

King of kings

Chapter 1601

"Omi, although I'm grateful that you didn't throw me into the latrine, you're too bullying, I can't act as if nothing happened, I'm at least a Miss of the Universal Immortal Family, how can I let you bully me like this, I'm going to find my cousin." Yang Ziyun said and walked out of the place where she lived.

"Ziyun, where are you going?" Walking to the door, I ran into Wang Ju Peng and a few other people ranked in the top twenty, they had also already showered and washed off their stench.

Yang Ziyun said, "I'm going to look for my cousin, my cousin is a mentor of the Flying Cloud Sect, I didn't want to look for him, but I'm at least a lady of the Ten Thousand Years Cultivation Family, I can't just say nothing."

"Your cousin is a mentor?"

"Yes, my cousin's name is Yang Qun, he was the second batch of disciples taken in by Elder She Jun of the Flying Cloud Sect back then."

"Ah, your cousin's master is Elder She Jun?"

"Yes, it's the second batch of disciples that Elder Shejun took in thirty years ago, but now everyone else has graduated except for my cousin who is still serving as a tutor in the Flying Cloud Sect. The disciples beside Elder Shejun now are the third batch of disciples he's received."

"If your cousin is so awesome, why didn't you say so earlier."

"I didn't want to use this relationship, Omi forced me to, alright, I'm going to go find my cousin." Yang Ziyun said walking away, Yang Ziyun didn't want to do anything, she just wanted Omi, an arrogant person, to get the punishment he deserved.

At this moment, at the Light Cloud Alliance.

She Jun will be here soon. Remember the website .kanshu8.net

"Meet minister young."

"She-kun, you're here."

"What does my young minister want?" Shejun asked.

"A junior elder will come to trouble me later, your chance to make a merit has come, and if you do it to my satisfaction, our previous score will be wiped off."

"Uh, which junior elder is coming to trouble you?"

"How do I know which one, it seems like it's already here."

Sure enough, in the distant sky, a woman stepped on a flying sword and came flying at a rapid pace.

"That's her." Omi said with a flick of his mouth.

Shejun turned her head and instantly recognized her.

"It's her, Elder Liang Jinhua."

Omi asked, "Is Elder Liang Jinhua very strong?"

"That's not true, how strong can a female streamer be, but you can just look for Elder Ping for this."

"Why do I need to find Elder Ping?"

"Rumor has it that Elder Ping and Liang Jinhua, they have a private affair, and Elder Liang Jinhua's backstage in the Flying Cloud Sect is Elder Ping."

"Oh, what a coincidence, it's Elder Ping's mistress."

At this time, Liang Jinhua had already flown up.

Liang Jinhua immediately saw Quan Zhi, who was lying beaten on the ground.

"Chi-er." Liang Jinhua shouted.

"Mother save me." Quan Zhi said in pain.

"Who, who is it."

Before Quan Zhi and Quan De could speak, Omi shouted, "It's me."

"You're Omi?"

"You actually know my name, so you're asking who it is, knowingly." Omi scowled for a moment.

Liang Jinhua said angrily, "Omi, you hurt my two sons, if I don't kill you today, my anger will be hard to appease."

Omi laughed, "If you want to kill me, first ask my subordinate Shejun if he agrees."

"What? Your man She-Gun?" Liang Jinhua then saw Elder She Jun next to Omi.

At this moment, She Jun could not wait to strangle Omi to death, saying that he was Omi's subordinate in front of Liang Jinhua, it was too disgraceful.

But what could She Jun do, he couldn't deny that he wasn't one of Omi's men in front of his face, right?

In his heart, She Jun scolded Omi a hundred thousand times, but with his mouth, he had to say, "Yes, if you want to kill me less, first ask me if I'll agree."

Liang Jinhua was startled, "Elder She Jun, am I sure I heard you right? He's the one you're working for?"

She Jun nodded helplessly, "Right, Liang Jinhua, let's just forget about today's matter, otherwise, I will be offended."

"Hahahaha, hahahaha, how ridiculous, the hallowed She Jun elder is actually the underling of a little kid, She Jun, the Flying Cloud Sect's face has been disgraced by you."

She Jun was depressed, "Liang Jinhua, anyway today I won't let you hurt my youngest."

Liang Jinhua gritted her teeth and said, "So, you must be against me."

"I am also helpless." Shejun said.

With an angry face, Liang Jinhua lowered her voice and said, "She Jun, you should know that I have the backing of a mid-level elder in the Flying Cloud Sect's circle of elders." Liang Jinhua's voice didn't say very loud, maybe not very glorious.

Inside, She Jun said, "Excuse me, your paramour, Elder Ping, is also under Omi's thumb."

However, She Jun didn't say anything, after all, whether or not Liang Jin Hua was having an affair with Elder Ping, there was no evidence, so it was not good to say anything.

She Jun said, "I'm sorry, I don't care if you have a backstage in the Flying Cloud Sect's Elder Circle or not, I will not allow you to harm Young Minister."

"Shejun, so you must be against me."

"Right, Liang Jinhua, you are not as strong as me at all, I believe you yourself understand, I can only give you my best advice at this moment, leave the matter alone, you lead your two sons back and forget about this matter from now on, this is your best choice, believe me, I won't lie to you." Shejun was indeed sincerely advising her to rest in peace.

However, where did Liang Jinhua listen to this and said, "She Jun, you forced me to do this."

"I can't help it, let's force it." Shejun said.

Liang Jinhua gritted her teeth and said, "Alright, Shejun, I might as well tell you that I have a good relationship with the middle elder of the Flying Cloud Sect, Ping Qiu Yue, and he has recently befriended a young master from a Super Immortal Family, so you better think carefully if you have to go against me."

Shejun was stunned, "Ping Qiu Yue has recently befriended a young master from a super Immortal cultivation family?"

"Right."

Shejun inwardly said, "Could it be, referring to the minister less?"

Nine times out of ten, She-Gun can't help but be amused, the young master of that super family you said Ping Qiu Yue befriended is the same Omi you want to kill at the moment, alas, what a tragedy.

"She-Gun, how is it? And you're going to defend him?" Liang Jinhua asked.

Shejun smiled, "I'm sorry."

"Good, Shejun, I hope you won't regret it." After saying that, Liang Jinhua looked at Omi and snorted, "Little bastard, with Shejun here today, I'll let you live one more day."

Liang Jinhua Ton flew away quickly with his two sons.

Shejun sighed and said under his breath, "And why are you bothering." It seemed that Shejun knew that Liang Jinhua would go to Elder Ping, but unfortunately, ah, he didn't know that Elder Ping was also Omi's subordinate.

She Jun turned back to Omi, who was flirting with Lu Yuxi, as if he didn't take Liang Jinhua's threat just now into account at all.

After Liang Jinhua left with her son, Quan De was busy saying, "Mother, I will never let that Omi go."

Li
