

Kiss Me Goodnight, Mrs. CEO!

Chapter 41: Which Part Have I Not Seen?

Just then, the door of the master bedroom swung opened.

Zuo Weiyi raised her head. The man's perfect face immediately came into sight.

As if sensing her struggles, he walked over and offered, "Let me help you!"

He took the medicine from Zuo Weiyi's hand and applied it for her without delay.

"Ouch!" His gesture was a little inexperienced and just a slight touch brought pain, causing Zuo Weiyi to frown!

Shi Yuting paused. He had been living comfortably from a young age and was not good at tasks that required meticulous care like this.

He glanced at Zuo Weiyi's knitted brows and then looked at her injured hand.

This time, he was extra careful. He even lowered his head and as he applied the medicine, blew on her injured hand.

Zuo Weiyi stared blankly as she saw his serious look.

Such an elegant man like him was treating her so gently?

Until now, Zuo Weiyi didn't understand why this man was interested in her.

After changing the dressing, Shi Yuting kept the first aid kit aside and looked at the person in front of him.

"It's bath time, isn't it?"

Zuo Weiyi raised her head and looked at the man in surprise.

The man's lips curled into a perfect arc. Before she could react, he carried her and walked toward the bathroom.

"Wh...What are you doing?" She looked at the man in shock, unsure of what he was about to do.

He carried her into the bathroom and with a calm voice, said, "Bathe!"

Bathe?

He wanted to bathe, but why did he carry her?

Although they had an intimate relationship, the thought of them bathing together made Zuo Weiyi feel uncomfortable.

"You're bathing, so why did you carry me in here?"

"We're bathing together!"

"No!" Zuo Weiyi declined!

The man smirked, "Then, I'll bathe you first and have a bath myself later."

Zuo Weiyi paused for a while and then replied, "That's not necessary, I'll bathe myself."

"Have you forgotten what the doctor said? You can't touch water." He placed her beside the bath tub and reminded her.

His words made Zuo Weiyi pause to think.

Indeed, her hand could not touch water but she should be able to manage with one hand, right?

It seemed inconvenient.

However, she would rather not bathe than to have a man bathe her!

"I...I can bathe myself. I don't need your help." She lowered her head shyly.

When she thought of standing in front of him naked, she wished she could hide in a hole.

Looking at the blush on her cheeks, his smile deepened.

The shyer she was, the naughtier he was. He whispered in her ear, "Which part of your body have I not seen?"

His warm breath brushed her ears. Zuo Weiyi's face grew redder and the redness extended from her face to her neck!

Looking at her flushed crimson cheeks, he smiled faintly and lowered his head. He couldn't help but kiss her tender lips.

The sudden kiss sent Zuo Weiyi into yet another daze. Read more chapter on vipnovel

The next second, Shi Yuting raised his hand and took off her thin chiffon blouse.

When she noticed his hands, Zuo Weiyi regained her senses. She tried to struggle but he tyrannically locked her in his embrace and both stood under the shower.

His hands were moving across her body. Zuo Weiyi did not feel comfortable. It was fortunate that he was behind her or she felt she would suffocate.

However, to Shi Yuting, despite her back facing him, touching her delicate and smooth skin aroused him.

Chapter 42: A Different Shi Yuting

Zuo Weiyi stood beneath the showerhead and suddenly, she felt something hard pressing against her.

Having had several experiences, she understood clearly what that hard thing was. She immediately blushed.

“I...I’ll do it myself...”

She raised her hand to try to snatch the showerhead from his hand.

When she raised her hand, her injured hand had gotten wet from the shower!

Shi Yuting saw what happened and snatched the showerhead back from her, flaring with rage. “Stupid woman! Use your brain!”

Zuo Weiyi paused. She had initially wanted to snatch the showerhead but had neglected her injured hand.

The man took her hand and examined it carefully.

Luckily, his reaction was fast. The water did not soak through the dressing into the wound.

He took a look at Zuo Weiyi. He knew very well that it was because of his gesture that she was at a loss.

