

Kiss Me 61

Chapter 61: Ting, I'm Back (5)

Zuo Weiyi turned as she could feel the man's gaze. She was stunned for a moment when she met his unpleasant eyes. She then immediately put down the wine in her hand. After a while, she picked it up and silently sipped it.

Jing Xinlei's gaze involuntarily fell on the two of them. They both seemed to have feelings for each other, but she was not sure whether it was true or false.

Did he like Zuo Weiyi just because she looked like her? Or because he did have feelings toward this girl?

"Ting, it's been a while since I last saw you. I drink a toast to you." Jing Xinlei raised her glass and said to Shi Yuting.

However, Shi Yuting did not even look at her and his face was cold. He picked up the cocktail on the table and took a few sips. He completely ignored Jing Xinlei's words.

His indifference made Jing Xinlei lower her eyes. Her expression dimmed.

Five years ago, she had left the country in pursuit of her dream. Nonetheless, she did not expect that she would lose the man she once loved deeply after leaving the country.

On the sideline, Zhong Shenghao was looking at her sad face. He could not help but glance at Shi Yuting.

It was difficult for him to judge who was right and wrong between the two of them.

If he had to say, he could only say that Xin Lei should not have left the country back then.

Zhong Shenghao could not help but wonder.

How could Xin Lei be willing to leave Ting who was on the verge of collapse when that incident happened?

If he was treated like this, he would also be as cold as Ting!

Zuo Weiyi who was standing by looked at Jing Xinlei's dull face. She then glanced at Shi Yuting and saw his indifferent face.

What happened between Shi Yuting and Jing Xinlei?

Perhaps she had had too much cocktail. After a while, Zuowei yi had to go to the toilet!

Zuo Weiyi stood up looking at the huge golf course.

Shi Yuting raised his head and frowned a little.

Zuo Weiyi met his eyes. She then pursed her lips and said, "I'm going to the toilet!"

It was very warm. Shi Yuting turned his face and said nothing more.

Jing Xinlei who was sitting opposite her suddenly stood up. "I want to go to the toilet, too. Let's go together."

No one could bear to refuse her since she was smiling softly.

Zuo Weiyi paused and glanced at the man beside her. She nodded and agreed since he did not give any response. "Okay."

She smiled at Jing Xinlei and then turned to walk toward the European-style building that was not far away.

Looking at the back of the two leaving, their height and body were so similar.

Zhong Shenghao turned his head to look at Shi Yuting who was expressionless. "Do you like Zuo Weiyi because she looks like Xin Lei?"

Shi Yuting glanced sideways at him after hearing his question. "Would you believe me if I said no?"

Zhong Shenghao smiled. "Nope."

He had not been close to any woman in the past five years. However, he had let Zuo Weiyi stay with him after meeting her. If it was not because she looked like Xin Lei, then what other reasons could it be?

Shi Yuting glanced at him and did not say anything more. He picked up a bottle of cocktail and took a sip.

He did not care whether others believed him or not. He did not have to explain everything.

The toilet was quite far away. On the way there, Jing Xinlei turned and looked at Zuo Weiyi with her clear eyes.

"When did you and Ting start dating?"

She spoke calmly and there was no trace of hostility.

But, Zuo Weiyi felt weird and had mixed feelings while walking alone with her.

She was stunned for a few seconds. She then replied, "Last month."

Chapter 62: Horse Riding

Jing Xinlei smiled bitterly.

"Ting is so kind to you."

The corners of Zuo Weiyi's mouth twitched after hearing Jing Xinlei's words.

Kind?

If Jing Xinlei knew of her past relationship with Shi Yuting and had heard what he said last night, would she still say so?

Zuo Weiyi only smiled without saying a word.

"If I knew that I would lose Ting, I would never have gone abroad five years ago."

Listening to Jing Xinlei's sudden words, Zuo Weiyi stopped. She turned to look at Jing Xinlei in surprise.

"Five years ago?"

Sure enough, something must have happened between Shi Yuting and Jing Xinlei.

