

Kiss Me 571

Chapter 571: Where Are We Going?

Well, she was wearing a man's shirt and a black jacket with a fake beard stuck on her. So it's not surprising the woman did not realize her true gender. She was just mesmerized by her exceptionally delicate face.

Moreover, every single piece of clothing on him looked branded. He must be a rich man!

The woman walked over and smiled submissively.

"Hey handsome, do you want to have a drink with me?"

Her gaze was extremely seductive but it disgusted Zuo Weiyi.

Were all the women here specially trained?

Zuo Weiyi looked back at the woman calmly and asked in a lowered voice, "Where are we going?"

It could have been her voice or looks, but it was enough to make the woman in front of her feel intoxicated.

She did not expect that there to be such a handsome and gentle 'man' in this world!

"Follow me..." the woman reached out and pulled the tie on Zuo Weiyi's chest flirtatiously, leading her slowly into the elevator.

Bei Xingchen returned from the phone call. When she went back to where she was last, she discovered that Zuo Weiyi had disappeared. After searching around, she saw Weiyi being led by her tie into the elevator by a flirtatious woman.

She quickly followed behind them.

Zuo Weiyi was brought to a private but extravagant and luxurious room occupied by people engaged in ***.

"Go and get me some alcohol," the woman said to a waiter at the door.

The waiter nodded and turned to leave.

"Weiyi, come here..." the woman pulled Zuo Weiyi by the tie and sat down on the sofa in the private room.

As soon as she sat down, the woman leaned on her with a seductive look. "Weiyi, what kind of service do you want?"

Her pungent perfume made Zuo Weiyi's stomach churn and she felt nauseous.

"I'm going to the washroom!"

She got up and rushed to the door of the private room, feeling a little uncomfortable.

The woman wanted to stop her because there was a special washroom in the private room. However, Zuo Weiyi had already rushed out, so she just stayed.

In fact, she was scheming in her mind.

If she could serve this young man well, she might be able to make a fortune again! The woman smiled proudly as she thought about it!

Zuo Weiyi rushed out of the private room in one breath and looked around to find the washroom. Her thin and small body turned around and bumped into someone.

The other party was very solid. It was clearly she who bumped into him and she almost fell to the ground. Fortunately, she subconsciously grabbed his arm to stabilize her body.

When she looked up, she saw a familiar face.

She felt disgusted at the sight of Shi Tiannan and immediately straightened out her body as she pulled away.

Was C Country that small? How could they meet even in such a place?

Shi Tiannan glanced at her expressionlessly, then went past her in large strides.

The nauseating feeling in her chest continued. Zuo Weiyi quickly turned a corner and finally saw the words 'toilet'.

After taking a few steps, Shi Tiannan suddenly stopped. Then, his eyebrows creased.

When he turned around, that thin and weak figure had already disappeared without a trace.

"Young Master Nan!" Shi Tiannan turned around at the sound of the voice and saw the woman who was with Zuo Weiyi just now.

Chapter 572: I Have An Important Guest at the Last Minute

"Young Master Nan, why are you here?" The woman was very excited when she saw Tiannan. She walked over and was about to hold his arm. But when she met Shi Tiannan's cold gaze, she suddenly stopped moving.

The woman lowered her eyes thought they could not hide her love for Shi Tiannan.

"Young Master Nan, have you... recovered from your injury?" Knowing that he had been in the hospital for a long time, the woman immediately showed her concern for him.

However, Shi Tiannan only shot her another cold glance before he walked past her and entered a private room.

It was not easy to meet him and the woman did not want to miss this opportunity, so she followed him.

"Young Master Nan, have you called for the other ladies? If not, I... can serve you."

Shi Tiannan suddenly stopped in his tracks. He turned his head and glanced at the woman. After a long while, he said, "Okay."

Upon hearing his reply, the woman smiled. "Thank you, Young Master Nan!"

When Shi Tiannan entered the private room, the woman thought of the handsome 'young man' just now. Why's he taking so long at the bathroom?

She looked at the dim corridor, a little puzzled. She saw a small figure walking over.

The woman hurriedly went up to him. "Well, handsome, I'm sorry. I have an important guest at the last minute, so I won't be attending to you anymore. But come again next time. I'll serve you for free!"

After saying that, the woman turned around and was about to enter the private room.

This was a rare opportunity to clarify her doubts about the woman. She did not want to miss this opportunity. She subconsciously grabbed the woman and said, "Hey!"

