

Kiss Me 901

Chapter 901: One More Day to the End of the 3-Month Period

As they kissed, Shi Yuting's lips had already slowly moved down from her pink lips to her fair neck, sexy collarbone, and then to her extremely seductive chest. Every action was filled with the forbearance he had been enduring all this time.

This time, he wanted to make up for it all in one go!

His advances gradually became impatient, but Zuo Weiyi was so shocked that she only wanted to run away from him.

"Ting, you can't... I can't—"

"You can."

His hoarse voice came from her chest, and she stopped pushing him away.

Did he just say that she could?

Well, the doctor did tell her that she could only have sex three months later. And judging by the date of the day, it was already the last day of the 3-month period.

"But technically, today is the end of the 3 months, so we can only do it tomorrow—" Her hands suddenly tightened. She could clearly feel that he had entered, a feeling that she had not felt for a long time. For a moment, Zuo Weiyi felt that she was walking on clouds.

She started to frown but not in discomfort, more like she was immersed in it. Her hands, which were pushing him away, gradually lost their strength and turned to grab his sturdy arms!

The foreplay was very short, so she felt instant pleasure. However, the whole thing lasted for too long, so she was a little exhausted.

However, Shi Yuting did not seem to intend to let her rest.

Zuo Weiyi just wanted to turn around and hug the quilt to have a good sleep, but in the next second, she heard his low and sexy voice again.

"Wife..."

"Yes..."

"You're satisfied just like that?"

Her closed eyes suddenly opened. After thinking for a while, she closed them again. She even shifted her body slightly away from him. Her very tired voice sounded faintly, "Yes, I'm satisfied. I'm very satisfied. I'm sleepy. I want to sleep..."

She closed her eyes and looked forward to the sleep. The man who had always doted on her should let her go, right?

However, reality was always cruel.

Shi Yuting could love her in any way. But for him, it was as if doing it with her was the only way to confirm his love for her.

After all, in Shi Yuting's opinion, how much he loved her was something that he had to 'do' to know!

"But I'm not satisfied."

As soon as he said that, Zuo Weiyi felt a hand reaching out.

She was afraid that it would be too late, but it already was, and her body was once again taken away by him.

"But I want to sleep."

However, all her resistance was in vain. He did not let her go until midnight.

...

The next day.

When Shi Yuting woke up early in the morning, he felt refreshed, which made Zuo Weiyi wonder if everything that happened last night was just a figment of her imagination.

Why did he, who did it equally as long as she did, not seem to be tired at all even as he woke up early in the morning?

She, on the other hand, felt the pain in her body, as if telling her that what happened last night was definitely not a figment of her imagination!

This ache that she felt was the exact same feeling she had when she first met and slept with him. When she woke up the next day, she was barely able to get out of bed.

Shi Yuting put on his clothes. Seeing that she couldn't even get out of bed, his heart ached.

It seemed that he had to do it in moderation in the future. Should he do it every few days before doing it every day?

Well, that would work too.

Although there were a few days in a month that wouldn't work.

Chapter 902: Don't Get Out of Bed Today

However, it was easier said than done. Shi Yuting may have planned that out in his head but would he be able to follow through eventually?

"Don't get out of bed today," said he with an aching heart as he looked at her frowning on the bed.

However, Zuo Weiyi raised her eyes and glared at him!

Wasn't he the cause of her pain?!

"I don't want to!"

She snapped back and finally got off the bed.

However, as soon as she stood up, her legs suddenly buckled. Fortunately, he rushed over and caught her in time. Otherwise, she would have fallen to the ground!

He bent his waist and carried her horizontally before placing her on the soft bed.

“Don’t get up.”

“No!” She refused flatly.

In the novel she was reading the night before, the female protagonist was also made unable to get out of bed by the male protagonist. Her absence was noticed by those around her. Zuo Weiyi definitely did not want Nuannuan to notice that she couldn’t get out of bed because... of sex!