Jing Xinlei turned her head as she saw Zuo Weiyi had stopped walking. She suddenly apologized. "I'm sorry. I shouldn't say these in front of you."

She then turned around and walked toward the toilet.

Zuo Weiyi was stunned. She stared blankly at Xin Lei's back.

She had gone abroad five years ago. She had lost Shi Yuting because of that.

Why?

She went into the toilet after a few seconds.

It was close to noon when they were back at the golf course. The people had left and gone to the restaurant to have their lunch.

After lunch, they came to the horse ranch.

Zuo Weiyi could not help but get excited looking at those beautiful horses.

'Horse riding must be fun, right?'

"Do you know how to ride a horse?"

Shi Yuting came over and asked Zuo Weiyi who was very excited.

Zuo Weiyi looked up and nodded excitedly. "Yes!"

She had not ridden a horse, but she thought it should be easy to ride a horse as long as she sat on it and held the horse reins!

She would love to try it once.

Shi Yuting said nothing more after seeing her nodding and saying yes.

Zuo Weiyi walked excitedly into the changing room and put on the proper attire for horse riding.

But she did not know how to wear the helmet. She tried several times but failed to put it on properly.

She walked out of the changing room helplessly as she wanted to ask Shi Yuting for help. She saw that he was well-dressed as soon as she came out.

He was dressed up neatly and the horse-riding suit perfectly accentuated his muscular figure. He looked tall and fit. Any woman would drool looking at a handsome man like him!

How could there be such a good-looking man in the world? God was too unfair!

Shi Yuting could sense that a pair of eyes were staring at him. He saw Zuo Weiyi's fascinated face when he turned around.

He slightly frowned and walked over.

Zuo Weiyi quickly regained her senses as she felt embarrassed.

Shi Yuting looked at the helmet she was holding. "Why haven't you put it on?"

"Uh... this belt, I did not know how..."

"Stupid!"

Shi Yuting spat out the word in disgust. Nonetheless, he still took the helmet and helped her put it on.

Zuo Weiyi was a head shorter than him. At this moment, she was standing in front of him like a docile and obedient rabbit.

She was still somewhat unhappy from being called a stupid by someone!

But why was Shi Yuting the one who was standing in front of her?

She could only admit it when she met a man with such a high IQ!

Jing Xinlei saw this scene when she came out from another changing room. Shi Yuting was helping Zuo Weiyi putting on the helmet, just like how he had helped her five years ago.

Back then, he had helped her put on the helmet too.

She still could not forget the feeling of being taken care of.

Jing Xinlei felt somewhat uncomfortable to see such a perfect man who once belonged to her belonging to someone else.

But seeing Zuo Weiyi's face, she knew that Ting had not forgotten her. On the contrary, he was still thinking of her and simply wanted to find someone as her replacement.

Chapter 63: Can I Address You Like This?

Maybe Zuo Weiyi was just her replacement to him.

They each chose a horse after dressing up.

The horse ranch was very large. It took thirty minutes to complete a lap around the horse ranch.

Zuo Weiyi just followed what the others did. She looked at their posture and learned it at a glance. She then quickly got up and sat on the horse.

"Ting, five years passed. Do you dare to compete with me again?"

Zhong Shenghao had always lost to him every time. Hence, he was still somewhat dissatisfied.

Shi Yuting said, coldly, "Alright. You are destined to lose to me no matter how many times we compete."

"Shh. It was still too early to say that!"

Zhong Shenghao could not wait anymore. He immediately raised his whip after finishing his words. After a whip, the horse quickly galloped away like a wind!

Shi Yuting paused for three seconds. He then whipped and rode away with the horse too!

"Wait for me!" Xiao Ran also whipped the horse and chased after them.

Her eyes were always following Zhong Shenghao!

In the end, only Jing Xinlei and Zuo Weiyi were left behind.

Looking at the people who had galloped away, Zuo Weiyi was so excited that she could not wait to try it!