The woman turned around and looked at the slender hand that grabbed hers. Wasn't it a little too delicate and smooth? It was even more beautiful than a woman's hand!

"Your guest is me. How can you leave just like that? Is this how you treat your guests?"

The woman instantly felt a little guilty. If she were to complain to the manager, she would not be able to get the commission for this month!

However, it was not easy for her to meet Young Master Nan. How could she give him up just for this young man?

Moreover, she had already obtained Young Master Nan's consent just now. He was the largest shareholder of this nightclub. She did not want to miss this opportunity to the handsome young man in front of her!

"Oh, come on. Can't you understand that I have an important guest to serve? I'll serve you for free the next time, okay?" The woman flashed her most charming smile to bargain with her.

"No." Zuo Weiyi refused immediately.

Weiyi was only able to confirm that this woman was indeed a prostitute in this nightclub. But what about the daughter? Did she have a husband? If she did, how could he let his wife work in such a place?

Moreover, aren't prostitutes in such a big nightclub usually unmarried women?

Her refusal caused the woman's expression to stiffen. "I say, little brother, why are you so-"

"Didn't you say that you would serve me? Why aren't you coming in?"

She was interrupted by Shi Tiannan who suddenly spoke with a sullen face as he opened the door of the private room.

The moment she saw him, Zuo Weiyi was shocked and immediately lowered the gentleman's hat on her head.

"Well, Young Master Nan..." The woman started having some difficulty in speaking after she saw him. She could not let Young Master Nan know that she had left another guest to serve him.

“Your guest?”

Shi Tiannan glanced at Zuo Weiyi who was wearing a gentleman’s hat. Then, he turned his gaze back to the woman and asked.

Chapter 573: Dragged into a Private Room

The woman paused for a moment. Before she could speak, she heard him say, “Let’s go in together.”

He turned around and returned to the private room.

The woman was still a little stunned. It took her a while to react before she hurriedly tugged at Zuo Weiyi. “Let’s go. You’re really lucky to be in the same private room as Young Master Nan!”

Zuo Weiyi originally wanted to avoid Shi Tiannan. She was afraid that he would recognize her. She did not expect that she would suddenly be pulled into the private room by the woman.

“Sigh.” She wanted to pull her arm out, but still got dragged into the private room by the woman.

The moment she entered the private room, an unbearable scene greeted her.

In the huge private room, the lights were red and the wine was green. Men and women sat clustered together unreservedly in the private room.

Zuo Weiyi saw a few men on the sofa not far away, continuously pouring wine into a naked woman’s mouth. Some of them even grabbed the woman’s hair, as if they did not want her to stop drinking and escape.

Zuo Weiyi was completely stunned in place!

So this was a nightclub? It was so filthy inside!

Did these women even have a shred of dignity?

The woman beside Zuo Weiyi was already used to this scene and had seen it many times.

She pulled Zuo Weiyi and walked over to Shi Tiannan, who was sitting on the sofa.

Zuo Weiyi could not stay in such an outrageous place for another moment. She removed her arm from the woman’s arm and said, “I’ll look for you next time!”

She turned around and was about to leave.

But Shi Tiannan suddenly stood up from the sofa and blocked her way.

Zuo Weiyi looked up. The moment she saw Shi Tiannan, she immediately looked down again.

She did not want to be recognized by him in such a place.

Zuo Weiyi could not wait to leave this place as she thought of the despicable acts he had done to her.

She did not understand why she could meet Shi Tiannan here.

No...

As if she suddenly thought of something, Zuo Weiyi was stunned.

This woman knew Shi Tiannan?

“Since you’re here, why don’t you play for a while?” Shi Tiannan’s lips curled upwards as he looked at the woman standing a shorter than him.

Zuo Weiyi raised her head. Although she felt a little anxious when she saw him, she still had some doubts in her heart.

If this was really the woman who held onto her that day, then what was the relationship between her and Shi Tiannan?

Was all of this really just a coincidence?

She didn’t believe it. She couldn’t shrug off the feeling that there could have been a conspiracy.

If the car accident that day was really planned out by someone, then was it all planned by Shi Tiannan?

She knew that Shi Tiannan wanted to take Shi Yuting’s life all the time.

She looked back at Shi Tiannan. Even if she wanted to stay and investigate, now was not the time.

‘If he recognized me, would he do the same thing to me?’