Others might not be able to tell, but Nuannuan, who had read the novel, would definitely be able to tell at a glance why she could not get out of bed!

No, absolutely not!

Zuo Weiyi insisted on getting out of bed, and Shi Yuting could do nothing about it.

At this moment, there was a knock on the door.

“Brother, Sister-in-Law, are you up? I’m coming in.” Shi Nuannuan’s voice came from the other side of the door.

Hearing this, Zuo Weiyi hurriedly got out of bed and glanced at the time. It was actually 7:55 am, almost 8 o’clock?!

No wonder Nuannuan came up. She must have been waiting for her and Shi Yuting to have dinner.

Seriously, why did she wake up so late?

Thinking about it, who could wake up so early in the after all that happened last night?

Of course, other than Shi Yuting!

Zuo Weiyi heard the doorknob turn and hurriedly pushed Shi Yuting’s hand away. It seemed that the more she acted like this, the more it would allow Nuannuan to realize what they had done last night!

She quickly sat down on the edge of the bed, her feet resting on the floor. When she looked up, Shi Nuannuan had just pushed the door open and entered.

“You’re up? Then why haven’t you come down for breakfast?” Shi Nuannuan smiled brightly, but could vaguely sense that something was not right.

What did this atmosphere of love mean?

“We’ll be down soon.” Zuo Weiyi smiled back, though it was a little forced due to the aches all over her body.

The simple-minded Shi Nuannuan did not notice anything amiss with Zuo Weiyi’s behaviour, other than that the air was filled with the scent of love.

“Then hurry up, my stomach is starving to death. Mommy said that we can only eat when you guys come down!”

Shi Nuannuan started to frown, expressing her hunger.

“Okay, I’m going to go wash up. You guys eat first.”

“Okay.”

Shi Nuannuan nodded and ran downstairs, heading straight for the dining room!

Not long after, Zuo Weiyi also washed up and went downstairs, but her face did not look too good.

At the dining table, Shen Lanzhi could not help but ask with concern, “Weiyi, you don’t look too good. Are you not feeling well?”

Her sudden words made Zuo Weiyi stop eating and her face instantly turned red.

She looked up at Shen Lanzhi. “I’m- I’m fine.”

Shen Lanzhi noticed Weiyi’s red face and increasingly nervous demeanour. She quickly put the bowl and chopsticks in her hands down. “Why is your face so red? Do you have a fever?”

Shen Lanzhi stood up and reached out to touch Zuo Weiyi’s forehead across the table.

“It’s really hot.”

What? Hot?

Even Zuo Weiyi herself was a little shocked. She quickly raised her hand to her forehead.

Chapter 903: What Is ‘Abstinence’?

Well, she did feel a little hot.

Shi Yuting couldn’t help but lightly touch her face.

Then, he furrowed his brows, she really did have a fever.

“What’s going on?” asked Yuting in his usual deep voice as he looked at her.

Zuo Weiyi was also at a loss. Could it be because they had sex last night?

But it couldn’t have been that intense!

Now that she thought about it, she did notice that her head was feeling a little heavier than usual and her throat felt a little sore. She thought that it was because she didn’t sleep well.

Shi Yuting had already gotten up and called Zhong Shenghao over.

After what happened last time, Yuting ended up allowing Zhong Shenghao to come back. He really didn’t want to jeopardize his friendship over a woman.

After breakfast, Zhong Shenghao arrived and gave Zuo Weiyi a check-up. It turned out that she had caught a cold.

“Ahem!” When he was packing, Zhong Shenghao suddenly coughed and looked up at Shi Yuting and Zuo Weiyi. “Well, when you catch a cold and have a fever, you have to control yourself. You’ll recover faster if you don’t exhaust your strength.”

Hearing this, Zuo Weiyi’s eyes widened!

No way. He had only asked her a few questions about her symptoms and then took her temperature. How did he know that she had done that with Shi Yuting last night?!

Zuo Weiyi couldn’t help but purse her lips. If that was the case, then she would never look for him again if she needed a doctor. It was too scary!

