

Kiss Me 981

Chapter 981 the man in prison

Outside the glass window, Xiang Yi stared straight at the man with a crew cut in front of him. After going through prison, the forty-five-year-old middle-aged man looked like he had aged ten years.

“Why? Did you come to see me, your father, before you die?”

“You haven’t changed anything in two years.” Staring at the man in the glass, Xiang Yi’s cold voice sounded. His face was so cold that there was no warmth at all.

“What should I change for a person who is about to die?” The man suddenly leaned over and stared straight at Xiang Yi.

“That’s true. A person like you will only pollute the air if you live one more day.”

His words seemed to have angered the middle-aged man. He suddenly stood up and said, “Don’t forget, no matter what I do, I’m the one who gave you your life!”

Looking at the agitated Xiang Zhidong, the police officers who were watching from the side immediately walked over and pressed him down on the chair!

Looking at his agitated father, Xiang Yi remained expressionless. “You gave it to me, but I’m ashamed to be your son.”

“You!” Hearing his words, Xiang Zhidong was extremely agitated. He wanted to get up again and break through the specially made glass to teach the man outside the glass window a lesson! However, he was stopped again by the police officers.

“3025! Quiet!” The police officers berated!

“Unfilial son, without me, you would not have what you have today! ?” Pointing at Xiang Yi outside the window, Xiang Zhidong roared again. Two police officers walked over and restrained him!

Xiang Yi got up and did not look at him anymore. Instead, he turned around and walked towards the direction of the door.

Inside the glass window, Xiang Zhidong said something, but he could no longer hear it.

As he left the prison gate, images of his mother being beaten up flashed through his mind. He closed his eyes. The scene of his mother being beaten up was like a sharp sword piercing through his chest. It had tortured him for more than twenty years.

The corners of his lips trembled slightly. After a long while, he finally calmed down and calmed himself down.

As he walked on a road in front of the prison gate, snow fell from the sky. Xiang Yi walked alone until the sky gradually darkened.

The lights by the roadside lit up one by one. When he came back to his senses, he found that it was already 5:40.

He remembered the warmth of dinner waiting for him at the hotel. He could not help but put away his calm heart and took out his cell phone to dial a number.

This was a remote suburb, and there was no bus passing by. He could only call a car and then directly take a taxi to the county town. It might take forty minutes to reach the county town.

After waiting for about twenty minutes, a taxi from G City stopped by a street lamp.

It was already six o'clock in the evening.

At the same time, in the hotel room.

Shi Nuannuan had been watching TV for the whole afternoon. She fell asleep on the sofa, feeling a little tired. It was not until she woke up from hunger that she opened her eyes in a daze.

She sat up and rubbed her eyes. She turned her head to look out of the window and realized that it was already early in the evening.

"Strange, it's already so late?" She muttered to herself. She picked up her phone randomly and looked at the time. It was already six o'clock.

Didn't Xiang Yi say that he would come to have dinner with her before five o'clock? Why didn't he come until now?

She looked at her phone screen again, but there was no call or text message. She opened wechat and QQ again, but there was also no news from Xiang Yi.

It was strange. He usually didn't do this. Even if he had something to say, he would call him in advance.

She opened her address book and dialed Xiang Yi's number, only to find that he was in the middle of a call.

She took off her phone and stared at the phone screen strangely. who was she talking to?

Chapter 982: Sorry, I went back on my word

Just as she was thinking, her phone rang. The Caller ID was Xiang Yi.

She was delighted and picked up the call.

"Hello?"

"Sorry, I went back on my word." Xiang Yi's slightly apologetic voice came from the receiver. It was gentle and pleasant to the ear.

Although Nuannuan had some doubts about his lateness, she didn't really take it to heart. Instead, she asked, "Where are you now?"

"On the way back to the hotel, it will probably take more than half an hour."

“Oh, where are you going? It will take so long.” Shi Nuannuan was very curious. Since she was already on the road, but it would still take more than half an hour, she should have left the county, right? Otherwise, how could it be so far away.

Facing her inquiry, Xiang Yi hesitated for a few seconds before opening his thin lips lightly, “To visit a person.”

Shi Nuannuan listened for a few seconds.

Going to visit someone?

Suddenly, Feng Lulu’s words flashed past her ears, and she could not help but think about it.

