

King of kings 1007-1008

1007

A month later, Omi didn't know what place he had come to, this place was very beautiful, and Omi was enjoying himself.

Omi had never wanted to be so relaxed at this moment, never.

Omi seemed to have forgotten who he was like, and was just intent on playing with the two beautiful women.

Omi's state of mind, too, gradually underwent some changes in this completely relaxed state.

Even Omi himself didn't know that the changes in his mind gave him the appearance that he was about to break through to the peak of the Unity Realm Grand Perfection.

However, the pinnacle wasn't so easy to break through, just a little.

Of course, Omi didn't care about that at the moment at all.

In the evening, Omi stayed in a tavern.

After having dinner at the tavern, Omi was ready to go back to his room, it was time to be fast with two beautiful girls again at night, Omi was excited at the thought, he really wanted this day to go on forever.

However, a voice suddenly came from Omi's ear, "You're Zhang San, aren't you."

“Uh.” Omi was stunned and turned his head to look. Remember the URL . kanshu8. net

“I am, who are you?” Omi looked at the man, an old man, whose strength was at the Ancestor realm, Omi was no match for him.

“Zhang San, the first genius of the Laoshan Academy, it really is true. Now even more so, he is carrying two beautiful women around with him.” That old man said, his voice filled with sarcasm.

“What is it that senior is looking for me.”

“Nothing much, just, to end your life.”

“End my life? Why?” Omi was nervous, he had been playing well, but suddenly a Zongshi realm came out to kill him, Omi still had two months left to play.

“Zhang San, don’t pretend, you know exactly who you killed.” The old man said furiously.

Omi had remembered, yes, Omi had indeed killed one person in this memory stone, he was from the Laoshan Academy, a man who was pursuing the Purple Moon, his name was Ou Guanjie.

“Zhang San, have you remembered?”

At that moment, Zi Yue ran out and busily said, “Senior, Ou Guanjie was killed by me.”

“Hahaha, hahaha.” The old man laughed angrily, “How can my grandson be killed by you, Miss Ziyue, you may not know that I have already exterminated your entire family in the month that you and Zhang

San have been touring the mountains and waters, and you, you are still in the mood to tour the mountains and waters.”

“What.” Zi Yue’s body trembled, her entire Zi Fu family had been exterminated?

Omi was also shocked, so the Island Lord’s senior brother, was also dead?

Omi immediately asked Shi Ling, “Senior Shi Ling, is what he said true?” The stone spirit was the soul of this memory stone, so it knew everything.

“Yes.” Shi Ling replied.

“Ah.” Omi’s face changed.

At that moment, Shi Ling said, “Omi, I have something to tell you.”

“What is it?”

“It’s not too late for you to choose to leave, before they do.”

“What do you mean?”

“Oh, I mean, if you don’t leave yet, then you’ve been killed by the other guy and you’re really dead.”

“Ah, I have a chance to leave, don’t I?”

“Yeah, that’s why I’m giving you the chance to leave now, if you don’t and get killed, you’ll die in nature.”

“No way, I’m killed here and I’m dead in reality, right?”

&n

bsp; “Yes, suicide or being killed is real death, the only way to leave alive is to let you leave through me, so choose yet.”

“Can.” Omi looked at Zi Yue and Lu Yuanqi beside him, a moment of pain.

Could Omi now leave them behind and leave the Memory Stone himself?

I can’t do it!

“What are you hesitating about, Don Omi, do you really want conscious death here?”

“No, Senior, I can’t do it when you ask me to leave them behind at a time like this.” Omi said painfully.

Shi Ling was surprised to see that Omi would rather die than leave.

“Omi, I told you long ago that this Lu Yuanqi and Zi Yue that you knew, the real history has long since perished, in the real history, they didn’t know you at all, you’re just having a dream of going back to the past, don’t be silly.”

Omi's inner torment, it could be imagined, although it was a dream, but it was too real, how to treat it as a dream, this month, they traveled around the mountains and rivers, they could be considered to have built a deep relationship, how could Omi abandon them, how could he say that he had to accompany them to finish these three months, even if he was dreaming, he had to dream for another three months.

At that moment, that old man laughed angrily, "Zhang San, even though you are a genius, unfortunately, you killed my grandson and I had to do something to strangle the genius."