Of course, he didn’t actually know. Zhong Shenghao just guessed it knew because Shi Yuting called him as if he was suffering terribly yesterday, just to ask him if he could ‘exercise’ on the last day of the three months!

And his answer was yes.

So he had predicted that Shi Yuting would definitely have sex with her when he got home. Was there even a need to say that?

Meanwhile, Shi Nuannuan, who was listening to Zhong Shenghao’s words, tilted her head and stared at the different expressions on the three of their faces with a puzzled look.

Brother Hao mentioned ‘abstinence’ earlier. What was ‘abstinence’?

“One pill in the morning and one pill in the evening. You’ll be better in a week or so.”

Because he had heard about Zuo Weiyi’s symptoms on the phone, he guessed that it might be a cold. So Zhong Shenghao had already prepared the medicine before arriving.

After taking the medicine, Zuo Weiyi nodded awkwardly. Then, she quickly turned around and walked to the kitchen to get a cup of warm water. She took one of each of the two boxes of medicine.

“I’ll be leaving first.”

In the past, when Shi Yuting was the only person in Shi Mansion, Zhong Shenghao would stay behind to tease him. Now that there was an elder around, it was naturally not suitable. Thus, after prescribing Zuo Weiyi the medicine, he left.

“Brother Hao, I’ll send you off!”

Shi Nuannuan spoke and jogged to keep up with his footsteps.

After sending him to the main entrance, Shi Nuannuan curiously said, “Brother Hao.”

Zhong Shenghao put the things in the passenger seat and then turned back to look at Shi Nuannuan.

“Huh?”

“What do you mean by ‘abstinence’?”

She had been thinking about it since earlier and wondered if it meant what she thought it did based on what she had been reading in her novels.

Her curiosity caught Zhong Shenghao off guard.

Although Nuannuan was twenty-two years old, she still looked like a little princess in the Shi family. If he explained these dirty things to her, would Shi Yuting kill him if he found out?

However, when he thought of Nuannuan's commendable and courageous feelings towards Xiangyi, he could not help but want to tell her.

"Do you really want to know?" asked he as he looked at her.

Chapter 904: Seize the Opportunity!

Shi Nuannuan was very curious and nodded vigorously. "Yes!"

Zhong Shenghao glanced at the Shi family's front door and then walked to the driver's seat. When he passed by Shi Nuannuan, he whispered in her ear.

It was not audible to a third party but Shi Nuannuan's expression clearly changed and her face turned red.

She started to snicker. Unlike other girls who would just giggle and blush, her mind was completely blown.

Would she and Xiangyi one day...

Looking at her silly smile, Zhong Shenghao couldn't help but raise his hand and snap his fingers in front of her eyes.

"Hey!"

Based on her expression, he knew what she was thinking.

Shi Nuannuan suddenly pretended to be fine.

However, Zhong Shenghao revealed a wicked smile and patted her shoulder heavily. He said seriously, "Seize the opportunity! Xiangyi will be yours one day!"

Shi Nuannuan also nodded vigorously. "Okay!"

Zhong Shenghao smiled. Then, he saw Shi Yuting walking out of the door. The smile on his face disappeared in a second. Instead, it was replaced by a serious face, "Oh, you're still young. There are some things you shouldn't ask. Well, I still have something to do at the hospital, so I'll leave first."

After saying that, he cleared his throat and entered his car. The red Ferrari disappeared without a trace in an instant.

Shi Nuannuan turned around and saw her brother standing there. She couldn't help but walk over.

"What did he say to you?"

"Nothing." Shi Nuannuan smiled and walked into the house.

He kept having a feeling that Zhong Shenghao had instilled some bad thoughts into her...

But in the end, he walked back into the house.

After taking the medicine, Zuo Weiyi, who hadn't slept well, became even more sleepy. Shen Lanzhi let her go upstairs to rest.