Thinking about it, Zuo Weiyi decided to leave first and go back to her grandpa to investigate this woman’s background.

“I’m not interested.”

After saying that, Zuo Weiyi walked past Shi Tiannan and was about to walk to the door of the private room.

However, she was immediately pulled back by a force. She stumbled and fell directly onto the sofa.

Before she could get up, Shi Tiannan’s huge body leaned over her, trapping her between him and the sofa.

“What are you up to?!”

Chapter 574: The Savior Who Fell from the Sky!

His sudden actions made Zuo Weiyi feel a little uneasy.

Shi Tiannan had the same look on him as the day he tried to defile her. Did he really recognize her?

“You may not be interested, but I’m very interested in you.” He smiled and looked at the woman in front of him with interest.

Zuo Weiyi felt extremely disgusted by his aura.

She pushed him away and stood up.

“Get out of the way!”

However, her thin and small body was no match for Shi Tiannan.

The other woman who was standing on the sidelines could not help but be dumbfounded when she saw Shi Tiannan's strange actions towards the young man.

Could this Young Master Nan be...bisexual?

Why did he suddenly become interested in men?

The other woman gulped.

On the other hand, Bei Xingchen, who was still in the corridor of the private room, was extremely anxious.

She had clearly seen Weiyi enter this private room just now. How did she disappear in such a short time?

Compared to Zuo Weiyi, Bei Xingchen used to be the daughter of a large corporation in Z Country, so she was not unfamiliar with this nightclub.

But for Zuo Weiyi had never been here before. And if she was discovered to be a woman, she would be in huge trouble!

She had to find her as soon as possible.

That's right, make a call!

Bei Xingchen immediately dialed Zuo Weiyi's number.

However, the call was immediately cut off right after it got connected. She tried calling again, but no one picked up after a long time.

Oh no, did something really happen?

Bei Xingchen became even more anxious! She stood in the dark corridor and paced around anxiously.

"Ding."

She heard the sound of an elevator door opening. She subconsciously looked up caught a glimpse of a familiar figure.

This elevator came directly from the basement, mainly to reach the four-star hotel above the nightclub.

The moment the elevator door closed again, Bei Xingchen rushed over and stopped the door from closing at the last minute!

"Wait!"

The elevator door opened, and three figures stood inside. One was a man who had just entered, and the other was the current president and his personal assistant!

When she saw Shi Yuting, Bei Xingchen felt as if she had seen her savior fall from the sky!

The elevator door was suddenly blocked by someone, but Shi Yuting remained calm in the elevator as he couldn't care less about his surroundings.

On the other hand, when Xiangyi saw that the 'young man' had no intention of entering after blocking the door, he could not help but ask with a slight frown, "Are you getting in or not?"

Bei Xingchen's gaze moved away from Shi Yuting's face and looked at Xiangyi beside him. She said hurriedly, "No, that....Weiyi-Weiyi might be in danger!"

The familiar name caught Shi Yuting's attention and he suddenly turn towards Bei Xingchen.

"Who are you?" He asked coldly as his sharp eyes examined the 'young man'.

"Me? I'm Weiyi's best friend!" Although they had only met once or twice, she was still a beauty. Could she be so easily forgotten?

Shi Yuting frowned slightly as his eyes narrowed. "Sister?"

Oh, that's right!

She was now a 'man'!

Chapter 575: What's this? Cosplay?

She quickly took off the gentleman's hat on her head, pulled off the fake mustache at the corners of her mouth and looked at Xiangyi.

Pointing at herself, she said, "I am Weiyi's best friend in Z Country!"

Even if Shi Yuting might not remember her, surely his assistant would?

At this moment, the elevator door closed again. When Xiangyi saw Bei Xingchen's pretty face, he immediately pressed the button to open the elevator.

Then, he turned his head and said to Shi Yuting, "She is indeed Young Madam's friend when she was in Z Country."

Shi Yuting's gaze remained cold as Bei Xingchen's words just now flashed in his mind: Weiyi is possibly in danger!

...

In the private room filled with ***, Shi Tiannan took off Zuo Weiyi's gentleman's hat. In an instant, her beautiful and smooth natural-colored hair was revealed. A few strands of hair scattered down from her forehead, making her face look alluring.

"Yo, what's this? Cosplay?"

After seeing Zuo Weiyi disguised as a man, the men in the private room immediately cast a lewd look at her. They sized her up from top to bottom, with lustful eyes.