Actually, he could not take a proper shower with the woman here. Read more chapter on vipnovel

He thought he would have done it to her but now that her hand was injured, it was obviously inconvenient.

While he was in a dilemma, Shi Yuting chose to bathe her quickly and carry her out of the bathroom. He placed her on the soft, comfortable bed and went back into the bathroom.

The flame of desire in him had long been ignited. He showered himself with no delay. After seventeen minutes, he walked out from the bathroom and went straight to the bed.

He wanted to press against Zuo Weiyi with the lower half of his body but when he climbed into bed, he found her sound asleep.

Looking at her clear, pretty face sleeping like a child, Shi Yuting didn't want to disturb her sleep.

However, his body would go through torture!

He walked back into the bathroom and took another twenty-minute cool shower to put out the flame of desire within him.

The next morning, Zuo Weiyi woke up and discovered that the man beside her was not there.

She looked at the time and it was 7.30 am.

For a person who had lost her job, mornings were not busy.

She got down from the bed, cleaned herself, and changed into a set of light and comfortable clothing. Then, she went downstairs.

Shi Yuting was sitting on the sofa downstairs with a magazine in hand.

Coincidentally, Shi Nuannuan went downstairs at the same time too.

From her memory, her brother would not pay attention to entertainment news.

Being curious, she couldn't help but go over to her brother. "Brother, what are you reading?"

However, when she went near, Shi Yuting quickly closed the entertainment magazine.

“Nothing. Let’s have breakfast!”

Shi Yuting placed the magazine casually on the coffee table, stood up, and walk toward the dining hall.

When he saw Zuo Weiyi walking down the stairs, he smiled and went over, slid his hands around her waist, and walked toward the dining hall.

Shi Nuannuan took a glance at his back and pouted. Her gaze dropped to the magazine he was reading once again.

She picked up the magazine curiously and flipped through.

When she flipped to the second page and saw the familiar photograph and name, Shi Nuannuan was stunned and her expression changed all of a sudden.

At the dining table, Zuo Weiyi looked at the man sitting opposite her once in a while.

Today, he seemed to be scant of words.

His handsome face contained less tyranny.

While Zuo Weiyi was looking at him, the man looked up and their eyes met.

She quickly lowered her head with a guilty conscience, as if to avoid his gaze.

She thought that he would say something but all she got was silence.

Chapter 43: The Closure of Shu Group

She raised her head again and saw him eating his porridge silently, as if nothing had happened just now.

What was wrong with him today?

She frowned slightly and stared at the man opposite her with a puzzled look.

Before finishing his bowl of porridge, Shi Yuting stood up and left.

Zuo Weiyi looked at the leftover porridge and then trailed his back until he disappeared from the dining hall.

Shi Nuannuan walked in and saw how she looked at her brother.

“Isn’t my brother handsome?”

Shi Nuannuan sat down across from her and raised that question all of a sudden while looking at her.

Zuo Weiyi regained her senses and smiled lightly but she did not answer.

Shi Yuting’s looks were one in a million in this world.

Him being handsome was universally acknowledged.

“Do you wish to be my brother’s girlfriend?” Shi Nuannuan turned to the side and asked Zuo Weiyi.

Zuo Weiyi was stupefied.

Be Shi Yuting’s girlfriend?

“Err, I’m not his girlfriend, we are only...”

“I know. That’s why I asked if you’d like to be his girlfriend?”

She didn’t understand what Shi Nuannuan was trying to say.

She looked up and stared blankly at Shi Nuannuan.

“If you wish to be my brother’s girlfriend, I’ll help you!”

Zuo Weiyi finally understood.

A man like Shi Yuting would be the Mr. Right for any woman, but not her.

Looking at Shi Nuannuan, Zuo Weiyi smiled. “Haha, it’s not necessary, I like how we are right now.”

She finished the last mouthful of porridge and stood up. “I’m done.”

Then, she turned and left.

When she walked to the living hall, Shi Yuting was no longer there.

Then, she heard the sound of an engine from the courtyard, followed by the sound of a car zooming past, disappearing in the courtyard which was several square meters big.