When she managed to get into bed, she was a little glad. This way, she could behave as she needed without worrying about whether they would find about what had happened last night.

It was the weekend. After learning that she had a cold, Shi Yuting rejected all external matters and stayed at home to accompany her. If there was anything urgent, he would settle it in the study.

In the morning, Zuo Yi came. After taking a look at Zuo Weiyi and the two little fellows, he went downstairs.

The two old men, who had nothing to do, had been interested in playing chess or fishing recently.

Shi Le didn't want to stay at home so they decided to go fishing by the river.

Nuannuan watched as her grandfather left before turning her gaze to the second floor.

Since it was the weekend, Xiangyi must be at home too, right?

Thinking of this, she couldn't wait to pick up the car keys. Grandfather wasn't around, and her brother couldn't do much about her even if he wanted to since he had to tend to Sister-in-Law. With such a good opportunity, she naturally had to look for Xiangyi!

Shi Nuannuan was in a great mood as she drove her red Porsche.

As the car drove into the city, snowflakes gradually drifted into the sky.

"It's snowing..." She, who had always liked snow, was in a better mood now. Humming a tune, she drove towards Xiangyi's apartment.

But something was amiss.

Recently, when she went to Xiangyi's apartment, he was almost not at home. Could he be out again today as well?

At the red light, Shi Nuannuan thought about it and decided to give Xiangyi a call.

She pressed the central control screen and dialed Xiangyi's number.

Not long after, the call was answered.

"Xiangyi!"

"Yes." Xiang Yi was a little surprised to receive her call, but he also seemed a little absent-minded.

Chapter 905: Mission

"Are you at home now?"

"No, why?"

Shi Nuannuan's heart sank a little at his response.

Why wasn't he at home again?

She pursed her lips, a little disappointed. "Then what are you doing?"

"I'm executing a mission."

"What mission?" asked she casually.

Shi Nuannuan pursed her lips and fell silent for a few seconds.

What mission did her brother give him? Why was he so busy all the time?

Xiangyi was driving when he saw the car parked in front of a high-end bar. He could not help but park his car to the side.

"It's confidential."

'He can't even tell me?'

"Then when will you—"

"I can't talk to you right now."

Nuannuan wanted to say more but he interrupted her. Then, she saw that the call had ended from the control screen.

Shi Nuannuan felt a wave of disappointment in her heart.

She pouted and had no choice but to turn around and go home.

She was about to turn the car around at the intersection when she saw Xiangyi alighting from a black car.

She was pleasantly surprised. She quickly parked the car at the side of the road and saw Xiangyi walking into a high-end bar.

Before getting out of the car, she looked in the direction Xiangyi was walking in with confusion.

Why was he entering a bar in broad daylight? Was he here to indulge himself? Or was he here to meet a woman?

As she thought about it, her beautiful eyes narrowed dangerously. She then opened the car door and walked in Xiangyi's direction.

The appearance of the luxurious hall did not exude the atmosphere of an ordinary bar.

Shi Nuannuan walked into the front hall. Her bright eyes looked around, searching for Xiangyi's figure.

She had never been to this bar before, so she was not familiar with the layout of her surroundings. She just walked in while searching blindly.

"Strange, I just came in, but why have I not seen anyone yet?"

She muttered to herself while thinking about her surroundings in the front hall.

After passing through the front hall, the fragrance of wine immediately assailed her nose, accompanied by elegant music. As long as one listened to it, it seemed to be able to remove all fatigue and allow one to completely relax and enjoy the peace.

Although it was a high-end bar, it was still filled with bright lights, wine, and beautiful women.

As expected, was Xiangyi was here to look for women?

Looking at the seductively-dressed women in thick makeup, occasionally revealing flattering smiles, and throwing themselves into the arms of men, Shi Nuannuan unconsciously wondered if Xiangyi was also hugging such a woman at this moment?

When she thought of this, her eyes suddenly turned suspicious!

She absolutely could not allow any woman other than herself to seduce Xiangyi!

