

# King of kings

## Chapter 1751

"Oh, this is the dragon born dragon and phoenix born phoenix, big brother Immortal, there's nothing wrong, I'll go back first."

Blue Fox Immortal was busy saying, "Sister Lily, what's the hurry, do you want my brother my place to drink a few cups."

"Immortal Big Brother, no go, I still have to go back to cultivate and try to recover my strength as soon as possible."

"Sister Lily, it's not that bad of a time."

"Thanks for the invitation Immortal Big Brother, next time." Light Water was very eager to get rid of it.

Blue Fox Immortal was a little depressed when he saw that Lily was very determined.

If it was before, he definitely wouldn't have invited it again and again like this, but now that Blue Fox Lily had changed into such a beautiful body, it wasn't strange that he had any thoughts ah, after all, Immortals were also men and would have desires when they saw a beautiful woman.

"Immortal brother, then we're leaving."

"Wait."

"Immortal big brother, is there anything else?"

Blue Fox Immortal looked at Tang Huan and smiled, "Truth be told, I'm lacking a service there, I think this girl is quite suitable, how about you let her go back with me, don't worry, since she's a relative of the original owner of your body, I naturally won't slack off. I guess, Sister Lily won't refuse brother me here ." Remember the website .kanshu8.net

Omi's eyes were annoyed, the Seer was really capable of doing anything. Looking at Blue Fox Immortal's eyes so sure, he knew that he felt that Blue Fox Lily had no reason to reject him, an outsider, there was no need to offend him, right?

As for what would happen if Blue Fox Immortal brought Tang Huan back, one could tell with one's feet.

Light Water looked at Omi and saw the anger in Omi's eyes.

Light Water immediately refused, "Sorry, big brother Immortal."

Blue Fox Immortal was furious, "Sister Lily, you're going a bit too far. It's just an outsider, besides, if you go to my place, can't I help her? In fact, going to my place, I can only help her more."

Light Water remained resolute and said, "Immortal Brother, I'm so sorry, you can't touch any of them."

"Lily, you disappoint me so much, are you sure you want to anger me?"

Light Water immediately felt a tremendous pressure, and the Blue Fox Immortal had already exerted his authority over her.

"Immortal Brother, unless you step over my corpse, I will never allow it."

"You, well, Lily, if you don't give me a reason, I'll just take one away, and there's nothing you can do about it." Blue Fox Immortal raged.

"Immortal Brother, they are the good sisters of the original owner of this body of mine, do you think I will allow it?"

"Hmph, what good sisters, you're just taking away someone's body, it's not like you've inherited her identity, they're just outsiders to you."

"Immortal brother, in short, I will never allow it."

"Then it's not up to you." After saying that, Tang Huan disappeared in place and was swept away by that Blue Fox Immortal, and the Blue Fox Immortal disappeared in an instant, so fast that Omi and the others were unable to react.

"Tang Huan." Omi shouted.

Light Water immediately looked towards Omi and asked for help, "Tang Shao, I'm sorry, I tried my best, what should we do now?"

Even the Mahayana stage didn't know what to do, let alone Omi, the Mahayana stage was no way out.

Omi said, "You follow up immediately and fight to the death to not let Tang Huan be defiled. I'll immediately go find the Spiritual Ke Heavenly King, that Spiritual Ke Heavenly King, who has a better relationship with Blue Fox Lily, if he comes forward, he might be able to save Tang Huan back. Of course, if the Blue Fox is determined to leave Tang Huan behind without dying, then, forget it, let's go first."

p; "Good." Light Water immediately went after Blue Fox Immortal.

Omi said to the frightened-looking Lu Yuxi and Yan Xinyi, "You guys go to this address and look for Mu Qianji."

"Good."

Omi told them Mu Qianji's address, and then he went on a fiery quest to find the Spiritual Ke Heavenly King.

"Son of a bitch." Omi gritted his teeth, had he known he would run into that Blue Fox Immortal, he wouldn't have gone out today to bring the three of them in.

At this moment, at a certain palace, a shadow flew in, it was the Blue Fox Immortal with Tang Huan.

"Ah." Tang Huan was still screaming.

Blue Fox Immortal released Tang Huan and smiled, "Little beauty, don't be afraid, I won't hurt you, you just need to serve me well and serve me happily, there might even be benefits. I think you should know that I'm one of the Heavenly Kings of the Blue Fox Family, second stage of the Mahayana stage, in exchange for an ordinary woman, it's really a dream come true."

Tang Huan cried out, "I don't want it, I don't want it."

Blue Fox Immortal looked unhappy and said, "Little beauty, I hope you don't seek death, so ungrateful, there is only one result, death, understand?"

"Senior, please let me go, I'm really not suitable for you." Tang Huan pleaded.

"Don't worry, you're suitable for me, and you're also in the Merging Stage, right, how old are you? Is this body your real body? You show me your infant."

"I don't."

"Ungrateful." Blue Fox immortalized and pulled Tang Huan over, pressing his hand on the top of her head, laughing, "I didn't expect that this body of yours is your real body, you didn't take it from me, hahaha, I like it, little beauty, now I've changed my mind, you be my immortal daoist partner."

"I don't want it, whoever wants to be your daoist partner, I'd rather die than not."

"Little beauty, you seem to be very stubborn, this Heavenly King is a Mahayana, is he still not good enough for you? If you continue to be stubborn, beware of making this Heavenly King lose patience, and then you will only die."

"Sooooo." Tang Huan cried out, very helpless, the Mahayana stage was so strong that Omi couldn't save her.

Combination stage, Distraction stage, Mahayana stage, the difference was too far, one stage was one heaven and earth, even the Distraction stage, Combination stage was not a match, no matter if you possessed any magic weapon, not to mention, Mahayana stage was two great domains away from Combination stage, it was a complete comparison between a human and an ant.

Just at this moment, another silhouette flew in, it was Light Water.

Light Water shouted, "Blue Fox Immortal, if you dare to touch my people, I'm not done with you."

Blue Fox Immortal saw that Blue Fox Lily had actually chased here for an outsider of the Merging Stage, and became furious, "Lily, don't seek death."

"Hmph, even if you're looking for death, I won't let you touch my people."

"Blue Fox Lily, don't you think I really don't dare to lay hands on you?" Blue Fox Immortal filled with a roar of anger.

"Blue Fox Immortal, don't you dare force me."

"Good one to force you, you really don't know how to be ungrateful, then don't blame me for even doing you together." After saying that, the furious Blue Fox Immortal, with a swoosh, rushed towards Light Water, Light Water barely had any resistance, and was strangled and hung up by Blue Fox Immortal.

**“Blue Fox Lily, do you believe that I can pinch you to death with a single thought?”**

**“I’m also the Sky King of the Blue Fox Family, how dare you.”**

**“Blue Fox Lily, do you think you’re proud now that you’ve taken away a beautiful body? Do you believe I’ll destroy your flesh right now? I can completely kill your flesh body, your infant can only reclaim other bodies, at that time, I you lose the beauty of this flesh body, I’ll see how proud you are.” Saying that, the blue fox did not die to crush the appearance of Light Water’s flesh body.**
