

Kiss Me 961

Chapter 961, who asked you to teach him a lesson?

Some of the boys who were chasing her were even second-generation rich men who had big businesses in big cities. They believed that with their looks, they would definitely win back Xiang Yi's heart!

"However, before we snatch Xiang Yi back, we have to do one thing First!" Qiao Zhimei said again.

An Zhihan raised her head and looked at her. "What is it?"

Qiao Zhimei smiled and stared at the door to room 609.

"Of course it's to teach that girl a lesson and show her a lesson!"

An Zhihan couldn't help but hesitate when she heard this. "But she's the girl Xiang Yi likes. If we teach her a lesson, Xiang Yi will definitely be unhappy."

She lowered her face in worry. She didn't want to be hated by Xiang Yi.

If she hated herself, then it would be even harder to snatch her back.

"I know, you don't want him to hate you!" Qiao Zhimei said as she thought of a plan. "But who asked you to teach him a lesson openly? We can put in more effort!"

An Zhihan raised her head and looked at her in confusion.

"What idea do you have?"

"I came up with the idea from here." Qiao Zhimei nodded her head. "Not only do I have to appear unintentional, but I also have to make her suffer for being late. She knows that we're not to be trifled with. This is a brilliant plan!"

An Zhihan looked at her and suddenly felt a little curious.

"Now, let's Go Eat First!" Qiao Zhimei held her arm and walked towards the elevator with a smug smile on her face.

An Zhihan also unconsciously pursed her lips into a smile. She didn't know what her good friend had in mind that could help her get Xiang Yi back.

The two of them entered the elevator arm in arm.

At the same time, in Room 609.

"Go Wash your face first." Seeing that she had woken up early in the morning like a newly married wife, Xiang Yi's sexy thin lips couldn't help but smile as he looked at her dotingly.

Shi Nuannuan's gaze couldn't help but glance at the position at the door. Her face was bashful that was difficult to hide.

"Why is your friend here?"

“She’s a good friend who also lives here, and she’s on the same floor as you. We just happened to bump into each other and had a chat.”

“Oh...”Shi Nuannuan nodded and did not think too much about it.

Xiang Yi placed the breakfast he bought on the table.

Shi Nuannuan washed her face and came out. She tidied her hair and sat down without even changing into her pajamas.

In front of Xiang Yi, she did not seem to feel uncomfortable at all, as if the two of them had been in love for a long time. Even if she was wearing the pajamas in the boudoir in front of him, she still felt relaxed and at ease.

Xiang Yi also liked her very much.

“What is this?”Shi Nuannuan pointed at a piece of cake that was cut into small pieces. This was something that she had never eaten before, and it smelled quite fragrant.

It looked a little like the pizza that she had eaten before, but it was much thinner than pizza. On closer inspection, it did not look like pizza at all.

Xiang Yi looked in the direction she was pointing at and smiled gently. “It’s our specialty. Perhaps compared to some of the things you’ve eaten before, it’s a little... tacky, but it’s very delicious.”

He knew that the things she had eaten before were all high-class food. She might not have eaten such things in a small town, so he could not help but bring some for her.

Shi Nuannuan raised her head. Actually, as long as it was something to eat, she was not very picky, unless she encountered something she hated to eat.

She raised her head, and her bright black eyes looked at him standing beside the table. “Then do you like to eat?”

Chapter 962 was not important

“Okay.”Xiang Yi nodded. His sexy thin lips carried a smile that only belonged to her.

“Then I like it too!”Shi Nuannuan smiled. She immediately picked up a piece, took a bite, chewed carefully, and tasted it.

Xiang Yi watched her eating calmly. Just by watching, he was extremely satisfied.

If he could watch her eat breakfast for the rest of her life like that, he would give his all to change it.

“Is it good?”

Shi Nuannuan nodded like she was pounding garlic!

“It’s Good!”

As she said that, she picked up another piece and took a bite impatiently.

Xiang Yi also sat down. Shi Nuannuan stretched out her hand and took a bite. The remaining half of the sesame cake was handed to his lips. "Here!"

Xiang Yi glanced at it and swallowed the food that she had brought to his mouth.

"Madam and the old man know that you're here?"

Shi Nuannuan's actions of eating breakfast slowed down when she was suddenly asked this question. She raised her eyes and looked at Xiang Yi.

