

## Kiss Me Goodnight, Mrs. CEO!

### Chapter 11: Plotted Against!

She picked up her phone and looked at the screen. It was a call from her good friend Xingchen.

“Hello?”

“Weiyi, did you attend the classmate gathering that Shu Yun'er organized last night?” Bei Xingchen sounded anxious through the phone.

Zuo Weiyi was momentarily blank. She nodded, “Yes, why?”

“You idiot! Didn't Shu Yun'er do something to you?”

During university years, everyone knew that Shu Yun'er hated Zuo Weiyi.

It was because the boy whom Shu Yun'er loved secretly had suddenly pursued Zuo Weiyi.

Of course, Zuo Weiyi did not like him. After graduation, they did not keep in touch.

However, Shu Yun'er still treated Zuo Weiyi as her rival in love.

Hearing what her good friend had just said, Zuo Weiyi sank into deep thought.

Last night, although she was drunk, the heat within her did not feel like her usual drunkenness. She clearly remembered it because the moment she touched that man's body, the drive in her became more obvious.

Last night, she was not just drunk!

“Weiyi, you didn't go home last night, did you?” Bei Xingchen asked carefully.

Zuo Weiyi did not want to hide anything from her good friend. She and Bei Xingchen were as close as biological sisters!

“Xingchen, how did you know?”

“So it’s true! You’ve been drugged!” Initially, Bei Xingchen was a little suspicious. She thought that no matter how obtuse Weiyi was, she would not be plotted against by Shu Yuner!

However, it was true!

Zuo Weiyi could make out her astonishment from her tone. She froze. “Drugged?”

“Didn’t you know?”

Zuo Weiyi was dumbfounded, then she understood!

God!

She had really been plotted against by Shu Yuner last night!

What the hell! Was she addicted to bullying her?

Knowing that she had been plotted against, Zuo Weiyi couldn’t sleep the whole night and she tossed and turned.

After one night, her mood was better.

She promised that she would settle the score with Shu Yuner sooner or later!

When she opened her eyes, she heard voices outside her room.

When she listened carefully, she knew it was her bastard father’s voice.

What was he doing here again?

Frowning, Zuo Weiyi got out of bed. She was wearing adorable Doraemon pyjamas.

When he opened the door, she saw a happy Jiang Huaiyuan in the living hall.

“Here, Qing. Take this money and go get yourself and Weiyi some good food and clothing!”

Jiang Huaiyuan sat on the couch, took out thirty thousand dollars from his wallet, and placed it on the coffee table.

Thirty thousand dollars might not be a big amount to Jiang Huaiyuan, but to Zuo Qing, it was a surprise.

Although he would give them a monthly living allowance, the amount was merely three thousand dollars. When had he ever given them so much?

Zuo Qing looked up at Jiang Huaiyuan in surprise. "Didn't you say that your company is facing a crisis? Why are you still giving us so much money?"

Jiang Huaiyuan gave a big grin. When he was about to speak, he heard the room door opening.

He turned around and saw Zuo Weiyi in her pyjamas, walking out of her room.

"Weiyi, you are awake!" He walked over with a smiling face. "Why didn't you tell me you know Mr. Shi? It was my fault for getting angry with you yesterday. Can you please forgive me?"

Zuo Weiyi was stupefied.

What was he talking about?

He was asking her for forgiveness?

## Chapter 12: The Renowned Man In Z City

Today's sun did not rise from the west, did it? Or had he felt a prick of conscience?

What did he just say? Mr. Shi? Which Mr. Shi?

"Weiyi, how do you know Mr. Shi?"

Zuo Weiyi looked up and frowned slightly. "Which Mr. Shi?"

"See, pretending in front of me again? Of course it's Mr. Shi Yuting!"

Shi Yuting?

A frown creased Zuo Weiyi's forehead and the scene in Room 999 flashed across her mind. She remembered people over there called him Mr. Shi?

"What about him?"

Jiang Huaiyuan grinned from ear to ear.

"Early this morning, we got a business deal. It was a fifty million dollar cash investment and it has resolved the company's crisis. When I looked carefully, it was a contract from Di Zun Group. I thought I was dreaming!"

Jiang Huaiyuan had never expected to work with Di Zun one day!

To get Di Zun's contract was something many enterprises dreamt of.

Di Zun Group?

Boom! These few words exploded in Zuo Weiyi's mind.

No matter how oblivious she was, how could she not know Di Zun?

Shi Yuting!

Did she rape Z City's renowned Shi Yuting?!

Goodness!

Zuo Weiyi felt like dying at that moment.

She had messed with this man!

He was known for his decisiveness, sternness, and heartlessness. He was never soft hearted, especially toward women who made every attempt to get close to him.

Oh god, what should she do?

What did it mean when he suddenly offered help towards her father's company? Was this his plot?

Zuo Weiyi looked at Jiang Huaiyuan anxiously. "Are you sure that he's the one who has helped you to pull through?"

"Yes! I was surprised too, but Mr. Shi's personal assistant then told me that Mr. Shi is offering his help because you have done him a favor."

Did him a favor?

Zuo Weiyi frowned. She couldn't remember helping Mr. Shi.

Yesterday, in the private room of the restaurant, he did say she was his woman.

Was this man interested in her?

No, no, who in Z City did not know that Shi Yuting stayed away from women?

Cough! She had even doubted his sexual orientation.

“Weiyi, you—do you really know Mr. Shi?” Zuo Qin, who was standing on one side, walked towards her too.

In contrast to Jiang Huaiyuan’s excitement, she was worried.

She knew that offending Shi Yuting was equivalent to offending the King of Hell!

Zuo Weiyi raised her head. To avoid making her mother worried, she smiled awkwardly. “Yup, I kind of know him.”

Not only did she know him, but she had even raped him!

Just then, Jiang Huaiyuan’s phone rang.

He picked up the phone while looking at the mother and the daughter. Then, he ended the call.

“Alright, I still have some work to do. Take this money and go shopping later. Go and get yourselves something to eat and wear!”

After speaking, Jiang Huaiyuan turned and left.

Staring at the thirty thousand dollars on the coffee table, Zuo Qing picked the money up and called out to Jiang Huaiyuan who was leaving, “Hey, please take the money back.”

Jiang Huaiyuan turned around and looked at her, puzzled. “Why?”

“We have enough money.” Zuo Qing was not a materialistic woman. She did not want this money.

The monthly allowance which she accepted had brought upon his wife’s sarcasm. So, taking money from him had become taboo for her.

### Chapter 13: He Can’t Repay What He Owes You

As if reading her mind, Jiang Huaiyuan shoved the money back to her. “Don’t worry, she doesn’t know I’m giving you this money.”

“It’s not necessary, I...”

Before Zuo Qing could finish her words, the three stacks of money were taken away from her hand!

“It’s time to take this money to buy some new clothes for my mother!” Zuo Weiyi took the money without hesitation and sat on the couch.

To her, this money was unable to compensate the grievances and harm her mother had experienced in her life.

Since it was her relationship with Shi Yuting that helped the Jiangs overcome their difficult period, what was wrong with taking this money?

“Weiyi!”

“Mom! He can’t repay what he owes you, do you understand? Why are you still so tactful?”

“Yes, yes, yes, please bring your mother to buy some good clothes.” Jiang Huaiyuan smiled while chiming in.

Then, he left the condominium.

“Weiyi, you know very well that people will gossip. Why did you still take the money?”

Zuo Weiyi was unimpressed. She stood up and said, “He owes us this, so why don’t we accept it?”

She turned and went back to her room to change into a cool and refreshing summer outfit.

After breakfast, Zuo Weiyi took the thirty thousand dollars to a big shopping mall and did as her father had instructed. She bought two sets of good clothing for Zuo Qing.

“Weiyi, I have enough clothes to wear. You just get some for yourself.” Although her circumstances were not as good as others, Zuo Qing would always think of her daughter and give her the best.

“I have lots of clothes! This set suits you!” Zuo Weiyi took a set of clothes and held it up in front of her mother. Then, she walked to the cashier and said, “I’d like to have these three sets please.”

“Alright, please hold on.” The cashier smiled.

When they were done with clothes, they went to the supermarket to get some fresh vegetables and fruits.

Zuo Weiyi took a look at the money in her purse. There was a balance of ten thousand two hundred dollars.

“Mom, let’s go for a more luxurious meal!”

Dragging her mother along, they walked into a French restaurant next to the shopping mall.

The steak here was delicious but it was costly. The minimum charge was 998 dollars!

Zuo Weiyi wanted to go into the private room but was stopped by Zuo Qing.

So, she chose a corner seat.

They sat down and ordered two sets of steak and a bottle of red wine. Zuo Weiyi was enjoying herself.

Anyway, this money was not Jiang Huaiyuan’s money. It should be Shi Yuting’s money, shouldn’t it?

When she thought of this name, the scene of that night in the hotel flashed through her mind and she blushed.

“What’s happened to you?” Looking at her daughter’s rosy cheeks, she thought it was because the wine was too strong.

Zuo Weiyi raised her head and beamed, “I’m fine, mom. Try this steak, it’s really delicious. I’ve been here once with our manager.”

Previously, she had been here once because of work and the steak was definitely delicious.

