

Kiss Me 491

Chapter 491: Shi Yuting's Fury!

Hearing the large ripping sound, Zuo Weiyi's eyes widened in shock. Her disgust instantly overwhelmed every cell in her body!

"Ah!! She cried out in shock as she pushed the man on top of her with all her might!

At that moment, Shi Tiannan was completely filled with fury. He did not notice the sound of the engine at the door.

"Shi Tiannan, you bastard!!" Zuo Weiyi was so angry that tears were coming out of her eyes. However, she could not push away the man who was on top of her. Her body was trembling uncontrollably and she could not tell if it was because of anger or fear.

Suddeny, Zuo Weiyi suddenly felt the weight lift off her body. When she came back to her senses, she saw Shi Tiannan flying off with a force. Then, he crashed heavily onto a small-sized storage side table!

Shi Tiannan was caught off guard by this sudden force, but it was already too late.

Before he could stand up, his face was suddenly kicked hard by someone and he fell back to the ground!

However, Shi Yuting's anger did not end there!

He walked over and his bloodthirsty eyes were burning with fire at this moment! However, this did not lessen his anger!

He walked over and pressed Shi Tiannan to the ground. His strong and powerful fist fiercely hit his disgusting face. Each punch was merciless!

Only at this moment did Shi Tiannan see clearly that it was him. Even though he was beaten black and blue, the corners of his mouth were still raised arrogantly.

A provocative smile appeared on his face. "Your woman... is really sweet and delicious..."

His words once again aroused the anger in Shi Yuting's heart!

In the next second, he grabbed the clothes on Shi Tiannan's chest tightly and pulled hard, sending him flying again. After slamming into the ice-cold wall, he fell down again!

At this moment, Shi Tiannan was out of breath, and blood had already seeped out of his forehead and mouth.

However, Shi Yuting's anger still did not stop. Instead, he walked towards Shi Tiannan, who was lying on the ground. His dark, pitch-black eyes emitted a bone-chilling killing intent!

"Who gave you the courage to act wantonly in this house?" His voice was deep and cold, as if it could condense the air, like Yama of hell.

Laying on the ground, Shi Tiannan only smiled. "The courage?" He raised his hand and wiped the blood from the corner of his mouth. Then he looked at the man who was standing in front of him and sneered, "As long as it is yours, I am interested in all of it."

Before he finished his words, Shi Yuting kicked him fiercely and sent him flying. He hit the wall again and then fell back to the ground.

Not far away, Zuo Weiyi heard the sound of bones breaking.

She was scared out of her wits, stunned and unable to move or think straight.

“Shi Yuting, if you have the guts, then kill me.”

Glancing at the man on the ground, Shi Yuting’s eyes turned cold. In the next second, he quickly took out a pistol and aimed at Shi Tiannan’s forehead.

“If you want to die, I’ll grant you your wish.”

Shi Tiannan sneered, “Do you really dare to kill me?”

Shi Yuting curled his lips, and his voice was so cold that there was not a trace of warmth. “In this world, there is nothing that I, Shi Yuting, don’t dare to do.”

Pointing the pistol at his forehead, Shi Yuting’s finger slowly pulled the trigger!

Chapter 492: The Arrogant Xiao Yayue

On the sidelines, Zuo Weiyi was stunned scared. She looked at the gun that was aimed at Shi Tiannan’s forehead and dared not make a sound. Instead, she just continued staring. Her eyes were filled with fear.

However, the moment Shi Yuting decided to pull the trigger, Shi Le entered through the main entrance and saw the scene.

“Yuting, stop immediately!”

With Xiao Yayue’s supporting him at his side, the two of them walked in nervously!

“Tiannan, what... what’s going on with you?!” Xiao Yayue walked over and saw her son lying on the ground. Although he was not her biological son, she had been taking care of him for so many years. In the future, they would have to rely on him to take care of them in old age. Naturally, they have already bonded.

With her help, Shi Tiannan slowly sat up. He looked completely different, with his head and face covered in blood.

Shi Le walked over and snatched the pistol from Shi Yuting’s hand.

“Yuting, what are you doing?!” Although Shi Le knew that the relationship between the two brothers was not that good, they had never tried to kill each other before. What exactly happened?