Jing Xinlei turned her head and smile at Zuo Weiyi who was beside her. "Weiyi."

Zuo Weiyi turned her head and looked at her puzzled.

Jing Xinlei smiled. Her voice was as sweet as honey. "Can I address you like this?"

Zuo Weiyi paused. She then smiled. "Yes."

It was strange. There were five of them. Why was she being left behind with this Jing Xinlei every time?

"What about, we compete, too?"

Zuo Weiyi's eyes widened, looking surprised. "Huh?"

"Let's compete. Are you up for it?"

Zuo Weiyi was taken aback. "Well, what are we betting on?"

"If I lose, I will treat you to a big meal!"

'Big meal?'

Zuo Weiyi smiled awkwardly.

If she lost, she had no money to treat her to a big meal!

However, the smile on Jing Xinlei's face slowly faded before she could even speak. "If you lose, can you please return Ting to me?"

The smile on Zuo Weiyi's face froze listening to Jing Xinlei's words.

Although Jing Xinlei had spoken calmly, there was a hint of unexpected hostility in her clear black eyes.

Jing Xinlei smiled abruptly after seeing her hesitant face. "I'm just kidding. You seemed to be in a shock!"

The corners of Zuo Weiyi's mouth twitched awkwardly as she looked at Jing Xinlei's smile.

Was she really just kidding?

Just now, when she talked about returning Ting to her, her eyes reflected a hint of provocation. It did not seem to be a joke at all!

She glanced at Jing Xinlei and said nothing more.

Jing Xinlei was a little embarrassed. She looked at Zuo Weiyi. "Weiyi, are you angry?"

Zuo Weiyi lifted her eyes and smiled instantly. "No. I am just thinking. If I cannot afford to treat you to a big meal, and I am also reluctant to return Ting to you, what should I give you then?"

Jing Xinlei was startled by her words. A trace of coldness flashed through her eyes.

This Zuo Weiyi was not as simple as she had thought.

“Then let’s compete fairly!” Jing Xinlei looked at her and officially declared war. “I believe that Ting only regards you as my substitute.”

Her sudden words made Zuo Weiyi’s heart sink as if her heart was being stabbed at fiercely. Her hands that were holding the horse reins tightened unconsciously.

Zuo Weiyi immediately pursed her lips and smiled.

She was just Shi Yuting’s sex partner anyway. She did not care whether or not she was Jing Xinlei’s replacement.

Perhaps Shi Yuting would still return to this Jing Xinlei one day.

Chapter 64: An Intersection

What if she just acted as Shi Yuting’s girlfriend and had a match with her today?

At least, she would not lose her dignity.

“It doesn’t matter anyway. It’s me who is with him now, not you, isn’t it?” Zuo Weiyi smiled confidently. She then raised her hand to whip the horse hard and the horse galloped away!

Looking at her riding the horse away, Jing Xinlei was unwilling to show her weakness. She immediately followed behind her.

This was the first time Zuo Weiyi rode a horse. She thought horse riding was very easy, but she did not expect it to be this difficult.

She found it hard to control the horse as she was sitting on the horseback of a galloping horse. She did not know how to control the pace of the horse and began to sway a little.

She wanted to slow down the horse but did not know what to do.

She suddenly remembered a scene from the television. The actors always said ‘whoa’ when they wanted to slow down the horse.

She then tried. “Whoa! Whoa! Whoa!”

Zuo Weiyi felt that she was about to fall from the galloping horse. She quickly shouted a few ‘whoa’.

Probably because she was too nervous, she pulled the horse reins hard and the horse stopped.

Zuo Weiyi exhaled deeply after the horse stopped. She was scared to death just now!

However, just as she stopped at this moment, Jing Xinlei who was originally behind her took this opportunity to catch up. She flashed past her and quickly rode away.

Zuo Weiyi looked up. She had almost forgotten that they were having a match. She must not lose to her!

Although the speed of the horse was a little too fast to her liking, at least she had mastered how to stop the horse. Hence, there should be no problem as long as she could adapt to the speed of the horse!