"Grandfather and grandfather Zuo went to Huan Xiu world. When I came, Mommy also went to the city god temple with brother and sister-in-law to pray for Mo Mo and Lian Lian..."

Xiang Yi was stunned. Did she secretly come here again?

"Then you..."

"I told brother!" Shi Nuannuan swallowed the food in her mouth and said impatiently, "When I left, I sent a message to brother, and he also replied to me."

"Mr. Shi knows that you came to my place?"

Shi Nuannuan nodded. "Yes!"

Since Mr. Shi knew about this, Xiang Yi had nothing to worry about.

At least, this meant that this time, she did not run over secretly.

He smiled lightly and moved a glass of milk to her side. "Drink this too."

After Eating Nuannuan's fill and drinking a large glass of milk, he felt extremely satisfied with his life!

"In a while, let's go to Uncle's house for dinner."

Shi Nuannuan looked up at him and suddenly felt a little embarrassed.

"I, as your girlfriend, have you met the parents?"

Xiang Yi was stunned. He really did not think too much about this question.

However, he felt that since she was already his girlfriend, bringing her home was at least a form of respect for her. He did not want to hide it from her.

Moreover, after returning to City Z in a few days, he planned to be honest with her, even though the old man might be in a difficult situation.

"Although that place is my uncle's home, you don't have to care about anyone else," Xiang Yi suddenly said.

Shi Nuannuan looked at him, not understanding. "Why?"

He smiled. "Because it's not important."

Shi Nuannuan had a vague feeling that Xiang Yi did not like his aunt and the people in that house.

Of course, except for her uncle.

Although she did not know the reason behind it, she still nodded. "Okay!"

Looking at her, he smiled. "Go and change your clothes. I'll take you around and then go home for dinner."

"Okay!"

She replied happily, got up and walked into the room to change her clothes.

It was still a little cold on the second day of the Lunar New Year.

The two of them strolled along the street. It was no longer as lively and bustling as usual, but more peaceful.

Xiang Yi liked this kind of atmosphere very much. He strolled along the street with her quietly, even if they walked to the other side of the world.

Although the county town was small, it had all of its internal organs. Although it was not as prosperous as a big city, it still had a quiet beauty to it.

"What is that?" Shi Nuannuan's hand was held in his palm and stuffed into the pocket of his trousers. It was very warm.

Chapter 963 addressed him as 'Mr. Xiang' again

When she suddenly saw the tallest building, the curious nuannuan could not help but open her mouth.

Xiang Yi turned his head and followed her line of sight. Then, he could not help but chuckle.

"The Phoenix Hotel You're staying at."

"..."what?

Shi Nuannuan looked around and realized that it was indeed the direction they came from earlier. However, after taking a detour along the street, she could not see the hotel's signboard at all. That was why she was a little lost.

They had already walked so far.

It turned out that time had passed so quickly when they were strolling with Xiang Yi. They had unknowingly walked for forty minutes.

"Ah, there's a shoe store opening."

The two of them came to the Fashion Street. Shi Nuannuan looked up and saw that there was a shoe store opening not far away.

She did not expect that there would be such a brand store in the county town.

Xiang Yi followed her line of sight and saw that there was indeed a store opening.

“Do you want to buy it?” He turned his head and asked her.

Shi Nuannuan smiled and looked up at him. “Want to take a look?”

“Sure.”

The two of them smiled at each other and walked towards the shoe shop.

Shi Nuannuan did not necessarily have to wear world-famous brands, but she would not go to a street stall to buy things. Although she did not necessarily have to pursue high-end quality, she also believed that better things., naturally, they had their own value.

For example, a pair of shoes that were better would definitely be more comfortable to wear on her feet.

This was because she had tried it before. She had bought a pair of shoes online that only cost a few tens of dollars. However, when she wore that pair of shoes to go shopping, in less than half an hour, her feet had already worn out!

From then on, she was certain that good things definitely had their own value!

Shi Nuannuan did not lack shoes, but the reason she wanted to buy a pair was to bring back some souvenirs to prove that she had been here before!

When she went on a trip in the past, no matter where she was, she would always buy some things to bring back as a souvenir.

When she walked into the shop, she took a liking to a pair of high-heeled boots. She felt that it was not bad, and it was a new product.

