

Kiss Me Goodnight, Mrs. CEO!

Chapter 36: The Girl Beside Shi Yuting

His tone of voice was cold without a bit of warmth and he exuded an air of deterrence.

Zuo Weiyi frowned. She was surprised at Shi Yuting's appearance.

So, she did not see the wrong person. He was indeed here?

She looked up at him but creased her forehead due to the pain.

"Why are you here..."

"Stupid woman!"

Shu Yuting roared slightly and seeing the increased bleeding on her hand, he carried her out of the restaurant!

Behind them, Shu Yun'er widened her eyes in disbelief!

Wasn't that man the powerful Shi Yuting?

How did Zuo Weiyi know him?

They entered a black Bentley. Zuo Weiyi's hand had a deep cut and the bleeding couldn't stop.

"D*mn!" Shi Yuting cursed from the back seat.

He stared at the woman in front of him. "How did you get yourself into this mess?"

Zuo Weiyi gave him a glance. No matter how painful her palm was, her focus was on the girl beside him.

This was the girl she saw just now, wasn't she? It looked as if she and Shi Yuting were quite intimate. Was she his girlfriend?

Shi Yuting frowned lightly at her silence and stared at her. "Have you turned dumb after falling?"

Zuo Weiyi regained her senses. Pursing her pink lips, she answered, "I'm alright."

"You're alright? What's this, then?" He gestured at her injured hand with his eyes.

The palm was indeed painful but Zuo Weiyi said nothing more. She looked out of the car window.

"Drive faster!" Shi Yuting shouted at his driver irritably.

The girl beside him turned and saw the obvious anxiousness on his face.

She turned to look at Zuo Weiyi from head to toe.

Not long after, the car arrived at the hospital. As the cut was too deep, stitches were required to stop the bleeding.

"Remember to keep it away from water for a week," the doctor reminded her after stitching up her wound.

Zuo Weiyi nodded. She took the medicine from the doctor and turned to leave.

"What's that girl's name?"

On the way home, Shi Yuting suddenly asked her.

For a moment, Zuo Weiyi couldn't respond. She merely stared at him dumbfounded.

Shi Yuting then added, "That girl who pushed you."

Zuo Weiyi was stupefied.

Was he thinking of helping her out?

She was not a person who hated those who hurt her as though they were her enemies.

Although she hated Shu Yuner, shouldn't she be grateful to her for the opportunity to know Shi Yuting?

She would like to resolve the grudges between them.

"This is between me and her."

The man lowered his face. "Do you think I wouldn't know if you don't tell me?"

Zuo Weiyi did not take his words to heart.

She thought he was merely saying it for fun, so she didn't talk about it further. What she did instead was to steal a glance at the girl who had followed them all along.

The girl's face was like an angel. She had a pair of sparkling black eyes, so beautiful that Zuo Weiyi, who was the school beauty, felt that she could not compare with her beauty.

Such a perfect girl would be someone many men would dream of.

Shi Yuting wouldn't be an exception, would he?

The girl sensed Zuo Weiyi's stare and turned around to look at Shi Yuting. "Who is she?"

Shi Yuting gave the girl a look and answered, "Zuo Weiyi."

"I'm asking what's your relationship with her?"

Shi Yuting narrowed his eyes. "It wouldn't be good for you to know too much."

Chapter 37: My Name Is Shi Nuannuan!

The girl pursed her lips grumpily!

She then shifted her gaze and once again looked at Zuo Weiyi from head to toe.

The black Bentley arrived at Shi Mansion at 1.30 pm.

Zuo Weiyi had not taken her lunch until now.

"We've finally arrived. I'm so hungry!"

The girl headed straight for the sofa once she walked into the living hall and hugged the pillow comfortably, taking in the peace at that moment.

After a whole afternoon of shopping, she was drop-dead tired!

Zuo Weiyi was surprised at the girl's relaxed mannerism.

This was Shi Yuting's residence but this girl acted so casually as if this was her own house.

She stood there staring at the girl on the sofa.

Behind her, she heard footsteps.