Zuo Qing smiled and cut her steak into half. She placed half the piece on Zuo Weiyi’s plate and exclaimed, “Then, you eat more.”

Zuo Weiyi looked at the additional piece of steak in her plate and smiled like a child. “It’s ok, Mom, I’m on a diet and can’t eat too much!”

She placed the piece of steak back onto her mother’s plate.

Both of them only had three thousand dollars in living allowance every month and it was insufficient to even survive in this big city, not to mention eating luxurious steak and dining at luxurious restaurants like this.

“You’re so thin, yet you’re still on a diet?” Zuo Qing frowned with a pang of heartache.

## Chapter 14: Meeting the Jiang Family's Mother and Daughter!

In a mother's eyes, she would never think of her child as fat. She wished she could eat more and be healthy.

Zuo Weiyi was indeed not fat. With a height of 168cm, she was only 47kg!

"I'm a girl, of course I don't want to be fat!" Zuo Weiyi pouted and acted like a spoiled child.

In reality, she knew very well that her mother only wanted her to eat more.

"Why, is this not enough? Do you want me to order more for you?"

Just as they were having their meals warmly together, a woman's sarcastic tone rang out beside them.

They turned and saw two women walking toward them.

Zuo Qing and Zuo Weiyi were not unfamiliar with the women who were approaching them. These two women were Jiang Huaiyuan's wife, Qiu Yun, and her daughter, Jiang Tingmei!

The woman who spoke was Qiu Yun.

"Mom, aren't poor people like this? They have to share a piece of steak." Jiang Tingmei said sarcastically and looked at Zuo Weiyi and Zuo Qing from above with her hands crossed.

"That's right, she is so poor that she doesn't have a life and has to seduce other people's husband!"

Hearing the mother and daughter's sarcasm, Zuo Weiyi clenched the cutlery in her hands and stood up. She looked at Jiang Tingmei and smiled, her eyes curving into a nice crescent. "Are you so blind that you're seeing two steaks as one?"

"You, what did you say?" Jiang Tingmei stifled as she had never thought that Zuo Weiyi would irritate her in public.

"I asked you if you are blind, or why else would you see two steaks as one?"

"You!" Jiang Tingmei was so angry that she could not even utter a single word. She raised her hand and tried to slap Zuo Weiyi.

Zuo Weiyi knew Jiang Tingmei's arrogance and domineering personality very well. She had expected this and so, caught hold of her hand before she could slap her. "Oh dear, has Miss Jiang been put to shame and gotten angry?"

Jiang Tingmei's whole body was trembling from anger and her appearance turned ghastly pale. She pulled her hand back and shifted her vision to the bottle of red wine on the table.

Then, she sneered and took the red wine and splashed it on Zuo Qing's face!

Zuo Qing was focusing on her daughter and couldn't ward off the sudden splashing of wine onto her. She was unkempt and her entire face was covered in wine!

Jiang Tingmei was pleased with herself. She put the wine glass down and the corner of her lips curled.

Zuo Weiyi had not expected Jiang Tingmei to use her mother as a target to vent her anger. Looking at her mother's unkempt self, she clenched her fists.

When she was about to react, Zuo Qing stopped her. "Weiyi, I'm fine, I'm really fine..."

She held on to her daughter as she knew her daughter had bad temper and was afraid that she would get into a fight with the Jiang family's mother and daughter.

Looking at her enduring face, Qiu Yun laughed coldly.

"Zuo Qing, good that you are still sensible."

Zuo Qing lowered her head. In front of Qiu Yun, she would always swallow all insults and humiliation silently.

"Tingmei, let's go." She shot a glance at Zuo Qing and then left with Jiang Tingmei.

Looking at her mother's unkempt self, Zuo Weiyi held onto her cutlery very tight. Her knuckles turned white as she clenched too tightly and her beautiful black eyes were slowly tinged with anger!

Then, she grabbed the glass of red wine on the table and dashed toward the mother and the daughter. She pulled Qiu Yun from the back.

Qiu Yun turned around and was met head-on with cold liquid on her face. At that moment, she widened her eyes, shocked.

The dark red wine flowed down her face and onto her high-class suit. Her unkempt appearance was equivalent to Zuo Qing's!

## Chapter 15: Bullied

For a moment, Qiu Yun couldn't respond until she saw Zuo Weiyi's cold face in front of her.

Jiang Tingmei, who was standing beside, saw that her mother was splashed with wine and in a split second, she was dumbstruck and couldn't believe what just happened!

"Little b\*tch, how dare you splash me with that wine?" Qiu Yun regained her senses and her face was contorted with anger!

Zuo Weiyin gave out a cold laugh. "Thanks to your daughter!"

"You!" Qiu Yun gnashed her teeth in anger. She raised her hand and was about to slap Zuo Weiyi.

Zuo Qing was observing the scene from the back. She rushed to pull Zuo Weiyi behind her and the violent slap fell on her fair cheek.

Immediately, the five red finger marks showed on her cheeks, creating a painful sight.

Zuo Weiyi did not expect her mom to rush to her rescue. Looking at the marks on her mother's cheek, her anger flared up. She clenched her fists, then turned around and slapped Qiu Yun!

After being splashed at and slapped by Zuo Weiyi, Qiu Yun was shocked and furious!

She was the president's wife and she was slapped by her husband's mistress and illegitimate child?

"Zuo Weiyi, are you crazy? You dare slap my mom?" Jiang Tingmei was filled with righteous indignation while she looked at Zuo Wei Yi in disbelief.

"Why? Are you the only ones who can slap others?" Zuo Weiyi gibed.

She knew very well that it was because of their different status.

All this time, her mother had always swallowed humiliation when it came to Qiu Yun, hoping to make peace with her.

However, every time they met Qiu Yun and Jiang Tingmei, they would have a hard time!

At this point, Qiu Yun was boiling with fury!

She had never been bullied in her 40 years of life and this time it was done in public!

Looking at the dripping wine on her body, Qiu Yun raised her head and stared at Zuo Qing who was as unkempt as she was.

“Zuo Qing, is your life too peaceful?”

Zuo Qing looked up. A woman who held herself aloof from the world only wanted to live a peaceful life with her daughter.

“I’m sorry, Mrs. Jiang. I apologize on my daughter’s behalf!” Zuo Qing kept bowing and apologizing to Qiu Yun.

The reason she feared Qiu Yun was because Qiu Yun had used Zuo Weiyi’s life and reputation to threaten her.

If she dared fight her, she would announce to the world that Zuo Weiyi was an illegitimate child.

She had carried the accusation of being someone’s mistress for twenty-one years. How could she bear to have her daughter live a life of being treated coldly and cursed by others?

“Mom!” Zuo Weiyi’s heart ached when she saw her mother accommodating to Qiu Yun.

She knew very well that her mother was protecting her.

“I’m sorry, Mrs. Jiang. Please do not lower yourself to my daughter’s level...”

“Mom!” Looking at her mother who kept apologizing, Zuo Weiyi hated her incapability. She couldn’t even protect her mother.

If only she could be stronger, would they still bully her mother?

“Weiyi, stop, say no more...I’m fine. You...”

Slap!

Before Zuo Qing could finish her sentence, a hand whipped across her cheeks and at once, she could feel a burning sting across her cheek.

Zuo Weiyi boiled with rage as she watched her mother being slapped again. She raised her hand and wanted to fight Qiu Yun.

Just as she raised her hand, Zuo Qing stopped her.

“Weiyi, please listen to me!” Zuo Qing rarely got mad.

## Chapter 16: The Voice Of The People

She knew her daughter’s strong temperament. If they were to continue like this, this fight would never end.

However, her deterrence gave Qiu Yun another opportunity to bully her.

She took the opportunity to rush to the front and pull on Zuo Qing’s hair, which had been coiled up into a bun.

In no time, Zuo Qing’s hair unfurled and she couldn’t move as her hair was held tightly by Qiu Yun. The scene turned chaotic that instant.

That moment, the noise of tussle drew the attention of all.

“Why are they fighting…”

“What’s happening…”

Several customers started whispering to one another.

“Madam, take it easy, please don’t fight. This is a public area.”

The waiter called for the restaurant manager after hearing the commotion.

With mediators around them, Qiu Yun took the opportunity to raise her head and look at the people around them.

“Take it easy? This woman seduced my husband and even brought this b\*stard here to bully me. Should I endure it?”

People around couldn’t help but sigh.

Although the scene was chaotic, Qiu Yun’s unkempt self did look as if she had been bullied.

In a realistic society, no matter how good your reasoning was, as long as you were someone's mistress, your reason could turn into irrationality. In the eyes of the public, you would be a sinner and would be unforgiven.

"My goodness, it's another incident of mistresses..."

"That's right. Can't you live your own life? Why must you spoil another person's family? And now, you're even bullying the legal wife. This kind of woman must be taught a lesson..."

Among these people, some took no pity on Zuo Qing. Instead, they looked down upon her.

Of course, there were some who looked at the overbearing Qiu Yun and half-doubted what she said.

However, all mistresses behave obsequiously when they meet the legal wives.

When this thought arose, the pity they took on Zuo Qing disappeared instantly.

"My mom is not...she is not!" The gesticulation and gossip of the people around made Zuo Weiyi extremely angry!