In an instant, Zuo Weiyi felt like she was naked object in a display cabinet.

She glared at Shi Tiannan's evil and arrogant face with her phoenix-like eyes. Then, she reached out to snatch the gentleman's hat in his hand. "Give me back my hat!"

Just as she stretched her hand out, Shi Tiannan raised the hat a little higher, further out of her reach.

Zuo Weiyi knew that if she continued to stay here, she would become a joke.

Moreover, it would only be more dangerous for her to stay since Shi Tiannan had revealed her identity.

After glaring at Shi Tiannan, Zuo Weiyi gave up on snatching back the hat. Instead, she turned around and walked towards the door of the private room.

However, at this moment, the other men in the private room suddenly stood up and blocked her way.

"This beauty is new. I've never seen her before. She's gorgeous!" Looking at Zuo Weiyi's delicate little face, her pink lips instantly made people want to kiss her.

Looking at the men who surrounded her, Zuo Weiyi felt extremely disgusted. She turned her head and stared at Shi Tiannan. "What on earth are you up to?!"

Shi Tiannan curled his lips. "Why? You came to this nightclub in disguise. Aren't you here to look for me?"

Zuo Weiyi smiled coldly. "There's nothing about you that I don't hate. Why would I disguise myself to look for you in such a place?"

With that, the smile on Shi Tiannan's face disappeared and was replaced by anger. The hand holding the hat also gradually tightened.

But then, he let out a smile and approached her. "It's okay if you hate me. All that matters is that I don't hate you."

His approach made Zuo Weiyi subconsciously take a step back. Then, she looked up at him and said, "It seems that you weren't sufficiently beaten up last time."

Her words humiliated Shi Tiannan, stirring up anger in him.

He reached out and grabbed Zuo Weiyi's face. His eyes were bloodshot. "Do you think Shi Yuting would come to such a place?"

Zuo Weiyi did not like what he was going. She frowned as she asked, "What do you mean?"

Shi Tiannan curled his lips. "Well, if I were to do something to you now, will he be able to come save you?"

Chapter 576: Women Are Like a Drug Addition

Zuo Weiyi's entire body trembled and her mind went blank.

"You dare?!"

"Why wouldn't I?"

"He will definitely not let you off!"

“Is that so?” Shi Tiannan gave a sarcastic smile. “But as far as I know, he hasn’t returned home these few days. Moreover, I’ve seen him with the heir of the royal family of A Country, Miss Manli, several times.”

Shi Tiannan’s words pierced Zuo Weiyi’s heart and she froze.

Was he really together with that woman these past few days?

No, he wouldn’t.

He had clearly explained to her that he was together with that woman only to discuss the cooperation between the two countries. There were no personal feelings involved at all.

She had to be crazy to believe Shi Tiannan’s words!

“Do you think I’ll believe you?”

Shi Tiannan chuckled as he looked into her stubborn eyes.

“It’s fine if you don’t believe me. But women shouldn’t speculate where they stand in a man’s heart. You have to know that women are like drugs to men. Once you get a taste, you can’t control yourself,” Shi Tiannan said as he moved closer towards her, “or do you really think that Shi Yuting has really good self-control?”

“What exactly are you trying to say?”

“Have you asked where he went when he hadn’t been home these days?”

Zuo Weiyi’s face suddenly turned pale.

Indeed, she didn’t know where he had been at night these days. But what could this prove?

At this moment, the door off the private room suddenly opened.

When everyone heard the commotion, they looked over and saw Shi Yuting suddenly appear at the door!

As soon as he entered, he saw Shi Tiannan’s hand grabbing Zuo Weiyi’s face. Shi Yuting’s face suddenly turned murderous as his eyes turned dark!

He walked towards the two of them. With each step, the room turned colder.

He stood in front of them and looked at Shi Tiannan with cold, dark eyes in silence. Then, he took Zuo Weiyi’s hand and walked towards the door of the private room.

Zuo Weiyi let herself be pulled by him.

As he pulled her out of Drunken Dream, Shi Yuting’s expression terrified those around them, as if he would explode at any moment.

It was not until he walked out of the elevator and entered the underground parking lot that Shi Yuting turned around. The flame of anger between his brows was clearly visible. He roared at the person in front of him, “Do you want to die?! You actually came to find Shi Tiannan?!”

His rough and loud voice resounded through the entire silent parking lot!

