

King of kings

Chapter 1611

"Godfather, today's city meeting, I heard that the four major immortal cultivation families of Tianbao City will be going to the Holy Temple, can you take me to the Holy Temple?" Yan Xin Yi called Lie Yue Lu her godfather against her will, always feeling disgusted, but she had no choice.

"Even I'm not going, what are you going to do?" Lie Yue Lu flatly refused.

"Why didn't you even go to such a grand event?"

"I'm just a punk in the family, it's none of my business." Lie Yue Lu took a sip of wine and said, "Drinking early in the morning, you're really a waste."

Yan Xinyi was busy saying, "Godfather, maybe you're trash, but I'm not, I stepped into the first stage of body refining at the age of twelve, which is considered a very powerful person in the Leyue family, if you take me to the Holy Temple, I can definitely win glory for you. I've heard that anyone who is able to win glory for the family will be rewarded with a sum of spirit stones, I'll just give the reward to you then."

Lie Yue Lu's heart moved, as if that was the case.

Only then, Yan Xin Yi becoming the family's genius might not be under his control.

"No. Give me a good stay at home."

"Yes." Yan Xinyi was helpless.

Right at this moment, Yan Xin Yi said in her heart, "I'm in the mortal realm, and my medical skills are superb, but if I'm a mortal, I have too many ways to make a person sleepy, and I don't know if my medical skills are effective against people in the spirit realm."

Thus, Yan Xin Yi immediately said, "Godfather, let me give you a massage." One second to remember to read the book

"Uh, massage!" Lie Yue Lu's eyes twinkled, then smiled cheaply, "Since you're so filial, give your godfather a massage."

"Yes, yi-father."

A few minutes later, Leyuelu exhaled and fell asleep.

As a divine doctor in the mortal realm, Yan Xin Yi's ability to make a person sleepy was too simple, whether it was massage techniques or other techniques.

Yan Xinyi immediately left the courtyard while Leyue Lu was asleep and fled out of the Leyue Family.

"After escaping the Leye Moon Family, where should I go?The sky is big, but I have nowhere to go.It's just that I'd better go to the holy temple and take a look, maybe I can meet Windy or find out about him."

Yan Xin Yi immediately ran in the direction of the Heavenly Jewel City's Holy Temple.

At this time, outside the holy temple, Omi and Tang Huan, as well as Tang Jingtian had arrived, along with many, many Tang Family elders, stewards, and many Tang Family children.

Tang Jingtian looked a little nervous.

"Omi, now that the other three families still don't know that Tang Hu has come to die, what should we do."Tang Jingtian said.

"Just know it, what else can we do."

"Omi, before Tang Hu Lai was the strongest person in our Tang family, now that Tang Hu Lai is dead and the head of our family has become you, the other families will definitely take a stab at you ah, that Meng family doesn't matter, the key is the Lie Yue family and the Ancient Nu family ah, they are two of the strongest families in Tian Bao City, there are at least two or more strong people of the Spiritual Unity stage.Right now, with your strength, you simply can't deal with above the Spiritual Unity Stage."Tang Jingtian said worriedly.

Omi, however, looked around as if he hadn't heard Tang Jingtian speak and muttered to himself, "It should be here by now, why isn't it here yet."

"Omi, I'm talking to you, by the way, who do you think hasn't arrived yet?"Tang Jingtian asked.

"It's nothing, we'll know when we get down here, let's go and enter the sanctuary,

I am, after all, the head of the family, you are the acting head of the family, pay attention to the image."Omi said, directly into the holy temple, Tang Jingtian was speechless, what time is it, Omi does not worry about what to do behind, but also put on a show.

At this moment, in the sky, which was still more than an hour away from Heavenly Jewel City, Elder Ping drove his flying sword at fire speed.

Behind Elder Ping, he was followed by Elder Liang Jinhua.

Elder Liang Jinhua shouted, "Elder Ping, will Minister Young be angry if we go late."

"I don't know, we'd better speed up, Minister Shao's family is attending the martial meeting in Tian Bao City today, we don't want to be late."

"I really don't understand Minister Shao, why would he join such a lowly Tang family when he's obviously from a super powerful Xiantian family."Liang Jinhua said.

Elder Ping snorted, "Woman's opinion, what do you know, this is called low-profile by Minister Shao."

"Oh."Liang Jinhua oh, but inwardly said, "I see that Minister Shao is clearly pretending to be a comparison, today the four major immortal cultivation families in Tianbao City, I don't know which family is going to be unlucky again."

Elder She Jun didn't follow them because, She Jun had returned to Tian Bao City two days ago.

Elder She Jun was invited by the Lie Yue Family to attend the martial meeting as a special guest of their family, which would bring a lot of face to the Lie Yue Family.

At the moment, the Holy Hall in Tian Bao City was crowded with people, however, only the four major immortal cultivation families were allowed to enter the Holy Hall.

Omi walked into the holy temple, this holy temple was the same place where Omi had stepped up from the mortal realm.

Omi looked at the holy temple and was overcome with emotion.

"Omi, let's sit down at the place designated by the holy temple, the temple has four directions, southeast and northwest, one bearing for each family, our Tang family's location is on the west."

"Oh, good." Omi arrived at the west seat of the sanctuary.

At this moment, the west seat was already filled with the Tang family's elders and stewards as well as the Tang family's children.

When everyone saw Omi come over, they stood up to give up their seats.

In the end, Omi sat in the first row, representing the head of the family.

The people from the other three families, seeing a teenager sitting in the Tang family's head seat, were a bit confused and asked who that teenager was, how could he be so rude and dare to sit in the head seat, after asking around, they found out that the rude teenager's name was Omi, who was the genius of the Tang family who stepped into the first stage of body refining at the age of twelve a year ago. Although many people had never seen Omi, they had heard of the name 'Omi'.

At this moment, shouts came from the entrance of the temple, "The Ancient Slave Family Master has arrived."

Then, a man of the ninth step of Heart Shine entered the holy temple, he was the head of the Ancient Slave Family, named Ancient Slave Indang, a year ago, he heard that the Tang Family had produced a twelve year old who had reached the first step of Body Refining, so he called Tang Hu to come and destroy Omi.

Ancient Nun Indang sat down on their family's seat, then looked up to see a teenager sitting on the opposite side of the Tang family's seat.

"Hm? Where's Tang Fu? Why is there a teenager sitting in the seat where Tang Hu came from?" Gu Nu Indang asked.

One of the people beside him replied, "My lord, we've also found out, and we've just asked around, and the person sitting in the seat where Tang Hu came from is called Omi."

"What? Omi? A year ago, the Tang family's twelve-year-old genius, Omi?"