Zuo Weiyi then whipped the horse and rode away again.

Jing Xinlei's figure had disappeared in just ten seconds!

Damn it! She did not want to lose to her!

Zuo Weiyi whipped the horse a few times in a row with the thought of winning. The horse galloped even faster.

Although she was so nervous sitting on a bumpy horse, she did not want to stop. She just wanted to catch up with Jing Xinlei ahead.

After a while, Zuo Weiyi suddenly came to an intersection.

"Whoa..."

She pulled the horse reins to stop the horse.

Zuo Weiyi did not know which side to go as she looked at the intersection.

Suddenly, a sign came into view.

She saw some English words written on the sign followed by an arrow pointing to the left.

She was not very good at English. However, she did graduate from college. Thus, she still knew what was written on it.

Zuo Weiyi then smiled and followed what the actors did on the television. "Giddy up!"

She rode away in the opposite direction of the sign.

The right side should be correct since the left side was the way down the mountain!

After half an hour.

Shi Yuting dismounted the horse handsomely and landed his feet perfectly.

Then, he glanced at Zhong Shenghao who came afterward.

His look seemed to be telling Zhong Shenghao that he had lost to him again.

Zhong Shenghao puckered his mouth. He had expected the outcome, so it did not matter.

Xiao Ran's horse had also reached the destination after a few minutes.

"You guys rode too fast!"

Seeing her reaching the destination alone, Shi Yuting's eyes involuntarily looked behind her.

Zhong Shenghao could not help but say. "Why are you alone? Where are the two of them?"

After hearing that, Xiao Ran looked back. "I'm not sure. They might be behind me. I was chasing you."

Chapter 65: For Whom Shi Yuting Was Anxious

Shi Yuting started to feel anxious when he saw no one on the road of the horse ranch.

Time went by slowly, Zuo Weiyi and Jing Xinlei still did not show up after half an hour.

Zhong Shenghao frowned while looking into the distance as he murmured, "They should be alright, right?"

Shi Yuting was startled after listening to Zhong Shenghao's words. He was even more anxious now!

This road was very long and it was quite narrow in the middle. There was a cliff on the other side. Forty minutes had passed, why had they not returned?

He frowned even more as he still saw no figure coming back.

Furthermore, they had left their belongings on the table in the rest area. Hence, they could not contact Xin Lei and Zuo Weiyi at all.

"It's strange. Why are Xin Lei and Zuo Weiyi still not back yet?" Xiao Ran who was beside him frowned as he wondered out loud.

Xin Lei and Zuo Weiyi had also left their belongings at the resting place. Thus, they could not be contacted through the phone either.

The sky gradually darkened at about 3.48 in the afternoon.

Suddenly, a rumbling sound rolled across the sky!

"Oops, there seem to be thundershowers today," Xiao Ran said while looking at the dark sky.

Shi Yuting could not bear it anymore. He suddenly stood up and walked along the road.

Seeing the anxiety on his face, Zhong Shenghao on the side also stood up and shouted after him. "Ting!"

Shi Yuting turned his head and slightly frowned when he heard the sound.

"This road is very long. You should ride a horse!"

Shi Yuting felt that what he said was right. Hence, he came back and took the previous horse. He then jumped onto the horse.

He commanded softly and the horse galloped away.

Zhong Shenghao and Xiao Ran who was behind him could not help but follow!

Shi Yuting arrived at the intersection after ten minutes as he rode back along the road that they had gone through just now.

Shi Yuting could not help but slightly raised his eyebrows looking at the road sign.

It was written in English. Even if that woman did not understand it, Jing Xinlei who was highly educated should know it.

He was familiar with the environment here.

Although the road would lead us down the mountain, it could not return to the city.

That place was full of various illegal activities and businesses such as prostitution and whoring!

Shi Yuting looked down at the road sign from the top as he was sitting on the horseback. He did not see Jing Xinlei all the way from there. Had they not arrived here?