Zuo Weiyi walked to the window to take a look but Shi Yuting’s car was out of sight.

She stood there and thought that Shi Yuting was not his usual self today.

After breakfast, Zuo Weiyi sat on the couch to watch some television programs. Then, she got ready to go out and look for a job.

“Going out?”

The minute she stood up, she heard Shi Nuannuan’s voice from behind.

Zuo Weiyi turned and nodded. “Yes, I’m going out to look for a job.”

“Look for a job? Isn’t my brother giving you money to spend? Why do you still need to go out looking for a job?” To Shi Nuannuan, Zuo Weiyi living off her brother was something very normal.

However, Zuo Weiyi didn’t feel right.

She was indeed Shi Yuting’s woman now, but she had never wanted to live off him.

Her being with him was to use his power to bring down Jiang Group. Come to think of it, she was not sure if Shi Yuting took this matter to heart.

Just then, there was a news broadcast on the television screen.

Shu Jewelry Company had been closed down overnight!

Zuo Weiyi was stunned by the news headline on television.

Shu Jewelry! Wasn’t that Shu Yunier’s father’s company?

Closed down? What had happened?

Zuo Weiyi frowned and was surprised as she watched the news.

“Isn’t this the girl who bullied you yesterday?”

Shi Nuannuan recognized the girl on the screen immediately. It was Shu Yunier!

Chapter 44: You Have My Brother To Live Off!

Zuo Weiyi turned and stared at her blankly.

It was indeed Shu Yunier on the screen. What did she mean when she said that?

“Did you know that I’ve never seen my brother treating a woman so well? You’re the first.” Shi Nuannuan had not expected this to happen.

She had once thought that her brother’s heart could fit no women but now, it didn’t seem so.

“Maybe that woman may not be able to replace your position in my brother’s heart even if she comes back!” Shi Nuannuan smiled, stood up, and went up to the second floor.

Zuo Weiyi stood where she was. She didn’t quite get what Shi Nuannuan meant.

‘That woman’? Who was she?

Puzzled, she looked at Shi Nuannuan from the back and then back to the television.

Shu Yuner’s family had gone bankrupt overnight and no one knew the reason. Was Shi Yuting behind this?

Zuo Weiyi was in a daze for a while and then regained her senses. She then walked toward the main door.

“I’ll go with you!”

Just as she put on her shoes, Shi Nuannuan came down holding her bag.

Zuo Weiyi was shocked. “You...want to look for a job too?”

Zuo Weiyi couldn’t help but wonder if there was a need for a girl from a rich family to look for a job.

Shi Nuannuan grinned and shook her head. “No, I just wish to tag along for fun.”

Zuo Weiyi was dumbfounded.

Rich people were indeed different. She had to look for a job and Shi Nuannuan, on the other hand, could fool around.

“Let’s go!” Shi Nuannuan held her hand intimately just like a sister, beyond Zuo Weiyi’s expectation.

She had always thought that young missies from rich families were all arrogant, mean, rude, and unreasonable, just like Jiang Tingmei!

“Is this the car that my brother prepared for you?”

Sitting at the co-driver's seat, Shi Nuannuan took a glance at Zuo Weiyi, who was sitting in the driver's seat.

Zuo Weiyi nodded. "Yes."

Shi Nuannuan's eyes darkened as she looked at Zuo Weiyi's pretty side profile.

"How nice would it be if you were my brother's girlfriend."

Zuo Weiyi was astonished. She turned towards her but didn't understand what she meant.

Zuo Weiyi drove the Maserati slowly out of the garage and both of them arrived at the bustling city center.

Zuo Weiyi went for a few interviews but the answer she received was to wait for further notice.

She had just gone into the working world for a year and did not have much working experience. Some companies which offered better pay wouldn't need people without much working experience like her.

Zuo Weiyi walked out of an office disappointedly but she did not give up. She crossed off the names of those which she had gone for an interview at and continued looking for the next company in the newspaper.

