Tang Hu came yelling, "Who let you in, don't you know the family elders are in a meeting?"

Omi stood in the Hall of Council and smiled, "Tiger Lai, I haven't seen you for almost a year, don't you know me."

Tang Hu Lai was stunned, calling him 'Tiger Lai' so affectionately? Are they relatives?

Tang Hu Lai took a serious look and finally recognized it, wasn't that Omi? It's been a year since we've seen each other, and Don Omi has grown up a lot.

"Omi?" Tang Hu Lai's brows furrowed.

In the main hall, Tang Jingtian saw Omi and stood up violently.

In his heart, Tang Hu Lai said, "Omi should be dead, huh? I asked my two sons to destroy him a year ago, but my sons didn't write back after that, which means they've already destroyed Omi, why is Omi back now? Since Omi isn't dead, then why didn't my two sons write back to inform us."

Tang Hu Lai immediately calmed down and roared, "Omi, all the elders are having a meeting, what are you running in here for? Get out of here yet."

Don Omi said, "I'm coming in for a meeting."

"Ridiculous, what meeting are you having, get out." Tang Hu Lai roared.

At this time, Tang Jingtian was also busy saying, "Omi, get out." One second to remember to read the book

Omi said, "Fifth Uncle, I really came in for a meeting."

One of the elders snorted, "Omi, if you don't get out, don't blame me for throwing you out, thinking that just because you have a bit of talent you can be so insolent?"

Omi smiled and said, "As the new head of the Tang Family, of course I have to come to the meeting."

Everyone was startled and hummed, "Omi, do you know what you're talking about? If you keep fooling around here, Tang Jingtian won't be able to keep you."

Omi said, "Of course you know what I'm talking about, I'm saying I'm the new head of the family, the new official has three fires oh, be careful you'll be punished by me oh, everyone still don't hurry up and be nice to the head of the family."

"Bang." Tang Hu Lai slammed the table and roared, "Omi, are you looking for death?"

A murderous aura appeared on Tang Hu Lai's body, he seemed to want to kill Omi himself, to cut down the grass and eliminate the roots before Omi rose to power, moreover, the ancient slave family side also wished to kill Omi.

Omi smiled and said, "Tiger Lai, you are so rude to the family master, be careful of your life oh."

A black line appeared on Tang Hu Lai's face, clearly angry, and the other elders inside the palace, seeing Omi toying with Tang Hu Lai like this, all sweated and said inside, "Is Omi crazy?"

Not only everyone, even Tang Hu Lai felt that Omi was not crazy, otherwise why would he dare to speak to him like that, even if he dared to tell him about the danger of being careful of his life.

Tang Jingtian was busy saying, "Omi, get out quickly."

Omi turned back to Tang Jingtian and said, "Fifth uncle, I still have to deal with family affairs, I can't go out yet oh, I just took over the position of head of the family, there is still a lot I don't understand, I will need the assistance of fifth uncle in the future."

"You." Tang Jingtian wondered if Omi had gone crazy, going to the Flying Cloud Sect for a year.

"Omi, you stop it."

Omi said, "Fifth Uncle, it's you who should stop, alright, I have to deal with family affairs, that, Hu Lai, can you give up your seat for a moment."

Tang Hu Lai sneered, "Yes, come on."

In his heart, Tang Hu Lai said, "I'd like to see him try to

What are you doing, later, I'll behead Omi on the spot for being crazy."

Omi really did sit down on the family head's seat.

Everyone sucked in a breath of cold air, Omi really dared to sit on the seat of the family head ah.

Everyone doubted that Tang Hu Lai would kill Omi, it was too unruly.

Tang Hu Lai was happier at the moment, the more Omi died, the more reason he had to kill Omi.

After Omi sat down on the seat of the head of the family, he said, "Elders, please make sure you take good notes, the head of the family is going to start the meeting, before the meeting, I'm going to criticize one person, and that's Tang Hu Lai."

Everyone remained silent, seeing how long Omi wanted to make a scene.

Tang Hulai sneered, "Fine, what do you want to criticize me for, say."

Omi said, "Tang Hu Lai is a person, no, he is too bad at being a person, a year ago, I was such a genius, I stepped into the first stage of body refining at the age of 13, not only was he not happy for me, he was jealous of me and wanted to kill me."

"Omi, what are you talking nonsense about." Tang Hu Lai yelled.

Omi said, "Tiger Lai, just calm down, okay? It's not time to deal with your part yet, so don't rush to defend yourself just yet. All right, everyone, let me continue, after I went to the Flying Cloud Sect, the two brothers, Tang Go Bing and Tang Go Liao, tried to kill me. During the assessment, Tang Go Bing ambushed the Desolate Beast Forest in an attempt to kill me, but unfortunately, Tang Go Bing was killed by me and his corpse was gnawed up by a group of demonic beasts."

Tang Hu Lai yelled, "Omi, what did you say?"

Omi put his finger to his mouth and shushed him, "Tiger Lai, don't talk yet, okay? Let me finish."

With disbelief and a hint of nervousness inside, Tang Hu Lai stared at Omi with his eyes.

Omi continued, "After that, Tang Go Therapy asked me where his brother had gone, and of course I said I didn't know, and then Tang Go Therapy went to the Wild Beast Forest to look and look, and finally, I heard that he found a dung ball, and Tang Go Therapy loved his brother so much that he ate the dung ball. Then he got his brother's memories, and it turned out that I was the one who killed him, and then, Tang Go Therapy came to seek revenge on me, but unfortunately, Tang Go Liao was killed by me again, well, I finished, and the final result is, Tang Go Bing and Tang Go Therapy, both died in my hands."

"Hmph, with you." Tang Hu Lai snorted, it turned out that Tang Hu Lai was a bit worried, but when he saw what Omi said about eating dung balls, he knew that Omi was definitely talking crazy.

Omi said, "Tang Hu Lai, the next step is to deal with your problem, why did you write to your son to get rid of me in the Flying Cloud Sect? Is it because you're afraid that I'll take your family's headship in the future?"

Tang Hu Lai's heart thudded, how did Omi know about his letter writing.

Omi said, "Tang Hu Lai, did you think that what I just said, was crazy talk?"

"Doesn't it?" Tang Hu Lai snorted.

Omi took out two items from his storage bag, threw them at Tang Hu Lai's feet, and said, "Recognize these two items."

When Tang Hu Lai took a look, they were two storage bags, and he recognized them as belonging to his two sons.

"Ah, Bing'er and Liao'er's storage bags, why do you have them?" Tang Hu Lai's face changed.

Omi laughed, "Silly gripe, I killed your two sons, of course I took away all their storage bags."

Tang Hu Lai yelled, "Don't you dare say that again."

Omi trailed off, "Silly gripper, Tang Hu Lai is a silly hang, is that clear enough?"