“I’ll try this.”

Pointing at the boots, Shi Nuannuan turned her head and said to a waiter in the shop.

Turning her head, she found that the shop assistants did not react at all. Instead, they were staring at her, Xiang Yi.

Xiang Yi also followed her line of sight and turned his head, meeting the gazes of the two shop assistants.

At this moment, the two shop assistants seemed to have just reacted.

They turned their heads abruptly to look at Shi Nuannuan. “Uh, okay!”

“This pair?” A shop assistant walked over and pointed at a pair of shoes in front of Shi Nuannuan.

Shi Nuannuan glanced at the shop assistant. “No, the pair next to it.”

“Uh, okay!”

The shop assistant smiled awkwardly. She quickly took off the pair of high-heeled boots and placed them under Shi Nuannuan’s feet.

“Mr. Xiang, you brought your girlfriend here to shop?”

Another girl looked at Xiang Yi and suddenly smiled. Her eyes were filled with admiration and admiration.

Xiang Yi glanced at her and nodded slightly at the shop assistant. "Yes."

"Your girlfriend is so beautiful!" The shop assistant said with a face full of envy.

Xiang Yi's gaze moved away from her face and his expression was gentle. He did not say anything else but turned to where Shi Nuannuan was sitting.

Shi Nuannuan, who was sitting there trying on her shoes, could not help but raise her head when she heard the attendant call him 'Mr. Xiang' as well. She looked at the attendant and Xiang Yi in surprise.

Previously, when they were at the hotel, the hotel staff had called him 'Mr. Xiang'. This time, when they were at the insole, someone called him that again. What was going on?

"Alright, do you think it's appropriate?"

Chapter 964 he was a well-known person here

After changing her shoes, the waiter stood up and asked with a smile.

Shi Nuannuan's gaze was pulled back. She looked at the boots that she had ordered and was very satisfied.

However, she could not help but raise her head to look at Xiang Yi. "Does it look good?"

"Yes." Xiang Yi nodded. Although it was only a very simple word, there was a boundless gentleness and sincerity in his dark eyes.

Indeed, the pair of boots looked very nice on her feet.

"Then I'll buy it!"

"Okay."

As he spoke, Xiang Yi took out his leather armor and handed a card to the shop assistant.

Taking the card, the shop assistant smiled and said, "Please Wait a moment."

As she spoke, she walked towards the cashier.

Seeing that he wanted to pay, Shi Nuannuan wanted to say something, but she thought about it. If she opened her mouth now, would she be disgracing Xiang Yi?

With this in mind, she did not say anything.

With her illustrious family background, money was nothing to her. When she bought anything, she would not calculate this point. As long as she liked it, she would buy it.

Although she did not want Xiang Yi to pay, since he had already bought it, she naturally would not stop him. Because she felt that this was a form of respect for him as her boyfriend.

Of course, she would not do something like giving him the money later.

She did not care about the few hundred yuan, and these few hundred Yuan should not be a big deal to Xiang Yi. Because when working under his brother, the treatment was needless to say!

If she really gave the money back to Xiang Yi when she went out later, it would seem like she was being a little pretentious.

Sometimes, it would be more comfortable to be casual!

Xiang Yi also liked her like this. He hoped that in the future, he would be in charge of earning money to support her while she only needed to enjoy his private love for her.

Holding her shoes, Shi Nuannuan naturally placed her hand in his palm. "Let's Go!"

He smiled, clasped his fingers with hers, and walked out of the shoe store.

Just as they stepped out of the door, Shi Nuannuan suddenly stopped in her tracks.

"Ah, right."

Xiang Yi turned his head and frowned slightly, thinking that she had left something behind in the store.

Shi Nuannuan abruptly turned her head to look at the two shop assistants who were watching them leave.

The shop assistants also looked at her in confusion, and then looked at the store again. It seemed that there was nothing that she had left behind.

"Why did you call him 'Mr. Xiang' Just Now?"

She was really curious.

Hearing this, the two shop assistants were stunned for a moment before smiling. "This lady doesn't know Mr. Xiang?"

This was strange. weren't they boyfriend and girlfriend? How could they not know? Xiang Yi was a famous person here. Moreover, he was handsome. Countless girls dreamed of being his girlfriend!