Zuo Weiyi was initially stunned by his sudden outburst, but then she glared at him.

“What does it have anything to do with you?”

After saying that, she turned around and walked towards her parking spot.

However, she had only taken a few steps when her body was lifted off the ground. By the time she realized what was happening, she had already been carried away by him.

“What are you doing? Shi Yuting, can you not always use this method to solve problems?!” Zuo Weiyi struggled but ended stuffed into the car next to him.

Then, he locked the car.

Shi Yuting had no intentions of starting the engines. Instead, he sat quietly, his gaze fixed on the front.

Zuo Weiyi wanted to get out of the car, but no matter how hard she tried, she could not open the car door.

“Let me out!”

“Let’s talk.” he suddenly spoke with a hint of injury in his voice.

Chapter 577: Not Now, Not Ever

Zuo Weiyi was taken aback by his words. She turned to look at him.

He turned and looked back at her with clear eyes. His face may have seemed heartless but he was serious.

“I will not divorce you, not now, not ever!”

Zuo Weiyi looked at him for a long time. She did not know why, but she suddenly felt very wronged.

“Why are you always so overbearing and headstrong? You never consider other people’s feelings when you do anything...” As she spoke, tears flowed down her face uncontrollably.

Shi Yuting’s heart tightened when he saw her cry.

But no matter what she said, he still would not divorce her.

How could he bear to do that?

His eyes became a little red, but he turned around as if he didn’t want her to see him.

“Let’s go home.”

His voice was hoarse as he spoke and started the car.

Zuo Weiyi turned the other way and looked out of the car window as her tears continued to flow.

Not long after, her phone rang.

She raised her hand to wipe her tears and looked down at the caller ID. It was her good friend, Bei Xingchen.

“Hello?” Her voice was a little choked up.

On the other end of the line, Bei Xingchen was a little concerned by her voice. “Darling.. what’s wrong?”

“Nothing.”

Bei Xingchen paused for a moment. She knew that she could not be involved in the matter between her and Shi Yuting, so she did not continue asking. Instead, she said, “Weiyi, I think Shi Yuting loves you very much. I couldn’t find you just now, and I was so anxious that I lost my mind. Coincidentally, I met him in the elevator. When he knew that you were in danger, he looked genuinely anxious and worried!”

Zuo Weiyi was surprised by her best friend’s words.

“You were the one who asked him to come here?”

“What else could I do? It was a nightclub and you’re a woman in disguise. If you were found out, those men might even think that you were cosplaying to seduce the!”

Zuo Weiyi’s mind suddenly flashed back to what those men had said in the private room just now.

“The nightclub was massive and we didn’t even know where you were exactly. So we searched each private room. And Shi Yuting was really anxious—he looked like he wanted to tear the entire nightclub apart just to find you!”

Zuo Weiyi remained silent as she listened to her best friend.

“Alright, I have to go back to the hotel too. If you’re still decided on going back to Z Country tomorrow, remember to call me. I’ll wait for you at the airport!”

Bei Xingchen tactfully ended the call. She knew that Weiyi was definitely with Shi Yuting at that moment.

...

The car drove through the bustling downtown area. Zuo Weiyi kept her head turned the whole time, watching the lights outside the window as if it was daytime. Her face was gloomy.

The car soon arrived at the mansion.

Just as Zuo Weiyi was about to open the car door, she suddenly heard Shi Yuting’s deep voice from the driver’s seat.

“I still have something to deal with. You should go in and rest early.”

Zuo Weiyi stopped mid-action.

He still wanted to go out at this hour?

She didn’t want to think any more. She opened the car door and walked toward the main entrance without looking back.

Shi Yuting only started the car and drove out of the courtyard after she had completely disappeared behind the carved gate.

The reason why he appeared at the Drunken Dream nightclub was to meet a very important foreign official there.

Chapter 578: Returning to Z Country

Zuo Weiyi stopped in her tracks as she listened to Shi Yuting's car engine gradually fade. Her heart started to ache.

The living room was dimly lit. Shi Nuannuan must still be at the hospital. Shi Le might be in the study on the second floor or he might already be asleep.

She dragged her exhausted body to the second floor.

The huge bedroom seemed a little emptier than usual.

Zuo Weiyi walked over and sat down by the edge of the bed. She didn't know how much time passed but she sat there for a long while until she heard a car gradually approach.