His pair of dark eyes still emitted a bone-chilling glare as he looked coldly at Shi Tiannan, who was sitting up on the ground.

Shi Yuting did not answer Shi Le. Instead, he turned around and took the embarrassed and pale-faced Zuo Weiyi’s hands. Then, he walked her to the second floor.

At this moment, Shi Le finally noticed Zuo Weiyi as she stood up. Her clothes appeared to have been torn by something.

Shi Le stared blankly at their backs as they went upstairs. The pale-faced Zuo Weiyi flashed across his mind.

Could it be..

He turned his head and looked at Shi Tiannan on the ground.

This child had said that he liked Weiyi last time. Could it be that he had done something immoral to her?

But where were Lanzhi and Nuannuan? Were they not at home?

He looked up at the empty living room and the second floor. Only then did Shi Le remember that since the servants had gone home for the New Year, Shen Lanzhi had to personally prepare some things and food for the New Year.

But did Nuannuan go with her?

He remembered that when Lanzhi went out, Nuannuan and Weiyi did not seem to have woken up yet.

“Tiannan, quick, get up.”

On the ground, Xiao Yayue quickly helped her son up. Then, she looked at Shi Le. “Sir, I know that I’m no longer a part of this family, but Tiannan did not leave the Shi family. I don’t know what he did that Yuting wants to treat him like this!”

Looking at the mother and son, Shi Le did not know what to say for a moment.

Although Tiannan was not related to him by blood, he was still his grandson after all. He was groomed and raised by him. It was impossible to say that he had no feelings.

“Let’s not talk about this for now. Hurry up and send him to the hospital!”

The family doctor would definitely not be able to help with his injuries.

“Alright, I’ll send Tiannan to the hospital now. However, I must have Yuting give me an explanation!” Xiao Yayue’s expression was stern as if she was the Lady of the House. Her eyes filled with anger.

But though she was no longer the Lady of the House, she once was. Furthermore, she had a share of the Shi family’s business now. Hence, she had always been arrogant. She even acted like a lady in front of Shen Lanzhi, as if Shen Lanzhi was a mistress.

Of course, in today’s society, there was no longer any room for a mistress. Therefore, every time she came to the Shi family, Shi Nuannuan hated her!

After saying that, she supported Shi Tiannan and walked towards the door!

Chapter 493: Live Together Harmoniously? I’M AFRAID THAT IS IMPOSSIBLE!

On the second floor, in the bedroom.

After he came up and comforted her on the couch, Shi Yuting got up again and prepared to go to the cloakroom to change her clothes.

However, just as he got up, his hand was pulled by her. She held him tightly and refused to let go.

Shi Yuting turned around and saw that her body was still slightly trembling. His heart tightened and he walked over to hug her. "It's alright."

Leaning into his arms, Zuo Weiyi still had some lingering fear in her heart.

"I, I want to take a shower. Please... accompany me."

"Okay."

He carried her and walked towards the bathroom.

After taking a shower, Zuo Weiyi had calmed down a bit.

After changing into a set of clean clothes, she leaned into his arms as if it was the only place where she could feel a sense of security.

Shi Yuting did not say anything as he hugged her.

His malicious eyes seemed to be deep in thought about something.

Downstairs, Shi Le waited for a long time. Seeing that they had not come down yet, he decided to go up.

After Shi Le entered, Shi Yuting let go of her.

Shi Le asked, "Are you alright?"

Judging from her expression, Tiannan must have done something to her.

Thinking about it, Shi Le could not help but feel a little angry.

He actually dared to do such a thing to his younger sister-in-law at home!

"That child Tiannan is too much, that bastard!"

Although Shi Le was also very angry about this matter, Tiannan was still his grandson after all. So he also felt bad for Shi Tiannan getting beaten up like that.

Moreover, Xiao Yayue would definitely need an explanation as well.

Thinking about it, he could not help but frown helplessly.

"Yuting, no matter what, he is still your big brother. If I didn't come back, did you really intended to shoot him?"

"Yes." Shi Yuting was expressionless and spat out the word without hesitation.