Shi Nuannuan saw her efforts and couldn't help but ask, "Is working so important to you?" She was born into a rich family and had been living her entire life without worrying about basic necessities since she was young. Although she had dreams, she never had to worry about money.

Today's trip from one company to another for an interview seemed to be meaningful to her.

Zuo Weiyi raised her head and looked at Shi Nuannuan who was sitting beside her. She understood what she said.

"Of course! Without a job, I can't survive." She then continued looking for another company.

"How can it be so? You have my brother to live off!" She guessed her brother's money would be enough to be spent for a few lifetimes!

Zuo Weiyi was stunned by her words.

She believed her relationship with Shi Yuting would end one day.

Their relationship was just a deal to get what each needed.

Chapter 45: Why Are You Here?

Anyway, she didn't wish to live off him.

Although she was using his power, she still wished to have her own career.

"Oh, that's right!" Shi Nuannuan suddenly thought of something and looked at Zuo Weiyi joyfully, "If you must get a job, why not go to my brother's company and ask him to give you a job. Isn't that better?"

Zuo Weiyi was stunned.

Ask Shi Yuting to give her a job?

"Let's go! We'll go to my brother's office!" Shi Nuannuan tugged on Zuo Weiyi and dragged her to the Mesarati.

Zuo Weiyi wanted to say something but had been pushed to the co-driver's seat while Shi Nuannuan hopped onto the driver's seat.

She wanted to decline at first but then decided to let things play out.

She even looked forward to visiting Shi Yuting's company.

So, both of them went to Di Zun Group.

Shi Nuannuan was very familiar with the place. She tugged Zuo Weiyi along and went to the top floor.

"Hi Xiangyi, I haven't seen you in a long time!" Shi Nuannuan greeted Xiangyi who was sitting in front of the CEO's office warmly. Then, she pulled Zuo Weiyi into the CEO's office.

"Young missy!"

Just as both of them were walking into the office, Xiangyi stopped them.

Shi Nuannuan turned around and asked, "Yes?"

Xiangyi smiled. "Mr. Shi is having a meeting in the meeting room."

“Alright, we’ll wait for him inside!”

Then, both of them entered the CEO’s office.

In the luxurious CEO’s office, Zuo Weiyi looked around and her vision fell on the huge desk made of red sandalwood.

Just by looking at that place, Shi Yuting’s serious at work look appeared in her mind.

Zuo Weiyi unconsciously gave a slight smile that even she did not notice.

So, this was big boss’s office. It was really luxurious and just looking at this set of desk and chair was enough to portray this man’s identity.

“What would you like to drink?” Shi Nuannuan put her bag down and asked Zuo Weiyi, who was in a daze.

Zuo Weiyi regained her senses and replied, “Ah, anything will do.”

“I’ll get you coffee, then.” Shi Nuannuan left the office smiling.

Zuo Weiyi turned and unconsciously walked toward the windows.

Looking through the wide and bright windows, one could see the entire Z City’s view. How magnificent!

A while later, the office door opened.

Zuo Weiyi thought it was Shi Nuannuan who had returned and did not turn around but continued admiring the scenic city view.

Shi Yuting walked in and saw a figure at the windows.

He frowned slightly, but very quickly knew who it was.

He walked towards the windows.

Zuo Weiyi only realized that the person behind her was not Shi Nuannuan when she heard the sound of footsteps made by a pair of leather shoes. She turned her head and the man was beside her.

At the sudden sight of Shi Yuting, Zuo Weiyi was taken aback. She glanced at the man’s handsome face.

“Why are you here?”

Looking at the man's refined face, Zuo Weiyi didn't know how to reply.

It was his sister's idea to come here. How should she reply?

"Err...I..."

"Brother, has your meeting ended?"

Just when she didn't know how to answer, Shi Nuannyan brought in two cups of coffee.

When she saw Shi Yuting, she placed the cups on the coffee table and walked toward the two of them.

She held onto Shi Yuting's arm intimately. "Brother, can you give Weiyi a job? It would be best to make her your personal assistant or secretary!"