She turned around and saw a maid carrying many bags of different sizes walking towards the living hall.

“Young Missy, I’ve put the things in your room,” reported the maid who was walking down the stairs to the girl on the sofa.

Zuo Weiyi was surprised by that address.

Young Missy?

As she was deep in thought, a big hand wrapped around her slim waist.

Zuo Weiyi met his mysterious and dark eyes.

“I’ll have to return to the office. Rest up well and don’t run around!” he ordered while his eyes darted to look at her injured hand.

Zuo Weiyi nodded and answered slightly, “Alright.”

“And you!” He turned his head and shot a glance at the pretty girl on the sofa. “If you dare cause trouble, I’ll send you back!”

The girl pouted. “Alright!”

Zuo Weiyi saw that the girl and Shi Yuting were really intimate, to the point where she thought they were a couple who had just gotten married.

But if they were really a couple, the atmosphere didn’t seem right.

Just as Zuo Weiyi was still pondering over this, a hand drew her face over and before she could react, her lips felt a familiar gentleness.

She widened her eyes. The man’s exquisite face was so close to hers!

After imprinting a kiss upon her lips, the man let go of her. His sexy thin lips curled into a smile and he said, “Wait for me to return.”

Until now, Zuo Weiyi was still stunned.

He kissed her just like that in front of so many people?

Before she could completely regain her senses, Shi Yuting had turned around. His tall figure disappeared through the carved main door.

Zuo Weiyi stood there looking until he was out of sight but still, she did not turn her head.

After a while, a sweet voice sounded next to her ear.

“Are you...my brother’s girlfriend?”

Zuo Weiyi turned around and saw that the girl, who was sitting on the sofa, had appeared in front of her.

Her dark eyes were like stars in the dark sky, twinkling brightly.

Zuo Weiyi stared blankly at the girl in front of her.

What did she just say? Her brother’s girlfriend?

When she saw that Zuo Weiyi had no response, the girl smiled sweetly, like a blooming flower. “Hi, my name is Shi Nuannuan!”

She stretched out her hand and introduced herself politely.

Shi Nuannuan?

Was she Shi Yuting’s little sister?

At that moment, Zuo Weiyi discovered a similarity between her forehead and Shi Yuting’s.

Chapter 38: He Kissed You!

She lowered her brows and regained her senses much later. She held out her hand for a hand shake with Shi Nuannuan. “Hello, I’m Zuo Weiyi.”

“My brother’s girlfriend?” Shi Nuannuan seemed to be interested in her identity. Her dark eyes were filled with curiosity.

To Zuo Weiyi, Shi Nuannuan’s question was difficult to answer. She forced a smile and said, “Haha, I’m not.”

Shi Nuannuan was surprised. The beautiful smile on her face froze and she stared at her in disbelief. "You're not? But my brother just kissed you!"

She knew very well that her brother had never kissed a woman in the past twenty-nine years.

Of course, except for that woman five years ago.

However, that was a long time ago. At least within these five years, her brother had never been near a woman, not to mention being intimate. She had never seen him holding a woman's hand.

Shi Nuannuan's words made Zuo Weiyi blush.

Shi Yuting did kiss her a while ago but they were not a courting couple.

Their relationship was like what Shi Yuting had mentioned earlier—sexual partners!

It was the most suitable term to describe their relationship.

Between them, it was only a deal using their bodies to get what they each needed and nothing else.

"Like your brother says, we're just sexual partners." Zuo Weiyi smiled. She didn't realize that her smile was bitter.

Shi Nuannuan pursed her lips and stared at her

This girl was just her brother's sexual partner?

However, women were everywhere. She was still curious as to why her brother took a fancy to Zuo Weiyi.

Just as Shi Nuannuan narrowed her eyes and was guessing, Aunt Yu walked out.

"Young Missy, your room has been cleaned."

Shi Nuannuan turned her head and gave Aunt Yu the sweetest smile. "Alright, thank you Aunt Yu!"

Then, she turned to look at Zuo Weiyi and said, "I'm too tired, I'll go up to sleep!"

Shi Nuannuan turned and went upstairs.