If he did not arrive in time, he would indeed have pulled the trigger.

“You...” Shi Yu felt very helpless. “Although he is not related to our family by blood, he is still your big brother. It was your father and Yayue who personally brought him back to our Shi family! Furthermore, I personally groomed him. I really hope that the two of you can live together in harmony.”

“Live together in harmony?” Shi Yuting raised his deep eyes slightly and looked at Shi Le. “I’M AFRAID THAT’S IMPOSSIBLE!”

“What else do you want to do?” Based on his expression, Shi Le sensed that he wanted something else.

The two brothers had always regarded each other coldly and did not interfere with one another.

However, after today’s incident, he was worried that the two brothers would completely turn against each other fearlessly!

Shi Yuting’s face was cold, and his eyes emotionless. Anyone who looked at him would feel a chill in their hearts.

Suddenly, he looked at the person in front of him and his gaze became warm and tender, “I want his life.”

Hearing this, Shi Le’s entire body was startled, and the space between his brows tightened. “He’s your big brother!”

Shi yuting responded with an extremely cold smile. “Big Brother? I don’t want a big brother who is constantly after my life!”

His sudden words made Shi Le feel extremely surprised, and his eyebrows slightly furrowed. “Yuting, what do you mean by this?”

What did he mean by a big brother who is constantly after his life?

Shi Yuting’s eyes turned cold, and he didn’t say anything more. His gaze drifted far away, as if he was thinking about something.

Seeing that he did not say anything, Shi Le did not ask any more questions. Instead, he glanced at the two of them before turning around to leave.

What exactly did Yuting mean by that?

Chapter 494: Are You not Feeling Well?

Is there something between the two of them that he doesn’t know about?

Walking out of the door, Shi Le frowned and couldn’t figure it out.

However, even though he was puzzled, Shi Tiannan was his grandson after all. With his injuries, he definitely had to go to the hospital.

After going downstairs, Shi Le went straight to the hospital.

...

In the afternoon, Shen Lanzhi came back and saw that the living room was empty. She thought that Shi Nuannuan and Zuo Weiyi hadn't woken up yet, so she went to the second floor.

She knocked on her daughter's room first and realized that no one answered. She pushed the door open and realized that Shi Nuannuan was not inside.

She frowned and walked to the door of her son's room.

Just as she was about to knock, the door suddenly opened.

She was a little surprised to see her son. She smiled and asked, "Son, why are you home at this time?"

When he saw his mother, Shi Yuting's expression was calm. "I came back to get my things."

Even now, Shi Yuting still had a lingering fear in his heart as he thought about it.

If he had not left that important document at home as he left this morning, what would have happened? He did not dare to think further.

"Oh, what about Weiyi? Is she up?" Shen Lanzhi smiled and looked into the room.

When she heard Shen Lanzhi calling her name at the door, Zuo Weiyi, who was on the couch, cwalked over. But she did not look very well.

"Mom."

Seeing that she did not look too good, the smile on Shen Lanzhi's face faded and was replaced by a concerned face. "Weiyi, what's wrong? Are you not feeling well?"

She was fine yesterday, but what was wrong today?

Looking at her, Shen Lanzhi could not help but reach out and touch her forehead. She did not seem to have a fever. Then, what was wrong?

"Mom, where did you go this morning?" Shi Yuting could not help but ask.

Shen Lanzhi was stunned by her son's question. "This morning? I went to buy some things for the New Year. What's wrong?"

Shi Yuting glanced at his mother, then walked past her and headed downstairs. "It's nothing. If you have time, you should spend more time with me."

As soon as he finished speaking, he had already turned around and entered the study.

Shen Lanzhi, on the other hand, was confused. She had a nagging feeling that something was wrong with her son today.

She turned around and looked at Zuo Weiyi in front of her. "Weiyi, what's wrong with you? Are you feeling unwell somewhere?"

Seeing how concerned she was, Zuo Weiyi's heart felt warm, and her mood became much better.

She smiled. "It's fine. Do you want to come in and have a seat, mom?"

“No, the servants at home are all on vacation. I still have to make lunch. What do you want to eat? Mom will make it for you.” Shen Lanzhi smiled. Ever since Zuo Weiyi entered the house, she was very satisfied with this daughter-in-law of hers.

