pale face, Feilin seemed to have figured out her purpose for coming here today.

“Are you here to look for the big boss? Miss Zuo, even you don’t know where Mr. Shi has disappeared to?”

Everyone in the company was very surprised at the sudden change of the CEO, and Feilin was no exception.

Zuo Weiyi lowered her head sadly before she said, "I only know that he went to Country C a while ago for some reasons related to work."

Ever since then, he seemed to have evaporated into thin air.

As she thought about this, Zuo Weiyi felt a sudden pinch in her heart.

"A while ago..." Feilin seemed to have suddenly recalled something as she fell into deep thoughts. "It seemed as though something went seriously wrong with the company. It was a rather serious situation and that is the reason why the big boss and his special assistant, Xiangyi, had to go to Country C to deal with the problem in person!"

Feilin initially thought that the big boss would return in a few days' time but it had already been more than half a month and the big boss had not come back at all. What was even more surprising and unexpected was the fact that they suddenly had a new CEO!

As she heard Feilin's words, Zuo Weiyi could not help but raise her eyes to look at her and ask with a puzzled expression on her face, "What went wrong with the company?"

"Well..." As Shi Yuting's secretary, Feilin unintentionally heard Xiangyi talking about the reason why they had to leave for Country C. "I am not too sure about the entire situation but after working in Di Zun Group for so long, this seems to be the biggest crisis that the company has ever faced. That is the reason why the big boss had to personally make a trip to Country C."

Zuo Weiyi could not help but think to herself after listening to Feilin's words.

Sure enough, all this seemed to be Shi Le's plan.

If that was the case, then she...

As she was still in deep thoughts, the elevator had already reached the ground floor.

The elevator door opened after the beeping sound.

Zuo Weiyi turned around and glanced at Feilin before she said, "Feilin, thank you for saving me."

After that, Zuo Weiyi turned around and walked out of the entrance as fast as she possibly could.

If all of this was Shi Le's plan, then where was Shi Yuting now? Did his grandfather put him under house arrest?

As she thought about this, Zuo Weiyi quickly took out her cell phone to make a phone call.

She had to go to Country C!

At the back seat of a black Bentley, Gu Yansheng was about to head to Zuo Yi's place of residence. Suddenly, his cell phone rang.

After taking his cell phone out of his pocket, Gu Yansheng was surprised when he saw the number on the caller ID.

He answered the phone immediately. "Weiyi?"

Zuo Weiyi pursed her lips tightly together when she heard the familiar voice over the end of the other line.

She remembered that both Gu Yansheng and Shi Yuting were from Country C.

If she blindly went to Country C on her own, she would be completely lost because she was not familiar with that place at all. For her to find Shi Yuting in Country C would be like finding a needle in a haystack.

Moreover, she had never gone abroad before in her entire life.

"Where are you now?"

Gu Yansheng frowned slightly when he heard that it seemed as though Zuo Weiyi had something to ask of him. "I am planning to go and visit Grandpa Zuo. What's wrong?"

"I... I need your help."

Gu Yansheng was slightly surprised when he heard Zuo Weiyi's words. "What is wrong?"

"I want to go to Country C. Can you please... bring me there?"

Go to Country C?

Gu Yansheng was even more surprised.

She was from Country Z. So, why was she trying to go to Country C?

"What do you want to do in Country C?"

"I want to look for Shi Yuting."

Shi Yuting?

Gu Yansheng raised his brows as he thought about the news that he had heard over breakfast this morning

It seemed as though Di Zun Group currently had a new CEO because Shi Yuting was unwell. However, Zuo Weiyi was saying that she wanted to go to Country C to look for him now. What was happening?

"Didn't you say that you already know him ever since a long time ago? Do you know his specific location in Country C?" Zuo Weiyi could not help but feel a little anxious when she thought about the fact that Shi Yuting might have been placed under house arrest by Shi Le.

Was he also worried about her and the baby in her stomach?

Gu Yansheng felt slightly confused about the entire situation.

Why did Shi Yuting leave Zuo Weiyi and the baby in her stomach behind to go to Country C on his own?

Gu Yansheng glanced at the gift that he had prepared for Zuo Yi before he said, "Weiyi, where are you now? I am going over to Grandpa Zuo's house, so why don't you meet me there and we will talk about this in person instead?"

He also wanted to figure out what happened and whether Shi Yuting had abandoned Zuo Weiyi and the baby in her stomach!

Zuo Weiyi hesitated for a moment when she heard Gu Yansheng's words.

Was it really appropriate for them to talk about this in front of Grandpa Zuo?

However, Zuo Weiyi also knew that there were a lot of things that could not be easily explained over the phone. Therefore, Zuo Weiyi finally nodded before she said, "Alright then. I will be there in fifteen minutes."

"Okay."

After hanging up the phone, Zuo Weiyi immediately drove toward Zuo Yi's villa and arrived at his villa in about fifteen minutes.

Gu Yansheng had already arrived before her and had already told Zuo Yi about Zuo Weiyi's plans.

Zuo Yi had an ugly expression on his face and could not help but feel a little upset when he heard that Zuo Weiyi was planning to go to Country C because of Shi Yuting.

There were so many things that he could not tell her now but he felt very distressed when he looked at Zuo Weiyi who was suffering everything on her own.

