

Kiss Me 46

Chapter 46: Why, Too Little?

Shi Yuting frowned and took a glance at his little sister. "A job?"

"Yes, Weiyi is looking for a job but not a single company wants her!" Shi Nuannuan pouted. When she recalled the rejections from the previous few companies, she was not happy.

However, her words were so direct that Zuo Weiyi lips quirked a little.

Why was it so direct...?

Shi Yuting raised his eyebrows and looked at Zuo Weiyi.

He walked over to her and looked at her pretty face. "Are you looking for a job?"

She raised her head to look at him and then looked down again, "Yes, but I can look for a job by myself, I don't need you..."

"I'll give you a job."

Before she could finish her sentence, Shi Yuting agreed to give her a job.

Zuo Weiyi gawked at him.

Shi Nuannuan seemed more excited than Zuo Weiyi, "See, I told you my brother could give you a job, didn't I?"

Zuo Weiyi turned but she couldn't get herself to feel happy.

To outsiders, she lived off Shi Yuting and now that he gave her a job, she felt that it was similar to giving her money...

"Since you wish to work, let's start now," the man looked at her and exclaimed.

Zuo Weiyi was puzzled.

"I will be going to Vine Hill Villa for a business negotiation. Come with me." Shi Yuting walked over to his desk to get a few documents and then to the internal lounge to get his overcoat. He then dragged Zuo Weiyi out of the CEO's office.

Looking at the two from behind, Shi Nuannuan frowned and chased up with her bag in hand. "Brother, bring me along!"

She was a people person and Vine Hill Villa sounded fun.

However, Shi Yuting's voice of decline came from the front. "You'll go home!"

Shi Nuannuan saw Xiangyi trailing behind and the three of them entered the lift and were out of sight.

During the journey to Vine Hill Villa, Zuo Weiyi was flurried and helpless.

Although he had given her a job, she didn't know her position and had rashly followed him out. She didn't even know what she had to do.

In the back seat of the black Bentley, Zuo Weiyi turned to look at the man and asked, "Err...what's my job?"

Shi Yuting turned to her. He lowered his face and got very close to her. "Personal secretary with a monthly salary of ten thousand dollars."

Zuo Weiyi widened her eyes. This amount was beyond her expectations.

She had worked in big companies before but the salary plus bonus for a position such as secretary was at most a few thousand dollars. She had never seen or heard of one with a monthly salary of ten thousand dollars.

She was pleasantly surprised but she wasn't happy.

No matter how much Shi Yuting gave her, she felt that the money came from him and not through her own efforts.

"Why, is it too little?" the man asked, looking at her dreary face.

Zuo Weiyi looked up and shook her head slightly, "No, it's good."

Then, she lowered her head again and suddenly thought of something. She raised her head again and looked at the man in front of her. "With regards to Shu Group's bankruptcy, was it you..."

"Yes." Shi Yuting admitted.

Zuo Weiyi was shocked.

Did he do this solely for her?

She looked down. She couldn't bring herself to say thank you.

Chapter 47: Do You Know How To Dress Up?

Shu Yuner was indeed annoying, but she had never thought of dragging her family into trouble.

However, it might be better this way. Without money and power, how could Shu Yuner continue to be arrogant?

"Oh yes, Jiang Group..." Zuo Weiyi wanted to know if this man took her request for Jiang Group to go into bankruptcy to heart.

Shi Yuting seemed to have read her mind. He smiled and put his arms around her shoulders. "Be patient, you will see Jiang Huaiyuan and his family in a while."

Zuo Weiyi was dumbfounded.

She would see the Jiang family in a while?

After about an hour, the black Bentley stopped in front of the villa. It was three in the afternoon.

Zuo Weiyi exited the car and marveled at the spectacular view of the place.

Walking into the villa, Shi Yuting went to the hotel room which he had reserved.

After half an hour, there was a knock at the door. Xiangyi brought the luggage in.

“Mr. Shi, the things you’ve requested are here.”

