"What, you're only 21?"

"Do I look old?"

"If you really want to get in, you can apply for admission to the hall, and when you're sure you're a genius, you'll be able to enter the main hall and practice with the other geniuses."The security guard said.

"Fuck, is it so much trouble, isn't it any simpler?You go tell Xia I'm going to challenge her."Omi was impatient.

Omi wasn't in the mood to be long-winded here.

"You want to challenge Xia Xiaoxin?"

"Hurry up and go, what?Not enough?Then I'll challenge the geniuses of the entire Heavenly Fragrance Hall, is that okay?Can we go inform?"

"You don't have to mess around here, if you really want to challenge anyone, you can go to the side of the main hall and bang on the drums, there are 30 drums over there, each drum represents one of the top 30 geniuses.If you want to challenge Xia Xiaoxin, then go and bang Xia Xia Xiaoxin's drum."

Omi went directly to the side of the Heavenly Fragrance Hall and indeed saw 30 drums.

Each drum had a marker name underneath it, and anyone who wanted to challenge anyone could bang the corresponding drum, not only those outside, but even those who didn't enter the top 30 of the Heavenly Fragrance Hall could also bang it, thus taking their place.

Omi thought about it, walked in front of Xia Xiaoxin's drum and punched it up. Remember the URL . kanshu8 . net

"Bang."The drum rang.

At this moment, in the Heavenly Fragrance Hall, a group of people were cultivating in the main hall, when a sandbag fell from the roof, and the spot where it fell was the spot where Xia Xiaoxin was sitting.

"Ah!"Xia Xiaoxin was shocked, someone challenged her, the others in the main hall also looked over.

At the front of the main hall, a man of about 26 years old came up in a panic and said, "Xin, someone is challenging you, let's go, I'll go with you."This person was precisely Xia Xiaoxin's family's fiancé who had betrothed her, Mitty Shells.

It was also Xia Xiaoxin's first time being challenged by someone, as she had just recently entered the list.

Above the palace, an old man said, "Xia Xiaoxin, go out and fight, if you lose, leave this palace and go to the next level."

"Yes, Palace Master." Xia Xiaoxin was busy flying down the main hall, the rest of the people also followed to see who challenged Xia Xiaoxin, and if Xia Xiaoxin could win back the position.

The Heavenly Fragrance Hall had a total of 7 layers, each layer represented a different meaning. The seventh floor, the most glorious place and the most suitable place for cultivation, here, there were only 30 positions.

Omi waited by the bell and drum for a short time before he saw Xia Xiaoxin leap out from the high wall.

Omi was about to call out Xia Xiaoxin's name, but it suddenly occurred to him that Xia Xiaoxin would definitely not recognize Omi's appearance at the moment, but it wasn't like Omi was revealing his true body right now, as he hadn't yet practiced the Ninth Blade of Shura.

"Who are you? Are you challenging me?" Xia Xiaoxin asked after landing on the ground.

Omi looked at Xia Xiaoxin, compared to when she was in the Flying Cloud Sect before, she had indeed grown a little taller and her chest had also risen a little higher, it really looked like she was getting more and more girlish.

"Not bad." Omi looked at Xia Xiaoxin with a nod of his head, looking like he was admiring her beauty.

"What did I ask you?" Xia Xiaoxin knitted her brows.

Omi said, "I say it's not bad, no wonder you were rated as the most beautiful beauty by the people of the Four Seas, hehehehe." Omi stroked his chin, his eyes still looking at Xia Xiaoxin's entire body.

At this time, another group of people followed out, and one of them, a man of about 26 years old, said angrily, "Hey, who are you, you eye

Where's the eye looking?"

Omi simply ignored that man, to Xia: "Xia Xiaoxin, my name is Feng Tianya, come on, fight me."

The 26-year-old man saw Omi ignore him and bellowed, "Feng Tianya, are you F*cking tired of living, I'm talking to you?"

Omi looked at the man and grunted, "Who are you? Why am I talking to you?"

"Fuck you, my name is Mitty Sheller, I'm Xia Xiaoxin's fiancé, what do you think?" The Mitty crustacean roared.

"Uh, so you're the Mitty Shell Gryphon." Omi shook his head straight as he looked at the Mitty Shell Guru, thinking what a bullish genius he was, but it turned out that he was just a weakling of the eighth stage of Spiritual Harmony, and it looked like he was older than Omi.

Omi said, "Xia Xiaoxin, I heard that you have a fiancé, but I didn't expect it to be this kind of goods, you have poor taste, you like this kind of goods too?"

Xia Xiaoxin was a little anxious, "What are you talking nonsense, this is the family booking, I."

Xia Xiaoxin was also quite depressed inside, in fact she hated that shithead to death.

Xia Xiaoxin couldn't help but think of a person that was in the Flying Cloud Sect.

That person was lawless in the Flying Cloud Sect, but Xia Xiaoxin couldn't forget it.

That's right, that person was the same Omi that Xia Xiaoxin had been a bit smitten with when she was in the Flying Cloud Sect.

At first, she was only a little smitten, but now, the more she didn't see him, the more she found that it wasn't just smitten.

Xia Xiaoxin was unhappy, and she really wanted to return to the Flying Cloud Sect to see Omi once more.

Recently, Xia Xiaoxin had also heard that Omi had confronted the Ning Family of the Four Seas and killed two of the Ning Family's out-of-body stages, although Xia Xia Xiaoxin didn't know how Omi had done it, she was impressed. Worthy of her impression of the lawless Omi, when both her grandfather and grandfather Yunde had to kneel down, at that time, she felt that Omi was simply nobody, but now that Omi had even killed the out-of-body stage, Xia Xiaoxin's impression of Omi was even more unknowable.

Unfortunately, there was no possibility of her and Omi because she didn't deserve it, and Omi didn't like her at all, and she was also arranged to marry by her family.

All of all, there could only be a sigh of relief, I didn't expect that the elder would have so many troubles.

Omi saw Xia Xiaoxin's dazed appearance, busy saying, "Hey, what are you dazed about, won't you accept my challenge? Still, thinking about which man, hahaha."

"Don't talk nonsense." Xia Xiaoxin glared and blushed slightly, not expecting that she was really right, she did just lose her mind thinking about Omi.

The man called Mitty Shells bellowed, "I'm her fiancé, all she thinks about is me every day, if you dare to say anything nonsense, I'll be careful I'll kill you."

The other party didn't seem to have noticed Omi's realm, otherwise, they wouldn't have thought that Omi could duel with Xia Xiaoxin, subconsciously thinking that Omi had chosen to challenge Xia Xiaoxin because he was in the same realm as Xia Xiaoxin.

At this moment, an old man appeared, this old man looked so strong that Omi trembled a little.

Seeing such a strong old man appear, Omi couldn't help but squint his eyes.

That old man said, "You're at the fifth stage of Spiritual Harmony?"

"Yes." Omi nodded his head.

The others were shocked, Omi was actually at the fifth step of Spiritual Harmony, Xia Xiaoxin also frowned, "Why are you challenging me at the fifth step of Spiritual Harmony, I'm only at the fifth step of Heart." Xia Xiaoxin rolled her eyes.