Could it be that the father that Xiang Yi did not want to mention was really not dead, but had become a death sentence prisoner and was locked up in prison? Was that why he was so far away from the county?

Was that really the case?

She did not dare to make wild guesses. What if it was not?

“Nuannuan?”

Seeing that there was no sound from the phone, Xiang Yi frowned and could not help but call out her name.

Shi Nuannuan came back to her senses. “Eh?”

“Are you angry?” He thought that she was unhappy because she had broken her promise.

Shi Nuannuan was a little surprised for a moment. She was stunned for a few seconds before she reacted.

“Uh, no, I’m just hungry.” Speaking of which, she was really hungry. She had been woken up by hunger to begin with. At this moment, her stomach was still rumbling.

It was just that Xiang Yi could not hear her on the phone.

When he heard that she was hungry, the corner of Xiang Yi’s sexy lips curled up slightly. His tone was gentle as he said, “Then why don’t you go to the hotel’s Restaurant First and wait for Me While You Eat?”

When he said that, Shi Nuannuan also felt that this was not a bad suggestion!

“Alright, I’ll order some snacks to eat first.”

“Okay.”

After hanging up the phone, Xiang Yi’s deep voice rang out to the driver in the driver’s seat. “Drive faster.”

“Okay!”

..

After washing her face and putting on her coat, Shi Nuannuan walked out of the room and went to the restaurant on the first floor.

She ordered a vanilla mousse and a glass of fruit juice. She found a middle seat and sat down. She ate quietly while waiting for Xiang Yi to arrive.

As she ate, she looked at the entrance of the restaurant. When Xiang Yi did not arrive, she saw a familiar figure walk in.

No, it should be two figures!

An Zhihan and her good friend.

“Hey, Zhihan, look over there.”

As soon as she walked into the restaurant, Qiao Zhimei, who had sharp eyes, saw Shi Nuannuan sitting in the middle of the table. A cunning light flashed in her eyes.

An Zhihan also looked in the direction her good friend pointed and saw Shi Nuannuan sitting there eating snacks.

“Why is she eating here alone...” she was a little puzzled, because every time she met her, she was with Xiang Yi.

Her mind suddenly flashed to the time when she left this place in the afternoon. Xiang Yi seemed to have left the hotel alone, which meant that Xiang Yi was not here at this time?

“Do you even need to say that? It must be because your Xiang Yi is not here. Come, Let’s Go!” As she said that, Qiao Zhimei crossed her arms and walked arrogantly towards Shi Nuannuan’s seat.

Before an Zhihan could say anything, her good friend walked over. “Hey, Zhimei!”

She eagerly followed her good friend and walked towards Shi Nuannuan’s seat.

Chapter 983 an Zhihan and Qiao Zhimei

Shi Nuannuan ate half of a piece of vanilla mousse and was about to put another piece into her mouth when she suddenly felt a shadow looming over her.

She raised her head and realized that an Zhihan and her good friend had unknowingly appeared in front of her.

She knew that they were Xiang Yi’s good friends, but Xiang Yi was not around at the moment, so she did not plan to greet them because she felt that it was unnecessary.

She had always been a loner. Other than her dear sister-in-law, she had almost no other friends of the same sex, so she could not be bothered to greet them. After all, they were not familiar with each other.

She put a mouthful of mousse into her mouth and chewed it carefully while putting a fork to her lips. She looked very playful.

“Hello, do you still remember us?” It was Qiao Zhimei who spoke.

Shi Nuannuan swallowed the mouthful of Mousse and nodded at them. “Yes.”

Qiao zhimei glanced at the seat beside her and asked, “Can we sit down?”

“As you wish.”

Shi Nuannuan’s tone wasn’t gentle, but it wasn’t cold either.

Qiao Zhimei sat down, and an Zhihan naturally sat down beside her.

Looking at the two of them who sat down, Shi Nuannuan stared at them as she leisurely ate the mousse cake. She didn’t know what the two of them wanted.

Sitting down, Qiao Zhimei’s family background wasn’t bad, so when she looked at people, her gaze was inevitably short-sighted and arrogant.

She glanced at Shi Nuannuan and felt that she seemed to be looking down on everyone. Now, she couldn’t help but feel a little flustered.

With their status, ordinary people would have to curry favor with them.

“How long have you known Xiang Yi?” Qiao Zhimei asked.