Nobody knew that her mother was the real victim!

"No? Do you dare say that you are not my husband's illegitimate daughter? Do you dare say your mother is not my husband's mistress?" The bossy Qiu Yun tugged at Zuo Qing's hair tightly with all her might and did not want to let go.

"Let go, let go of my mom!" Zuo Weiyi's rage had reached its limit!

Why must they live a life of grievances like this?

The next second, she raised her leg and swung a kick onto Qiu Yun's abdomen.

Qiu Yun felt an intense pain in her abdomen. Her brows tightened and she let loose of her hand which was pulling on Zuo Qing's hair. She fell to the ground and groaned in pain.

"Mom! What's happened to you?" Jiang Tingmei squatted down when she saw her mother on the ground, unable to get up. Qiu Yun's forehead was covered in cold sweat and her face turned pale from the pain.

"Mom...are you alright?" Looking at her mother, Zuo Weiyi checked her scalp and discovered some blood stains on her scalp. At that moment, tears filled her eyes.

"I'm fine..." Zuo Qing shook her head but in reality, she was in pain and creases built up between her brows.

She turned around and when she saw Qiu Yun on the ground, groaning in pain, she knew that her daughter had gotten herself in trouble.

"Mr. Shi?"

Not far away, two figures who had just finished their meals walked toward the hall. Shi Yuting's attention had been attracted by Zuo Weiyi, who was surrounded by many.

## Chapter 17: Wait to Be Imprisoned

Xiangyi, who was standing beside Shi Yuting, was slightly stunned when he noticed his big boss stop all of a sudden.

Usually, scenes like this would not attract his attention and he would not stop to look.

Looking at the figure not far from him, Shi Yuting narrowed his eyes.

Zuo Weiyi?

"Let's go and take a look at what's happening over there," his low voice sounded.

Beside him, Xiangyi was stupefied.

Mr. Shi wanted him to find out about an unimportant incident?

Weird, what was happening to their big boss today?

Read more chapter on [vipnovel.com](http://vipnovel.com)

Although Xiangyi was filled with doubts, Mr. Shi's order was an imperial edict which he had to obey!

"Yes." Xiangyi nodded respectfully and walk toward the crowd.

After careful enquiries, Xiangyi returned.

He reported to Shi Yuting respectfully, "Mr. Shi, it's a fight between the legal wife and the mistress."

Shi Yuting furrowed his brows slightly and his vision was still on Zuo Weiyi's face.

Although they were a distance away and there was a crowd between them, he could still see her helpless eyes.

“Mistress?”

“Yes!” Xiangyi looked at the man in front of him with a puzzled look.

Since when did Mr. Shi take an interest in such things?

So, that girl, Zuo Weiyi, was really Jiang Huaiyuan’s illegitimate daughter?

“Zuo Weiyi, you’d better pray that my mother is alright, or you can wait to be imprisoned for the rest of your life!”

Jiang Tingmei took out her mobile phone to call the police while roaring at Zuo Weiyi furiously. She then dialed 120 for the ambulance.

After a dozen minutes, the ambulance arrived. Looking at Qiu Yun being carried away, Zuo Qing was filled with worries.

Zuo Weiyi was not afraid but rather calm after hearing what Jiang Tingmei had said.

When they returned home, she washed her mother’s hair and nursed her wound.

“Mom, please bear with the pain.” Looking at the handful of her mother’s hair that had been pulled off, Zuo Weiyi’s heart ached.

On the other hand, Zuo Qing was uncomfortable.

Jiang Tingmei’s words had left her feeling uneasy!

“I’ll go and look for your father!” She got up and turned around toward the door.

Zuo Qing knew that with Qiu Yun’s character, she might just announce today’s incident to the world without a care for Jiang Huaiyuan’s qualms and even put Weiyi in prison.

Weiyi was only twenty-one years old and she was a girl. If she went to prison and if there was a chance for her to be released from prison, there would still be a smirch which could never be removed.

She would definitely prevent this from happening!

So, she stood up and was about to dash toward the door.

Zuo Weiyi couldn't help but chide, "Mom! Don't beg him! He raped you twenty years ago! Why do you still want to beg this kind of man? I'd rather go to prison than to beg him for help!"

That moment, Zuo Weiyi hated Jiang Huaiyuan!

What happened to her and her mother today was all because of him!

Looking at her eyes which were filled with pain and sorrow, Zuo Qing's tears rolled down her cheeks. "I'm not willing to see you in prison. I just want you to live a good life. You're a girl. You definitely cannot go to prison, do you understand?"

Zuo Weiyi closed her eyes and helpless tears rolled down uncontrollably.

She was not afraid to go to prison. Her only worry was that if she were to go to prison, then that mother and daughter pair would unscrupulously bully her mother.

"Don't worry. Even if I have to risk my life, I'll make sure you are safe."

Then, she turned and left.

Zuo Weiyi managed to stop her in time and she calmed down.

## Chapter 18: Get On Your Knees and Beg

"Mom, don't think too much. I didn't kick Qiu Yun very hard. It's not easy for them to sue me!"

Zuo Qing halted. She half-believed her words, "Really?"

Zuo Weiyi forced a laugh and nodded. "Yes."

She didn't believe that just a kick would land her in prison?

Zuo Qing looked at her, still worried.

"Alright, don't move, I'll nurse your wound." She dragged her mother to the couch and carefully cleaned her wounds.

Zuo Qing felt uneasy the whole afternoon and kept pacing in the living hall.

"Mom, it's getting dark, don't you want to prepare dinner?" Looking at her worried

mother, Zuo Weiyi reminded her, but her actual intention was to distract her from thinking about the incident with Qiu Yun.

Upon hearing this, Zuo Qing noticed that it was really getting dark.

“Oh, I’ve forgotten. I’ll go and prepare dinner now.” She walked into the kitchen absent-mindedly.

After 40 minutes, dinner was done.

Zuo Weiyi sat at the table. As compared to Zuo Qing, she was relatively calm. She was not worried about what Jiang Tingmei had said at all.

On the table were still her favorite dishes.

She picked up the chopsticks and tasted a mouthful of tomato and egg stir-fry. On the first bite, she stopped.

“Mom, did you forget to add salt?”

Zuo Qing was stunned. She took a mouthful of tomato and egg stir-fry and indeed she had forgotten to add salt.

“Yup, I did not add salt. I’ve forgotten.” Zuo Qing took the plate of tomato and egg stir-fry and walked toward the kitchen.

Looking at her mother from the back, Zuo Weiyi pursed her lips and her expression was dull.

If only she had a strong family background, no one would bully her and her mother.

\*\*\*

After one week, what Zuo Qing had been worrying about did not happen. She finally felt at ease.

However, just when she thought things had been patched up, Qiu Yun and her daughter appeared again.

That morning, after breakfast, Zuo Weiyi went to the office. Zuo Qing locked the door and was about to go out to buy some vegetables.

When she walked to the entrance of the condominium, Qiu Yun and Jiang Tingmei appeared in front of her all of a sudden.

The sight of them stunned Zuo Qing and she felt uneasy.

“Mrs. Jiang...”

Qiu Yun was silent. All she did was stare at Zuo Qing.

After a while, Jiang Tingmei took out a piece of paper and held it up in front of Zuo Qing.

“Look.”

On top of the paper were some big words and they stunned Zuo Qing.

Injury identification report?

She scrolled down and her eyes stopped at the identification result column. It stated ‘severe injury’.

Zuo Qing turned pale.

Jiang Tingmei kept the report and smirked. She was pleased with herself. “Tell Zuo Weiyi that she will spend the rest of her life in prison!”

After saying those words, the mother and daughter turned around and was about to leave.

Zuo Qing was stunned for a while and then regained her senses. She tugged on Qiu Yun’s sleeve and called out, “Mrs. Jiang!”

Qiu Yun turned around and looked at the hand which had fallen on her clothes.

When Zuo Qing’s gaze met hers, Zuo Qing let loose of her clothes and pleaded, “Mrs. Jiang, I beg you, please spare my daughter.”

Qiu Yun laughed coldly. “Spare her? Sure, kneel down and beg me.”

Zuo Qing looked up and saw Qiu Yun’s heartless expression.

She immediately put the vegetable basket down and knelt down in front of Qiu Yun.

“Please, I beg you, please spare my daughter.”

Qiu Yun curved her lips. She bent her body and stared at Zuo Qing. “Keep dreaming!”

Chapter 19: Qiu Yun’s Threat I

Qiu Yun held up her chin proudly and grinned complacently. She then turned and left with Jiang Tingmei.

“Mrs. Jiang! Please spare my daughter. The person you hate is me. If you spare Weiyi, I will do anything for you. Please, I beg you!”

Upon hearing this, Qiu Yun, who was about to leave, turned around and looked at Zuo Qing.

“You’ll do whatever I ask you to?”

Zuo Qing nodded her head and she teared up uncontrollably. “Yes, anything, if you would spare my daughter.”

“Mom, it’s hot! Don’t bother with this woman. Let’s go!” Under the hot sun, Jiang Tingmei blocked the sun with her hand and snapped irritably.