Shi Nuannuan was stunned.

Of course, she knew Xiang Yi. He was her Xiang Yi!

But she wanted to know why they called him 'Mr. Xiang'. What was the reason?

"Tell me."

The shop assistant who spoke could not help but glance at Xiang Yi. Then, his gaze fell on Shi Nuannuan's face. "Because Mr. Xiang is a famous person here!"

Shi Nuannuan was stunned.

"Famous person?"

The salesperson nodded.

“How Famous?” Shi Nuannuan tilted her head and asked.

“To punish evil, to help the poor, and to set up a charitable foundation. Just last year, he even donated a school to a poor place!” “Also, it was because of Mr. Xiang Yi’s help that the charity home was not demolished last year. Because Mr. Xiang bought the entire land and gave it to the charity home!”

Chapter 965 was already in charge of the accounts?

As he said that, the shop assistant could not help but look at Xiang Yi with admiration. “Also... Mr. Xiang is rich, handsome, and is called a diamond bachelor by our people here!”

Shi Nuannuan was even more confused.

She admitted that he was handsome, but he was rich..

She turned her head and looked at Xiang Yi.

He was only her brother’s assistant. His annual salary was at most a million or so. Besides his usual living expenses, how could he have the money to do these things? It was even more unreasonable to have a lot of money.

He didn’t even have a car now, did he?

How could he tell that he was a bachelor?

He felt that Xiang Yi was not a prince who was as rich as a country, but the bravest and most handsome knight!

He was the perfect knight in her heart!

Looking at her curious eyes, Xiang Yi’s expression was calm. Then, he smiled faintly and held her hand. “Let’s go.”

The two of them left the shoe store. Just the back view alone was enough to make people envious!

Their looks were even more impeccable!

Although they would feel extremely disappointed now that Mr. Xiang Yi had a girlfriend, but thinking about it carefully, perhaps only someone with the qualities of that lady was worthy of their Mr. Xiang Yi!

With that thought, the two employees could only silently bless the two of them in their hearts.

Walking on the quiet street, Shi Nuannuan and Nuannuan still did not understand.

Where did Xiang Yi come from to sit down for those things?

“Xiang Yi.”

“Mm.” He seemed to know what she wanted to ask, so he did not look at her.

Instead, he held her hand and held the shoes she had just bought with the other hand, walking forward step by step.

“You, really have a lot of money?”

He turned his head and met her bright black eyes. “No.”

To her, his small amount of money was nothing in comparison.

“Then why did they say that?”

“Because in a small county like ours, if one can earn over a million yuan a year, they would naturally be called ‘rich’,” he explained with a casual smile.

With this explanation, Shi Nuannuan seemed to have come to a realization.

Yes, the income here should not be comparable to that of a big city, so Xiang Yi’s income was really a lot to them. That was why they felt that he —

Uh, that’s not right.

Even in this place, they thought that a few hundred thousand a year, or a million, would be considered rich, but just based on this income, how could it be a donation or a charity? These things required capital to do!

Thinking of this, Shi Nuannuan could not help but turn her head again and look at him. “How much do you earn at My Brother’s place in a year?”

He turned his head and met the doubt in her eyes.

“A million.”

“Then how much do you spend in a year?” She asked again.

Although Xiang Yi’s life was not extravagant, it was still a level higher than the people here. Take the suit he was wearing, for example. Although it was not handmade, it was still a branded product! The estimated price should be around 8,000 yuan!

And the apartment he lived in, it should be at least a few million yuan, right?

Then, adding in the usual expenses, it should be at least 100,000 to 200,000 yuan a year, right? There might be other expenses that she did not know about. After all, she had not really gotten to know men!

“300,000 to 400,000 yuan.”

Shi Nuannuan turned around. As expected, there were others!

It was double what she had estimated!

She suddenly frowned and stared at him. “Where are the other 200,000 yuan?”

Chapter 966 what?

For some reason, a possibility suddenly flashed through her mind.

Could it be that this 200,000 yuan was used to cover Xiao Mi? ?

He was stunned. The atmosphere was as if his husband was paying his wife's salary, and his wife was asking: why is there a 100 yuan missing? ! ? Where did it go? ! ? ?

Xiang Yi chuckled at the thought of this.