Shi Nuannuan, who was in the middle of a snack, could not help but raise her head and chew on the cake in her mouth. She swallowed her throat and said, “Seven or eight years.”

Since he had been by her brother’s side, they should have known each other, right?

If that was the case, it had indeed been seven or eight years.

An Zhihan could not help but be surprised when she heard this answer.

She had known Xiang Yi for eight years? Why had Xiang Yi never mentioned it?

Even her good friend was a little surprised. Didn’t they say that she did not have a girlfriend when she asked last year? Why had they known each other for another seven or eight years?

“You’ve known Xiang Yi for seven or eight years! ?” An Zhihan asked, her tone clearly unfriendly.

Shi Nuannuan’s gaze turned to her. She was a little surprised by her unfriendly tone and was slightly stunned for half a second.

She seemed to have come into contact with the trace of hostility that was reflected in her eyes. Although she tried her best to hide it, she still clearly sensed it.

What was going on?

That day at the door of the room, she was still smiling gently at her. Why was she suddenly filled with hostility?

Shi Nuannuan’s half-opened eyes seemed to want to see through an Zhihan in front of her, but she was helpless and could not find any clues.

“Yes, What’s Wrong?”She asked her back.

An Zhihan was stunned, and the hostility in her eyes became even more obvious.

“Then when did you two date?”This time, an Zhihan softened her tone, as if she was afraid that Shi Nuannuan would sense her hostility toward her.

After finishing a piece of vanilla mousse, Shi Nuannuan put down her fork and looked up at an Zhihan. “Miss an.”She paused, picked up the juice at the side, and took a few sips. She raised her black eyes and asked, “Why should I tell you this?”

An Zhihan could not help but be stunned. She felt that the girl in front of her was not as fragile as she had imagined.

Chapter 984 declared sovereignty

“Because Xiang Yi and I grew up together, we can be considered childhood sweethearts. So, I want to know, do you like his looks or Money?”

Hearing this, Shi Nuannuan almost spat out a mouthful of fruit juice. “UHH!”

“You mean I like his Money?”Did she hear wrongly? For the first time, someone thought that she would like someone else’s money.

Even if they did not know her identity, they should be able to tell that the clothes she was wearing were worth a lot of money, right?

Uh, but thinking about it carefully, this was a small county. Perhaps they would not pay attention to these international brands. Even if they did, they would not be able to tell if they had seen them with their own eyes.

Alright, she treated it as a joke after dinner. It seemed pretty good.

“Isn’t it?”An Zhihan asked seriously.

“PFFT!”Shi Nuannuan put down the fruit juice and couldn’t hold back her laughter, because she couldn’t hold back her laughter even if she died!

She raised her head and looked at an Zhihan in front of her. She finally understood why she was hostile towards her.

From her words just now, she seemed to have heard that this an Zhihan seemed to like Xiang Yi?

“What are you laughing at?”She asked so seriously, but it was as if she had treated it as a joke. An Zhihan couldn’t help but feel a little displeased. Her expression suddenly relaxed, and it seemed like there was no need to put on a pretense.

“It’s nothing. I just couldn’t hold it in for a moment. Don’t mind it!”Shi Nuannuan waved her hand to try to hold back her laughter.

“Your name is Shi Nuannuan, right?” Seeing her good friend being ridiculed, Qiao Zhimei could not help but speak up. The eyes that looked at Shi Nuannuan were also filled with hostility.

Shi Nuannuan’s gaze shifted from an Zhihan’s face to Qiao Zhimei’s face. “Yes.”

“To tell you the truth, Xiang Yi and Zhihan are childhood sweethearts. You might not know this, but this hotel belongs to the Zhihan family, and the investor is Xiang Yi. Every year, the profits collected are also managed by Zhihan for him. Do you understand this?” Looking at Shi Nuannuan, Qiao Zhimei said.

So Xiang Yi was the investor of this hotel. No wonder the staff here knew him the first time.

However, an Zhihan helped him manage the profits every year. What did that mean?

It wasn’t that she didn’t notice that an Zhihan and her good friend were clearly declaring their sovereignty over her. Then, did she believe or not believe this sentence?

Why was an Zhihan helping him manage the money Xiang Yi earned? Could it be that the two of them really had an unusual relationship?