Qiu Yun raised her head. She took a quick look at the sun in the sky and lowered her eyes to look at Zuo Qing, who was still kneeling. “Alright then, go and kneel down in front of the Jiang Group office. Kneel until the sun goes down and if you don’t faint, I’ll spare your daughter.”

Zuo Qing raised her head and looked at Qiu Yun and her daughter in shock.

In front of the Jiang Group office?

She was not afraid of the scorching sun. She was only afraid that Qiu Yun would not keep her promise.

“Really?”

“Of course. If you don’t get up and don’t faint, I’ll spare Zuo Weiyi.”

Zuo Qing looked up at her. “Alright, I’ll do it!”

“Besides that, I’ll hang something on you.” Qiu Yun laughed, turned, and left.

Jiang Tingmei was reluctant, “Mom! Do you plan to just spare Zuo Weiyi like this?”

Qiu Yun laughed complacently, “What do you think?”

Seeing her mother’s smile, Jiang Tingmei suddenly understood and smiled too.

\*\*\*

Zuo Weiyi worked as a planner at an advertising company. She was extremely busy in the morning but her phone kept ringing at that moment.

Initially, she did not bother to answer but the person who called her was persistent and kept calling her.

She had no choice but to pick up that call. She realized that they were a string of unfamiliar numbers.

“Hello, who’s that speaking?”

“It’s me.” A deep, magnetic male voice sounded on the other end.

Zuo Weiyi was taken aback. She was unfamiliar with the man’s voice over the phone.

However, that voice was really nice!

“Who are you?” Zuo Weiyi asked grumpily. She was really busy at that moment!

“Shi Yuting.”

Zuo Weiyi was speechless.

Shi Yuting?

Her mind was turning fast and she regained her senses. She gulped!

Shi Yuting?

Why did he call her?

How did he get her phone number?

Goodness, was he about to punish her?

She gulped and voiced out carefully, “Anything?”

“Be my woman.” His words were short and direct with an irresistible force.

Zuo Weiyi was stunned and blurted out, “Crazy!” followed by a slam, ending the call!

Immediately after ending the call, she regretted it. How she wished she could slap her own mouth.

Was she an idiot to call Shi Yuting crazy?

At the back seat of a Rolls-Royce, Shi Yuting stared at the phone in his hand coldly.

This d\*mn woman! How could she call him crazy?

This was the first time in his twenty-nine years of life that he had been scolded by someone in the face!

Was she tired of living?

Xiangyi, who was sitting in the front seat, saw Shi Yuting's anger through the rear-view mirror.

## Chapter 20: Qiu Yun's Threat II

He wondered who made their big boss angry. That person was such a daredevil!

Zuo Weiyi raised her head and stole a look at the phone. Although she regretted what she did, her busy work schedule did not allow her to think too much. She lowered her head and continued working.

Since she had scolded him, so be it.

She lowered her head and continued working on her proposal.

However, the phone rang again!

Along with the sound of vibration of her phone, Zuo Weiyi's heart thumped fiercely.

It couldn't be Shi Yuting calling her to settle the score with her, could it?

She gulped again. Zuo Weiyi carefully shifted her gaze to her phone and saw the name on the phone display. It was her good friend, Xingchen, who had called.

She let out a sigh of relief. That was scary!

She answered the call. When she knew that it was her friend calling, her nervousness died down.

"Hello dear, I'm really busy. Can I call you later?" She placed her phone between her shoulder and her head. While talking to Bei Xingchen, her hands were still busy working.

However, Bei Xingchen sounded anxious.

“Weiyi! You must come to the Jiang Group office immediately to have a look. Aunty...Aunty is kneeling in front of Jiang Group and on her body...”

Bei Xingchen worked at Jiang Group. It was lunch time and when she walked out, about to get herself a cup of coffee, she accidentally saw Zuo Qing kneeling in front of the Jiang Group office.

She tried to pull Zuo Qing up but Zuo Qing refused.

When Xingchen saw the sign hanging on her body, she was even more stunned.

“My mom is kneeling in front of the Jiang Group office?” Zuo Weiyi stopped her work and asked Bei Xingchen. She was shocked.

“Yes, come quickly!”

Zuo Weiyi ended the call and dashed out of her office!

In front of the Jiang Group office, Bei Xingchen tried pulling Zuo Qing up but no matter how hard she tried, Zuo Qing refused to stand up and was not willing to tell Xingchen the reason she was kneeling there.

Bei Xingchen was shocked looking at the sign hanging down her chest.

“Hey, quick, look at that woman. She seduced the chairman of Jiang Group...”

“I saw. It’s unbelievable. She’s not young anymore but she’s still seducing someone else’s husband. Does she think she’s still young?”

The pedestrians walked past and every single person stopped to talk about the matter.

Many of them ridiculed Zuo Qing when they saw the sign hanging down her chest.

“Aunty, please get up!” Bei Xingchen pulled Zuo Qing up but she didn’t want to get up although she was under the hot sun and sweating all over.

If this went on, her frail body might not be able to withstand it.

Xingchen did not understand why Zuo Qing was kneeling there with a sign on her.

Zuo Qing knelt on the ground with her eyes closed and let passersby gesticulate at and ridicule her.

Luckily, Zuo Weiyi's office was not far from Jiang Group's. In less than ten minutes, she arrived.

When she walked past the crowd and saw her mother kneeling down with the sign on her, she was completely shocked.

On the sign was, 'Mrs. Jiang, I did you wrong. I shouldn't have seduced your husband. I, Zuo Qing, am an outcast and a mistress...'

Her black eyes swept across every word on the sign and Zuo Weiyi froze. She tightened her hands until her nails dug into her flesh and bled. However, she couldn't feel any pain but instead, what filled her was anger and hatred toward Qiu Yun!

### Chapter 21: Qiu Yun's Threat III

She squeezed herself through the crowd and pulled her mother up. "Mom, please get up!"

Seeing her daughter, Zuo Qing shook her head and pushed her daughter's hand on her arm away. "Weiyi, don't bother about me. I cannot get up..."

If she were to get up now, her daughter's entire life would be doomed!

"Mom, I beg you, please get up!" Zuo Weiyi had fallen helpless to the vile ridicule her mom was getting. Tears flooded in her eyes but she held them back.

"Mom...I beg you, please get up, alright?" She knew that what her mother was doing was to protect her.

Her mother had suffered a lifetime of humiliation and for the sake of protecting her, she had brought disgrace and shame upon herself.

"Weiyi, I can lose everything else but I cannot lose you. Do you understand?" No matter how Zuo Weiyi and Bei Xingchen pulled her, Zuo Qing kept her knees on the ground and wouldn't budge.

This went on until lunch time. When many of the Jiang Group employees went out for lunch, some stopped to watch the scene.

However, it was noon and the scorching sun was directly above everyone's head. Many simply stole a glance and moved on to avoid the sun.

Zuo Qing's clothes were drenched in sweat.

"Mom, I beg you, please get up, will you?" Zuo Weiyi couldn't control her tears and she tried desperately to pull her mother up from the ground.

Zuo Qing looked up and not far from her, Qiu Yun and Jiang Tingmei were sitting in the car, watching.

"Weiyi, don't bother about me. Go back to work. Quickly, go!" she snapped. She wished her daughter would leave this place. Let her suffer and take on everything, including losing her reputation.

"So you don't want to get up? Alright, I'll go to the police station to turn myself in now!" Zuo Weiyi turned and was about to leave.

"How dare you!" Zuo Qing roared and instantly, Zuo Weiyi stopped. "If you dare go to the police station, I'll die here..."

Zuo Weiyi turned around. She was almost drowned in helplessness and hopelessness!

Why was she unable to protect her mother? Why? Why?

Bei Xingchen was clueless as to what had happened. One was kneeling and refusing to get up, while the other wanted to turn herself in to the police. Had Zuo Weiyi committed a crime?

However, looking at the sign on Auntie's body, it didn't look like it.

Could it be that Qiu Yun and her daughter were threatening them?

"Mom...tell me, what should I do..." Helpless tears gushed down from her face. Zuo Weiyi knelt down in front of Zuo Qing and hugged her. She couldn't do anything and all she could do was to block the sign with her body to reduce the humiliation her mother had been getting.

Just then, a familiar figure appeared among the crowd.

The helpless Zuo Weiyi looked up and when she saw Jiang Huaiyuan who suddenly appeared, it was as if she was seeing hope.

She hoped that in that instant, Jiang Huaiyuan would stand up to defend her mother.

After all, it had been more than twenty years. He had been the one to rape her mother, not her mother seducing him!

However, in the next second, Zuo Weiyi turned completely pale.

Jiang Huaiyuan took a quick look at them and with a solemn look, he turned and left. It was as if he was avoiding them like how one avoided a jinx.

## Chapter 22: Hatred Takes Away Rationality. I'll Kill You!

Zuo Weiyi stood up and shouted, "Jiang Huaiyuan!"

Being shouted at, Jiang Huaiyuan stopped and turned around to look at them.

At that moment, he had mixed feelings.

If he came forward, he would make the headlines of Z City and his company, which had just overcome its crisis, would definitely get into trouble. He did not dare to take this risk.

For the sake of his and the Jiang family's reputation, he could only acknowledge Zuo Qing and Zuo Weiyi secretly and had hidden the truth in front of others for the past twenty-one years.