“What happened?” Zhong Shenghao also stopped behind him. He could not help but look at the road that led down the mountain following Shi Yuting’s gaze after he saw his gloomy face.

Shi Yuting looked straight ahead. He did not make any sound.

Zhong Shenghao laughed abruptly seeing his doubts. “Are you worried that they have gone down the mountain? How?! It is written on the road sign.”

Zhong Shenghao glanced at the wooden sign. The words written on it were clear and simple. Even if Zuo Weiyi saw it wrongly, how could the smart Xin Lei see it wrongly?

“Let’s go, maybe they are somewhere ahead.” Zhong Shenghao patted Yu Ting’s shoulder while sitting on the horseback.

Shi Yuting finally moved his gaze away from the sign and rode the horse forward after pausing for about two seconds.

Shi Yuting frowned a little when he saw a figure not far away. He then tugged on the horse rein and kicked the horse’s belly lightly. The horse galloped forward faster!

“It’s Xin Lei!” Zhong Shenghao yelled looking at the figure far away.

Jing Xinlei was not on the horseback. She must have fallen into the bushes by the road.

Chapter 66: Is She Not With You?

She was frowning in pain.

She raised her eyes when she saw someone came. She then saw Shi Yuting’s slightly anxious face.

Shi Yuting’s heart suddenly seemed to stop beating for a few seconds when he saw the woman in the bushes. He immediately dismounted the horse and quickly rushed to Jing Xinlei’s side.

“What happened?” His voice was deep with a little bit of concern.

Jing Xinlei felt touched at this moment, looking at his worried eyes.

She knew that this man still cared about her.

She lowered her eyes. That delicate and attractive look could make any man involuntarily feel sympathy for her.

“I... Maybe it’s because I haven’t been riding for a long time. So, I have accidentally fallen off just now and sprained my foot.”

Shi Yuting’s gaze followed her hand and saw a slight redness at her ankle.

“Xinlei, are you okay?!” Xiao Ran also came over. She was worried about the injured Jing Xinlei.

Jing Xinlei squeezed a smile. “I’m fine. I just sprained my foot.”

After that, her eyes fell on Shi Yuting's cold face.

She knew that he had not forgotten her in the past five years.

Jing Xinlei tried to stand up, so she held onto Shi Yuting's arm. She wanted to get up with his support.

Shi Yuting did not withdraw his arm this time.

He was startled when he saw her wounded foot.

"Ahh!"

Her feet suddenly gave way just as she was trying to stand up. She screamed when she was about to fall.

Shi Yuting reacted quickly and caught her in time.

Shi Yuting's heart fluttered looking at her clear eyes.

Did he still care about the woman in front of him?

Looking at the injured Jing Xinlei, Xiao Ran who was at the side could not help but glance at Shi Yuting.

She was trying to figure out what that handsome man was thinking.

"Ting, Xinlei's foot was hurt. Why don't you carry her back?" As Xinlei's bestie, Xiao Ran would naturally help Jing Xinlei.

She also hoped that they would get back together.

Shi Yuting stiffened for a few seconds when he heard Xiao Ran's words. He did not hesitate too much when he saw that expression of pain. He then reached out to carry Jing Xinlei who was in front of him.

Jing Xinlei looked at his delicate jaw while being in his arms. Her eyes were full of affection.

She believed that she could get him back as long as she explained everything sincerely. He would still return to her one day.

After all, that Zuo Weiyi was just her substitute.

Jing Xinlei lowered her eyes and smiled happily thinking of this.

Shi Yuting suddenly stopped walking.

He was slightly stunned. He looked at Jing Xinlei who was in his arms. "Where is Zuo Weiyi? Is she not with you?"

Jing Xinlei was shocked at first, she then looked down.

The flash of guiltiness in her eyes was concealed and imperceptible.

She calmed down and looked up at Shi Yuting before asking with a surprised face, "Hasn't she gone back already?"

Shi Yuting slightly frowned. "Are you sure that she has gone back?"