She had just landed and immediately after that, she had gone shopping. She was indeed tired at that moment.

Zuo Weiyi looked at her back while she went upstairs. Then, she looked away.

The living hall had once again resumed its peace. Zuo Weiyi held her belly. She was hungry.

“Miss Zuo, you have not taken your lunch yet, have you?”

Beside her, Aunt Yu asked, as if she had heard the rumbling sound of her stomach.

Zuo Weiyi raised her head and looked at Aunt Yu.

Although she was stoic, Zuo Weiyi could sense some warmth buried deep in her eyes.

“Yes.” She was never fake and so, nodded her head. She was hungry indeed!

“The chefs are off-duty. I’ll prepare something for you.” Aunt Yu turned and was about to leave.

“No, thank you!” Zuo Weiyi stood up quickly and said to Aunt Yu, who was walking towards the kitchen.

Aunt Yu looked indifferent but she had a warm heart.

Aunt Yu halted and looked at her, puzzled. “Why? Do you think my cooking is not as good as the chef’s?”

Her tone of voice was cold and Zuo Weiyi felt a little awkward.

She answered quickly, “No, I mean I can do it myself. I don’t want to trouble you, Aunt Yu.”

Although Shi Yuting told her that she could look for Aunt Yu if she needed anything, it was way after lunch time. It was 2 pm in the afternoon and Aunt Yu was an elderly. She wouldn’t want to trouble her.

Chapter 39: What Are You Eating?

Aunt Yu was not good at being turned down. She looked at her gloomily. “As you wish. Remember to clean up.”

“Alright!” Zuo Weiyi nodded.

Aunty Yu took a look at her, then turned to leave. She went back to her own room to rest.

After Aunty Yu left, Zuo Weiyi entered the kitchen. She opened the refrigerator and discovered some premium ingredients stored within like steaks and seafood. She didn't know how to cook these.

She was born into an ordinary family. All she knew how to prepare were some simple dishes like tomato and egg stir-fry, green pepper fried eggs, fried rice with eggs...

Oh, yes, fried rice with eggs!

She suddenly thought of fried rice with eggs. Zuo Weiyi regained her senses and saw some eggs in the refrigerator.

Then, she opened the rice cooker and was disappointed not to find any leftover rice.

However, there was uncooked rice on the shelf beside her.

She thought, why not cook the rice first before frying?

After all, she had not eaten fried rice with eggs for quite some time.

Previously, her mother would occasionally cook fried rice with eggs for breakfast and she loved it.

She took the rice cooker pot with one hand and washed it under the running faucet. Then, she poured some rice into it and washed the rice.

This was indeed a rich family. Even the rice cooker was a premium product. The rice cooked in just eight minutes and every grain was glistening.

After forty minutes, she finally had a plate of aromatic fried rice with eggs.

Zuo Weiyi sat at the dining table, about to start eating.

Just then, she could hear the sound of someone in slippers walking toward the dining hall.

She raised her head and saw Shi Nuannuan showing up curiously.

“Wow, how aromatic. What are you eating?”

Shi Nuannuan had taken a short nap and woken up. When she came downstairs, she could smell the aroma.

She came in following the aroma and saw Zuo Weiyi eating at the dining table.

She walked into the dining hall and sat right across from Zuo Weiyi. She stared curiously at the plate of fried rice with eggs.

She had seen this but had not tried it.

“Fried rice with eggs?”

Zuo Weiyi nodded and replied, “Yes.” This was followed by a polite question. “Would you like to have some?”

Although she was hungry, she had cooked a big plate. She thought it would be enough for two.

Anyway, three hours later, they would be having their dinner.

Shi Nuannuan nodded excitedly.

“Yes, please!”

She had always wanted to try fried rice with eggs but their chefs had never cooked this dish before.

When they dined out at restaurants, she would forget to order the dish.

However, their family would go to big restaurants and fine dining restaurants, and it seemed like these restaurants did not serve this dish.

Zuo Weiyi smiled and walked into the kitchen to get another set of bowl and chopsticks. She divided the fried rice into two portions, one for herself and one for Shi Nuannuan.