"They started accounting so quickly?"

Shi Nuannuan paused and suddenly realized this as well. She could not help but blush and her heart beat a little awkwardly.

Damn, she was just curious. She was not going to manage his accounts!

But..

She stole a glance at him and pouted her lips. "No, if you don't want to say it, then forget it."

As she said that, she turned around.

Behind her, a bear suddenly pulled her back. It was especially warm.

He pulled her and took advantage of the situation to pull her into his embrace. He held her in front of him, and his deep black eyes stared fixedly at her.

Two seconds later, his thin lips parted slightly, and his voice was gentle and full of magnetism. "How could I not be willing? I would be more than happy to do so."

How could he not know what managing the accounts represented.

"Every year, I will give my uncle's family a sum of money."

Shi Nuannuan was stunned.

So that was how it was.

That was true. If it was his uncle who raised him, then it was only natural that he would repay his uncle's kindness!

"So that's how it is."

"Otherwise, what do you think?"

"I thought you took the money to bag –"

Shi Nuannuan raised her head and her voice suddenly stopped. She almost let the cat out of the bag.

Cough cough, Shi Nuannuan, what you lack now is reserve! Reserve!

"Wrap what?" He frowned. He really had not guessed what she was thinking at that moment.

Shi Nuannuan blinked her intelligent eyes and turned around. "Wrap..."

She could not come up with a reason, so she simply changed the topic!

"That's not right. Your annual expenses are a few hundred thousand, so you have at most five to six hundred thousand left. How can this little money be enough for you to do those things?"

It was impossible for him to use all of his assets to do good deeds, right?

If there really was such a person, he would either be gravely ill and have very little life left, or he would be a fool!

In any case, Shi Nuannuan thought so!

"I made some small investments myself." He turned his head and glanced at her.

"Shi Nuannuan, Nuannuan, are you curious about investing?"

"Yes."

"Oh..." Shi Nuannuan nodded, as if she understood.

The two of them chatted as they walked, and it was already close to noon.

Xiang Yi looked at the watch on his wrist. It was 11:05 pm.

"Let's go home for lunch."

He held her hand tightly, and his thin lips curved slightly.

"Okay!"

Shi Nuannuan nodded. After shopping for so long, the food in her stomach had long been digested! Now, she was not only hungry.

Xiang Yi casually hailed a car and the two of them sat in the back seat. At this moment, Shi Nuannuan's phone rang.

She took out her phone and looked at the caller ID. Shi Nuannuan could not help but be startled.

Hearing the ringtone, Xiang Yi turned his head and saw the caller ID on the screen: Mommy.

He looked up and saw her face. She pursed her pink lips and hesitated for a few seconds before picking up the phone.

"Hello, Mommy..."

"Nuannuan." Shen Lanzhi's voice sounded on the phone with a hint of worry.

"Yes."

"Did you really go to G City to look for Xiang Yi?"

Her mother's question made Shi Nuannuan feel a little guilty.

But she still nodded her head honestly. "Yes..."

"You Child, you didn't even call when you got there. You made Mommy Worry About You." Although she heard her son say this, she was still a little worried.

chapter 967 always stop at the end?

After all, she was a girl. As a mother, how could she not worry when she went to Xiang Yi's city alone.

"Uh, I'm sorry, Mommy..." knowing that she had made her mother worry, Shi Nuannuan could not help but shake her head, feeling a little guilty.

Hearing her daughter's soft voice, Shen Lanzhi could not bear to blame her anymore. Instead, she changed the topic, "Are you with Xiang Yi Now?"

Shi Nuannuan raised her head and nodded. "Yes!"

"You're... staying at his house tonight too?" Shen Lanzhi's voice could not help but have a hint of probing in it.

It was not that her thoughts were feudal, but even though she was still satisfied with Xiang Yi, this matter was still unknown to the old man after all. If Nuannuan stayed at Xiang Yi's house like this, to be honest.., she could not help but feel a little uncomfortable in her heart.

As a girl, it was still good to be reserved. After all, that was not Xiang Yi's bachelor apartment. There was still a difference between it and 'Living Together'.

Hearing her mother's words, Shi Nuannuan was stunned.

Then, she said, "Of course not. I'm staying at a hotel!"

Regarding this, Shi Nuannuan actually knew what to do!