But didn’t Xiang Yi say that they met at the orphanage?

Thinking of this, she looked at Qiao Zhimei. “Childhood sweethearts?”

“Yes!”

Her gaze shifted to an Zhihan’s face. “Are you referring to when we grew up together in the orphanage? This is called childhood sweethearts?”

Her words made an Zhihan startled.

She and Xiang Yi indeed met at the orphanage. He even told her this?

An Zhihan’s expression immediately turned ugly when she was exposed.

“We’re not considered childhood sweethearts, but we did grow up together. Your relationship with him is definitely not as good as Zhihan and Xiang Yi’s,” Qiao Zhimei said, unwilling to be outdone.

“OH.” Shi Nuannuan just nodded her head and responded with an “OH.”

“Oh right, you guys are going to visit the children at the orphanage together tomorrow, right?” Qiao Zhimei suddenly turned her head and looked at an Zhihan, asking even though she already knew the answer.

An Zhihan immediately understood when she met her good friend’s gaze and nodded. “Yes.”

Looking at the two people in front of her, Shi Nuannuan finally understood. They wanted to force her to back down now and hand Xiang Yi over to them?

Chapter 985 dare to Bully Me? I’ve found the wrong person!

What a joke! How could anyone snatch away Shi Nuannuan’s Man?

“Are you guys done?”

Looking at the two people who were talking to themselves, Shi Nuannuan suddenly smiled brightly.

An Zhihan and Qiao Zhimei were stunned. They did not understand what she meant by her sudden words.

“What are you doing?” Qiao Zhimei asked.

Shi Nuannuan smiled warmly. “If you’re done, please leave. I’ve arranged to have dinner with Xiang Yi. The two of you...” she pointed to where they were sitting with her index finger, “We’re at his seat. Please make way!”

Qiao Zhimei and an Zhihan’s expressions changed when they heard her speak so bluntly. It was extremely ugly!

However, an Zhihan was also a person who cared a lot about her face. Shi Nuannuan had obviously raised her voice a little earlier. The customers at the nearby tables had obviously heard her. If she insisted on not leaving, she would be the one who would be embarrassed instead, she wasn’t that stupid.

She shot Shi Nuannuan a cold glance. She picked up her bag unhappily, stood up, and turned around to leave.

After chasing away the two plague gods, Shi Nuannuan was in a good mood. She picked up the fruit juice and started to suck it.

However, just as she was holding the cup of fruit and sucking it, Qiao Zhimei, who stood up, walked past her and deliberately squeezed her with her butt, causing her cup of fruit juice to spill out. Fortunately, she reacted quickly, she quickly took the cup away, but it still spilled on her body.

She was wearing a black leggings, so the fruit juice that was spilled on her legs was not obvious, but it was indeed spilled all over her body.

She suddenly turned her head and saw Qiao Zhimei’s smug face. She turned around and walked forward.

Shi Nuannuan’s palm tightened. How dare she bully her? Sorry, they had found the wrong person!

She was not the kind of gentle and weak female protagonist in novels!

After saying that, she suddenly reached out and grabbed the remaining juice cup on the table. Without any hesitation, she smashed it at Qiao Zhimei’s feet!

“Bang!”

The cup instantly shattered, making a shattering sound. Qiao Zhimei jumped in fright. An Zhihan and the other customers in the restaurant could not help but look over.

Looking at the cup that had suddenly shattered under her feet, Qiao Zhimei hadn’t recovered from her shock when she felt a force slam into her hamstring. She wanted to grab onto something to support her

body, but she couldn't do anything, just like that, she forcefully knelt down in front of her, precisely kneeling on the shattered glass!

"Ah!"

At the same time she knelt down, Qiao Zhimei let out a blood-curdling scream. She only felt a sharp pain in her knees. It was obvious that the glass had pierced into her, causing her tears to flow!

"Zhimei!"

Seeing her good friend kneeling on the shattered glass, an Zhihan felt an unimaginable pain!

She quickly walked over and helped Qiao Zhimei up from the ground. "Zhimei, how are you!?"

Qiao Zhimei tried to stand up, but the pain in her knees made it impossible for her to stand. As soon as she got up, she immediately knelt down.

"Ah! It Hurts –"

A heart-wrenching scream rang out again, and Qiao Zhimei's face turned pale from the pain!