His slightly skeptical eyes made Jin Xinlei panic.

She then calmed herself down and nodded. "Yes, I watched her passed by here."

Chapter 67: Xiaoyao Residence

She lowered her eyes pretending to be disappointed after finished speaking.

Zhong Shenghao seemed to have perceived something from her words. He frowned and said, "Are you saying that Zuo Weiyi just left you here on your own after she saw you fall off the horse?"

Jing Xinlei just looked down and remained silent.

But her silence indicated that what Zhong Shenghao said was right.

"Damn! That woman truly has no conscience!" Xiao Ran said angrily when she heard what her friend said.

Jing Xinlei smiled a little, the smile not quite reaching her eyes. She said sadly, "Maybe it is because she knows that I am Ting's ex-girlfriend."

She glanced at Shi Yuting's handsome face as she said that. She wanted to know his thoughts but failed to do so.

She then felt her body being lifted. She was already on the horseback when she finally reacted.

After putting her on the horseback, Shi Yuting turned and got up the horse. He then immediately rode toward the intersection from before.

"Ting!" Jing Xinlei widened her eyes in disbelief looking at his disappearing back.

Was he so anxious because he was going to find Zuo Weiyi down the mountain?

Did that woman already have a place in his heart?

Her hands that were holding the horse reins tightened and a trace of grievance flashed in her eyes!

Zuo Weiyi only realized that she had gone in the wrong direction at dusk.

In front of her was a luxurious retro building with 'Xiaoyao Residence' written on the top of the building.

Zuo Weiyi frowned as she looked at the dark clouds in the sky. She knew that a storm would soon strike.

There were only two roads. She came down this road indicated by the road sign. However, she did not see the destination that Shi Yuting had mentioned after walking for more than an hour.

She felt that something was not right as she frowned. Then, a peal of thunder rumbled through the sky.

Zuo Weiyi was startled. She could not help but walk toward the retro building in front of her.

Anyway, she should find a place to avoid the rain first!

She was unfamiliar with this place. The rain immediately started to pour just as she reached the door of Xiaoyao Residence. She panicked and ran toward the corridor in Xiaoyao Residence.

A magnificent golden gate could be seen at a glance, the glorious hall inside was comparable to a royal palace's.

Zuo Weiyi stopped and peeked inside.

The wind was very strong and the rain poured down heavily. She was still getting soaked by the rain even when she was standing in the corridor!

Two people were standing at the gate like bodyguards. Although they were wet, they were motionless and their faces were serious.

Although it was summer, winter was about to arrive soon. Zuo Weiyi could not help but shudder after being soaked by the rain just now. She felt a chill sweeping through her body, making her tremble.

She lifted her head and looked at the two bodyguards standing at the gate. She wondered if she could go inside to avoid the rain.

Zuo Weiyi took a step forward to try it out after carefully observing the two bodyguards. Surprisingly, the two bodyguards did not stop her.

She frowned and walked toward the golden gate instantly.

Zuo Weiyi only turned her head around and looked at the two bodyguards until she entered the golden gate.

She initially thought that only rich and high-class people could enter this luxurious place. But that was not the case!

Zuo Weiyi turned and walked toward the hall.

She lifted her eyes and looked around. She then walked into the magnificent hall.

Chapter 68: A Scene in the Toilet

She only wore black trousers and a chiffon shirt today. At this moment, the light purple lace on her upper body was quite visible as she was soaked.

The shirt was attached to her exquisite figure and the perfect curve was outlined. It made people involuntarily drool over her sexy body.

But Zuo Weiyi did not realize it. She just walked in without any thoughts. She just wanted to go to the toilet to dry her wet hair.

She finally saw the word 'toilet' in an aisle along the corridor and walked over.

Zuo Weiyi's eyes widened when she saw her body that was soaked in the rain while she was standing in front of the sink.

She looked like she was not wearing a shirt!

She was nervous and at a loss. She did not know if the two bodyguards had seen her like this just now. She felt so embarrassed!