Compared to those socialites and young ladies, Weiyi was actually a very easy-going girl. She doesn't spoil herself and was rather likable.

“It's OK, I'm fine with anything.” Zuo Weiyi smiled and then lowered her eyes.

So all the servants had really gone home. Didn't that mean that Shi Yuting's mother had to cook every meal by herself?

It had been some time since they had entered the Shi family. Zuo Weiyi naturally knew very well about the meals that this big family of three generations had to eat every day.

There were so many dishes, but she had to cook them all by herself. Wouldn't that be taxing?

As she thought about this, Zuo Weiyi raised her head and smiled at Shen Lanzhi. “Let me help you.”

Perhaps finding something to do would be better for her mood at the moment.

She was so sensible, and Shen Lanzhi liked her very much.

Chapter 495: Weiyi, Are You Pregnant?

“There's no need. You don't look too well. Just rest well in your room. Mom will call you when I'm done.” Shen Lanzhi turned around to leave.

“It's fine. I really want to find something to do now.”

Seeing that she was about to leave, Zuo Weiyi followed her.

Shen Lanzhi turned around. She felt that there was something wrong with Weiyi today, but didn't feel that it was appropriate for her to ask.

At that moment, Shi Yuting walked out of the study with a document in his hand.

Shen Lanzhi saw the document and asked, “What? Are you still going out? It's almost lunchtime.”

“Yes, I still have an important meeting to attend to,” Shi Yuting replied. Then, his gaze fell on Zuo Weiyi's face. “Are you alright?”

Zuo Weiyi smiled. “I'm fine. Hurry up and go.”

She knew that he still had things to do.

Shi Yuting stared at her for a few seconds before turning to his mother, Shen Lanzhi. “Mom, help me take care of her. I'll be back later.”

“Alright, go do your thing.” Shen Lanzhi smiled as she watched her son leave.

After Shi Yuting left, with Zuo Weiyi's insistence, Shen Lanzhi let her into the kitchen.

As soon as she entered the kitchen, she suddenly thought of the words her son had said before he left.

Take good care of Weiyi?

These words sounded like an instruction. If nothing was wrong, why did he purposely greet and ask her to take good care of Weiyi?

As Shen Lanzhi took out the dishes, she frowned and thought about this question.

She handed the dishes to Zuo Weiyi, who was standing by the kitchen counter. "Wash these clean."

"Okay."

Looking at her slightly pale face, Shen Lanzhi's suddenly froze.

Then, she frowned slightly and stared at Zuo Weiyi without blinking.

Her son asked her to take good care of Weiyi, could it be..

As if she suddenly thought of something, Shen Lanzhi suddenly smiled happily.

Weiyi, could it be that she was pregnant?!

Thinking of this, she could not help but say, "Weiyi, you... are you pregnant?"

Zuo Weiyi was washing the vegetables when heard the question, and her hands stopped midway. She turned around and saw Shen Lanzhi's face that was filled with joy.

Pregnant?

Speaking of which, her period should be coming in the next few days, right?

Seeing Shen Lanzhi's gaze that was filled with anticipation, she smiled awkwardly. "No."

No?

Hearing her answer, the smile on Shen Lanzhi's face faded.

Although she was a little disappointed, this kind of thing would happen in the future.

She wasn't in a hurry. It was just that her complexion wasn't very good today. Plus, with her son's request, she simply assumed that Weiyi was pregnant.

However, she wouldn't be disappointed if she wasn't pregnant either. After all, they were still young!

"It's okay, it's okay. There's still plenty of time in the future!" She smiled and turned around to continue working. She didn't take this matter to heart anymore.

Looking at her, Zuo Weiyi pursed her lips and turned around to continue washing the vegetables.

"Oh right, Weiyi, have you seen Nuannuan?"

As she was preparing lunch, Shen Lanzhi suddenly remembered that she had not seen her precious daughter the entire morning.

Hearing this, Zuo Weiyi turned around as well.

At first, she thought that the mother and daughter had gone out together, but at this time, there was no sign of Nuannuan at all.