An Zhihan, who was at the side, seemed to have been scared silly. After regaining her senses, she quickly moved her good friend to the side. Ignoring the gazes of the people in the restaurant, she sat on the ground in a sorry state.

At this moment, a clear and sweet voice came from above their heads. "Sorry, my hand slipped. I don't know how the Cup flew here."

Chapter 986: If people don't attack me, I won't attack them

"Shi Nuannuan, you did it on purpose, didn't you!?" An Zhihan naturally felt sorry for her friend who was injured.

How could a perfectly good fruit juice cup fly to Ji Mei's feet for no reason? It was obvious that Shi Nuannuan had come on purpose!

Looking at Qiao Zhimei who was wailing on the ground, Shi Nuannuan smiled happily. Then, her gaze fell on an Zhihan's face. Her slender waist bent slightly as she looked down at the two of them from above.

"There's a saying, if people don't offend me, I won't offend them. If people offend me, I'll pay them back double! You should have heard of it, right?"

"How did she offend you?!"

"Then you'll have to ask your good sister."

Shi Nuannuan stood up and gave the two of them a cold glance. Then, she turned around and walked towards the entrance of the restaurant.

Looking at her retreating figure, how could an Zhihan let her off so easily!

After all, this was her family's Hotel!

“Stop!”

Shi Nuannuan ignored the shouts behind her and left without looking back.

An Zhihan panicked and said to the security guards at the entrance, “Stop That Woman!”

Upon hearing her order, the two security guards at the entrance of the restaurant immediately walked in and blocked Shi Nuannuan who was about to leave.

“Grab her!” An Zhihan roared again.

Hearing this, the two security guards couldn't help but take action immediately. They reached out to grab Shi Nuannuan.

However, Shi Nuannuan wasn't someone who was willing to give in easily. When the security guards attacked her, she reacted quickly. With a gorgeous shoulder throw, she easily threw the security guard to the ground.

However, as a security guard, she naturally couldn't be put down easily.

Moreover, they had weapons in their hands.

Shi Nuannuan was about to attack another security guard when she saw him suddenly take out the baton on his waist!

F * ck! He had already taken out his weapon, what chance did she have to win! ?

Shi Nuannuan made her move. An Zhihan, who was not far away, could not help but smile smugly.

She did not expect Shi Nuannuan to still have some skills. However, in the face of strength, wasn't she still going to surrender?

Just as she was in a daze, another security guard quickly stood up. The two security guards took the opportunity to subdue Shi Nuannuan and held her down one by one.

An Zhihan sat her good friend down in a chair at the side and walked over. “What's wrong? You're not resisting anymore?”

Shi Nuannuan gave Shi Nuannuan a cold glance and grumbled unhappily, “You're really undefeatable if you're a slut!”

“What did you say! ?” This was the first time an Zhihan had been called a B * tch by someone, and she couldn't help but find it hard to believe.

Shi Nuannuan turned around and said clearly this time, “I said, undefeatable if you're a B * Tch! Do You Hear Me?”

“Who are you scolding! ?”

“I'll scold whoever's a B * Tch!”

She pouted and said unhappily. She glanced at the weapon in the security guard's hand and was surprised to find..

F * ck, it wasn't a Taser?

For a moment, she thought that the two security guards were holding taser in their hands, but she didn't expect it to be just a police baton. It made her cower in fear, which was why she was caught so easily.

It was no wonder, because her family's business was a five-star hotel, and all the security guards wore TASER! At this point, she remembered that Taser wasn't something that anyone could wear?

Damn it, she had been tricked!

Thinking of this, Shi Nuannuan wanted to struggle, but she did not expect that in the next second, a loud slap would land on her left cheek, catching her off guard.

Chapter 987 lecturing me on behalf of my parents?

The pain on her left face was like a burning wound. She widened her eyes and looked at an Zhihan in disbelief.

It was the first time in 22 years that she had been slapped by someone. If her brother found out about this, he would definitely cripple this an zhihan!

This time, Shi Nuannuan was completely enraged. She clenched her fists tightly and glared at an Zhihan!

An Zhihan was not afraid at all. Instead, she spoke in an imposing manner, "Since you're so eloquent, I'll teach you a good lesson on behalf of your parents! I'll let you be so uneducated!"

Her words made Shi Nuannuan's blood boil!