"Do you plan to leave just like this?" Zuo Weiyi stood up. Her helpless eyes were stained with a hint of pain.

With her father's heartlessness and the humiliation her mother was experiencing, Zuo Weiyi felt a throbbing pain in her heart, just like being cut by a knife.

"I—I don't understand what you mean." Jiang Huaiyuan lowered his head and tried to avoid meeting her eyes. He turned and walk towards a sedan.

Looking at his direction, Zuo Weiyi saw Qiu Yun and her daughter in the car. When she saw the family of three sitting in the car, Zuo Weiyi felt that her life and her mother's life were a joke!

Her fingers curled and her nails dug into her flesh. Blood dripped onto the ground drop by drop, but she couldn't feel the pain.

Her dark eyes were stained red with anger!

She walked step-by-step towards the black sedan.

Qiu Yun, who was sitting in the car, was shocked to see Zuo Weiyi walking toward them.

Especially when she saw that Zuo Weiyi's eyes were filled with rage and a thirst to kill.

That was the first time she had come across this look of hers but Qiu Yun was not afraid. She watched calmly as Zuo Weiyi approached her car.

Zuo Weiyi's pace quickened. Her red, furious eyes stared at Jiang Huaiyuan and Qiu Yun.

"I'll kill you!"

When she got near the black sedan, Zuo Weiyi opened the car door and pulled Qiu Yun down from the car. She dragged Qiu Yun towards the middle of the road.

She wanted Qiu Yun to go to hell!

Qiu Yun, who was being dragged from the car, could not stand steadily and was dragged further by Zuo Weiyi to the middle of the busy road. She was pale with fear.

"Someone please help!"

Zuo Weiyi was extremely quick and did not give her an opportunity to stand up.

Not far away, a Rolls-Royce was coming their way. Zuo Weiyi dragged Qiu Yun without hesitation and dashed towards the middle of the road.

That moment, hatred had taken away her rationality and all she wanted to do was to kill Qiu Yun personally!

Screech! A sharp sound of a car break was heard. If not for Xiangyi's alertness, a terrible accident could have happened.

At the back seat, Shi Yuting's face was extremely dark due to the sudden braking of the car.

Shi Yuting, who was not in a good mood, looked up and his sharp coldness pierced through Xiangyi, who was driving.

Through the rear-view mirror, Xiangyi met his bitter cold eyes with innocence.

He looked out of the window, trying to see the culprit who had dashed out to the middle of the road so suddenly.

He saw a woman holding on to another woman in front of their car.

As Zuo Weiyi was standing, Shi Yuting could see her from the back seat. He raised his eyebrows and narrowed his eyes.

## Chapter 23: Zuo Weiyi's Hatred!

What was this woman doing?

Looking at the woman in front of them, Xiangyi was stunned. He honked, signaling for her to make way.

"Someone please help!" Qiu Yun, who had been dragged to the middle of the road, saw the Rolls-Royce approaching at top speed. Her face turned pale and she hurriedly tried to stand up and escape.

However, Zuo Weiyi had no plans to let her go. She pulled her back and was about to drag her to the opposite side of the road.

"Weiyi!"

At that moment, Zuo Qing rushed towards them. Looking at her daughter in the midst of the traffic, she was panicky!

She grasped at her. "Weiyi, what are you doing?"

"I want to kill her. I want to kill this woman!" Zuo Weiyi seized Qiu Yun's clothes. Her beautiful eyes were filled with fury. How she wished she could tear Qiu Yun into pieces!

She roared with all her might and desperately trying to drag Qiu Yun to the middle of the road. Her rationality had been swallowed by her fury!

"Mom!"

"Qiu Yun!"

Jiang Huaiyuan and Jiang Tingmei rushed over and tried to grab Qiu Yun from her grasp.

"Zuo Weiyi! Let go of my mom!" Jiang Tingmei stretched her hands out, desperately trying to force apart Zuo Weiyi's hands, which were gripping her mother's clothes.

"Weiyi, what are you doing? Let go of Auntie Qiu!" Jiang Huaiyuan was nervous and he tried forcing Zuo Weiyi's hands apart too.

Him defending Qiu Yun and his anxious look were enough to prove his care for Qiu Yun.

On the other hand, when it came to her mother, he was heartless. He tried to stay away from them and turned a blind eye on her mother. At this thought, Zuo Weiyi's black eyes slowly stained red and hatred spread throughout her body!

"Zuo Weiyi, let go of my mom quickly!" Jiang Tingmei was angry and kept yanking Zuo Weiyi's hand. Her long nails deliberately dug into the back of Zuo Weiyi's hands and out came fresh blood.

However, Zuo Weiyi did not feel the pain. She was focusing on dragging Qiu Yun to the middle of the road and dying together with her!

However, fighting alone in the battle, she could not compare to Jiang Huaiyuan and Jiang Tingmei's strengths. When they put forth their strength to save Qiu Yun, their force sent Zuo Weiyi flying to the middle of the road...

"Weiyi!" Bei Xingchen saw that frightening scene and she turned pale.

Not far away, a sedan was approaching fast!

Following Bei Xingchen's scream, Zuo Qing turned around and saw that her daughter had been pushed to the middle of the road. Anxiousness enveloped her and without second thought, she dashed over and pushed Zuo Weiyi to the opposite side of the road!

Screech!

The sound of sudden braking was heard. Zuo Weiyi fell to the side of the road. Her arms rubbed against the ground and her sleeves were torn. There were blood stains here and there.

She was stunned. She raised her head and saw her mother's body thrown tens of meters away by the sedan.

The unexpected accident brought about widened eyes and exclamations by many.

Jiang Huaiyuan sensed that someone had been sent flying and he raised his head. When he saw that Zuo Qing had been hit by the car, he turned pale.

"Mom!!!" It was only after a good while that Zuo Weiyi regained her senses and let out a cry of grievance!

She ran over but Zuo Qing was on her last breath, lying in the pool of blood...

## Chapter 24: Bystanders Who Looked On Coldly

The sight of her mother lying in the pool of blood sent shivers down Zuo Weiyi's spine. She stretched out her hands and tried to carry her mother but she didn't know what to do.

"Mom..."

She felt an ache in her heart as if being pierced through by thousands of arrows, so painful that she couldn't breathe!

Bei Xingchen dashed toward her good friend, Zuo Weiyi, who was kneeling by the road. When she saw Zuo Qing covered in blood, she turned pale.

"Aunty..."

"Mom...don't scare me...ambulance, quickly call for an ambulance!" Zuo Weiyi's tears dropped like rain fall. She could sense her mother's breath becoming weaker.

Bei Xingchen regained her senses when she heard Zuo Weiyi. She tried to search for her mobile phone but discovered that her mobile phone was not with her.

She squatted down and tried to find Zuo Weiyi's phone but after searching up and down, she couldn't find her phone as well!

Zuo Weiyi's phone had been thrown out of her pocket following all the pushing and falling and had been crushed to pieces by the moving vehicles.

"Weiyi, where's your mobile phone?" Bei Xingchen cried too and didn't know what to do!

Zuo Weiyi shook her head. She didn't know where her mobile phone had gone. "I don't know...I don't know...please call for an ambulance quickly!"

She cried sadly and was at a loss!

Feeling helpless, Bei Xingchen stood up and asked the surrounding crowd for help.

"Can someone call for an ambulance, please!" She looked at the surrounding crowd anxiously. She thought they would help but unexpectedly, each of them just looked on coldly as a bystander.

Looking at Zuo Qing in the pool of blood, some sighed but were not willing to take out their phones to call for an ambulance. They felt women like Zuo Qing who ruined the families of others and seduced someone else's husband deserved her punishment.

Women like this should get their retribution!

Looking at the bystanders, Bei Xingchen clenched her fists angrily!

Where were the conscience of these people?

Just then, Jiang Huaiyuan ran over and upon seeing Zuo Qing in the pool of blood, he was so stunned he couldn't say a single word.

More than twenty years ago, Zuo Qing was a beautiful lady who had stolen many men's hearts. He was attracted to her too, although he had a wife. One day after working overtime, he couldn't control the possessive instinct in him and so, he forced her into having sex in the office.

Never had he expected her to be pregnant with Weiyi after that incident.

She had planned to leave the city but had one day met him by chance.

Jiang Huaiyuan couldn't forget her scent and when he knew that she was pregnant, he sweet-talked her into being his secret lover.

At that moment, Jiang Huaiyuan's heart thumped when he saw her covered in blood.

Unconsciously, he took out his phone but was stopped by Jiang Tingmei.

"Dad, are you kidding? Are you thinking of saving your mistress in front of everyone?"

Jiang Huaiyuan was taken aback. He turned to look at his daughter.

"Mom is injured too. We have to send her to the hospital!" Without waiting for Jiang Huaiyuan to regain his senses, Jiang Tingmei dragged him toward Qiu Yun.

Zuo Weiyi clenched her fists tightly when she saw her indifferent father leaving the scene. A great tremor overtook her and her black eyes turned red with anger!

Streams of painful tears ran down her face. Among the passersby, not a single person was willing to offer help.

She held her mother in her embrace. With her head lowered, she allowed her tears to wet her face. Was there no place in this world for her mother and her?