“Put it down.”

Xiangyi placed the luggage down and left the room.

“Do you know how to dress up?”

Zuo Weiyi was sitting on the couch when the man suddenly walked toward her and threw her the question.

She stared blankly, not understanding the purpose of his words.

“Err...I don’t...”

She didn’t know how to dress up and didn’t know what he meant by dressing up.

Shi Yuting knitted his brows. He hesitated for a while, then walked over to the coffee table and picked up the phone.

Zuo Weiyi heard him saying through the phone, “Get me a stylist.”

He then ended the call.

After five minutes, there was a knock on the door and in came an unfamiliar lady.

“She will be attending a banquet tonight. Please style her,” Shi Yuting, who was sitting on the couch with a magazine in his hand, told the stylist.

“Alright, Mr. Shi.”

The stylist gestured Zuo Weiyi to follow her. “Miss, please follow me.”

Zuo Weiyi never knew she could be so beautiful!

After half an hour, Zuo Weiyi was dressed in a light yellow evening gown with diamonds. The deep V-neck exposed her sexy collarbone. Her fair shoulders glowed under the soft lights. Her soft hair was casually tied back, with a few strands left to fall by the side, framing her pretty oval face. She looked gentle and elegant.

This was the first time Zuo Weiyi had dressed up like this. Looking at her own reflection in the mirror, she was astonished.

She was pretty when she dressed up.

The stylist was beaming. “Miss Zuo, you are very pretty.”

When she styled others, the entire make-up set was usually required but today, dressing Miss Zuo up was so simple.

Her naturally curled eyelashes only needed a little mascara and a light pink color was all it took to enhance her pink lips. Just a little hair styling, a pair of high heels, and an evening gown were enough to turn her into another person.

“Miss Zuo, you are one pretty lady whom I rarely see. No wonder Mr. Shi likes you so much.”

Zuo Weiyi’s smile froze.

Shi Yuting liked her? Haha, how could that be possible?

He was only interested in her.

She smiled but did not say anything. She was happily admiring herself in the mirror.

Chapter 48: Don’t You Wish For It?

“Miss Zuo, the more I look at you, the more you look like someone.”

Looking at Zuo Weiyi from the mirror, the stylist suddenly frowned.

Zuo Weiyi was surprised. She turned to ask the stylist, “Who?”

The stylist pursed her lips and frowned. She thought she looked like someone but couldn’t recall who that person was.

“Haha, I’ve forgotten her name. I think it was a few years ago when Mr. Shi brought this girl...”

Before the stylist could finish talking, the room door was pushed opened.

Shi Yuting walked in and was drawn towards Zuo Weiyi, who was standing in front of the mirror.

He stood frozen in place. He just stared at the woman in front of the mirror.

Zuo Weiyi felt awkward. Her forehead creased a little and she asked, “Does it look bad?”

She thought it looked good.

Shi Yuting regained his senses and replied, “You look beautiful!”

He smiled. She looked different from her usual self.

Zuo Weiyi hesitated. Did Shi Yuting have split personalities?

Why was he sometimes enthralled by her but when he regained his senses, it was as if he had been looking at a different person?

Zuo Weiyi frowned. She was puzzled.

When Shi Yuting came in, the stylist was tactful enough to leave.

He came in front of her and gave a satisfied smile.

“Such a beauty to feast one’s eyes on.”

Zuo Weiyi looked at him dumbfounded. “What?”

Shi Yuting was silent. The next second, he lowered his head and took her pink lips.

Zuo Weiyi had gotten used to his sudden kisses. No matter how awkward she still was, his kiss had a magical power that could draw her into it and she slowly learned how to respond.

After a kiss, Shi Yuting let go of her.

“We shall continue after the banquet...”

He whispered in her ears and she could feel his warm breath by her ears. She blushed and her heart raced.

She looked up and stared at him with dissatisfaction. “Can you please...stop constantly talking about this?”