It was not usual for her to run out alone or come back without making a sound.

Moreover, it was already lunchtime. If Nuannuan did not come back for lunch, she would definitely call back.

“I haven’t seen her since I woke up this morning. Is she not with you?”

Chapter 496: Xiao Yayue’s Visit

Shen Lanzhi was confused and frowned at her answer. “No, when I went out this morning, she hadn’t woken up yet. Where did this girl go...”

Even when lunch was ready, Shi Nuannuan still didn’t come back.

Shen Lanzhi took out her phone and dial her daughter’s number.

However, the phone was turned off..

“What’s going on...” Shen Lanzhi was confused as she looked at the phone.

Her daughter never worried her family like this.

“She didn’t pick up?” Zuo Weiyi asked.

According to Nuannuan’s personality, she wouldn’t disappear without a word.

The two of them were confused when the phone on the coffee table suddenly rang.

Shen Lanzhi looked up when she heard the call. She walked over and picked up the phone.

“I’m at the hospital. I won’t be going back for lunch.” Shi Le’s voice came from the phone.

Shen Lanzhi was shocked at what she heard. “Hospital? Dad, are you alright?”

Shi Le was not feeling well, so she was worried that his old illness was acting up again.

“I’m fine. Tiannan was injured.”

“Oh.” Hearing that he was fine, Shen Lanzhi was relieved.

But wait, Shi Tiannan was injured?

Shen Lanzhi had always treated Shi Tiannan neutrally – she was neither friendly or cold towards him. After all, he was not her son. Moreover, because of his mother, Xiao Yayue, Shi Tiannan would even ignore even when she was present.

Therefore, when she heard that he was injured, Shen Lanzhi only let out a soft ‘oh’. However, since it was Shi Le on the other end of the phone, she thought about it and asked hesitantly, “Is he alright?”

On the phone, Shi Le sighed.

She probably did not know about the fight between Tiannan and Yuting.

“It’s okay. You two can eat first.” Shi Le hung up the phone.

Shen Lanzhi sighed after putting down the phone.

Then, she turned around and smiled at Zuo Weiyi who was sitting on the Sofa. “Your grandfather and the others aren’t coming back, so we’ll have lunch by ourselves.”

Zuo Weiyi lowered her eyes then looked up again. She smiled and said, “Okay.”

The mother-in-law and daughter-in-law stepped into the dining room. There was a table full of dishes. It would be a waste for just the two of them to eat.

After all, the Shi family would not eat leftovers, so they would throw away all the leftovers that could not be eaten.

Just as the two of them were eating, the clicking sound of high heels suddenly came from the door. It was obvious that the person was walking into the living room.

Hearing this sound, Shen Lanzhi initially thought that Nuannuan had returned, but listening carefully, it did not sound like her daughter’s footsteps. Usually, Nuannuan would change into slippers every time she came back.

However, if it was not Nuannuan, who else could it be?

Although the front door was not closed, the courtyard door was locked after all. Whoever entered the living room, it was definitely a woman based on the footsteps.

Shen Lanzhi frowned as she looked towards the doorway. If there was any other woman who knew about the password to the courtyard door, it would be Xiao Yayue.

Just as she was thinking, the footsteps were getting closer and closer. It was obvious that they were heading towards the dining hall!

Shen Lanzhi put down her bowl and chopsticks. Just as she was about to get up, she saw Xiao Yayue walk in with an arrogant expression.

Shen Lanzhi was surprised.

Every time she came here, Xiao Yayue would naturally be looking for Shi Le. This time, it should also be about some business matters.

Chapter 497: I Came to Look for You!

“Dad isn’t home.” Shen Lanzhi’s expression was cold when she saw her, but it was nothing compared to Xiao Yayue’s.

When she saw her, Xiao Yayue acted like the lady of the house. She glanced at her contemptuously and then said arrogantly, “I’m here for you!”

Shen Lanzhi was stunned as she looked at her.

For her?

Xiaotian had passed away many years ago, so her war with her should have ended with his passing.

Why was she here to look for her now?

Of course, this was what Shen Lanzhi thought.

She never knew that in Xiao Yayue's eyes, she had always been a thorn at her side. She wanted nothing more than to replace her position in the Shi family!