Chapter 25: Please Help Me

With all her might, she lifted her mother up. Dragging her tired body, she walked toward the hospital step-by-step.

The road was congested due to the accident.

However, it was after only a few steps when a pair of delicate leather shoes appeared right in front of her.

She looked up and saw that perfect handsome face as if it was carved by God!

The man's face was cold without even a bit of warmth and he stood there looking at the woman in front of him.

The sudden sight of Shi Yuting made Zuo Weiyi stop. Her face was drenched with tears.

There was an inner voice within her as if urging her. She looked at the man in front of her and with a choking voice, she pleaded, "Please help me..."

Looking at the tears on her face, Shi Yuting remained stoic but within the next second, he called out in his deep and magnetic voice, "Xiangyi."

"Yes, Mr. Shi?"

"Send them to the hospital in three minutes."

Xiangyi was slightly stunned. "Yes!" he answered.

Xiangyi took Zuo Qing from Zuo Weiyi's back and carried her into the Rolls-Royce. Zuo Weiyi quickly followed.

In three minutes, not a minute early and not a minute late, Zuo Qing was sent into the emergency room!

At the door, Zuo Weiyi was like a body without a soul. Standing in the corridor, her eyes were empty.

After an hour of rescue, the emergency room door opened.

Zuo Weiyi and Bei Xingchen went up to the doctor and before they could ask about her mother's conditions, they saw Zuo Qing being wheeled out of the emergency room.

Her body was covered with a piece of white cloth!

Boom! Her mind exploded like a bolt out of the blue!

Stunned, she looked at her mother and understood clearly what the white cloth covering meant!

"I'm sorry, we tried our best," the doctor said apologetically as he removed his mask. He then left.

Zuo Weiyi was terrified. She stood right where she was. Suddenly, she was short of breath and the world went black. She swayed and fell.

"Weiyi!"

Bei Xingchen, who was by her side, caught hold of her.

The night was dim and it was dark outside the window. Zuo Weiyi's heart was swallowed by the darkness, throwing her into a bottomless abyss bit by bit, just like the darkness outside.

On the bed in the VIP ward, Zuo Weiyi slowly opened her eyes and was welcomed by the sight of a white ceiling.

She looked sluggish, just like a walking corpse.

The memory of her childhood swarmed into her mind.

For twenty-one years, she had no father. The only person who had loved her and accompanied her was her mother, Zuo Qing.

Three days had passed but Zuo Weiyi refused to drink even a drop of water. The doctor in charge had no choice but to put her on an intravenous drip.

However, on the fourth day, when the nurse entered the ward during breakfast, she discovered that Zuo Weiyi had disappeared!

\*\*\*

After returning from the hospital, Zuo Weiyi brought her mother's body home and arranged her funeral.

Then, she locked herself in the condominium and did not go out for the entire three days and two nights.

When night came, Zuo Weiyi curled herself up. She did not want to get up to switch the lights on but instead, she stared at the floor blankly.

“Weiyi, I know you’re inside. Could you please open the door?” Her good friend, Bei Xingchen, kept knocking on the door. It had been three days and she was unsure if Zuo Weiyi was still alive.

It was getting dark outside and the house remained dark.

In the house, Zuo Weiyi couldn’t hear the sound of the knocking on the door and did not respond to the knocking.

## Chapter 26: Bring Her Here

In Shi Mansion, the luxurious living hall was magnificent.

Under the huge chandelier, the man sitting on the soft sofa held up his mobile phone elegantly to his ears. Every gesture of his showed his inborn aristocracy.

“How’s that woman?”

“She hasn’t gone out for three days.”

The man narrowed his eyes. “Bring her here.”

On the other end of the call, Xiangyi halted.

He didn’t understand what was happening to Mr. Shi lately. Why did he care for this lady called Zuo Weiyi again and again?

He was even instructing him to bring her to him? He did not hear wrongly, did he?

Read more chapter on [vipnovel.com](http://vipnovel.com)

Xiangyi was stupefied. “Err, bring her to your residence?”

“Yes.”

The man ended the call.

At Jingyuan District, Bei Xingchen was anxiously knocking at the door. She had brought some food with her.

“Weiyi, could you please open the door?”

There was still no response.

It had been three days. She was really worried and wondered if Zuo Weiyi was alive.

She wanted to break in, but this was a high-class condominium and the door was strong. It would be difficult for her to force it open.

Just when Bei Xingchen was feeling helpless, she heard the sound of footsteps.

She turned around and saw three men walking out of the elevator toward her.

Xiangyi took no notice of Bei Xingchen who was standing there. He instructed the other two men in black, "Break open the door."

When she heard the words 'break open', Bei Xingchen widened her eyes.

These men... was this daylight robbery?

"Hey, what are you trying to do?"

Xiangyi ignored Bei Xingchen.

Bang! The door was forced opened and Xiangyi entered the house.

In the dark room, he couldn't see Zuo Weiyi.

Bei Xingchen walked in and her familiarity with this house enabled her to find the switches on the wall. She flicked them and the whole house lit up.

They searched all over but still couldn't find Zuo Weiyi.

Xiangyi, on the other hand, could sense a weak breath the moment he entered.

Although it was weak, he could sense that it was a human's breath.

He turned and caught sight of a figure lying beneath the window.

He walked over and carried Zuo Weiyi up from the ground. He turned and walk toward the door.

Behind him, Bei Xingchen widened her eyes. He was obviously stealing a person!

However, this man looked like the man who had sent Weiyi and Auntie Zuo to the hospital that afternoon. Wasn't he Mr. Shi's personal assistant?

Where was he bringing Weiyi?

“Hey! What are you trying to do?” Bei Xingchen caught up but Xiangyi had entered the lift.

When Bei Xingchen rushed downstairs, the black car had left.

It was eight at night.

Zuo Weiyi woke up in a soft and comfortable double bed.

The unfamiliar room pulled back a little of her consciousness.

“You’re awake?”

Suddenly, a deep voice was heard. That voice was charming and nice.

Zuo Weiyi turned her head toward the sound and saw a man sitting on the couch across the bed. His dark eyes gazed at her.

It was him...

Zuo Weiyi sat up and looked at Shi Yuting, who was sitting on the single sofa.

“Why are you here?”

“You should be asking why YOU are here.” This was his residence. Wasn’t it normal for him to be here?

Upon hearing this, Zuo Weiyi regained her senses and discovered that she was in a luxurious room with an impressive appearance.

## Chapter 27: Be My Woman

“Why am I here?” She looked at the man in front of her. It hadn’t even been a week and she looked haggard.

Shi Yuting swirled some red wine in a glass. His thin lips pursed slightly and answered, “My people carried you here.”

He said this in a careless manner but Zuo Weiyi halted. She did not understand this man.

“Why did you bring me here?”

Shi Yuting toyed with the wine in the glass with no intention to taste it.

“Be my woman. I’ll give you everything you wish for—money, vanity, whatever you wish.” Beneath the black eyes, no one could guess his inner thoughts.

Zuo Weiyi looked up and stared at Shi Yuting.

Be his woman?

“Even if you wish to be the young missy of the Jiang family, I can easily fulfill that wish.” He smirked.

Young missy of the Jiang family?

She held on to the blanket tightly. Her mother’s death and her hatred within, who could repay all these?

However, why was this man willing to help her?

“Why do you want to help me?” she blurted out.

Why the offered help?

Shi Yuting’s lips quirked up.

His intention was not to help her. He wanted her to be his woman solely because he was interested in her.

He didn’t understand it either. He wasn’t usually interested in women, but why was he interested in Zuo Weiyi? After knowing her identity, he even took pity on her.

Because of this, he wished to give her money and power.

“I’m not helping you. I’m interested in you and that’s it.”

Zuo Weiyi was stunned.

She knew clearly that this man had great power and in Z City, he was a man everyone kept at a respectful distance and dared not mess with.

If she were to become his woman, did it mean she could avenge her mother’s death?

Her mother died saving her. If not for Qiu Yun and Jiang Tingmei’s threat, her mother would not have knelt in front of the Jiang Group office and gotten humiliated by many.

The thought of her mother's grievance brought extreme pain to Zuo Weiyi. It was as though her heart was being dismembered slowly by a knife.

She looked at the man in front of her and agreed firmly. "I'll be your woman!"

The man beamed with satisfaction.

"However, I do not wish to be the young missy of the Jiang family. All I wish is for the Jiang Group to go into bankruptcy!"

She had once thought that there was still a slight father-daughter bond between her and Jiang Huaiyuan. That was why she had agreed to the blind date.

However, she hated him since the day he treated her mother heartlessly and turned a blind eye to them!

The man raised his eyebrows. "Only this?"

Zuo Weiyi was slightly taken aback.

This man could read her like an open book.

Indeed, this was far from what she wished for.

She swore she would definitely want Qiu Yun and Jiang Tingmei to pay a painful price!

Zuo Weiyi lowered her head and suddenly felt a shadow enveloping her.

She looked up and saw that the man had walked over to her and looked down at her from above. "Remember, you are my woman. Whatever you want to do, do it bravely. I'll support you!"

Zuo Weiyi tilted her head up and suddenly, there was a tingly sensation on her nose and a warm current flowed into her heart.

Why did he treat her so well?