“Don’t you wish for it?”

Zuo Weiyi was taken aback. She didn’t expect him to ask her like this.

“No!” She gave him a short answer and turned, about to leave.

The man stretched out his hand and pulled her back.

It was done as if it were on purpose. With a little strength, Shi Yuting pulled her into his embrace.

“Let me verify if you really do not wish for it.”

Once again, he pressed his lips against hers!

Zuo Weiyi was shocked. She widened her eyes and the next second, she felt her gown being lifted up...

When she suddenly realised his gesture, Zuo Weiyi said with a start, “Oh no, my...makeup...”

“Don’t worry, style again after we are done!”

Once again, the man sealed her lips, not giving her any chance to talk.

One hour later, the stylist was summoned again.

Despite her attempts to clean herself up, the stylist would have definitely known what they were both doing just a while ago with a look at her lips, with her lipstick being wiped off.

Being read by the stylist, Zuo Weiyi wished she could find a hole to hide herself, never to come out again!

The banquet at the Hill Villa was scheduled to start at 7pm and the banquet hall was a distance away from Shi Yuting’s hotel room.

Chapter 49: Meeting The Jiang Family

In 8 cm high heels, Zuo Weiyi took a ten-minute walk to the banquet venue.

Both of them walked abreast in formal attires and their arrival at the banquet hall made heads turn!

At the sight of them entering the banquet hall, some people began to whisper.

Some were astonished by both their appearances, while others were shocked!

Among the crowd, some who knew Shi Yuting knew that no matter which event he attended, he would never bring a female partner, but today, they saw a beautiful girl by his side. How could they not be shocked?

Which rich family's daughter was this, to be able to hold an important place in Shi Yuting's heart? She must have done something good in her previous life to get this good fortune.

"Dad! Mr. Shi is here!"

In the grand banquet hall, Jiang Tingmei saw Shi Yuting from not too far away and tugged on her father's arm while prompting him.

Jiang Huaiyuan turned and saw Shi Yuting being surrounded by a group of people.

He quickened his steps and walked toward Shi Yuting.

Mr. Shi had invested fifty million dollars in Jiang Group earlier on but he had withdrawn it all of a sudden. Jiang Huaiyuan was not sure of the reason for the withdrawal. Jiang Group, which had overcome its difficulties with the investment, had once again fallen into a crisis, but this time it was worse!

Jiang Huaiyuan quickly walked toward Shi Yuting, wanting to find out the reason for his withdrawal.

"Mom, let's go over too." Jiang Tingmei turned and looked at Qiu Yun with eyes filled with joy.

She had always wanted to know this authoritative man but had never had a chance. Today, the opportunity had arrived and she could see him in person!

Without waiting for Qiu Yun's answer, Jiang Tingmei trailed Jiang Huaiyuan as she was unable to hold herself back.

In the midst of the crowd, Shi Yuting turned to his side slightly and with a smile, looked at his female partner. "They are here."

Zuo Weiyi was stupefied. She didn't understand what his sudden words meant.

Only when she raised her head and noticed Jiang Huaiyuan walking toward them that she understood what Shi Yuting meant.

Looking at the tall figure, Jiang Huaiyuan walked over obsequiously.

With a smiley face, he greeted, "Hello Mr. Shi..."

At that moment, his focus was all on Shi Yuting's handsome face and he did not notice Zuo Weiyi who was standing beside Shi Yuting.

Jiang Tingmei was the only one who noticed the beautiful lady beside Shi Yuting!

Feeling jealous, she had only wanted to take a clearer look at his female partner at first but the more she looked, the more she thought this lady looked familiar.

Then, when she really looked carefully, she was shocked!

Zuo Weiyi? How could it be her?

Shi Yuting's lips curled at the sight of Jiang Huaiyuan and greeted, "Mr. Jiang."

Shi Yuting calling him Mr. Jiang made him feel nervous and overwhelmed. "I'm flattered."