Her hands were held by the two security guards. She moved her lips as if she could feel a salty taste coming from the corner of her mouth.

Her bright black eyes were instantly filled with a layer of anger as she looked straight at an Zhihan. "Teach me a lesson on behalf of my parents?"

"That's right!"

Shi Nuannuan clenched her fists tighter and tighter with anger. She lifted her high-heeled foot and forcefully kicked the security guard on the right. This action was swift and agile, catching the security guard off guard. Just like that, she was kicked right in the crotch, in an instant, she let out a tragic sound as she covered her crotch. Her face was flushed red!

That pained expression was painful to look at!

The surrounding crowd could not help but gasp for the security guard.

They did not expect Shi Nuannuan to resist. The other security guard and an Zhihan could not help but feel a little surprised, but before they could recover, Shi Nuannuan quickly took care of the other security guard.

If she wanted to teach an Zhihan a lesson, she had to let the two security guards go. This way, they would not hinder her from teaching an Zhihan a lesson. The only way to make them fall to the ground and not get up was the fatal weakness of men.., that was their crotch!

The two security guards fell to the ground one after another, clutching their crotches and wailing.

Looking at the two people who fell to the ground, an Zhihan's eyes widened in shock. This Shi Nuannuan was too arrogant!

After saying that, she took out her phone and was about to call a few more hotel security guards over.

But just as she took out her phone, before she could unlock it, the phone in her palm was suddenly slapped away. It fell to the floor at the side with a bang.

When she came back to her senses, the 6,000 yuan phone had already been smashed into pieces!

An Zhihan did not feel any heartache as she looked at the smashed phone. After all, with her family background, a phone was not worth mentioning to her. However, she would naturally be furious if her things were smashed just like that!

She turned her head and was about to glare at Shi Nuannuan. However, the moment she retracted her gaze and turned around, she was pounced onto the floor by Shi Nuannuan!

She was caught off guard and was pushed onto the ground by Shi Nuannuan just like that. She fell onto the cold floor in a sorry state. The back of her head was knocked on, and she was in so much pain that tears were coming out of her eyes.

Ever since she was adopted from the orphanage to the An family, when had she ever suffered like this? After more than ten years of pampering and pampering, she had long been raised into a rich young lady. How could she be willing to suffer such humiliation!

Enduring the pain, an Zhihan was about to stand up, but in the next second, she felt a force straddling her body. Following that, two slaps landed mercilessly on her left and right cheeks!

"This slap, I'm returning it to you!" Shi Nuannuan slapped the next one at the same time and then slapped the second one. "This, I'm returning it to you on behalf of my daddy and Mommy!"

At this moment, an Zhihan was as embarrassed as she could be. Shi Nuannuan didn't even have the strength to slap her back!

Chapter 988, why? Are You Afraid?

The crowd at the side couldn't help but widen their eyes when they saw this scene.

Some of the people who came to stay in this hotel knew an Zhihan. After all, she was the general manager of this hotel.

However, they were too busy eating dinner previously. They didn't know what exactly happened that caused the two to start fighting.

For a moment, the onlookers seemed to have forgotten to call for help. However, when one of the waiters saw their general manager being pressed to the ground and slapped by someone, she was so frightened that she hurriedly put down the tray in her hand and hurriedly turned around to look for the manager!

“Shi Nuannuan, are you crazy! ?”

Being unable to retaliate, an Zhihan could only shout. She wanted to reach out to grab Shi Nuannuan’s collar, but was easily held back by her!

“Am I crazy? Who attacked me first? How did my parents educate me? It’s not up to you to control me!”

“Let go of me!” An Zhihan struggled. It was too embarrassing to be pressed to the ground like this.

She was the daughter of the An family, the general manager of this hotel! How was it proper to be pressed to the ground like this?

“What, are you scared?” Sitting on her, Shi Nuannuan’s lips curled into a smile as she looked at the disheveled an zhihan.

“Security, call security for me!”

Knowing that she would not let go of her so easily, an Zhihan simply shifted her target and asked the waiter to call security.

At this moment, the hotel manager hurriedly ran over. When he saw the general manager being pressed to the ground, his face changed in fright!

One had to know that she was not only the general manager of this hotel, but also the daughter of the An family!

The hotel manager was scared out of his wits. He quickly rushed forward and tried to pull Shi Nuannuan away from an Zhihan.