Zi Yue cried, "Sooooo, I killed him, Oguan Jie was killed by me, don't kill Zhang San, sooooo."

"Hmph, Miss Zi Yue, my grandson doesn't dislike your unworthy birth and is devoted to pursuing you, but you are good, uniting this groom and killing my grandson. Don't worry, I won't make it easy for you, after I kill Zhang San, I'll sell you to a brothel."

"Oooh." Zi Yue cried sadly at the thought that her family had been wiped out.

Lu Yuanqi calmed down a bit and snorted, "Senior, my family may not be worse than yours, you better weigh it."

"Hahaha. Lu Yuanqi, you're the first genius beauty of the Laoshan Academy, the woman who attracted countless men to break their backs, but now you're like enough, sharing a man with someone else."

"I pooh, you're the dog."

"Lu Yuanqi, your grandfather and I, we still have a few encounters, today I won't kill you for the sake of your grandfather. After all, my grandson's death has nothing to do with you, but, Zhang San, he will die today."

Lu Yuanqi raged, "Don't you dare touch Zhang San to try."

“Slap.” Lu Yuanqi was knocked to the ground with a slap.

“If you dare to be rude to your elders, I will educate you on behalf of your grandfather, Lu Zhantian.” The old man said.

Lu Yuanqi’s mouth was bleeding.

Omi said, “Senior, Ou Guanjie has a bad character, he deserves to die, I advise you better weigh your words.”

“Pah.” Omi was also slapped and slapped to the ground, not at all on the same level.

“A dying man is still threatening old man, Zhang San, you’ve shown me your audacity.” The old man snorted coldly.

Omi’s voice resounded in his mind, “Omi, I’m asking you for the last time now, will you leave? If you don’t leave, you will lose your chance to live. As you heard, Lu Yuanqi won’t die, Ziyue will just be sold as a prostitute, and in two months, the entire memory stone will be still, so you can go in peace.”

Omi roared, “Ahhhh, why don’t you let me have fun for three months.”

Both Lu Yuanqi and Zi Yue didn’t understand how Omi suddenly said this.

That old man had already made his move and grunted, “Zhang San, go to hell and stay with my grandson.”

Saying that, the old man struck down with his palm towards Omi.

“Don’t.” Zi Yue and Lu Yuanqi yelled at the same time.

Omi profoundly felt the pressure from the Ancestor Realm, the locked, sure-to-kill intent was so powerful that it could not be measured, the sure-to-kill intent Omi had comprehended before was simply like the difference between a stream and a drop of water in front of someone’s true Ancestor Realm.

Just as a thousand golden moments passed, suddenly, the entire space went still, the old man’s palm went still in front of Omi’s forehead, everyone and objects around him went still.

Omi was stunned, what was going on?

At that moment, the voice of Shi Ling rang out, “Omi, I’m the one who stilled the entire world, so you’re the only one who can move around.”

“Ah, Senior, you saved me?”

“Hahaha, Omi, I actually just lied to you, you’ve been given the chance to leave, even if you’re killed, you can still leave alive.”

“Senior, why did you lie to me?”

“I just wanted to test you just a little, I wanted to see what kind of person you are. Now that I’ve tested you, you’re not bad, you’re a loving and righteous person, at least not one who is greedy and afraid of death, you didn’t leave them behind. Of course, even if you had left them behind, it wouldn’t have

happened, after all, it's human nature, but my impression is that your personality is a bit lower, a sane, death-fearing person."

"Senior Shi Ling, does it make sense to test me like this?"

"There's no point, maybe I'm bored, but I didn't arrange for this old man to come and kill you, it's true, I just suddenly tested you when he was trying to kill you." A second to remember to read the book

"So what am I going to do now that the world has stood still and I'm the only one who hasn't?"

"It's up to you, don't ask me."

Omi thought for a moment, immediately raised his sword and slashed the old man in front of him, the other man was petrified there motionless, allowing Omi to slash, the feeling was so good, it was like chopping wood.

After Omi killed the old man, Shi Ling lifted the stillness, and it was as if the entire world suddenly paused and then resumed playing the movie.