Shi Yuting did not reply. He turned his head as if nothing happened and continued talking to some business tycoons.

Jiang Huaiyuan saw that Shi Yuting was ignoring him, so he called him again. "Mr. Shi."

Shi Yuting raised his eyebrows and looked at Jiang Huaiyuan. "Yes, is there anything else, Mr. Jiang?"

Jiang Huaiyuan hesitated.

He would have known about the investment withdrawal, but why did he ask as if he didn't know?

He did not understand when he had offended this 'God', leading to his investment withdrawal.

Chapter 50: 'My Weiyi'

Jiang Huaiyuan smiled awkwardly. "Haha. Mr. Shi, do you mind if I have a word with you?"

Shi Yuting pursed his thin lips slightly and looked at the girl next to him. His sexy lips were curved into a beautiful arch. "Would you like to go out to get some fresh air?"

Zuo Weiyi turned her head. She was slow at catching what the man meant.

Following his gaze, Jiang Huaiyuan saw the girl next to him. He frowned and couldn't believe his own eyes!

Wasn't the girl Weiyi?

Why was she with Mr. Shi?

He looked at her daughter, who was looking gorgeous, and for a moment, he found it unbelievable.

He creased his forehead tightly. Looking at Zuo Weiyi, he asked in disbelief, "Weiyi, is it you?"

Zuo Weiyi turned to look at Jiang Huaiyuan's surprised face. Her expression was cold, as if she didn't know this middle-aged man standing in front of her.

"Zuo Weiyi, it's really you?" Jiang Tingmei asked with the same disbelief as her father.

Who could explain how a common girl like Zuo Weiyi could end up with the extremely wealthy Shi Yuting?

How could this be possible? What did she have to get to this?

"Mr. Jiang, do you know my Weiyi?" Shi Yuting asked, pretending that the father and daughter's surprise was beyond his expectation.

Jiang Huaiyuan turned around and looked at the man.

“Err...Mr. Shi, the lady beside you is my daughter. The last time you invested in my company, you said it was because of my daughter that...”

“Oh, right, I’ve forgotten to inform you something.”

Without waiting for Jiang Huaiyuan to finish his sentence, Shi Yuting suddenly recalled something. With one hand holding a wine glass, he looked at Jiang Huaiyuan and said, “With regards to my investment in your company, I’ve made a mistake. The person I’m interested in is Zuo Weiyi, not Jiang Weiyi.”

He smiled faintly. His tone of voice was calm as if he had really made a mistake.

He did say that it was because of Zuo Weiyi that he had invested fifty million dollars into Jiang Group.

Jiang Huaiyuan was startled and impatiently added, “Err...Mr. Shi, you’re not mistaken. The person beside you is my daughter, Zuo Weiyi.”

He took a glance at Zuo Weiyi and explained in an ingratiating manner.

Zuo Weiyi sneered.

“Oh? You mean my Weiyi is your daughter?” Shi Yuting raised his brows and pretended to look at Jiang Huaiyuan surprisingly.

The title ‘my Weiyi’ was enough for all women in the whole world to fall into envy and jealousy!

Jiang Huaiyuan was naturally overwhelmed by this, while Jiang Tingmei was extremely jealous!

When had she seduced Shi Yuting?

“Yes, Mr. Shi!” Jiang Huaiyuan was rejoicing inside. So, Di Zun’s sudden withdrawal was because Mr. Shi thought he had mistaken Zuo Weiyi for his daughter. In reality, Zuo Weiyi and Jiang Weiyi were the same person.

Then, he turned to look at Zuo Weiyi, who had been keeping silent. With ingratiation, he asked, “Right, Weiyi?”

Facing the desperate Jiang Huaiyuan, Zuo Weiyi couldn’t help but let out a cold laugh.

So, the dignified Jiang Group chairman could fall humble like this.

She smiled coldly and answered, “Mr. Jiang, I’m afraid you have mistaken me for your daughter. My surname is Zuo, not Jiang.”