## Chapter 28: I Miss Your Scent

"Why do you treat me so well?" She gawked at the man. In these twenty years of her life, besides her mother and her good friend, Bei Xingchen, no one else had treated her so well.

Shi Yuting gazed at her bright eyes and smiled slightly. "Because you are the only woman who intrigues me."

Zuo Weiyi could feel the man's gentle breath. From the man's mysterious eyes, she couldn't make out its contents. It was difficult to guess.

Looking at her smiley face, Shi Yuting smiled. He gave her a kiss on the forehead and stood up. "Now, accompany me for dinner."

He turned to leave the room without waiting for the woman in bed.

"I...I'm not very hungry." Although she had not eaten for several days, Zuo Weiyi did not feel hungry, perhaps because she was too hungry. She looked at the man from the back.

The man suddenly stopped and walked back to the bed. He smiled devilishly. "You don't want to eat? Then, let's do something meaningful!"

Read more chapter on [vipnovel.com](http://vipnovel.com)

Zuo Weiyi frowned and didn't know what he meant by 'something meaningful'.

"Wh...What..."

Shi Yuting bent over and his face was so close to hers. "I miss your scent."

Zuo Weiyi was stunned for a while and quickly regained her senses. She quickly got down from the bed. "I-I suddenly feel hungry."

She put on her slippers and left the room as if she was escaping.

She had forgotten an important matter.

To be this man's woman, she had to give him her body.

Walking out of the master bedroom, Zuo Weiyi couldn't help but be shocked.

This mansion was really big.

The staircase looked as if it was made of crystal.

The huge living hall was magnificent. Zuo Weiyi thought she had never ever seen such a luxurious house, not even from the movies.

Just as she was feeling shocked, a hand wrapped around her delicate waist and walked with her toward the staircase.

They came to the dining hall and they were the only two people at the huge dining table.

The table was full of dishes and every dish resembled those served at restaurants. They were colorful and aromatic!

However, Zuo Weiyi still did not have any appetite.

“Young Master, I’ll take my leave first,” Aunt Yu, the housekeeper, said.

Zuo Weiyi turned and saw an elderly woman, who was in her sixties with gray hair but was still in good spirits.

Zuo Weiyi stared at her and Aunt Yu suddenly turned and skimmed through her stoically.

She halted and quickly looked away.

The people here looked as if they couldn’t be messed with?

“Alright.” Shi Yuting answered. Then, he took up the bowl and chopstick and started eating.

Aunt Yu turned and left. Zuo Weiyi shoved a mouthful of rice into her mouth. Her vision fell on Aunt Yu’s back.

“She is Aunt Yu. If you need anything, you can also look for her.”

The man’s magnetic voice pulled Zuo Weiyi’s thoughts back in.

She turned her head and her eyes met his dark eyes filled with temptation.

Zuo Weiyi nodded. “Alright.”

Then, she ate the rice in the bowl inattentively.

After dinner, she looked at the large house. Although it was huge and luxurious, it turned scary when night fell.

It was ten at night and Zuo Weiyi was alone in the bedroom. She didn’t know where Shi Yuting was at the moment. She felt a little thirsty, so she went downstairs to get some water.

Chapter 29: The Man’s Doting

The surrounding was quiet. The reflection of the trees fell on the windowsill through the bright and clear moon and the sound of the wind could be heard, whoosh!

Zuo Weiyi stood in the middle of the staircase. Suddenly, she felt the cold attack and sneezed.

Such a big house and he was staying here alone?

She advanced her steps down.

“What are you doing?”

She heard a voice behind her just as she was about to take on the next step. The sudden voice startled her and she lost her balance. She slid down the staircase.

“Ah!”

She cried out in alarm and thought she would fall flat on her face but at the critical moment, a hand wrapped around her waist. She felt herself swirling in the air and when she regained her senses, she was standing intact at the bottom of the staircase.

She widened her eyes and saw the man’s handsome face.

“Why? Did I scare you?” Seeing fear in her eyes, the man’s voice turned gentle and his eyes were filled with fondness and mystery.

Zuo Weiyi felt his breath and lowered her head. She took a step back and answered, “Yes.”

“It’s late. Why are you still down here?”

“I’m thirsty and I’m trying to get some water.”

“Come here.”

He tugged her hand and walked towards the kitchen.

The refrigerator was opened and in there lay various premium beverages and milk.

“What would you like to have?”

Zuo Weiyi saw the items in the refrigerator and pursed her lips. “Plain water will do.”

The man smiled. “Same as me.”

He stretched out his hand and grabbed a jug of cool water from the refrigerator. He passed the jug of water to Zuo Weiyi. "Help yourself."

Then, he turned and left the kitchen.

Glancing at the man's tall figure from behind, Zuo Weiyi waited for him to be out of sight before she turned around to look about in the kitchen. She found a few mugs on the shelf by the side.

Everything in this house was high-end and luxurious. Even the mugs were made of crystal glass.

After drinking, she looked at the sparkling and crystal-clear mug. She was afraid to dirty it and so, she washed it and put it back. Then, she turned and went up to the second floor.

She went into the master bedroom and was about to lie on the bed out of habit when she heard the sound of water from the attached bathroom.

She was shocked and very quickly remained quiet.

Wasn't only Shi Yuting in this house besides her?

The thought of this made her nervous. Her chest rose and fell in an unstable manner and she was not sure if she should stare at the bathroom.

After about twenty minutes, the door of the bathroom opened.

Zuo Weiyi sat by the bed. When she heard noises, she was so shocked that she stood up.

The man was wrapped in a bath robe and he sensed her shock.

His ivory pectoral muscles were exposed. Zuo Weiyi stole a glance and her cheeks burned, so she lowered her head and looked down.

Then, she raised her head and looked at the man.

She knew that the price she had to pay for the revenge she wanted was to become this man's woman and what she had to do now was to serve him well.

Zuo Weiyi pursed her pink lips slightly and walked over to him.

She lifted and moved her trembling hands closer to the man's waist bit by bit.

She was 168 cm tall but standing beside this man, she was a head shorter than him.

## Chapter 30: I Do Not Like To Be Passive

The man glanced down and saw her flushed cheeks. Her slow motions proved how panicked and nervous she was at that moment.

Shi Yuting smiled and squeezed her hand which was about to untie his belt. "I don't like to be passive," he said.

Zuo Weiyi looked up. Before she could react, her lips were sealed by his!

She widened her big eyes. She could feel the gentle and familiar scent on her lips.

"Didn't your ex-boyfriend teach you to close your eyes when kissing?"

Shi Yuting suddenly loosened his grip and looked at her. His deep husky voice was sexy and nice and one could easily indulge in it.

Zuo Weiyi was befuddled. "I...I don't have an ex-boyfriend..."

From high school to university, she did not have the desire to be in courtship. So, how could she have had a boyfriend?

Shi Yuting was surprised and he smiled. He felt joyful with that answer of hers.

He leaned down and captured her soft red lips once more!

The kiss turned faster and more intense.

Shi Yuting was deeply absorbed in her scent and couldn't control himself.

Her body was like a venom, luring and attracting him. His hand started exploring into her pyjamas.

"Still wearing this to sleep?"

On the soft and comfortable double bed, the man went above her and when he felt her bra on her breasts, he pulled it off and threw it off the bed.

Shi Yuting could sense her trembling body. He looked at her and saw her eyes tightly closed and her eyebrows knitted tight.

He raised his head and looked at her from above, then he lowered his face and once again covered her lips with his.

His kiss was like a dragonfly skimming the water. Zuo Weiyi could clearly sense that this man was obviously gentler compared to just moments ago.

Feeling his sudden change made Zuo Weiyi relax her tight nerves and bit by bit, she accepted the caress of this man...

The night slowly ventured deeper.

In the middle of the night, Zuo Weiyi was completely exhausted. She slowly closed her eyes and went into a deep slumber.

When she awoke, it was almost noon the next day.

It was the first time she had woken up that late.

She looked at the time. It was 11 am.

She had not been to work for a week since her mother passed away.

Since she had decided to start anew, she would have to go back to the office from today onwards.

So, Zuo Weiyi pushed her blanket aside and was about to get down from the bed.

Just as when she started to move, she felt her whole body aching. The scene of the passionate man appeared in her mind. Last night, he did again and again like his love for her was endless.

She frowned slightly and forced herself up. She walked to the bathroom to wash up and changed into a set of clean clothing before she went downstairs.

When she walked downstairs, she found the previously empty living hall filled with maids.

Each of them was wearing a maid's dress, just like in the movies.

Although she was surprised, Zuo Weiyi did not stop but walked toward the main entrance.

A few maids turned to look at Zuo Weiyi, the first and only woman to step into Shi Mansion.

Since they started working here, they had not seen Mr. Shi bringing any woman back here apart from Madam.

## Chapter 31: This Is The Car Young Master Prepared For You

They were curious about Zuo Weiyi. What kind of woman was she, to be able to move their big boss?

“Don’t you have to work?” While the maids were focusing their attention on Zuo Weiyi, a cold voice sounded.

The maids regained their senses and saw Aunt Yu standing there with an indifferent look. Although she was past sixty, she still had that authority that no one dared to offend her.

