

## **Kiss Me Goodnight, Mrs. CEO!**

### Chapter 12: The Renowned Man In Z City

Today's sun did not rise from the west, did it? Or had he felt a prick of conscience?

What did he just say? Mr. Shi? Which Mr. Shi?

"Weiyi, how do you know Mr. Shi?"

Zuo Weiyi looked up and frowned slightly. "Which Mr. Shi?"

"See, pretending in front of me again? Of course it's Mr. Shi Yuting!"

Shi Yuting?

A frown creased Zuo Weiyi's forehead and the scene in Room 999 flashed across her mind. She remembered people over there called him Mr. Shi?

"What about him?"

Jiang Huaiyuan grinned from ear to ear.

"Early this morning, we got a business deal. It was a fifty million dollar cash investment and it has resolved the company's crisis. When I looked carefully, it was a contract from Di Zun Group. I thought I was dreaming!"

Jiang Huaiyuan had never expected to work with Di Zun one day!

To get Di Zun's contract was something many enterprises dreamt of.

Di Zun Group?

Boom! These few words exploded in Zuo Weiyi's mind.

No matter how oblivious she was, how could she not know Di Zun?

Shi Yuting!

Did she rape Z City's renowned Shi Yuting?!

Goodness!

Zuo Weiyi felt like dying at that moment.

She had messed with this man!

He was known for his decisiveness, sternness, and heartlessness. He was never soft hearted, especially toward women who made every attempt to get close to him.

Oh god, what should she do?

What did it mean when he suddenly offered help towards her father's company? Was this his plot?

Zuo Weiyi looked at Jiang Huaiyuan anxiously. "Are you sure that he's the one who has helped you to pull through?"

"Yes! I was surprised too, but Mr. Shi's personal assistant then told me that Mr. Shi is offering his help because you have done him a favor."

Did him a favor?

Zuo Weiyi frowned. She couldn't remember helping Mr. Shi.

Yesterday, in the private room of the restaurant, he did say she was his woman.

Was this man interested in her?

No, no, who in Z City did not know that Shi Yuting stayed away from women?

Cough! She had even doubted his sexual orientation.

“Weiyi, you—do you really know Mr. Shi?” Zuo Qin, who was standing on one side, walked towards her too.

In contrast to Jiang Huaiyuan’s excitement, she was worried.

She knew that offending Shi Yuting was equivalent to offending the King of Hell!

Zuo Weiyi raised her head. To avoid making her mother worried, she smiled awkwardly. “Yup, I kind of know him.”

Not only did she know him, but she had even raped him!

Just then, Jiang Huaiyuan’s phone rang.

He picked up the phone while looking at the mother and the daughter. Then, he ended the call.

“Alright, I still have some work to do. Take this money and go shopping later. Go and get yourselves something to eat and wear!”

After speaking, Jiang Huaiyuan turned and left.

Staring at the thirty thousand dollars on the coffee table, Zuo Qing picked the money up and called out to Jiang Huaiyuan who was leaving, “Hey, please take the money back.”

Jiang Huaiyuan turned around and looked at her, puzzled. “Why?”

“We have enough money.” Zuo Qing was not a materialistic woman. She did not want this money.

The monthly allowance which she accepted had brought upon his wife’s sarcasm. So, taking money from him had become taboo for her.