“Miss, what are you doing?” The manager was anxious. If something happened to miss an, he would be in big trouble?

However, before the manager’s hand could touch Shi Nuannuan, she shot him a sharp look.

“Get lost! ! !”

Her sharp eyes shot out a dangerous cold light. Just one look was enough to make people not dare to take another step forward. Even the manager seemed to be shocked by her boldness.

She was only a woman, but she could actually emit such a boldness that made people fear her. Who Was She?

When the manager met her sharp eyes, he seemed to be frozen in an instant and didn’t dare to act rashly.

“What are you still standing there for? Hurry up and call the police!”

An Zhihan, who was pressed to the ground, couldn’t help but roar when she saw the stunned manager.

The manager came back to his senses and hurriedly took out his phone to call 110.

Shi Nuannuan didn't feel any fear towards this. Call the police? She wasn't afraid even if the entire city's police force was involved!

In an instant, almost everyone in the restaurant came to watch the show, as if they wanted to see who would win this woman's war.

A taxi arrived at the entrance of Phoenix Hotel.

Xiang Yi paid the fare and got out of the car.

As he had promised to meet Nuannuan at the restaurant on the phone, he walked straight towards the restaurant as soon as he entered the hotel.

The moment he entered, he realized that the entire restaurant was in a mess. They were all gathered in one place, as if something had happened.

He frowned slightly. He looked around but could not find Nuannuan, so he walked towards the crowd of onlookers.

"Shi Nuannuan, let go of me!"

As he walked towards the crowd, he heard an Zhihan shouting from inside.

Chapter 989 pretending to be pitiful, an Zhihan's excuse

He was startled, and his brows furrowed. Naturally, he also heard her call out Nuannuan's name.

What was going on?

He stretched out his hand and pulled away the few figures blocking his view. When he looked closer, he saw that an Zhihan was forcefully pressed to the ground by nuannuan. Her cheeks were flushed red, looking as if she had been beaten.

Seeing this scene, Xiang Yi was naturally somewhat shocked. He hurriedly bent down and pulled nuannuan up from an Zhihan's body.

Immediately after, a deep voice sounded, "What are you guys doing?"

Shi Nuannuan was suddenly pulled up by a force. She still intended to resist, but after hearing that familiar voice, she chose to compromise.

She raised her eyes and met that familiar face.

Xiang Yi looked at her, then at an Zhihan on the ground. He didn't understand what had happened.

Seeing this, the manager at the side hurriedly helped an Zhihan up from the ground.

Seeing the man who had come, an Zhihan instantly seemed to have suffered a great grievance. Her eyes were red, and bean-sized tears rolled down. Any man who saw her could not help but feel pity for her.

“Xiang Yi...”

Hearing her choking voice, Xiang Yi turned his gaze and landed on her face, which had a few red fingerprints on it.

They were too far away just now, so he did not see the palm prints on her face clearly. Now that they were so close, the fingerprints were even more glaring.

Xiang Yi frowned slightly. He did not know who gave those finger marks to her. Thinking of the scene where Nuannuan sat on her body, his gaze naturally fell on Nuannuan’s face.

Seeing an Zhihan pretending to be weak, Shi Nuannuan was so disgusted that she wanted to throw up. She could not help but pull out a sneer and looked at an Zhihan coldly.

“What? wasn’t she quite powerful just now? Why is she pretending to be weak so quickly?”

She wasn’t a fool. How could she not see that an Zhihan was deliberately acting pitiful in front of Xiang Yi? She was truly a woman with unfathomable schemes. If this had been in the ancient harem, she probably wouldn’t have survived the first episode and would have been rewarded with ten feet of red?

Unfortunately, she wasn’t the Empress and didn’t have a stick in her hand, so she couldn’t be rewarded with ten feet of red.

When Shi Nuannuan said this, an Zhihan naturally felt uncomfortable in her heart.

However, she was glad that when Xiang Yi came just now, he saw Shi Nuannuan pressing down on him with his own eyes. He should be able to tell that she was the one who was being bullied.

“What’s going on?” Xiang Yi’s long and narrow eyes stared at the person in front of him as he asked.

Shi Nuannuan raised her gaze and met his eyes that were as dark as the night. She could not pretend to be pitiful, and there was no need for that.