When the maids saw her, they quickly lowered their heads and continued with their tasks at hand.

Zuo Weiyi turned her head to the direction of the voice and saw Aunt Yu.

She remembered Shi Yuting mentioning that this woman was Aunt Yu and that she could look for her if she needed anything.

“Miss Zuo, are you going out?” Aunt Yu was calm without a smile on her face, giving off an unapproachable feeling.

Zuo Weiyi halted for a while and looked at her. “I’m going to the office.”

She then opened the door and walked out of the mansion without looking at Aunt Yu.

When she stepped out of the mansion, Zuo Weiyi was stunned by the view.

It was a huge courtyard with a huge fountain. One look at it, the gate was a few hundred meters away.

Zuo Weiyi stared in bewilderment. It was indeed her first time seeing such a huge courtyard.

She dared not imagine how rich Shi Yuting was.

She dared not even evaluate this mansion.

Such a huge courtyard! If she were to walk to the main gate, she estimated she would have to spend ten minutes?

“Miss Zuo.”

While Zuo Weiyi stared in bewilderment, she heard Aunt Yu's voice from behind.

Zuo Weiyi turned her head and saw Aunt Yu standing stoically behind her. In her hand was a walking stick made of red sandalwood.

“Do you know how to drive?”

Zuo Weiyi nodded. “Yes, I do.”

Aunt Yu stretched out her hand and very quickly, a maid passed her a bunch of keys.

“Young Master has prepared a car for you. You may use it freely.” Aunt Yu handed the keys over to her.

Looking at the keys, Zuo Weiyi was taken aback.

Shi Yuting prepared a car for her?

“It's not necessary. I'll hail a taxi.” Zuo Weiyi declined as she thought there wasn't a need. She turned and was about to leave.

“The nearest bus stop is two kilometres from here. It's a forty-minute journey to the city from here by bus, and no hired cars will come in here. Miss Zuo, are you sure you want to hail a taxi to the city?”

Zuo Weiyi stopped walking.

She turned to look at Aunt Yu.

The nearest bus stop was at least two kilometers away and she was unable to hail a taxi?

This meant that if she were to walk to the nearest bus stop, she would need one hour, and getting to the city would take another hour and a half?

No, that wouldn't work.

If she were to sum up the amount of time spent waiting for the bus, getting down, and walking to the office, she would need at least two hours!

This meant that if she woke up at 6 am in the morning, it would be 6.30 am after washing up and going downstairs. She would then arrive at the office at 8.30 am. If there was interference like traffic congestion, she would definitely be late for work!

Zuo Weiyi looked at the keys in Aunt Yu's hand.

Maybe she should use the car today.

She accepted the keys from Aunt Yu and asked, "Where's the car?"

"To the right of the entrance."

Following Aunt Yu's directions, Zuo Weiyi walked toward the right with the car keys in her hand and arrived at a big garage. She walked in and when she saw the luxurious cars, she was dumbstruck.

### Chapter 32: She Saw Shi Yuting?

There were dozens of cars and each was limited edition worldwide.

She looked at the car keys in her hand. On it was the logo of Maserati, another limited-edition sports car!

Never had she expected that she could drive such a luxurious sports car one day!

When she arrived at the office, it was 12.30 pm.

It was lunch time.

Zuo Weiyi took the elevator to her department.

When she walked to her table, she found that everything was gone.

She was puzzled and frowned. She was only absent for a week and now all her things have disappeared?

"Weiyi? Why are you here?"

Zuo Weiyi turned her head and saw her colleague.

"Ah Ya, why are all my things gone?"

Ah Ya looked around and when she was sure nobody was nearby, she walked toward Zuo Weiyi and said carefully, "Don't you know? You didn't come in for a week. The manager reckons you've quit!"

Quit?

Zuo Weiyi was extremely shocked!

She did not come for one week and they reckoned she had quit?

As if reading her mind, Ah Ya, her colleague, took pity on her. "I understand that something has happened to your family. However, the manager says that this is not a vegetable farm where you can come and leave as you wish. So, he..."

Ah Ya pursed her lips and did not continue.

Zuo Weiyi understood clearly.

Indeed, it was so.

After her mother's death, she couldn't work. Her mobile phone had been crushed and nobody from the office could contact her. They were certain she no longer wanted to work.

She was still under probation and the company rules stated that all apprentices who were absent for more than one week will be considered voluntarily resigned.

"I understand, thank you."

She forced a smile and left the office.

It was September and the day was hot.

Zuo Weiyi walked along the road alone aimlessly.

She had not taken her breakfast that morning and felt a little hungry. So, she lifted her head and tried to look for a place to eat.

When she lifted her head, she accidentally spotted a familiar figure.

Was that...Shi Yuting?

She frowned. In a French restaurant not far away, she saw Shi Yuting.

Beside him stood a tall pretty lady who looked about her age. Her arm was hooked through Shi Yuting's intimately then and both of them were walking into the restaurant.

Zuo Weiyi was in a daze.

Wasn't Shi Yuting someone who didn't like to go near women? Who was the girl beside him?

Zuo Weiyi advanced toward the French restaurant. It was as if her feet were disobeying her orders.

When she stepped into the restaurant, she couldn't hear Shi Yuting's voice. She frowned slightly and suddenly thought she might have mistaken someone else for him.

So, she turned and was just about to leave.

Grr...her stomach started to protest.

No matter how hungry she was, this kind of fine dining restaurant was not one she could afford.

Zuo Weiyi turned and was about to look for a hawker stall to get herself something to eat.

Just as she was about to leave, she heard a man's voice.

"Weiyi?"

Zuo Weiyi turned her head and saw Ye Fan, a boy who had pursued her previously, standing there!

"It's really you!" The sight of her made Ye Fan really excited.

Although Zuo Weiyi was surprised, she was calm as she had no feelings for him.

"Ye Fan!"

Before Zuo Weiyi could open her mouth, a woman's voice could be heard from behind.

### Chapter 33: Shu Yun'er's Sarcasm

This voice was one which was extremely familiar to Zuo Weiyi. It belonged to the girl who had plotted against her, Shu Yun'er!

She turned her head and saw Shu Yun'er walking over gracefully. She was smiling but her beautiful eyes were full of enmity.

“Ye Fan, what are you doing?”

Ye Fan turned her head and took a glimpse at Shu Yun'er. “Weiyi is here too. Let’s eat together.”

“Maybe she has a date?” Shu Yun'er turned and smiled at Zuo Weiyi. “Right?”

Zuo Weiyi was not bothered.

Ye Fan turned and was rather doubtful of Shu Yun'er’s words. “Weiyi, do you have a date?”

Shu Yun'er immediately shifted her gaze and waited for Zuo Weiyi to reply.

The expression in her eyes was like a warning for her to hold her tongue.

Zuo Weiyi met Shu Yun'er’s gaze and had no fear. Instead, she smiled and said, “No, I’m here to have lunch too. Let’s eat together.”

Shu Yun'er gnashed her teeth angrily and wished she could skin her alive!

“Alright then, let’s eat together!” Ye Fan smiled and then brought the two ladies to their seat in the center of the restaurant.

Zuo Weiyi was walking in front while Shu Yun'er tailed her.

Zuo Weiyi could feel a pair of eyes filled with enmity behind her, waiting to pierce through her spine!

“Weiyi, what would you like to eat? Please feel free to order!” The three of them sat down. Ye Fan shoved the menu to Zuo Weiyi.

Shu Yun'er, who was sitting on the opposite side, was so angry she kept stomping her feet.

Her furious eyes kept glaring at Zuo Weiyi!

Zuo Weiyi was not bothered. She took over the menu and ordered some food for herself without feeling shy.

Her calm look made Shu Yun'er angrier!

“Oh yes, Weiyi, why did you leave early during our previous gathering?” Ye Fan asked Zuo Weiyi while waiting for the meals to arrive.

Zuo Weiyi glanced at Shu Yuner. "No reason. I drank too much and went home early."

Listening to their conversation, Shu Yuner, who was sulky, suddenly smiled. "Went home? Zuo Weiyi, I heard someone saying that you left Charm of Night the next morning?"

Zuo Weiyi looked at her. "You heard? Wasn't that part of your plan?"

After all, she had to thank her. If it were not for Shu Yuner, she wouldn't have had the chance to know Shi Yuting!

Not to mention get close to him!

Upon hearing this, Shu Yuner's face turned dark. "Zuo Weiyi! What do you mean?"

"Isn't it true?"

Shu Yuner stiffened and was speechless!

She did plan this, but the plan did not go on smoothly because Zuo Weiyi had left in the midst of the gathering, using a toilet break as an excuse. She, on the other hand, did not know how to explain to Mr. Ong as she had promised him a beautiful lady that night.

Shu Yuner was so furious she had nothing to say. Then, she suddenly snorted.

"Hmph, you went fooling around with who knows which man and you're too embarrassed to mention it, so you're placing the blame on me?"

"You're the one who fools around with men, isn't it?" Zuo Weiyi knew very well that Shu Yuner really cared for Ye Fan and she wanted to use this weakness of hers to sow discord in front of Ye Fan!

Who asked her to plot against her?

As expected, Shu Yuner's face changed. She looked anxiously at Ye Fan, followed by a glare at Zuo Weiyi.