No matter how much she liked Xiang Yi, she would not stay at his house just like that.

That was because she knew very well that it was his uncle's house and not his bachelor apartment. She still had some reservations about this.

Moreover, she respected the feelings between her and Xiang Yi. Although she really wanted to... cough cough, sleep with him, she would still differentiate between the situation and the occasion!

But speaking of which, that day in the room, she was already like that. Did Xiang Yi not think of having her?

Thinking of this, she could not help but fall into a reverie..

Xiang Yi seemed to be giving her a hard time every time?

Why?

In novels, didn't the male protagonist Kiss the female protagonist and start to impatiently press the female protagonist under his body? Why didn't Xiang Yi ever have such thoughts towards her?

Every time, it seemed like he would stop at nothing..

"That's good. Although I think Xiang Yi is a pretty good kid, after all, the two of you have only just started dating. You still need to have some sense of propriety," Shen Lanzhi reminded her over the phone.

However, Shi Nuannuan did not seem to listen to her, because at this moment, she was completely immersed in her own thoughts.

Shen Lanzhi frowned when she did not hear her daughter's voice. She looked at the phone screen and thought that she had hung up. She looked at the screen and realized that the call was still going on.

Hence, she placed the phone to her ear and called out, "Nuannuan?"

"..."there was still no sound on the phone.

Even Xiang Yi, who was standing at the side, could not help but raise the corner of his mouth when he saw that Nuannuan was thinking about something. He looked at her dotingly.

"Nuannuan?"Shen Lanzhi called out again.

At this moment, Shi Nuannuan suddenly came back to her senses. "Ah?"

Shen Lanzhi frowned. "I'm talking to you."

"Mommy, don't worry. I know!"

Hearing her daughter's disapproving tone, Shen Lanzhi sighed.

From a young age, Nuannuan had been pampered and spoiled. It was inevitable that she was afraid that she would do something ridiculous.

However, she knew very well in her heart that no matter how insensible her daughter was, there were still some things that she understood.

Thinking of this, she was relieved.

"Alright then, Mommy Won't Nag You Anymore, so that you won't dislike me."

"How can that be? I will never dislike you in my entire life!"Yes, she was her dearest mother, how could she dislike you!

Shen Lanzhi smiled gently.

"Mommy is dead, have fun and eat well."

Chapter 968... doesn't he have parents?

"Yes, I'm planning to have dinner with Xiang Yi at his uncle's house!"

Hearing this, Shen Lanzhi paused.

"Go to Xiang Yi's uncle's house?"

Shi Nuannuan nodded as if she could hear her mother's doubt. "Yes, Xiang Yi has been living at his uncle's house since he was young."

At the thought of Xiang Yi's background, Shi Nuannuan could not help but raise her head and look at the man standing beside her. There was a hint of heartache in her black eyes.

Xiang Yi also clearly saw the strange look in her eyes. The heartache was even more apparent in his eyes. He could not help but feel a pang in his heart, and he felt a little choked up.

Hearing her daughter's words, Shen Lanzhi was slightly stunned for a moment.

Shen Lanzhi was not very clear about Xiang Yi's family background. She only knew that he was her son's subordinate and did not have any identity or background.

So, could it be that Xiang Yi was an orphan?

"Mommy?" Seeing that there was no sound on the phone, Shi Nuannuan could not help but call out.

Could it be that her mother despised Xiang Yi's background?

"HMM?" Shen Lanzhi returned to her senses.

Shi Nuannuan looked up and glanced at Xiang Yi.

Then, she asked her mother on the phone, "What's Wrong?"

She really wanted to ask, but when she saw Xiang Yi, she could not bring herself to ask.

She didn't want her mother to look down on Xiang Yi's family background because of this.

However, her mother knew from the beginning that Xiang Yi was only her brother's assistant, so she shouldn't dislike him, right?

Shen Lanzhi came back to her senses and smiled. "It's nothing. You said that Xiang Yi is staying at Uncle's house, so he... doesn't have parents?"

She asked very tactfully because she was afraid that her daughter would overthink things.

Hearing her mother's words, Shi Nuannuan's face darkened.

She glanced at Xiang Yi and could not help but turn around. She whispered to her mother on the phone, "Mommy, do you dislike the fact that he doesn't have parents?"