Both girls started eating.

Shi Nuannuan took a spoonful and thought that it was delicious. She looked at Zuo Weiyi and asked, “Did you cook this?”

“Yes.”

Shi Nuannuan smiled and gave her a thumbs up. “Superb!”

After eating, Shi Nuannuan left the dining hall satisfied.

Zuo Weiyi continued cleaning up.

When it was time to wash the dishes, Zuo Weiyi remembered that the doctor had told her not to wet her injured hand. However, it was difficult to wash the dishes with one hand.

Looking at her injured hand, Zuo Weiyi pursed her lips and was deep in thought.

It should be fine if she wet her hand a little, shouldn't it?

She remembered Aunt Yu telling her to clean up after meal.

Chapter 40: Two To Watch The Sunset

Even if Aunt Yu had not instructed her to clean up, Zuo Weiyi, being a hygienic person, would have done so.

She forced herself to pick up the bowl and wash it in the sink. Although she tried to avoid wetting her wound, her wound was eventually soaked.

When the cool water came in contact with her wound, she frowned. It was painful.

Luckily, there were only two bowls and very quickly, she was done washing.

She left the kitchen and when she walked past the living hall, she couldn't see Shi Nuannuan.

The weather was hot and Zuo Weiyi felt a sudden tiredness. She went up to the master bedroom on the second floor and planned to rest for a while.

The sky turned dark gradually. Zuo Weiyi woke up again and saw that the pale curtain was stained red.

The master bedroom was on the second floor and the windows in it were French windows. When Zuo Weiyi woke up, she could see the sunset.

The setting sun was beautiful but dusk was ending soon.

Looking at the setting sun in the sky, Zuo Weiyi felt peace which she had not felt for a long time.

Suddenly, there was the sound of an engine. Zuo Weiyi looked down and saw a Spyker sports car coming into the courtyard.

Despite being on the second floor, Zuo Weiyi could see the perfect handsome face in the cabriolet.

As expected, the door of the master bedroom opened in less than two minutes and the man walked in.

“Why are you standing here?” When he came in, he saw her standing by the French window. He walked toward her.

Zuo Weiyi pursed her lips and said, “Nothing. I just woke up and thought that the sunset was beautiful. So, I stood here to look at the sunset.”

She answered casually but Shi Yuting was startled.

Pain flashed through his eyes but Zuo Weiyi did not catch it.

She turned and continued watching the red sun in the sky.

“It’s only romantic if two people can watch the sunset together.”

Suddenly, a pair of strong and powerful arms wrapped around her from behind. Zuo Weiyi was startled and turned towards the man.

The minute she turned, he covered her lips with his.

Shi Yuting’s kiss came too suddenly. His tongue parted her teeth gently, sucking the faint fragrance on the tip of her tongue.

He kissed her softly and slowly at first, then his kiss turned swift and more intense, strong, and frenzied, causing Zuo Weiyi to breathe faster and faster, almost getting out of breath.

Just then, the room door suddenly opened. Shi Nuannuan burst into the room.

“Brother, it’s time for dinner!”

The sudden noise scared Zuo Weiyi. She pushed Shi Yuting away quickly but it was too late as Shi Nuannuan had seen everything clearly.

Shi Yuting went into a rage when he saw Shi Nuannuan bursting in. “Get out!”

Shi Nuannuan was shocked and realized she had entered at the wrong time.

She gulped and said awkwardly, "Haha, please continue..."

She went out of the room cautiously without making any noise.

Shi Yuting turned around and looked at the person in front of him once again.

Meeting his dark eyes, Zuo Weiyi looked down. She walked past him towards the door.

That push had accidentally exerted pressure on the wound on her hand. She frowned and lowered her head. She saw that the dressing on her hand was stained red with blood.

After dinner, Zuo Weiyi headed upstairs first.

Shi Yuting had gone to the study room to go over some urgent documents.

In the room, Zuo Weiyi removed the dressing and her wound had indeed split open.

She took out the medicine the doctor gave her and was about to change the dressing. However, it was difficult for her to do so with one hand.