As she spoke, she looked around the bar hall. Under the dim light, she still did not see Xiangyi's figure.

"Strange, where exactly did he go?"

Since she could not find the hall, she simply walked towards the private room area.

"Handsome, are you looking for someone?"

Xiangyi had followed Ke Zhengfeng, but when he arrived at the private room area, he lost him. At this moment, he could not help but wander in the silent corridor.

People would pass by from time to time. In order to not let others notice his existence, he would deliberately lower his face every time someone passed by.

At this moment, a woman's voice suddenly sounded behind him.

It was not his first time in and out of this place. Previously, he had followed Shi Yuting here to discuss business with someone.

Chapter 906: Who Is this Woman?!

So he's no stranger to the environment.

He turned around towards the voice and saw a woman seductively-dressed walking towards him.

Xiangyi's dark eyes narrowed dangerously under the dim yellow light, until the delicate face slowly emerged from the shadows.

By the looks of it, this is where it's supposed to be.

Every entertainment place would usually offer 'special services', and this high-end bar is no exception.

In order to make oneself look more comfortable, Xiangyi's intimidating face, suddenly eased into a smile as he looked at the woman coming toward him.

Suddenly, he noticed a few figures appear behind her, and one of them was Ke Zhengfeng.

His black eyes turned cold as he suddenly walked towards the woman. He then stretched out his hand and without any warning and hugged the woman's slender waist. His thin lips curled up slightly. "So you're here."

As he spoke, he had already turned around with his back facing Ke Zhengfeng, who was walking towards them.

His outstanding appearance had already attracted the woman's attention. Coupled with his impeccable figure, it made her fall head over heels for him. With his arms around his waist, she was pleasantly surprised even though he did look a little out of place.

Could it be that this handsome man was here to look for her?

He must have asked the manager and found out that she was serving others in the private room, so he came here to look for, right?

Thinking of this, the woman could not help but feel a burst of joy.

Xiangyi raised his eyes and watched Ke Zhengfeng and the others enter a private room.

The woman he was holding raised her head shyly, "So, you're looking for me? You know me?"

As a young lady in this bar, she was quite famous, so she just guessed that Xiangyi might have been attracted to her by accident and came to look for her.

However, Xiangyi didn't listen to what she had said at all. His pair of sharp nighthawk-like eyes stared at the private room that Ke Zhengfeng had just walked into.

Seeing that he did not make a sound, the woman could not help but stare at his handsome chin. "Handsome?"

Xiangyi glanced at her. Just as he was about to let go of her waist, he suddenly heard a familiar voice behind him.

"Xiangyi!"

Shi Nuannuan searched all the way to the private room area. As expected, under a dim yellow light, she saw a familiar figure.

However, he was hugging a woman. She thought that she had seen wrongly and walked closer to confirm—it really was Xiangyi! There was no mistake!

She felt extremely uncomfortable to see him hugging another woman. It was as if something was blocking her heart.

The sudden exclamation made Xiangyi and the woman turn their heads. They caught a glimpse of a figure angrily walking towards them!

Shi Nuannuan glared at Xiangyi and then at the woman beside him.

She angrily asked, "Who is she?!"

She pointed at the woman and asked Xiangyi with a face full of anger and hurt.

Xiangyi was also a little surprised by her sudden appearance here.

“Nuannuan, why are you here?”

“I followed you here!” She was quite honest.

Xiangyi was stunned.

Followed him?

“Tell me, who is this woman?! ” Nuannuan never relented.

Didn't they already confirm that they were dating each other? Why would Xiangyi secretly go behind her back to this kind of place to find a woman and have fun? Could it be that Xiangyi was a scumbag?

'Ugh, my heart feels too uncomfortable!'

Chapter 907: You Don't Deserve to Know!

Xiangyi glanced at the woman beside him. He guessed that she must have seen him hugging this woman.

Just as he was about to speak, the woman suddenly opened her mouth and looked at Nuannuan with contempt. “Who are you?”