Shen Lanzhi could not help but pause for half a second before saying, "Of course not. I'm just asking casually. After all, you're going to marry him in the future."

Every mother hoped that their daughter could find a good home. Therefore, she wanted to know more or less about Xiang Yi's family. She could not just marry her daughter to him like that, could she?

"That's good, Mommy. I don't want you to look down on Xiang Yi. After all, he is my brother's most capable assistant!" Shi Nuannuan was still very proud of this!

If Xiang Yi was not outstanding, why would his brother think highly of him?

Shen Lanzhi could not help but chuckle. "Mommy knows that I'm not looking down on Xiang Yi. I just want to understand him. Don't think too much about it."

"Okay!" Shi Nuannuan nodded.

"Alright, Hurry up and go eat. Mommy is going to visit Mo Mohe and Lian Lian."

“Okay!”

“Oh right, remember to bring some gifts when you go. It’s your first time eating, so you can’t lose face.”

Shi Nuannuan’s eyes darted around. She wouldn’t have thought of it if her mother hadn’t mentioned it.

“Okay, I got it!”

“Then I’ll hang up.”

“Okay! Bye, Mommy!”

After hanging up the phone, she turned to look at Xiang Yi and walked over to kiss him on his arm. Then, she raised her head and peered at his exquisite jaw. She wondered if he had heard her mother’s words from her tone, would he misunderstand her mother because of this.

Xiang Yi’s handsome side profile turned slightly. His black eyes looked at her clear, lake-like eyes.

“Madam’s phone call?”

“Yes.” She nodded, turned her face away and lowered her head.

Xiang Yi pursed his thin lips and did not say anything else. Instead, he walked out of the pedestrian street with her.

Chapter 969: Be Your Bride

Shi Nuannuan stole another glance at him. She could not see any unhappiness or disappointment on his face.

After thinking for a while, she could not help but say, “Xiang Yi.”

“HMM?” He turned his head and glanced at her.

She raised her head and looked into his clear black eyes. “You didn’t want to accept me in the beginning because I was the eldest daughter of the Shi Family?”

He was stunned for two seconds before he nodded. “Yes.”

“What about now?” She wanted to know what reason was there to convince him to accept her love.

He looked at her and suddenly stood in front of her. His deep black pupils looked into her eyes.

“Now, I want to try my best to be your best choice. I just don’t know if you will wait until that day.”

“I Will!” As soon as he finished his sentence, Shi Nuannuan could not wait to raise her hand and guarantee, “Even if that day doesn’t come, I have already made up my mind!”

As she said that, she suddenly turned around and crossed her hands behind her back as she walked forward. She looked a little playful and very cute!

Xiang Yi, who was behind her, frowned slightly. His black eyes narrowed as he caught up with her footsteps.

“Decide what?”

“Decide...”she turned around and looked so innocent that it was hard to let go of her! Her black eyes became serious as she said, “To be your bride!”

He was stunned and his heart started to ripple. He had the urge to hold her in his arms, but he only looked at her deeply.

After a long time, he opened his thin lips slightly and his eyes were as serious as hers. “Just in time, Mrs. Xiang’s position is vacant.”

A seemingly joking sentence made the two of them seem to have made a promise to each other.

“Will you marry me?”She asked very seriously.

“Yes.”

She smiled, very happily. She had never been so happy before.

She could not help but stretch out her hands and put them around his neck. “You said it!”

“Yes.”

He pressed his face against her beautiful hair and sniffed the fragrance of her hair. His voice was very soft and his tone was very gentle. “Give me three years, and I will give you the best wedding that I have ever had in my life!”

Shi Nuannuan was extremely touched, but she suddenly pushed him away. Her pitch-black eyes stared at him and she said with a serious expression, “It’s fine even if you have nothing in your life. I Don’t Care!”

He smiled lightly. “I care.”

He knew that in the love world between two people, there was no one who was not worthy of each other. However, he was also very clear that with his current status, he was indeed not qualified to marry her. Therefore, he cared and wanted to work hard, he wanted to become a man who was qualified to give her happiness.

“Alright then! I’ll wait for you. I’ll wait for You to marry me. Let me become the most beautiful bride in this world!”As she spoke, her index finger was playing with the white shirt on his chest. He grabbed her and pulled her into his arms.