There were so many men in this world. So, why did she have to fall in love with that conservative Shi Le's grandson?

Gu Yansheng was such a wonderful child. So, why didn't Zuo Weiyi fall for him instead?

Zuo Yi really felt that it was a pity.

He really admired Gu Yansheng and would have been very happy if he could become his grandson-in-law.

"Weiyi, do you really have to go to Country C to look for him? Since he did not come back even after half a month had already passed, perhaps he does not intend to come back at all..."

"Impossible!" Zuo Weiyi quickly denied it before Zuo Yi could even finish speaking.

It was simply impossible for Shi Yuting to leave her and their baby behind. She firmly believed in him!

"He will not do that."

"Do you really trust him that much?"

"Yes."

When he saw the firm expression on Zuo Weiyi's face, Gu Yansheng could not help but ask, "What if he really did not plan to come back to you?"

Zuo Weiyi turned around to face Gu Yansheng before she said in a calm manner, "He would never do that."

"I mean, what if?"

"There is no 'what if'!"

Gu Yansheng frowned. Where did her confidence come from?

It had already been more than half a month since Shi Yuting left.

Moreover, no one knew if Shi Yuting's freedom was restricted or whether he was the one who chose not to come back here.

Chapter 320: Go to Country C! (3)

"How can you be so certain that he would never do that?"

"Because we are already legally married."

In her mind, Zuo Weiyi suddenly thought of what happened at the Civil Affairs Bureau the other day. She asked him, "Why do you want to marry me?"

And his answer at that time was: "I love you."

Yes. Shi Nuannuan also told her that 'ich liebe dich' meant I love you.

How could a man who was deeply in love with her, possibly abandon her and the baby in her stomach?

Both Zuo Yi and Gu Yansheng were both shocked and surprised at her sudden words.

"Married? You... you are married to Shi Yuting?" Gu Yansheng asked as he looked at Zuo Weiyi surprised.

Zuo Weiyi lowered her eyes as she said, "Yes."

"When?" He did not know about it at all.

Compared to the surprised expression on his face, Gu Yansheng was actually very disappointed.

"We have registered our marriage and got our marriage certificate."

Zuo Yi raised his brows in surprise!

Shi Yuting actually chose to disobey his own grandfather and was actually officially and legally married to his granddaughter?

"You handed your life over to that man just like that?" Zuo Yi asked with distress in his eyes.

He was going to wait until they reconciled and reunited with one another before he tried to matchmake her to Gu Yansheng!

It seemed as though there was no hope left.

As he thought about his granddaughter secretly obtaining a marriage certificate with someone else, Zuo Yi felt as though his granddaughter had been abducted.

She was his granddaughter but she actually had to get married in secret!

She should have had an earth-shattering and beautiful wedding ceremony instead!

Zuo Weiyi had an inexplicable feeling when she saw the look of distress in Zuo Yi's eyes. However, she was truly and deeply in love with Shi Yuting, without any reservation at all.

"I did not just simply marry him. He is the man who treats me the best and loves me the most in this world aside from my mother and grandmother!" At this point, tears were already accumulating in Zuo Weiyi's eyes.

Zuo Yi suddenly felt very guilty when he saw the tears in Zuo Weiyi's eyes.

If he did not miss out on Shen Ruoxi in the past, then Zuo Weiyi, her mother, and her grandmother would not have led such miserable lives. They would not have been spurned and looked down upon by thousands of people.

As he thought about this, Zuo Yi could not help but feel a piercing pain in his heart.

"Alright then. I will take you to Country C!"

Zuo Weiyi turned around as she looked at Zuo Yi in surprise.

Gu Yansheng, who was sitting nearby, also turned around to look at Zuo Yi in shock.

Grandpa Zuo was personally bringing Zuo Weiyi to Country C?

"Grandpa Zuo..." Gu Yansheng wanted to say something but Zuo Yi raised his hand to stop him, with a determined expression on his face.

Zuo Yi raised his eyes to look at Zuo Weiyi before he said, "However, before that, I hope that you can go to two places with me."

Zuo Weiyi was very confused as she stared at Zuo Yi.

Later that afternoon, the black Rolls-Royce drove into the cemetery where Zuo Weiyi's mother was laid to rest. Zuo Weiyi had a very blank expression on her face. She was very confused.

Zuo Weiyi was even more shocked and surprised when she saw Zuo Yi walking all the way to her mother's tombstone.

Grandpa Zuo. Why was he... visiting her mother's grave?

"Grandpa Zuo, you..."

Zuo Yi had a sad expression on his face as he stared at the picture of Zuo Qing that was on the tombstone.

He gently placed a bunch of chrysanthemums in front of the tombstone before he stood up again. The corners of his eyes were a little wet at this time.

Zuo Weiyi seemed to have thought of something when she stared at the white chrysanthemums that were laid on the ground.

Could it be that...

“Grandpa Zuo, do you know my mother?”

When he looked at the face on the picture of the tombstone that somewhat resembled Shen Ruoxi, Zuo Yi smiled bitterly before he said, “We are more than just acquaintances...”

Zuo Weiyi was stunned.

More than just acquaintances? What did he mean by that?

Zuo Yi did not explain things to her and both of them simply walked toward the beach in silence.