“Ji Mei and I came here for dinner, and we happened to see her sitting here as well, so we came over to greet her.” Before Shi Nuannuan could speak, an Zhihan, who was at the side, began to strike first, she said her excuse.

Shi Nuannuan turned her gaze and suddenly wanted to laugh out loud.

She had completely seen what a green tea whore was.

This an Zhihan was really comparable to Tengtang Xi and Jing Xinlei who had bullied her sister-in-law back then!

Alright, she wanted to see how she would tell Xiang Yi.

Xiang Yi’s gaze followed an Zhihan’s sobbing voice and fell on her extremely aggrieved face.

An zhihan continued, “Later on, we started chatting and I told her about our childhood. Then, she seemed a little unhappy and asked Zhimei and I to leave.”

An Zhihan, an Zhihan, with your acting skills, it would be a pity if you didn't become an actress!

Shi Nuannuan looked at her and wondered how she could twist the truth!

Chapter 990 the finger marks on her face

Xiang Yi listened quietly to her explanation, his calm face devoid of any expression.

"Afterwards, Zhimei and I left. I don't know why, but Zhimei was walking behind me when she suddenly threw a juice cup at her and kicked her hamstring. Zhimei was forced to kneel on the glass shards." An Zhihan's eyes were full of tears. She turned her head and pointed at Qiao Zhimei, who was still sitting on the chair waiting for the ambulance to arrive.

Following her line of sight, Qiao Zhimei's knee was indeed dripping with blood. A flesh-colored silk stocking was dyed red by the blood. It looked a little shocking.

Was that really Nuannuan's so-called?

Xiang Yi turned his head and his deep gaze fell on the face of the person in front of him. He saw her pair of beautiful eyes staring straight at an Zhihan.

"Xiang Yi, Zhimei is my best sister. She came specially to see me, and she was injured by her for no reason. I couldn't just stand by and do nothing. I went to find Miss Shi to argue with her, but who knew that she would attack me personally again. In the end, she even pushed me to the ground and slapped me twice..."

As she said this, an Zhihan raised her hand to cover her face that had been slapped. Her tears flowed even more violently, and her pitiful appearance caused the surrounding onlookers to feel extremely distressed and sympathetic, they also cast hostile gazes at Shi Nuannuan.

After all, they did not know the cause and effect. What they saw was indeed the warm air pressing down on an Zhihan's body, and she had even given her two tight slaps!

"Miss an, you used to be an actress, right?" Seeing that she had finally finished speaking, Shi Nuannuan spoke up as well.

An Zhihan raised her eyes. She rarely felt wronged by her accusations. Her gaze turned to Xiang Yi, as if she wanted him to stand up for her.

It would be best if this incident was related to Shi Nuannuan!

Speaking of which, although she had suffered a little, if Xiang Yi broke up because of this, it would be worth it for her to suffer a little.

Xiang Yi pursed his thin lips and frowned slightly when he met her pitiful gaze. He turned to look at Shi Nuannuan.

Shi Nuannuan happened to raise her head to look at him. If Xiang Yi really believed an zhihan, then she had really misjudged him!

“That’s right. I was the one who caused her sisters’ injuries, and I was also the one who slapped them. Do you want to seek justice for them?”

Xiang Yi’s long and narrow eyes stared at her quietly. Suddenly, he noticed that there were a few red marks on her left cheek, but they were blocked by a few strands of hair, which was why he did not notice them just now.

He raised his hand and brushed past a strand of hair on her cheek. Then, his thumb gently rubbed against the few fingerprints on her face. His voice was gentle, but it also seemed to carry a hint of unknown anger.

“How did you do it?”

His reaction surprised Shi Nuannuan.

Feeling the movement and place of his thumb rubbing against her face, it should be that there were finger marks on her face too, right?

So now, he ignored an Zhihan’s words and asked her where the finger marks on her face came from?

Shi Nuannuan immediately felt warm. As expected, her judgment was not wrong.

After hearing an Zhihan’s words, Xiang Yi was indeed shocked. However, he had known nuannuan for a long time. Although he did not really know her, he had gradually gotten to know her over the past few months, he was still very clear about her straightforward character.

Sometimes, she was indeed a little capricious, but she was not an unreasonable person. Even if there were times when they were unhappy because of some things, she would never hit someone for no reason.