Back then, she had lost her position as Madam Shi because she was unable to conceive.

No one would have known that the reason why she could not conceive was because Shi Xiaotian never even touched her!

However, she could not reveal any of this. After getting married, she had been neglected by Shi Xiaotian for a long time. Unable to endure the loneliness and temptation, she had actually spent a night together with a man in a bar that day. And Shi Xiaotian found out about it for some unknown reason. Hence, he threatened her. As long as she admitted that she was infertile and agreed to the condition of divorce, he would not reveal what had happened between her and that man in the bar.

In order not to lose her reputation in front of the entire nation, she had no choice but to agree to it.

However, she had always known that Shi Xiaotian liked Shen Lanzhi. Hence, he had tried every means possible to bring her into the Shi family.

Now, even though Shi Xiaotian had passed away, she still hated Shen Lanzhi in front of her!

"Why are you looking for me?" Shen Lanzhi asked Xiao Yayue calmly.

However, Xiao Yayue sneered and slammed the Louis Vuitton handbag on the dining table. Then, she sat down on a chair at the head of the dining table, looking very much like the lady of the house.

"Your son injured my son badly. Now, shouldn't you give me an explanation?"

Xiao Yayue's words shocked Shen Lanzhi.

Her son hit her son? What was going on?

Shen Lanzhi was shocked. Then, she remembered that Shi Tiannan was indeed hospitalized. Could it be that Yuting had beaten him so badly to end up in the hospital?

But, why?

She raised her head and looked at Xiao Yayue in disbelief. "You said that Yuting was the one who hit him?"

"That's right. Shi Le and I witnessed it with our own eyes. If you don't believe me, you can ask him." Xiao Yayue crossed her arms and crossed her legs. She had an arrogant look on her face, looking down on Shen Lanzhi and Zuo Weiyi.

"But why did Yuting hit Tiannan for no reason?!" Shen Lanzhi was still in disbelief.

She believed in her son. He always had reasons for everything he did. If there was no reason, why would he hit Shi Tiannan?

Xiao Yayue did not like the sudden confidence in Shen Lanzhi's voice.

"What, are you doubting me?"

Whenever Xiao Yayue was around, Shen Lanzhi could be said to usually bear some humiliation, all because she was once Shi Xiaotian's wife!

"I just feel that Yuting would never hit him out of the blue."

"Ha!" Xiao Yayue scoffed. "Isn't it obvious enough that Yuting hit him because he's afraid that Tiannan would steal the Shi family's property?"

Chapter 498: Even if He Was Beaten to Death, It Still Won't be Worth It

"Shi Yuting is not Shi Tiannan. He is not that dirty." Zuo Weiyi suddenly said, breaking her silence as the two women were arguing

And as her pair of black eyes looked at Xiao Yayue, it was clear that she would not leave.

So this woman was Shi Tiannan's mother, the original wife of Shi Yuting's father.

But she knew very well that the woman Shi Yuting's father loved had always been Shen Lanzhi.

It was no wonder that this woman always had the attitude of a resentful wife.

Xiao Yayue and Shen Lanzhi were startled by her.

Especially Xiao Yayue, whose gaze involuntarily fell on Zuo Weiyi's face, and felt a little angry by her words.

However, she also knew well that the person in front of her was the granddaughter of the current President, so she dared not act rashly.

But she was also arrogant, so she was not afraid of this Zuo Weiyi who did not seem intimidating. "What do you mean by this? What do you mean that Shi Yuting is not Shi Tiannan? Doesn't he play dirty?"

Zuo Weiyi looked back down and continued eating her meal. Then she looked up at Xiao Yayue across her and said coldly, "Didn't you used to be a socialite. Why can't you understand such simple words?"

The words were said calmly, but there was definitely a hint of sarcasm. Xiao Yayue was not muddle-headed, so naturally, she could tell that the girl was mocking her.

She was so angry that she slammed the table as she stood up and yelled, "You!"

Zuo Weiyi remained calm as she met the woman's angry eyes, "A person like your son deserves to be beaten. No, even if he is beaten to death, it still won't be worth it. "

Her words shocked Shen Lanzhi and Xiao Yayue!