“Yes, Definitely.”

The two of them leaned against each other on the street. Occasionally, when people passed by, they could not help but cast envious gazes.

Their cell phones Rang, and the two of them came back to their senses.

Xiang Yi took out his cell phone and saw that the caller ID was: uncle.

“It’s uncle.”

“Mm, he should be asking me to take you home for lunch.”

As he spoke, Xiang Yi had already picked up the phone. Sure enough, it was Feng Shunqing who had called the two of them to go back for lunch.

“Let’s go then!” She held his arm and walked not far away. “Oh right, mommy told me to bring some gifts when I go. Let’s go shopping first!”

As she said this, she pulled him along the streets, wanting to pick out some presents to bring over.

Chapter 970 My Nuannuan is the most sensible

However, there were not many shops on the streets during the New Year. Shi Nuannuan did not know what to buy to bring over.

“Why don’t I just give her a big red packet?” Shi Nuannuan suddenly suggested when she could not find a shop to buy a gift.

Xiang Yi looked away and stopped at her exquisite face. “Forget it. There’s actually no need for so many gifts.”

He knew very well that if he really gave her a big red packet, the money would only fall into his aunt’s hands. There was no need for this at all.

“But my mommy already said that when I go to your house for a meal for the first time, I must bring a gift!”

Shi Nuannuan insisted, her gaze constantly searching both sides of the street.

Suddenly, a cake shop entered her line of sight.

“AH, there’s a dessert shop over there. Shall we buy some cake to bring back?” She turned her head and looked at Xiang Yi with a smile in her eyes.

It seemed that eating cake during the new year was not bad either!

Xiang Yi followed her line of sight and also saw the cake shop. He thought about it and felt that this gift was very suitable, so he nodded. “Okay.”

Shi Nuannuan smiled with her eyes curved. She pulled him towards the cake shop.

The two of them picked a fruit-flavored cake, wrapped it up, and walked out of the shop. They hailed a taxi and rushed to the Feng residence.

On the way, they passed by a supermarket and found that the door was open. Shi Nuannuan asked the driver to stop the car and went in to buy a few supplements before coming out again.

After getting in the car and looking at the gifts in her hands, Xiang Yi lovingly raised his hand to stroke her hair. “Why are you so polite?”

“Because it’s my first time to eat. Although I’m spoiled, I’m very sensible!”

He smiled and pulled her into his arms, letting her lean against his shoulder.

“Yes, My Nuannuan is the most sensible.”

Leaning against his arms, Shi Nuannuan’s heart was filled with joy.

His Nuannuan? Heh... this feeling sounds so good!

Ten minutes later, the car arrived at the entrance of the Feng residence.

Hearing the sound of the engine, Feng Shunqing hurriedly walked out of the house. As expected, she saw the two of them get out of the car.

“Ah Yi, Nuannuan, you’re here.”

After getting out of the car and seeing Feng Shunqing, Shi nuannuan politely called out, “Hello, Uncle.”

“Good, good!” Feng Shunqing looked at Shi Nuannuan. The more she looked at her, the more satisfied she became. “Quickly go in and sit inside. It’s cold outside.”

As soon as she entered the house, she saw Feng Lulu sitting on the sofa in the living room, playing with her phone. Seeing that the two of them had returned, she gave them a side glance.

Shi Nuannuan did not mind her attitude. She noticed that there was a man sitting on the sofa.

When she looked over, the man happened to look at her as well.

The moment he saw her, the man’s eyes, which were originally unconcerned, suddenly lit up. He stared unblinkingly at Shi Nuannuan who walked in. His eyeballs were about to fall out!

He had always thought that only celebrities on television would be so beautiful. He did not expect to see such a beauty in real life! She was even more beautiful than the richest lady in the county, an Zhihan!

This girl was Xiang Yi’s girlfriend who was going to bring home for dinner today! ?

She was too beautiful!

At this moment, Shi Nuannuan had already retracted her gaze and turned to look at Feng Shunqing.

“Uncle, this is just a small token of respect.”

As she spoke, she handed the gift in her hand to Feng Shunqing.

Looking at the pile of gifts that she handed over, Feng Shunqing could not help but say, “Child, why are you being so polite when we’re having a meal together? This must cost a lot of money, right?”