Shi Nuannuan felt that this woman was not qualified to be asking her questions.

“You don't deserve to know!” She glared at the woman.

The woman was obviously a little angry after being yelled at by her. She had connections to wealthy businessmen. How could she be bullied by a woman?

“Then tell me, how am I not qualified?!” Judging from her appearance, maybe she was just a woman in a romantic place who was pretending to be serious!

Shi Nuannuan's cold eyes shot straight at the woman. Suddenly, the woman felt a chill run down her spine.

“How can a lady who doesn't even have a personality be worthy of knowing who I am?” replied Nuannuan coldly.

“You!”

Hearing her words, the woman was obviously a little angry, but she could not say a word. She could only stare at Shi Nuannuan.

Then, she seemed to have thought of something and suddenly smiled mockingly. “Heh, why are you pretending to be noble? You might not even be a proper woman yourself!”

The woman glanced at her disdainfully. There were many people like her here.

For people in their industry, if they were lucky, they might be taken care of by some rich second generation young master. Then, they would be able to leave this place. When they came back, they would be like her, dressed like a noble pretentiously.

In fact, everyone knew that she used to be a hostess!

The reason why a woman dared to think this way was because she knew very well that women with status and money would not easily come to this kind of place. It was a place for men to have fun after all.

Of course, if they were here to drink, there was no lack of white-collar workers, but they would definitely not set foot in this private room area.

That was why she dared to be so arrogant towards Shi Nuannuan!

“Scram.”

Just as Shi Nuannuan was about to lose her temper, Xiangyi suddenly spoke to the woman in his arms.

Shi Nuannuan and the woman’s gazes turned towards him at the same time, only to see his torch-like gaze on the woman’s face.

When she heard the word ‘scram’, the woman was initially a little happy, thinking that he was talking to Nuannuan.

However, she quickly realized that the man was looking at her.

So, he was asking her to scram?

How was that possible? He had clearly been very intimate with her just now!

“You... are you talking to me?”

“Who else would I be talking to?”

The woman gritted her teeth. Perhaps she could look down on a woman, but she did not dare to offend the man who came here to have fun.

With his cold eyes glaring at her, she gritted her teeth and had no choice but to leave!

The woman turned around and walked towards the other direction of the corridor!

However, Shi Nuannuan’s anger did not subside yet!

She had never thought that Xiangyi would have another woman in his arms!

Could it be that he often came to this kind of place to indulge in debauchery?

Just thinking about it made her heart hurt.

Looking at how hurt she looked, Xiangyi knew that she had misunderstood.

“Let’s leave this place first.”

After all, this was not a place to talk. If Ke Zhengfeng suddenly came out and discovered his presence, it would be bad. He had no choice but to drag her outside.

Chapter 908: You Were Hugging Her Just Now!

However, Shi Nuannuan was very stubborn!

She shook off his hand. "First, tell me, what is the relationship between that woman and you?"

He looked back at her and saw the betrayal she felt in her eyes.

"Nothing at all."

She did not believe him. "But you were hugging her just now!"

"That was just a show."

"What show? Didn't you tell me on the phone that you were on a mission? Now you're saying that you were putting on a show with that woman. Could it be that my brother gave you this mission? He told you to come here to have sex with her?!"

Her last sentence stunned Xiangyi.

Have sex with her?

Where did she learn such a dirty word?

Shi Nuannuan was also surprised by her own words.

She had read too many novels recently.

However, she still stared at Xiangyi, not feeling that she had said anything wrong!

He had brought a woman to a private room. If it was not a date, what else could it be?

Xiangyi looked at Ke Zhengfeng's private room. Although the soundproofing here was excellent, the position they were standing in was closer to Ke Zhengfeng's private room. As long as the door was slightly open or a waiter came in and out, her voice would be clearly transmitted to Ke Zhengfeng's private room. It was too dangerous.

"Let's leave this place first. I'll explain to you later."

