“Boss, is this kid crazy? I actually thought I was dreaming.”

Omi didn't even bother to look at him and said, “You guys give him a good beating, then hang him at the entrance of the Light Cloud Alliance, I'll come back tomorrow morning to take care of him.”

“Yes, Boss.”

Omi turned around and walked away.

There was a hissing howl from behind him.

“Bang.”

“Bang.”

A group of men, pressed Lie Yueye to the ground and viciously kicked, beat, stomped, punched, swung, slapped, and flattened.

And Omi had already returned to the Light Cloud Alliance.

Only after Leyue Eyes was beaten horribly did a group of men dragged Leyue Eyes back to the Light Cloud Alliance and hung Leyue Eyes at the entrance of the Light Cloud Alliance.

“Ooooooh.” Leyue Eyes was beaten, even crying would hurt his whole body, it was really worse than death. Today evening had already been scolded by his master, suffered a belly of anger, came to find Omi to vent his anger, and was beaten horribly, his body and mind were greatly traumatized. “Kid, you'll be hanging out here tonight, tomorrow morning, the old man will personally take care of you.” One of his men slapped Lie Yueye's face and said.

“Woohoo.” Leyue Eyes wanted to die, but unfortunately, he couldn't even do it now, I really don't know how Omi will take care of him tomorrow, seeing Omi's merciless look, I'm afraid it won't be less painful than what he's suffering now.

A night without words.

In short, tonight's outer disciples of the Flying Cloud Sect were a few happy families and a few sad. Some of them didn't sleep through the night, as they would be leaving the Flying Cloud Sect at dawn.

Early the next morning, Omi woke up.

When he opened the door, Tang Huan was up even earlier than Omi and was already in the courtyard taking in the aura.

"Brother, good morning."

"Sister, morning."

"Brother, what are you doing?" Tang Huan saw Omi heading out to the courtyard, busy asking.

"Oh, a trip to the front gate of the Light Cloud Alliance, last night I had a group of men, hanging that kid Leye Eyes at the front gate, this morning go out and clean up." Omi seemed as if he was talking about a small matter.

However, Tang Huan was shocked, "Who are you talking about? Moon eyes? Couldn't it be the one from the Heavenly Jewel City's Lie Yue Clan, who was accepted by Elder She Jun as a transmission?"

"Who else is there, this kid last night didn't know which muscle answered wrongly, pretending to compare in front of me and trying to make me kneel down to worship him." Said Omi, who had already left.

Walking out of the courtyard, Lu Yuxi was also up.

"Morning."

"Morning."

Lu Yuxi didn't ask Omi what he was doing, seeing that Omi had walked out of the front door, Lu Yuxi also moved her limbs and prepared to go out for a walk.

Omi walked to the entrance of the Light Cloud Alliance, and indeed saw a beaten and bruised man hanging upside down at the entrance of the Light Cloud Alliance.

The man saw Omi come out and was busy beating himself up.

"Leye Eyes, how did you sleep last night." Omi asked.

"Omi, let go of me."

"Let go of you? This place is the headquarters of my Light Cloud Alliance, how many people who come to my Light Cloud Alliance can leave intact."

"Omi, don't you forget that in Heavenly Jewel City, your Tang family is not on the same level as our Leyue family at all."

"Oh, threatening me to the point of death. Someone, put him down."

"Yes, boss." The two little brothers put Leyue Eyes down, but Leyue Eyes was tied up, so he couldn't leave even if he was put down.

"Boss.

, we already hit him hard last night, how do you want to punish him today?"

Omi said, "Since I've already beaten him, I'll just repeat myself, it's no fun, you two, brace his mouth."

"Boss, you are?"

"Pee." Don gave the two men a blank stare.

"Ah." The two men were shocked, and they suddenly understood what the boss wanted, they couldn't help but shiver, the boss is just ruthless ah, people who go against the boss really don't have a good end.

When Lie Yueye heard this, he shouted, "Omi, you dare."

Omi snorted, "There is nothing in this world that I don't dare, only what I don't want."

"Oooh." Leye's eyes were filled with despair.

Omi immediately pulled down his pants and stood in front of Lie Yueye's mouth, feeling as if Lie Yueye's mouth was a urinal, Omi stood in front of the urinal and shot into the 'urinal' with a clatter and precision. It was as if Leye's eyes were being pried with wine and was being held by two second year disciples who could not resist.

At this moment, Lu Yuxi, who was out for a walk, came out from the front door.

"Ugh." Lu Yuxi was stunned there when she saw the scene in front of her. Lu Yuxi had never thought to death that she was just out for a walk, and as soon as she left the house, she saw Omi urinating on a person's mouth. That was fine, it just so happened that Omi's penis was seen by Lu Yuxi.

"Rascal." Lu Yuxi blushed and turned her head away in panic, but after all, Omi's little brother was still young and didn't act like an adult, so it didn't matter just, and Lu Yuxi had always treated Omi as a child, but in the end, she saw something of a boy and felt somewhat embarrassed.

"Haha, boss, you've been seen by Lu Yuxi."

Omi snorted indifferently, "If I see it, I see it."

At this point, Omi shuddered and finished spilling.

"Boss, you've been holding this pee all night, it's a great weight."

"Yeah, the boss is such a genius, I'm sure his urine is nutritious, it's really cheap for this kid." Another underling said flatteringly.

Omi said to the flattering underling, "In that case, I can squeeze out a little more, do you want some nutrition?"

"Ah, don't don't." That flattering subordinate's face went white, and he jumped away in a frightened panic.

Omi said to Lie Yueye, "Lie Yueye, in a good mood today, I'll let you off for now, get out."

Moon Eyes Leye didn't dare to say anything harsh, Omi is such a ruthless man, if he dared to threaten him again, I'm afraid he would have to shit in his mouth, so, Moon Eyes Leye gritted his teeth and crawled away from the Light Cloud Alliance.

Only after escaping far away did Leye Eyes grit her teeth and say, "Omi, I won't let you go."

"Ow ow ow." Leye Moon Eyes began to vomit in disgust.

An hour later.

Everyone was at the point of eating breakfast.

Leye Moon Eyes lost her mind and returned to Elder She Jun's residence.

"Mmm, it stinks, where is the smell of urine coming from." Suddenly, several disciples were busy covering their noses.

Everyone took a look, it was Leye Moon Eyes.

"Leye Moon Eyes, what's wrong with you?" Yang Qian was busy asking.

"Nothing."

"Lie Yue Eyes, you didn't come back for one night, where the hell have you been, why are you bruised and swollen, and you smell like urine."

"Me."

"Say, Leye Eyes." Yang Qian shouted.

Only then did Leye Eyes say what she really wanted.

"What to do? Are we going to go to the Don's office."