Xiao Yayue was especially angry. Her face turned purple, but she pointed at Zuo Weiyi without uttering a single word!

“Also, the madam of this house is my mother and not you. I hope you can understand that and don’t be a stupid woman who doesn’t know her own limits!”

Zuo Weiyi’s words only added fuel to Xiao Yayue’s fire, embarrassing her even further.

What was she trying to say? That she was history, so don’t embarrass yourself here?!

Anger rose in her heart, so much so that she had lost her mind. She glanced at the cup of water in front of Zuo Weiyi, and without thinking, picked it up and threw it in Zuo Weiyi’s face!

However, the moment she picked up the glass, Zuo Weiyi sensed what she was going to do. She stood up as the water splashed on her.

Shen Lanzhi couldn’t help but turn pale with fear. She quickly stood up and walked towards Zuo Weiyi to protect her. Then, she looked at Xiao Yayue and asked rhetorically, “What are you doing?!”

“What are YOU doing?” Xiao Yayue was so angry that she was gnashing her teeth. Even Shi Le had never let her suffer such humiliation. Today, she was actually humiliated by a little girl. How could she let this go?

The more she thought about it, the angrier she got. She rushed up to the two of them and glared at Shen Lanzhi, “Alright, Shen Lanzhi. You raised your little one to bully me. Then you take in a daughter-in-law who is so unreasonable. Are you feeling proud now, thinking that you are Madam Shi?”

“Don’t forget, in front of me, you’ll always be a child!”

Her words stabbed Shen Lanzhi’s heart.

She clenched her fists, but couldn’t find words to refute her.

Chapter 499: Two Slaps in a Row

“Ms. Xiao, I really didn’t expect you to be even dumber than I imagined. With my mom around, you are no one.” Zuo Weiyi spoke again, indeed, like mother, like son. Even his mother was so shameless. It was no wonder Shi Tiannan was so shameless.

That one sentence made Xiao Yayue speechless again.

“You- you- you-” Xiao Yayue turned purple as she stuttered and pointed at Zuo Weiyi.

Even Shen Lanzhi turned her head and looked at Zuo Weiyi with surprise.

She thought that Zuo Weiyi was a quiet girl. She did not expect her to have such a sharp-tongue! It really surprised her.

However, was she... helping her?

“Don’t you think you’re already history? So, please leave this house. You are not welcome here.” For some reason, whenever she saw Xiao Yayue, Zuo Weiyi would think of Shi Tiannan. And no matter how many times she saw the pair, she always felt disgusted!

Plus, Shen Lanzhi reminded her of her mother. Wasn’t Qiu Yun bullying her mother like this back then?

However, compared to her, Shen Lanzhi was much luckier. At least she was recognized by the Shi family, and she was the only woman Shi Yuting's father loved.

Xiao Yayue was going crazy when she heard Weiyi speak again!

"You, all of you!" At this moment, Xiao Yayue felt like the fire in her heart was about to burst out, but she couldn't do anything about the women in front of her!

Realizing she wouldn't be able to win with her words, she raised her hand, giving Shen Lanzhi a hard slap and catching the latter off guard!

The sharp sound of the slap rang throughout the dining room. Shen Lanzhi and Zuo Weiyi were both shocked.

Who would have thought that Xiao Yayue, who should now be angry at Zuo Weiyi, would suddenly target and slap Shen Lanzhi?

It had been more than twenty years, and she had finally hit Shen Lanzhi. Xiao Yayue could not help but smile smugly!

With the slap, the anger in her heart subsided a little. She turned around and was about to leave.

However, just as she picked up the leather bag and turned around to leave, Zuo Weiyi's voice came from behind her again.

"Wait."

Hearing her voice, the corners of Xiao Yayue's lips curled up as she turned around

SLAP!!!

A loud slap rang out again, but this time it was Xiao Yayue who was hit.

Before she could react, she felt a burning pain on her right cheek.

Her eyes widened as she raised a hand to cover her face. She looked at Zuo Weiyi in disbelief.

