"Oh, it's true that he should die, but it's like he's been dead for over fifty years." Omi laughed.

"It's precisely because he's dead that he's even more depressed, no one can be found to take revenge, Niu Dancing Water originally vowed to seek revenge on Zhou Mi. As a proud son of the heavens, he may very well have the chance to step into the Mortal Immortal and enter the court of the Yunluo Immortal Kingdom in the future, such a genius and his fiancée being defiled, it's hard to think about that. I heard that it was the first time when Belinda Ma was defiled." The last sentence of the shopkeeper's second sentence was very.

This shopkeeper was a bit long-winded and talkative.

Omi smiled bitterly.

Omi was also able to recall through his past life memories, when Belinda Ma and one of her girlfriends, went to Yunluo Immortal City to purchase some supplies, as a result, they were seen by Zhou Mi, who immediately abducted her to a dark place and gave her that, Omi remembered that Belinda Ma was indeed still a yellow flower girl at that time.

Omi, now that he thinks about it, feels sorry for Belinda Ma, who ruined her marriage.

After breakfast, Omi immediately went to the Ma family, Omi did not dare to be too wild, in case he was recognized, it was easy to be killed.

Omi arrived at the gate of the Ma Family, the Ma Family was also a very large place, after all, it was one of the three strongest families in Xixing Town.

At this moment, there were some people watching at the entrance of the Ma Family's gate.

"Hm?" Omi immediately went up.

"Auntie and uncle, what are you guys on the fence for." Omi asked politely. The first website

Those onlookers saw such a polite immortal, busy saying, "Senior immortal is polite, we, hehe, just now Niu Dancing Water from the Niu family came to the Ma family with a bad face, we are just taking a casual look."

"Niu Dancingshui? What's he doing here?"

"We don't know, but, just now, we heard some cursing coming from inside, I think."

"Oh."

Omi also immediately eavesdropped at the Ma family's front door.

Sure enough, it seemed to be quite loud in the Ma family's hall.

Omi wasn't satisfied with eavesdropping on some sounds outside, so Omi ventured to sneak into the Ma's house and ended up lying on the roof of the Ma's house, just in time to see a lot of people gathered in the Ma's hall.

At a glance, Omi saw that in the hall, Belinda Ma was full of lost souls, as if many people around her were accusing her.

Only a young man, with anger on his face, asked, "Belinda, tell me, what did you do yesterday when you entered the city? Why, when you came back yesterday, your maid told me that you had been washing yourself all last night." The last sentence of why, that youth was almost roaring hysterically.

This youth was precisely Belinda Ma's fiancé, the first genius of Xixing Town, Niu Danshui.

At this moment, Niu Dancing Water looked at Belinda Ma's appearance, angry and hateful, a woman, after coming back from the city and taking a night bath, this was by no means unusual, if it wasn't for the fact that the maid he had arranged for was a member of the Niu family, he definitely wouldn't know about this. Could it be that yesterday, when Belinda Ma went into the city, she was defiled again? God, Niu Dancing Water felt like collapsing, fifty years ago was defiled once by Zhou Mi, and yesterday was defiled by who knows who, does her Ma Yul'er surname defile?

Right now, Belinda Ma hadn't said a word, she didn't know what to say, she was disheartened, she had no shame in saying it. She had thought that

No one knew about this, but it was surprising that her maid had told Niu Dangshui early in the morning.

Belinda Ma silently wept under the aggressive gaze of dozens of people in the hall.

"Belinda, will you say it? If you don't say it today, withdraw your marriage." Niu Dancing Water shouted angrily.

The Ma family was busy saying, "Belinda, tell me, do you really want to be divorced ah, this spreads out, alas."

"Belinda, what happened yesterday when you went to the city, ah, tell me."

Belinda Ma said with tears streaming down her face, "Well, if you want me to tell you, I'll tell you. That's right, you guys guessed right, I went to the city yesterday, and, again, I got defiled, woohoo." After saying that, Belinda Ma cried out, how unlucky it had to be.

"Boom." At this moment, Niu Dangshui's brain boomed as if a thunderstorm had descended, although he guessed that this was the case, but after it was truly confirmed, the mood was another matter.

"No, no, no." Niu Dancing Water roared three times in pain.

Everyone at the scene was stupefied there, incredulous, somewhat sympathetic as well as pathetic, looking at Niu Danceshui.

Originally a pair of golden boys and girls that everyone in the town envied, but, now this was what had happened. Niu Dangshui was already disliked, repeatedly wanting to withdraw from the marriage, and now she was being forced even more so. At this moment, everyone didn't know how to comfort Niu Danceshui.

After Niu Dancing Water hissed three times, with tears in her eyes, she bit her teeth and looked at Belinda Ma and said, "Belinda Ma, how do you want me to scold you, fifty years ago, I wanted to make out with you, and you said that you wanted to leave your first time on your wedding night. Well, I respected you and never touched you. But, I didn't expect you to be defiled by that bastard Zhou Mi, that belonged to me, ooooooh; after you were defiled by Zhou Mi, I still chose to be with you regardless of the past, I wanted to make out with you again, but, you said, you haven't gotten over the defilement and didn't want to give it to me. Well, I still respect you, I haven't laid a finger on you in the last fifty years, and I gave you enough time to come out of the shadows. But, what the heck, you told me today that I've been tainted again, sob." The more Niu Dancing Water thought about it, the sadder and sadder he was, the fiancée's New Year's Eve he could no longer have, his heart was already very upset, but now he couldn't even get it a second time.

Belinda Ma cried, "I'm sorry, I'm not worthy, I'm already a dirty one, I'm not worthy of you, you want to quit, I'll fulfill you."

"Ahhhh." Niu Dancing Water yelled, why did the saddest thing in the world happen to him.

At this time, one of the elders of the Ma family asked, "Belinda, this time, who defiled you?"

"Yeah, who is it?" Everyone asked angrily.

Niu Dancing Water also gazed at Belinda Ma.

But Belinda Ma said, "What's the point of saying it, it will only add to everyone's troubles, in short, it's something we can't afford to offend."

"Say, don't say retreat." Niu Dangshui yelled with red eyes.

Belinda Ma said, "Withdraw your marriage, I no longer have the face to face you."

Niu Dancing Water heard that Belinda Ma really wanted to withdraw her marriage, and was suddenly afraid, in fact, Niu Dancing Water still liked it inside, after all, if he withdrew his marriage, where would he find such a beautiful one, although the pimple in his heart was already too big to go on, but if he withdrew, don't say the first and second time, all the future was not his share.

"No, I don't agree, I won't retreat." Niu Dancing Water was busy.