"Why can't you explain here? Are you guilty of something?" She glared at him in dissatisfaction. Her face was aggrieved, like a child.

However, Xiangyi was very patient. It was just that time could not be dragged on like this.

"I have nothing to do with that woman, and this is the first time I've seen her," said he, hoping that she would trust him and leave this place.

However, Shi Nuannuan found a loophole!

"You hugged a person you met for the first time? Then would you sleep with her the second time?!"

This was the first time he understood how sensitive a woman was.

"Let's talk outside."

Once they were outside, he would tell her again why he was here and why he had suddenly hugged that woman.

However, Nuannuan was stubborn.

She still did not know the truth, so she did not know why she could not say it here. It might seem a little unreasonable but this was the first time she truly liked someone. She had never thought that the man she liked would hug another woman.

This was the first time she had experienced the feeling of her heart being squeezed. It was a little painful and cannot be healed with medicine or bandages. She did not know how to make it heal.

“I don’t want to!”

She stubbornly shook off his hand.

Suddenly, loud music poured out and Xiangyi realized that Ke Zhengfeng and his group had just walked out of the private room.

At this moment, there was no place to hide in the corridor.

If they were to pretend to hug, Nuannuan would definitely not take it well, not in her current mood.

Seeing ke Zhengfeng gradually walking towards him, Xiangyi looked back at Nuannuan.

“Nuannuan.”

Still angry, Nuannuan looked at him, still with injury in her eyes.

However, she realized that Xiangyi’s handsome face getting too dangerously close to hers. In the next second, she was at a loss. She felt a warm and gentle sensation on her lips. Xiangyi’s face had come too close!

Chapter 909: A Kiss that Came Out of Nowhere

Xiangyi held her face in his hands. The moment he kissed her, he changed his position so that Ke Zhengfeng wouldn’t see him.

Nuannuan might have become a shield, but his kiss was so real and deep that she almost fell for it.

If he hadn’t heard Ke Zhengfeng’s voice getting further and further away until he disappeared around the corner, he might not have known to let go of the person in front of him.

Shi Nuannuan opened her eyes as bright as the stars in the night. In an instant, her entire being seemed to be frozen. It took her quite a while to react. At this moment, she was kissing Xiangyi!

He kissed her?

It felt... so good.

Her heart could not help but beat faster. She could clearly feel there was something that was ramming against her chest rapidly!

No, no, no. Her legs seemed to have lost their strength. She was going to lose her balance and fall down.

No, no, no. She didn’t want to lose her balance with just one kiss. That would be too embarrassing.

Moreover, she wanted Xiangyi to kiss her longer!

But her legs were really losing their strength.

In order to stabilize herself, she instinctively raised her hand and grabbed Xiangyi's clothes on his chest.

However, she was still a little weak, and her body was about to slowly slide down.

At this moment, Xiangyi let go of her.

Holding her cheek, his deep gaze stared at the pink lips that were red from his kiss. Xiangyi's heart was also beating wildly.

A kiss that was a little too delicious.

But he could not not let go of her.

Shi Nuannuan's face revealed a touch of redness. Meeting his dark eyes, she subconsciously stuck out her tongue and licked her lower lip.

So this was Xiangyi's taste.

Her unintentional action seemed to tempt him to seal her lips again.

However, in the next second, Shi Nuannuan's body broke away from his support, and she fell down an inch weakly.

Xiangyi hurriedly grabbed her, and his voice was hoarse. "What's wrong?"

She lowered her head in embarrassment, raised her hand to cover her forehead, and said embarrassedly, "My legs, my legs are weak."

How embarrassing!

She couldn't even withstand a kiss..

"Can you still walk? Let's leave this place first."

After his kiss, the jealousy in Shi Nuannuan's heart instantly disappeared, and she forgot about her anger earlier.

Hearing his words, she took a step forward.

But she still didn't have the strength!

How could this be? It was as if her entire body had gone limp.

Seeing that she was about to slip again, Xiangyi quickly reached out and grabbed her arm.