"I am returning the slap on behalf of my mother." Before Xiao Yayue could recover from shock, another slap sounded. This time, it was on Xiao Yayue's left cheek. "And this one, is for you on behalf of your son."

Xiao Yayue was completely stunned by the slap. This was the first time someone had slapped her twice in a row, and it was the daughter-in-law of her enemy!

Shen Lanzhi, who was on the sidelines, was also shocked. She looked at the scene in front of her in disbelief.

Weiyi, she actually hit Xiao Yayue?

"You, you actually dare to hit me?" Xiao Yayue's eyes were wide open. Her face was distorted in anger as she glared angrily at Zuo Weiyi.

Zuo Weiyi did not say anything and just stared at her coldly.

Xiao Yayue was completely enraged. She did not care about the pain on her face. She raised her hand and gave Zuo Weiyi a hard slap on the face.

Chapter 500: Just You Wait!

However, Zuo Weiyi was already prepared. She raised her hand and easily grabbed Xiao Yayue's wrist. Then, she swung it fiercely. Xiao Yayue staggered and crashed into a shelf. Immediately, she felt a pain at her waist!

"Go and tell Shi Tiannan to be careful these few days. Because if he's not careful, his little life might be lost," Zuo Weiyi said coldly to Xiao Yayue. Then, she turned around and looked at Shen Lanzhi, "Mom, let's eat."

As soon as she said that, she tugged at Shen Lanzhi and sat down at the dining table, completely ignoring the angry Xiao Yayue!

Xiao Yayue held her aching wrist and slowly stood up. She stared angrily at the two people who started eating at the dining table. Her heart was burning with anger, but she had no way to let it out!

"You, you just wait and see!" Xiao Yayue warned angrily before turning around and leaving.

She was going to the hospital to demand an explanation from the old man!

She had lived for decades, but she was actually beaten by a woman like Shen Lanzhi!

After Xiao Yayue left, Shen Lanzhi raised her head with a solemn expression.

Then, she turned her gaze to Zuo Weiyi's face. She was worried Zuo Weiyi beating Xiao Yayue, afraid that Shi Le would blame her.

After all, even though Xiao Yayue had left the Shi family all these years, the Shi Le did not dislike her because of that. Therefore, if Shi Le found out about the slaps today, would he blame her and Weiyi for it?

Shen Lanzhi was absent-minded during the lunch.

After eating a little, the two of them cleaned up the bowls and chopsticks.

"Mom, let me do it. Go find some ice cubes and apply some on your face," Zuo Weiyi said as he saw that Shen Lanzhi's cheeks were already red and swollen from the slap.

That Xiao Yayue was really ruthless. Her hands must have hurt from the slap, right?

Although there were only two of them eating, there were a lot of dishes to wash. Shen Lanzhi did not want her to clean up by herself, so she helped Weiyi clean up before she found some ice cubes and applied some on her face.

On the coffee table, the phone rang again.

The moment she heard the phone ring, Shen Lanzhi heart skipped a beat.

It must be Shi Le.

Zuo Weiyi was about to pick it up, but Shen Lanzhi stopped her. "Let me."

She looked at her but did not get up. Instead, she let Shen Lanzhi pick up the phone.

She was expecting Shi Le's voice, but when she heard another voice from the other end, Shen Lanzhi's face lit up.

"Mom..."

"Nuannuan? Where did you go? Why didn't you come back for lunch? Why didn't you say anything when you went out?" Hearing her daughter's voice, Shen Lanzhi wanted to scold her, but she couldn't bear to.

Her worried heart finally settled down.

But Nuannuan sounded a little hesitant on the phone.

"Mommy, I... I came to Country G."

Her words surprised Shen Lanzhi. Then she frowned and asked, "Country Z? What are you there for?"

"I..." Nuannuan stuttered on the phone. "A friend of mine from college had some trouble at home, so... so he asked me to come over and help."

"Help? But it's almost New Year's."

"I know. I'll be back before New Year's Eve. Don't worry!"

"Then please take care of yourself. There will be too many people around New Year's time."

"Got it, Mommy. I'm leaving the station. I'm hanging up now."

"The station?" Shen Lanzhi frowned again. "Didn't you go there by plane? Why are you at the station?"