After a while, the bedroom door opened and Shi Yuting walked in.

It was already ten o'clock at night and she was still awake. She had not changed out of her disguise either.

Although Zuo Weiyi was a little surprised to see him, she did not say anything. Instead, she got up and walked to the bathroom to take a shower.

When she came out again, Shi Yuting was no longer in the room.

The night was gradually getting darker.

Shi Yuting did not return to the room, and Zuo Weiyi was not in the mood to sleep either.

She had not eaten dinner so she felt a little hungry.

This was the first time she had felt hungry in the past few days.

She got up and went to the kitchen downstairs. Surprisingly, the refrigerator today was filled with all kinds of ingredients. There were even frozen dumplings and wantons.

Zuo Weiyi was a little surprised when she saw the wantons.

Although she liked to eat them, no one here knew about it. Even Nuannuan did not know that she liked to eat wantons. The only person who knew about it was Shi Yuting.

Did he order the servants to prepare all this?

She cooked a bowl of wantons and sat down at the dining table to eat.

After eating, her hunger was appeased. She went upstairs and lay on the bed for a while before falling asleep.

It was late at night. Shi Yuting came out of the study and went to the bedroom. After looking at her sleeping face for a while, he walked into the bathroom and took a shower before lying down beside her.

Zuo Weiyi was in a deep sleep and did not realize that he was sleeping next to her.

In the morning, Shi Yuting got up and left before she did.

When she woke up, it was still an empty room.

She turned her head and glanced at the clock on the bedside table. It was at 7:23 A.M.

She got up and started to pack.

C Nation, International Airport.

At 9 A.M., Zuo Weiyi appeared at the airport entrance with a white suitcase.

Bei Xingchen waved at her when she saw her.

“Weiyi, over here!”

Zuo Weiyi turned around when she heard her best friend, Bei Xingchen, and waved back.

“Have you really thought it through?” Bei Xingchen pursed her lips as she looked at her. Wasn’t this the same as running away as described in novels?

Although she knew that Weiyi was now the granddaughter of the former president and would definitely have the ability to raise a baby alone, how pitiful the pair would be to be a single-mother household!

Zuo Weiyi turned her head toward her best friend. “Yes, because I miss my mom too much.”

As she spoke, she went straight ahead of her best friend towards security check.

“Hey, wait for me!” Bei Xingchen quickly chased after her.

As she boarded the plane and entered the first-class cabin, Bei Xingchen was completely stunned by this luxurious scene!

“Damn, being the president’s granddaughter is really different a level. Not only does she not need a passport, but she sits in the first-class cabin!”

In fact, the two of them were the only ones in the huge first-class cabin. This treatment was simply too great!

Chapter 579: A Call from the Hospital

Zuo Weiyi suddenly remembered something. Before the plane took off, she made a call to Gu Yansheng to tell him that she was already on a flight to Z Country.

...

At 9:40 A.M., Shi Nuannuan took a shower. She had just lain down and slept for more than an hour when her phone rang.

“Hello? Who is it...” she had been really tired these days since she had been staying up all night and had not been getting enough sleep.

“Miss Shi, your mother is reacting!”

Shi Nuannuan was still in a daze. She closed her eyes to refresh her brain and then jerked up from the bed.

“What did you say?!”

“Your mother, Mmadam Shi, is reacting!” The doctor was overjoyed as he spoke from the other end of the line.

After being a doctor for so many years, this was the first time he experienced the miracle of a brain dead patient gaining their senses again!

After hanging up the phone, Shi Nuannuan’s drowsiness instantly disappeared and was replaced by excitement, joy, and surprise. She couldn’t wait to get up and rush to the hospital.

In the ward, the attending doctor was doing further examinations for Shen Lanzhi.

“Doctor, what exactly did you mean by what you said on the phone just now? Are you saying that my mommy has woken up?” Shi Nuannuan rushed in and couldn’t wait to speak.

The doctor turned around and saw Shi Nuannuan. “When the nurse changed your mother’s dressing, she realized that your mother’s hand actually moved a few times during the infusion.”

When Shi Nuannuan heard that, she immediately ran to the bedside excitedly and looked at her mother’s hand carefully.

However, after staring at it for a long time, her mother’s hand had not moved.

Shi Nuannuan turned back and looked at the doctor with disappointment. “Why...”

Looking at the expression on her face, the doctor could not help but smile. “Miss Shi, it’s impossible for this hand to keep moving non-stop. However, since your mother did move, it means that the chances of her waking up are very high.”

