

King of kings

1800

Omi looked to the sky, the sky was filled with guards, searching for the suspected murderer.

Omi's eyebrows suddenly moved, busy saying, "Yuyan, I found a way to leave, haha, I blame it on my stupidity, I didn't think of this method before."

"What method? It's not like the city is sealed and no one can leave."

Omi looked to the sky and said, "With so many guards sent by the Yew Dynasty in the sky, searching everywhere for suspected murderers, why can't we pose as guards? It wouldn't be easy to leave the Yew Dynasty if we posed as guards."

"Huh, yeah, but."

"Alright, feel free to wait for my orders tonight, I'll grab a male and two female guards and we'll disguise ourselves as them."

"Good."

At this moment, in the Moji Dynasty.

"Reporting to His Majesty the Long Emperor, the latest news, the Yao Youtian prince of the Yao Clan Imperial Dynasty has also been killed." A servant came in to report.

"What? Yao Youtian is dead, he was the Yao Clan's most promising next genius to step into the robbery."

"Yes, from the news coming back from the Yao Clan Dynasty, the person who killed Yao Youtian should be the same person as the one who killed Yao Yangtian." One second to remember to read the book

"What's the reaction of the Yew Dynasty now?"

"Your Majesty the Long Emperor, the Yew Dynasty is very angry and has decided that it was our people who did it, and I heard that several strong half-immortals from the Yew Dynasty are coming to us to hand over the murderer."

"But, but how am I supposed to know who the murderer is?"

"Your majesty, the person who went to rescue the princess is the one they identified as the murderer, anyway, your majesty should think about how to deal with it, the strong men of the Yew Clan Dynasty should be arriving soon."

Just at this moment, another report came from outside, "Report, Your Majesty, the three robbery strongmen of the Yao Clan Dynasty are here."

Mo Qing's face changed, and right now, he could already feel that in the distant sky, three powerful impositions were rapidly approaching.

In almost a dozen seconds, those three powerful qi arrived in the sky above the Mo Dynasty.

"Mo Green, come out." One of the Half Immortals yelled.

This yell was heard by the entire Mo Clan Dynasty, and everyone looked to the sky.

It seemed that the Yao Clan was really furious, and the killing of their most talented prince made them reckless.

Mo Qing didn't hesitate and directly flew out, meanwhile, in other directions, Ma Diao and Ma Force, as well as two other strong men of the first stage of the Tribulation, also flew out.

In the sky, a confrontation was formed.

On the side of the Mo Clan Dynasty, the strongest was Ma Diao, who was at the fifth stage of Tribulation, then Mo Qing, who was at the fourth stage of Tribulation, then Ma Force, who was at the third stage of Tribulation, and the last two were Liu Bing and Song Complaint, who were at the first stage of Tribulation.

On the Yao Dynasty's side, the strongest was an old man, who was at the sixth stage of Tribulation, and the remaining two, both at the fifth stage of Tribulation.

It could be said that this side of the Yao Clan Dynasty completely crushed the Mo Clan Dynasty.

The horse sculptor worshipped in fear, "Greeting senior Yew Bang, as well as fellow Daoists Yao Ai and Zhu Zhou."

Mo Qing and the others also panicked to pay their respects.

That Yaobang who was at the sixth stage of the Tribulation said with a face full of anger, "Don't talk nonsense to me, hand over the people."

The elder emperor of the Mo Clan was busy saying, "Senior Yaobang, who is the person you are talking about?"

; "Mo Qing, are you still going round in circles with me? Hand over the murderer who killed the two princes of my clan." Yao Bang roared, this roar was like a lion's roar, the entire Mo Dynasty's cups and porcelain bowls on the ground were shattered, and the lowest level immortal cultivators of the Qi Refining stage were directly roared by this roar, their eyes and noses and ears bleeding, and then fell to the ground and died.

It could be said that after this great roar, the capital city of the Mo Dynasty, at least tens of thousands of the lowest level immortal cultivators died.

Mo Qing felt Yaobang's anger and trembled in his heart, he couldn't help but look at the ground, the people of the capital city started to mess up, so many died at once, so everyone was scared, if the strong half immortals in the sky had a battle, then it wasn't the tens of thousands of bottom level immortals that died just now, but most of the immortals were affected.

"Hand it over or not?The murderer who killed our clan's two princes must be the one you sent to rescue Mo Yuyan."One of them, a fifth stage robbery powerhouse named Yao Ai, said.

Ma Diao was busy looking at Mo Qing and loudly scolded, "Mo Qing, you still handed over the murderer, you want to get everyone killed ah."

Mo Qing was a little angry, it was such a time, but Ma Diao was still trapping himself, Ma Diao knew, didn't even know who went to save the eldest princess, but he even said so to her face.

"Uncle Ma Diao, I just issued an imperial decree, I don't even know who the murderer is, and now my daughter hasn't come back yet, besides, are they admitting in disguise that the one who captured my daughter before was Yaoyang Tian?"

A Half Immortal of the Yao Clan snorted, "Yes, the one who grabbed Mo Qing before was Yao Yang Tian, look so what, now your daughter isn't dead, we have two dead princes."

Mo Qing said in anger, "You guys are too unreasonable, it was obviously your princes who captured my daughter in the first place, and now you're still looking for her."

"Cut the crap and hand over the murderer."

"Sorry, I don't know who the murderer is."Mo Qing snorted heavily.

That sixth stage of the other party, Yaobang, bit his teeth and said, "Mo Qing, don't look for death."

"What?If I don't hand it over, you'll kill me?Then do it, even if you kill me, I don't know who it is, besides, my father isn't dead, you'll regret it if you dare to attack me."Mo Qing threatened.Now he could only use his father's reputation as a threat, but he didn't know if his father, Mo Green, was dead or not.

"You."When one of the Yao's was about to shoot Mo Qing to death, he was stopped by that Yao Bang, "And wait, let him go first."

"But he won't give up the murderer."

Yao Bang's gaze was cold as he said, "Perhaps, he really doesn't know who the murderer is at the moment, but once his daughter returns in the next day, I want him to arrest the murderer himself, otherwise, he'll never spare them then.Mo Qing, do you hear me?"

"Hmph."Mo Qing just grunted, not saying anything.

Yao Bang gave a threatening look and flew away.

After the three Yao Dynasty Half Immortals flew away, all of them were relieved, especially the people on the ground, feeling a mountain on top of them shift away.

The horse carved looked at Mo Qing and said, "Mo Qing, this is what you've caused, if your daughter hadn't run amok and been taken away, would this have happened today?Fortunately, they have shown mercy today, otherwise this place would have been a river of blood today."

Mo Qing Dao: "Uncle Ma Diao, I never thought that you were such a person, just now you didn't help defend against the foreign enemies even if you didn't help, but you actually pushed the fire on me for your own safety.At this moment, you're actually saying such things, should I just ignore it because my daughter was captured?It's ridiculous that they, the Yew Dynasty, have had their own prince arrested and killed and still dare to come to the door and question him."