With one more look, he suddenly bent down and reached out to carry her in his arms!

Her feet suddenly left the ground. Shi Nuannuan was still unable to react in time. When she looked up again, she saw Xiangyi's exquisite jawline.

Her little heart was beating wildly again, as if it was about to jump out of her chest.

Xiangyi carried her and walked towards the front hall.

When they reached the entrance of the bar, Ke Zhengfeng's car had long disappeared without a trace.

He carried her and walked to his car. He lowered his head and looked at her in his arms. His voice was very gentle as he said, "I'll send you home."

As he said that, he placed her on the passenger seat.

For a moment, Shi Nuannuan had forgotten that she had driven here. Her mind was filled with that kiss.

However, after the car started, she remembered what Xiangyi just said to her.

Send her home?!

Then, she would not be able to see him anymore!

No!

"I don't want to go home!" said she.

She turned to look at the man in the driver's seat, seemingly having regained some strength.

Chapter 910: That Kiss Was Just a Cover Up?

It was still early. She did not want to miss this opportunity!

She had not seen Xiangyi for more than a week!

The car drove steadily. Xiangyi turned to look at her. "Where do you want to go?"

She looked at his handsome side profile and pursed her lips. She was still a little shy!

"Your house."

She blurted out these two words, slightly startling Xiangyi. He turned to look at her again.

It was not that he did not want her to go to his place, but that he was feeling a little conflicted.

If Shi Yuting found out about this, it was fine for him to get punished. But what about Shi Nuannuan?

He remembered that when Mr. Shi was young, if he did anything wrong, his back would be covered with the marks of the master's punishment. Would Nuannuan also suffer like this?

Thinking of this, he could not help but smile. "I still have something to do in a while, so I'll send you home first."

Hearing this, Shi Nuannuan could not help but pause.

"What is it?"

Oh, right, he had not told her about his relationship with that woman!

"Are you going to meet the woman just now?"

If this was really a mission given to him by his brother, then did it mean that that woman had some important secrets, which was why Xiangyi approached and played around with her to achieve his goal?

But even so, when she thought about the intimate relationship between him and that woman, she still could not accept it!

Her sudden misunderstanding made Xiangyi feel helpless but amused at the same time.

“I was investigating a person but I was afraid that the other party would see me. That woman happened to be beside me, so I conveniently put my arm around her waist to create an illusion. The purpose was to prevent the person I was investigating from discovering my existence.”

After hearing this, Shi Nuannuan lowered her eyes and then looked up at him. “So, you have nothing to do with her?”

“Yes.”

“You want me to leave that place to explain because you’re afraid that the other party would find out?”

“Yes, because the other party was in the private room not far from us.”

Listening to his explanation, Shi Nuannuan did not seem to be so angry anymore.

“Alright then, I’ll believe you this time!” She looked relaxed and turned her head to look at the front of the car.

However, in the next second, she seemed to have thought of something else. She immediately stared back at Xiangyi.

Just now, he seemed to have suddenly kissed her. Could it be that it was also to prevent the other party from noticing his existence?

Thinking about it, she felt that the possibility was very high!

“Then just now, you... you kissed me because you were afraid that others would find out about you?” If that was really the case, she swore she was going to get angry again!

Xiangyi could not help but be startled by her sudden question.

Just now, it was indeed because the situation was urgent, that was why he...

His silence only confirmed her suspicions.

Was it really like that? Did he use her as a cover up? Did he not really want to kiss her then?

Uh, why did she feel so wronged.

When the red light lit up, Xiangyi saw that her face was scrunched up into a ball as she stared at him, feeling wronged. For a moment, he was flustered and did not know how to explain himself.

The motive might be different, but his kiss was real.

If he had only used her as a cover up when he kissed her, he could have just pressed his lips against hers without moving. However, did she not feel that he was really kissing her?

However, from Shi Nuannuan's point of view, she felt that she was no different from that woman. She was just a cover up that he needed.
