"What do you mean? A Maharishi ally?"

"Right."

Omi told Mu Qianji in detail about the Blue Fox Lily.

"Are you sure you can help that Light Water and fuse Blue Fox Lily's infant?"

"Of course, if I don't have that skill, what am I hanging around for."

"How long will it take?"

"It's impossible to determine exactly how long, but don't worry, by the next time the Rainbow Bridge opens, I will definitely be able to have Light Water completely replace Blue Fox Lily, by then, we'll head to the Sixfold Sea and it won't be a breeze, if we find that spirit stone palace of the Nine Daoist Demon King, I think it's not impossible for us to soar to the Mahayana stage. The Nine Dao Demon King is someone from a long time ago, back then, maybe even the eighth grade spirit stones still existed."

"It's better to be said that sure first, let's talk about it then. You go back first, I only want to focus on teaching Yuan Ling to embark on the path of immortal cultivation now." Mu Qianji said.

Omi laughed, "Qianzhi, you're just disguised as this peasant woman, don't really think of yourself as a peasant woman, that young girl just now, she's not your daughter ah."

"Of course I know, there's nothing to do anyway, so what's wrong with helping her, anyway, when the rainbow bridge opens, you want me to give a shout."

"Alright." Since that was the case, Omi didn't bother Mu Qianji anymore. One second to remember to read the book

Before leaving, Omi asked, "Thousand Extremes, won't you ask if I had anything to do with that beautiful daughter-in-law of Blue Fox Wuji?"

"Uh, don't want to ask."

"Why? Back in the mortal realm, you used to care."

"In the immortal world, even the body can be taken away and exchanged, what's the point of caring about that, nowadays I don't think about it that much, really, I don't care if you've had anything with other women or not, as long as you don't let me know in front of me, you can do whatever you like." Mu Qianji waved her hand, as if she didn't want to control Omi, she had already seen very little of it.

Omi nodded his head and walked away saying, "Don't worry."

Omi walked away a little guilty, but Omi swore that there would be no next time.

Omi didn't intend to return to Blue Fox Wuji's home either, Omi would be looking for a new identity, and in the following days, Omi would mainly be helping Light Water and fusing Blue Fox Lily's infant, so intentionally he would spend the vast majority of his time with Light Water.

Of course, Light Water was also beautiful, but Omi had boundaries.

Half a year later.

"Congratulations, Light Water, you've completely fused with Blue Fox Lily's infant. You've now completely replaced Blue Fox Lily, and Blue Fox Lily's Mahayana Realm is yours as well. It's just that there's a bit of regret."

"What regret?"

"You take off your Yuan Infant for a while."

As soon as Light Water nodded her head, her YuanYing took off her body immediately, and her golden YuanYing hung overhead.

Omi saw that Light Water, who was extremely beautiful in appearance, but the appearance of her Yuan Infant was ordinary, and the appearance of the Yuan Infant was different from that of her body.

"See? Since you're fusing someone else's infant, the infant's appearance is still Blue Fox Lily's, not the same as your body."

"It doesn't matter, it's okay if the YuanYing is ugly, everyone isn't showing their faces as YuanYing anyway."

"It doesn't matter about the relationship, it's just that it's a bit unfortunate that it's not the same inside and out. Light Water, you've become a Mahayana now, although you've gained access to Blue Fox Lily's memory information, you don't really have the ability to fight, so if you really want to become a qualified Mahayana, you'll need a lot of effort in the future."

"Mmhmm, thank you Tang Shao."

p; "Alright, in front of outsiders, don't call me Tang Shao, my current identity is your servant. Counting the days, in a few months, the Rainbow Bridge will open, you now have to quickly integrate into the identity of the Blue Fox Lily, when the Rainbow Bridge opens, my wife and I will be on the Rainbow Bridge, this point still needs your help."

"Understood, don't worry, I'll do it."

"Oh, then I'll leave first and go look for my wife, after all, it's been more than half a year since I went looking for her, you know." Omi blinked his eyes and smiled hehehe.

Light Water was stunned, then understood, her face couldn't help but blush, she bowed her head and said, "Tang Shao, you have given me life and a new life, in my heart, I am already Tang Shao's person."

Light Water seemed to be telling Omi that she could let him manipulate her.

Omi waved his hand, "Don't, you and I are just ordinary friends, alright, I'm leaving. "

"Respectfully, Tang Shao." Light Water looked a little regretful, if only Omi was really willing to manipulate her.

Omi came to the peasant woman's house again, but Omi didn't go in, just stuffed a letter.

At eight or nine o'clock in the evening, Omi waited at that home of Blue Fox Chong, and soon after, Mu Qianji came.

Omi's letter asked Mu Qianji to be here tonight.

"Thousand Jie, you've come."

"Why have you come to see me again, is the Rainbow Bridge about to open?"

"Oh, Chichi, I'm a man, and I have desires."

"Hmph, don't pretend." Mu Qianji trailed off.

"What am I pretending I am."

"I don't believe that you wouldn't have been with other women for more than half a year, that light water, didn't you say she was beautiful, and Blue Fox Wuji's wife."

"A thousand truths, I definitely haven't touched any woman in these half a year, that light water, I helped her completely fuse Blue Fox Lily's infant today, when I left, she intended to show herself, but you know me, not good this mouth."

"Slick, who knows if it's true. Besides, it's pointless for you to do that."

"I'll go, I'm so clean, and you say it's pointless, you make me feel like I've been holding out for the last six months, it's pointless."

"Alright, you can do whatever you like tonight." Mu Qianji blushed and said softly.

"Hahaha." Omi pounced on it with a big smile.

A few hours later, it was already the latter half of the night.

Omi and Mu Qianji lay in each other's arms.

"I'm going out of town tomorrow." Omi said.

"To see them?"

"Well, I hope they're alright, it's been more than half a year since I've been to see them."

Mu Qianji said, "Seriously."

"Say."

"You really don't mean a little bit to Tang Huan? You really never thought of turning her into your immortal partner?"

“You’ve done it again.”

“And Lu Yuxi, these two great beauties, if you don’t want them, they’ll be cheap for other men.”

“They’ll find true love.”

“Speechless, your teacher’s wife, do you have any idea?” Mu Qianji asked laughingly.

“Thousands of things, don’t talk nonsense.” Omi was shocked.

“Hey, so serious, if you are mindful of the status of the mortal realm, I don’t think it makes sense, in fact, if you really mean that, maybe Yan Xin Yi will slowly accept it.”