Zuo Weiyi panicked and just wanted to leave the toilet. She tried to get some paper towels to dry her body, but she knew that it was just futile.

However, she heard a burst of shouts when she was about to go into the toilet.

“No! Help! Don’t come near me! No!”

Zuo Weiyi raised her eyes and quickly walked into the toilet after hearing the cries for help.

Nonetheless, she was completely dumbfounded when she witnessed the scene in front of her!

In the toilet, three or four men were pressing a woman down on the floor. Two men were tearing her clothes apart. Those men had no intention of letting go of her no matter how she cried.

“No! No! Let me go!”

The woman cried helplessly as the men laughed evilly.

Zuo Weiyi was so angry that she clenched her fists looking at the woman who was being pressed down on the ground. She suddenly remembered something when she was about to speak.

These men were as hungry as wolves and tigers. What if she was also being pressed down on the floor if she made a sound? Would she not be at a disadvantage?

At this moment, the woman who was pressed down to the ground seemed to have seen Zuo Weiyi at the door. She cried for help. “Help me. Please help me!”

The woman reached her hand out to Zuo Weiyi. This action attracted the guys’ attention. They turned and saw Zuo Weiyi who was completely soaked through standing at the door.

The looming lace outlined her exquisite figure. Those men were very excited and pumped up after they saw it. They were blinded by their sexual desire.

“Here comes another one. Now it’s enough for us to enjoy!” One of the men touched his chin with his hand and smiled slyly. His eyes full of **** were scanning Zuo Weiyi thoroughly.

Zuo Weiyi was startled when she saw that those men had noticed her. She then ran away!

She bumped into a fat body head-on when she just turned around to rush out of the toilet. The fat body was like a bouncy wall, causing Zuo Weiyi to fall to the ground.

“Ah!” She exclaimed. She lifted her head and saw a man with a fat face with a thick golden chain hanging around his neck. The man looked like a gangster. Zuo Weiyi was disgusted by him!

The fat man came in. A trace of lust flashed in his small eyes when he saw the scene in the toilet.

One of the men laughed when he saw him. “Boss Kim. Do you want to join us?”

Chapter 69: Will He Come and Save Me?

Boss Kim’s gaze fell on Zuo Weiyi who was on the ground. He grinned. “I want this one.”

Zuo Weiyi felt disgusted when she met his greedy and flirty eyes!

She immediately stood up trying to escape from this dangerous place.

“Stop her!”

Boss Kim was startled when she tried to rush out the toilet. He immediately ordered the two bodyguards who were standing at the gate when he regained his senses.

Zuo Weiyi was blocked by the two men when she was rushing out of the toilet.

Her eyes widened. She was panicking and anxious.

Would she die here tonight?

She was thinking about Shi Yuting in her heart.

Would he come and save her?

Would he come out to find her when he knew she had not gone back? Would he worry about her?

A series of questions flashed through her mind. The two bodyguards had already caught her at this moment.

Boss Kim walked over and grinned. “Take her to my room.”

The two bodyguards nodded and then sternly took Zuo Weiyi to the elevator.

“What are you doing?! Quickly let me go!” Zuo Weiyi struggled desperately and refused to move.

The two bodyguards directly lifted her whole body leaving her feet off the ground since she refused to move and dragged her into the elevator.

“You bastards! Let me go!” Zuo Weiyi felt a sudden fear in her heart.

She was fully panicking especially when she entered the elevator.

No matter how she struggled, it was useless for the two bodyguards were stronger.

Boss Kim was very excited and could not wait to enjoy her exquisite body as he looked at it through her drenched clothes.

The elevator quickly reached the second floor. Zuo Weiyi was brought into a luxurious presidential suite.

She was pushed into the room. Boss Kim quickly walked into the room and locked the door. He then walked to Zuo Weiyi with a wretched look.

“Beauty, I will be very gentle. I’ll make sure that you enjoy it.”