“Are you sure?”

The doctor nodded. “Yes. With my many years of experience in the medical world, I would safely say that the patient usually wakes up if they have regained their senses. However, I cannot say when exactly.”

Shi Nuannuan suddenly became emotional.

She had to quickly inform her brother and sister-in-law of this good news!

She took out her phone and was about to dial the number when she suddenly paused.

It was ten in the morning. Shouldn’t Sister-in-Law be here at this time?

Shi Nuannuan looked up in confusion. “Where’s my sister-in-law? Didn’t she come today?”

The doctor was confused for half a second before he realized who the ‘sister-in-law’ she was referring to was.

“Madam Presiden didn’t come today. Hmm, that’s strange. She used to come every morning. I wonder why she didn’t come today...” the attending doctor was also a little puzzled as he thought about it.

Ever since Shen Lanzhi was admitted to the hospital, she had continued to come every day without a day’s break. It was indeed a little puzzling that she didn’t come today.

Shi Nuannuan was also a little confused. In the end, she dialed the number at home.

The servant received the call and informed her that Young Madam had left the mansion early in the morning.

Shi Nuannuan was even more confused as she held the phone. Could she have gone to the presidential villa[1]?

She decided to dial the landline of the presidential villa.

However, Uncle Yu told her that Miss had not returned.

Shi Nuannuan was truly confused.

Chapter 580: Sister-in-Law Is Missing

If she’s not at home or Grandfather Zuo’s place, then where could she be?

Sister-in-Law did not have any friends in C Country. If she had left early this morning and had not returned, where could she have gone?

“Is she not here either?” Shi Le asked from beside her.

Shi Nuannuan looked at her grandpa and gently shook her head.

Where did Sister-in-Law go?

For some reason, Shi Nuannuan felt uneasy.

At this moment, the door of the ward was opened and Shi Yuting rushed over after receiving the news.

“Brother, did Sister-in-Law look for you today?”

After the doctor reported Shen Lanzhi’s situation to Shi Yuting, Shi Nuannuan asked.

Shi Yuting frowned at her question

“No, why? Did something happen to her?”

When Shi Nuannuan heard her brother’s response, she started to get really worried.

“Sister-in-Law seems to be missing...”

Shi Yuting was shocked and grew worried, his heart filled with uneasiness.

He took out his phone—he found out that she had bought a phone a few days ago.

However, when he dialed that familiar number, the other party’s phone had been turned off.

He was stunned for a moment, then turned around and left the hospital.

He did not go to the presidential villa, but went straight to the Gu residence!

In the living room, Gu Yansheng was sitting on the sofa when he received a short message from Weiyi.

[Yansheng, I'm already on a flight to Z Country. I'm sorry I didn't go with you.]

Although he was a little disappointed by her message, Gu Yansheng couldn't help but smile when he knew that she was going to Z Country.

The doorbell rang.

After a while, a maid walked over.

"Young Master, the president is looking for you."

Gu Yansheng looked up and saw Shi Yuting walk in with a sullen face.

"Where is she?"

Gu Yansheng stood up from the sofa.

"How ridiculous. She is your woman and you came to ask me?"

"I'll ask again, where is she?!"

"I don't know." Gu Yansheng looked at him then turned around, as if he didn't want to talk to him.

Shi Yuting's dark eyes caught a glimpse of the phone in Gu Yansheng's hand. Without thinking, he walked over and snatched the phone from his hand.

He caught Gu Yansheng by surprise. He did not expect him to snatch his phone so suddenly.

He had just finished reading the message and did not have time to lock the screen. So, Shi Yuting easily browsed through his phone looking recent messages and calls between Gu Yansheng and Zuo Weiyi.

Finally, he found the latest message. It was received at 8:40 in the morning.

[Yansheng, I'm already on a flight to Z Country. I'm sorry I didn't go with you.]

Shi Yuting wanted to crush the phone in his hand.

She went to Z Country without telling anyone but Gu Yansheng!

Jealousy spread in his chest. Shi Yuting glared coldly at Gu Yansheng before turning around to leave the place!

The next day, Shi Yuting did not go ***.

"Prepare to return to Z Country."

Xiangyi was surprised.

Back to Z Country?

“Your Excellency, you have a press conference to attend later...”

“Cancel all appointments for the next half-a-month”
