1558

Omi's eyebrows furrowed lightly and smiled somewhat playfully, "Are you saying that Zhen Wuxiang won't admit to being my little brother?"

"Yeah, boss, are you lying to me. By the way, when I found Zhen Wu Xiang, he was instructing Lu Yu Xi in martial arts,"

"No wonder." Omi snorted.

"Boss, is Zhen Wu Xiang really your little brother?"

"Nonsense, but now it seems that Zhen Wu Xiang is not going to recognize me as her boss." Omi's gaze revealed a hint of chill, this Zhen Wu Xiang, it's really interesting, thinking that if she stepped into the first stage of Opening Light, she's a bull.

"Boss, what now? Zhen Wu Xiang doesn't recognize you as the boss, we can't force others ah, besides, Zhen Wu Xiang is at the first level of enlightenment, we can't beat them, we can only let it go."

Omi snorted, "In my dictionary, there's no such word as forget it."

"Uh, boss, what do you want? Do you still want to force Zhen Wu Xiang to recognize you as the boss?" Tang was puzzled and looked at Omi.

Omi sneered at me, "Now, even if he kneels in front of me, I don't care if he's my little brother. However, just because I don't care doesn't mean I'll let him off the hook. He worshipped me as a big brother before, and I gave him dozens of spirit stones as a meeting gift, but now, he's only slightly accomplished and turned his back on me, thinking that my spirit stones are so easy to take, hmph." Omi snorted heavily.

"Boss, what do you mean?"

Omi said indifferently, "I'll make him regret it, alright, Tang Ming, you go down first and pay attention to Zhen Wuxiang's every move at all times." The first website [m.kanshu8.net](http://m.kanshu8.net)

"Yes, Boss."

Tang Miao went down, Tang Huan was busy asking, "Brother, count it, after all, that Zhen Wu Xiang is indeed a genius, aren't people saying that to offend a genius is to offend a future strong man."

Omi disdainfully said, "Future strong man, his little life is in my hands now, what future is there, besides, I will only make Zhen Wu Xiang unable to look up to in the future. He took my benefits before, but now he won't even acknowledge me without even saying hello, do you think I, Omi, am that easy to bully?"

"Can."

"Alright, sister, I will solve all the problems myself, you also go down first, the talisman hasn't been refined yet today, I have to start refining the talisman."

Tang Huan retreated and Omi began to refine the talisman, although Zhen Wuxiang's behavior was hated by Omi, it was not an important matter, so it was postponed for now.

At this moment, in Zhen Wu Xiang's quarters.

Zhen Wuxiang was waiting anxiously.

The dormitory that Zhen Wu Xiang lived in was also a single room, as he was previously ranked first to become an outer disciple of the Flying Cloud Sect.

Zhen Wuxiang waited for most of the day, but Omi did not come.

Zhen Wuxiang snorted, "There's no way that Omi's men haven't reported to Omi by now, Omi hasn't come for so long, he must not dare to come to me."

Zhen Wuxiang thought that Omi didn't even dare to let out a single fart, and became a bit smug and floored.

"Hmph, I thought that after Omi knew that I didn't recognize him as my big brother, he would immediately kill me in anger, but it's been half a day and not a single fart has been released, hahaha." Zhen Wuxiang laughed out loud.

After laughing, Zhen Wuxiang snorted, "Omi didn't dare to come and let out a single fart, he must have seen that I've stepped into the First Order of Enlightenment, he's no match for me at all, hmph, Omi, although I did worship you as my big brother first, but I was a

It's caused by the confusion of the time, I hope you stop here, otherwise, don't blame me for being rude. Also, Lu Yuxi, she's my woman, if you really dare to propose keeping her again, don't blame me for being rude."

It seems that people can change, after Zhen Wuxiang received countless pursuits, her heart started to swell, and now she didn't even care about Omi.

Unfortunately, he would be mistaken, the reason why Omi hadn't even come by now was not because he didn't dare to fart, but because Omi didn't take him seriously at all, to Omi, a Zhen Wu Xiang, this was such a tiny character, to clean up such a tiny character, where was the need for him to raise a crowd.

Omi finished practicing a thousand talismans by two or three o'clock in the afternoon.

Omi was also finally able to take a break.

"Someone come." Omi shouted.

"Boss." After hearing that, Tang Mumai busily ran in, Tang Mumai didn't know that Omi's talisman was made by him, everyone except Tang Huan thought that Omi had purchased it from somewhere.

Omi asked, "By the way, what is that Zhen Wuxiang doing today?"

"Boss, I've been having him supervised throughout the day according to your instructions, and according to the report that the scout just gave, Zhen Wu Xiang seems to be a bit proud of himself seeing that you didn't bother him, he thought you didn't dare to go after him."

Omi snorted in an idiotic tone, "I just haven't taken care of him yet."

"By the way, Boss, the scout also reported that Zhen Wu Xiang has arranged a date with Lu Yu Xi to watch the moon tonight in the bamboo forest at the back of the mountain."

"What? Dated Lv Yuxi to watch the moon?What's there to see in the moon."

"Yes, but we still don't know if Lv Yuxi will say yes."

Omi felt a sadness in his heart, although Omi had never thought of chasing after Lu Yuxi as a girlfriend, he had at least thought of keeping her, and if it was possible in the future, turning her into a girlfriend was also possible.Unfortunately, the falling flower was intentional and the flowing water was relentless, if Lu Yuxi really agreed to go see the moon with Zhen Wu Xiang, then Omi no longer despised her.

"Pay close attention to see if Lu Yuxi has agreed to go with Zhen Wu Xiang to see the moon."

"Yes, Boss."

Omi felt a hint of regret as he remembered that body of Lv Yuxi's.

But if she was really so cheap that she agreed to go to the bamboo forest to see the moon after only her first day of contact with Zhen Wu Xiang, then there was no need to even feel sorry for her.

In the evening, Tang Ming came to report, "Boss, the latest news from the scouts."

"Say."

"Lv Yu Xi didn't agree to go to the bamboo forest to see the moon, but Zhen Wu Xiang said that he would wait for her in the bamboo forest all night."

"Isn't Lu Yuxi very infatuated with Zhen Wu Xiang?Why don't you go look at the moon?"

"I don't know about that, but anyway, when Lu Yuxi received a message from Zhen Wuxiang, he flatly refused it.Then Zhen Wuxiang wouldn't give up, so he said he would wait in the bamboo forest for one night."

"Hmph, Zhen Wuxiang."Omi snorted, the fact that Lu Yuxi hadn't promised Zhen Wuxiang meant that Lu Yuxi hadn't been cheap to that extent.

"Boss, although Lu Yuxi refused to look at the moon, Zhen Wuxiang also said that he would wait for her in the bamboo forest all night, by midnight, would Lu Yuxi be moved and then go to the bamboo forest ah?"

Omi instructed, "Keep paying attention, if Lu Yuxi hasn't been there all night, that means she still has some salvation."

"Yes, Boss."Tang unknown immediately led the order.