Zuo Weiyi was shocked and backed away frequently. She glared at that disgusting face with her big eyes.

“Don’t come near me!”

Boss Kim chuckled. “Since you’re here, don’t expect someone to come and save you. I will not let you go!”

Boss Kim suddenly rushed forward after he finished his words!

Although Zuo Weiyi was terrified, she still could think rationally. She dodged away and easily avoided Boss Kim's dirty hand!

"I'm warning you. Don't you dare to come near me!"

"What? Don't come near you? Do you think that I will easily let you go?" Boss Kim smiled confidently.

Since she was in his room now, there was no way he could let her escape. He must have this woman tonight!

Zuo Weiyi could only move backward when she saw the man approaching her step by step.

She was so tensed. Suddenly, she saw a fruit knife in the fruit tray on the table. She thought of an idea. She quickly picked up the fruit knife and pointed it toward Boss Kim who was getting closer to her!

"Don't come near me!"

Boss Kim was not afraid as he saw the knife was only a little bigger than his finger, but instead, he gave her a sly smile and had no intention of stopping.

Zuo Weiyi was horrified. She had never killed anyone before.

Chapter 70: Shi Yuting, Help Me!

"I will stab you if you come near me!"

Boss Kim laughed and said nothing. He was only focused and was filled with desire and possessiveness for the hot body in front of him!

"Beauty, if you listen to me, serve me well, and make me happy, maybe I might let you stay with me."

"Who would want to stay with you!" Zuo Weiyi yelled softly. She was so disgusted by this man!

He was so shameless and full of himself. Did he ever look himself in the mirror?

How could he still say that so confidently despite being so ugly?!

Her vibrant and vicious tone angered Boss Kim. He then said sternly, "You seem to prefer rough treatment, don't you? Okay, you asked for it."

Boss Kim did not fear the knife in her hand and quickly ran toward Zuo Weiyi after he spoke.

"Ahh!!"

Zuo Weiyi was ready to fight him. She closed her eyes and pointed the sharp edge of the knife at the man who was rushing toward her!

The expected outcome did not happen. The next second, Zuo Weiyi felt a sharp pain in her wrist and the knife instantly fell from her hand.

"Huh! Don't say such nonsense. How could you fight me?"

As Zuo Weiyi was still in a daze, that Boss Kim was already carrying her to the bed in the room. He then threw her onto the bed and began to undress.

His hungry and lustful look frightened Zuo Weiyi. Zuo Weiyi's eyes widened as she kept backing away. But there was no other way to escape!

"Don't come near me!"

However, her words did not work at all. Boss Kim had already taken off his shirt, leaving only his pants on.

He then climbed onto the bed and pressed down on Zuo Weiyi who could not escape.

"Shi Yuting! Help me!" She blurted out Shi Yuting's name in fear.

But she knew that Shi Yuting would not come and save her.

He made it clear to her once that he could give her anything except making her his wife.

This undoubtedly showed that there had always been another woman—Jing Xinlei in his heart.

His heart was filled with another person. So, why would he care about her life and death?

Zuo Weiyi felt her chest hurting as she thought about this. She did not understand where this heartache came from.

However, Boss Kim paused and panicked for a second when he heard the name coming from her mouth.

Was this woman related to Shi Yuting?

No. It was impossible.

Everyone knew that Yu Ting was not close to any woman. How could this woman be related to him?

This woman must be talking nonsense.

If she was truly Shi Yuting's woman, how could she come to Xiaoyao Residence alone looking so pathetic?

All of his concerns disappeared instantly after he thought about that. He then began to tear Zuo Weiyi's clothes apart.

He could not bear it anymore looking at her tempting body!

"Let go! Let me go!" Zuo Weiyi shouted with all her strength. The smell of this man made her sick!

Nonetheless, the man disregarded her resistance but instead, he felt more excited looking at her revulsion. He laughed even wilder!

Zuo Weiyi was very terrified. She just wanted to push the man away.

That body which was simply oozing fat made her feel sick!

Rip!!!