"Ah." Zi Yue and Lu Yuanqi had watched the old man kill Omi with a palm strike and were yelling 'no', but the next moment, zero point zero seconds later, somehow, the old man's head was on the ground.

"Eh?This?"

"What happened?How did his head go on the ground?"

"Zhang San, how are you?" Lu Yuanqi was too busy pouncing on the question, unable to understand what was happening but not caring, maybe some strong man was doing it in the dark.

“I’m fine.” Omi said.

Ziyue also pounced on her fortunately.

Omi felt a palpitation, he had just faced the clan master realm, and that slap gave Omi a very big shock, and because of that slap, Omi also had many epiphanies, about the killing intent, and also about the martial arts realm.

“What just happened? One second you’re about to die, and the next his head is rolling on the floor?” Lu Yuanqi asked.

“I don’t know, maybe there are strong people protecting me in the dark.” Omi didn’t tell the truth and casually lied.

“So that’s how it is.”

“Let’s go, let’s leave here right now.”

“Good.”

Omi immediately took them away from this place and arrived at a clear mountain forest.

Omi sat on a boulder in the mountain, quietly thinking about something.

A few hours.

It was only after that that Omi stood up.

Omi raised his palm and slammed it into the large rock next to him.

Omi immediately felt that his killing intent was at least ten times stronger than before, if his previous killing intent was one drop of water, then Omi was now ten drops of water. Of course, compared to that old man, the difference was very far, people were a stream, ten drops of water in front of a stream was simply incomparable, but they were in the realm of a true cleric, so it was normal.

Omi's killing intent had increased from one drop of water to ten drops of water, and his strength had increased tenfold.

Omi was sure that if he were to face Wang Qi now, Omi would have absolute confidence in crushing him.

Wang Qi's mortal intent was estimated to be only 1.5 drops of water, less than two drops of water.

In Omi's intent, it could be clearly felt that the must-kill intent existed as if it was a drop of water.

“Phew, now my strength is enough to crush Wang Qi, thanks to the slap between life and death that almost killed me just now by that Zongshi realm, I've realized so much.” Omi said inwardly.

Omi's realm, however, hadn't changed much, only a slight feeling that he was still a little farther away from breaking through to the peak of the Unity Realm Grand Perfection. But that wasn't what mattered, what mattered was that Omi was now back in the Yanhuang Empire, enough to exterminate Wang Qi.

Right now, Zi Yue was sitting under a tree, dazed and listless, and Omi knew that it was because her family had been exterminated.

Omi immediately contacted Shi Ling.

“Senior Shi Ling, can I ask you one thing.”

“Say.”

“Since you can make the Memory Stone’s space stand still, can you make sure that all of Zi Yue’s family members aren’t dead?”

“Sure. I’ll make the entire world go backwards, back ten days, and then just stop her family from being destroyed. But then, you will also go backwards.”

“Okay, thank you, for helping me for once.”

“Omi, originally I wouldn’t have helped you so rudely in the name of your compassion.”

After saying that, Omi found that the whole world started to recede.

It was like a movie, being pressed the backward button, fast backward, Omi found his body, falling backwards, and kept falling backwards, back to ten days ago.

Ten days ago, Omi was still touring a place called ‘Bai Luo Mountain’, and finally, when he retreated to Bai Luo Mountain, the space froze and then continued to ‘play’, unknown to anyone but Omi thought.

“Wow, that waterfall is so beautiful.” Zi Yue said happily as she pointed at the waterfall on the White Luo Mountain in front of her.

“Ziyue, let’s go over to the waterfall and play, we’ll go down for a swim.”

“Okay.”

Zi Yue and Lu Yuanqi both ran down to the waterfall to play in the water.

In Omi’s mind, Shi Ling said, “Omi, at this moment, the strong man who killed Zi Yue’s family is standing in front of Zi Yue’s house, because the world has gone back ten days, so he wasn’t killed by you either.”

“Senior, hurry up and help me stop him, it’s best to kill him.”

“Of course.”

At this moment, in Dan City, Zi Yue’s home.

An old man leaped and flew into the Purple House.

However, the moment he flew into the Purple Mansion, a lightning bolt suddenly struck down in the sky.

“Boom.” Sparks came out of that old man’s body, and in the blink of an eye, he was struck by lightning and burned into a blackened corpse.
