"I'm sorry, Dancing Water, but I'm no longer good enough for you, and I want to withdraw my marriage."

"Belinda, you're sorry and you want to break off your marriage to me. Just because you're sorry? I didn't even say anything after being wronged so much, yet you want to withdraw your marriage with me, on what grounds?"

The people of the Ma family also persuaded each other, saying what, Niu Dancing Water didn't dislike her, so why dislike herself.

Just at this time, in the hall, one of the immortals suddenly shouted, "Who, who is lying on the roof?"

Omi was helpless, but he was discovered.

Omi had no choice but to fly down from the roof.

"Ah." Belinda Ma was startled when she saw Omi.

Omi smiled and said, "It's me."

"Who are you? Why are you lying on the roof of my horse's house?" That old man from the late Human Immortal stage asked.

Omi smiled, "I'm here to apologize to Belinda Ma."

"Apologize? Apologize for what?" People can't figure it out. Remember the website [.kanshu8.net](http://kanshu8.net)

Everyone immediately looked at Belinda Ma, only to see that her body was trembling and her eyes were looking at Omi with endless hatred.

When everyone saw Belinda Ma's reaction, they guessed something at once.

Niu Dancing Water roared, "Say, was it you who defiled my fiancée yesterday?"

At this moment, the entire hall was trembling.

Omi said, "Yesterday, I was almost assassinated by Julie Ma, after which I was quite unhappy in my heart, so, on impulse, I gave her that. However, the more I thought about it, the more I felt sorry for Belinda Ma, and I came here today to apologize."

"What? It's really you." Niu Dancing Water was trembling with anger, and he was about to collapse inside when he thought in his mind of the image of this person lying on top of his fiancée yesterday and galloping around. His own fiancée, who hadn't even had a glance at him yet, had been taken advantage of twice by someone else.

"I'm going to kill you." Niu Dancing Water's eyes were red, and killing intent emerged.

In the hall, a sensible immortal shouted, "Dancing water, don't be impulsive, just now Belinda said, this person has extraordinary power, can't afford to offend, mustn't bring disaster to your Niu family ah."

Niu Dancing Water gritted her teeth, "The one who insulted my fiancée is right in front of me, if I still don't dare to kill, I'm not worthy of being a human being."

Julie Ma was also afraid that Niu Dancing Water would do something impulsive and end up harming the Niu family instead, she was busy shouting to Omi, "Get out of here, I don't need your apology, get out of here. Do you really want to die, you've harmed me all my life, do you want to harm my fiancé's family again."

Belinda Ma didn't care about Omi's life, she was just afraid that Niu Dancing Water would kill him and harm the Niu family.

Omi, however, snorted, "A mere pre-human immortal halfway through his life, you even presume to kill me? It is not laughable. Belinda Ma, I am sorry that I have defiled you in a past life, but I never thought that in this life, I have defiled you. But what does it say about a woman that I have defiled her in a past life and in this life? It shows destiny. Belinda Ma, you and I are meant for each other, we can try dating and be my woman."

"Me f*ck you." Niu Dancing Water killed Omi.

"Bang." With a single move, Omi put down Niu Danceshui.

"Ah." Everyone was shocked, they all knew about Niu Dancing Water's genius, but they didn't expect to be knocked down by Omi with a single move.

Julie Ma was also shocked, originally she admired Niu Danceshui's strength, but she didn't expect that she couldn't block a single move in front of Omi.

Omi said, "See, this so-called first genius of Xixing Town is not worthy of you."

"You get out of here." Belinda Ma said.

Omi smiled, "If you don't agree to be my woman, or agree to try to date me, I won't leave, I'll stay at your house!

up. If your family is capable of killing me, kill me anyway, if I die here, you know, how will my father let you go."

Everyone's faces were furious, Omi was too shameless, he had forced someone else, and now he was still relying on someone else's house.

Omi looked at the Niu Dancing Water on the ground and said, "I announce that from this moment on, you and Belinda Ma have withdrawn from the marriage, get out of here."

"Bang." Omi flew up with a kick, directly kicking Niu Dancing Water out of the Ma family.

Niu Danceshui fell hundreds of meters away on the street, Niu Danceshui screamed in pain, but so helpless, the weak can only be slaughtered, even if his fiancée was defiled, now he was actually snatched away directly.

Omi said to everyone in the Ma family, "Dear uncles and aunts, I am Omi, Zhou Mi is the reincarnation of my previous life, my father is Zhou Tie, and now I have recovered my memories of my previous life. But don't worry, I'm no longer the same person I was in my previous life, I'm sure you've seen that the first genius of your Xixing Town is weak in front of me, it's not good to do anything to him. In the future, I will definitely be stronger, and I have come here today with sincerity. By the way, I also want to tell you one more thing, besides my strong spell talent and strength, I have another identity, I am also a first-grade Immortal Pill Master." Omi blurted out first.

"What, a first-grade Immortal Pill Master?"

The Ma family was shocked, what did a Grade 1 Immortal Pill Master mean, there was no doubt about it, that Grade 2 Immortal Pill Master Chen Ziqiu of the Yunluo Immortal Country, his status was so high, how much worse could a Grade 1 be.

Belinda Ma was also greatly shocked, a person of the status of a Grade 1 Immortal Pill Master was normally an existence she wasn't even worthy of touching yet.

Omi smiled, "There's no need to question it, although I haven't passed the examination of the Immortal Pill Palace yet and gotten my identity certificate as a Grade 1 Immortal Pill Master, I'll go for the examination sooner or later. Please also give me a chance, and give your Ma Family a chance as well. As you can see, other than the fact that I have defiled Belinda Ma in my previous and current life, the rest, whether it's my family lineage, my own talent, ability, and my appearance, all of them are worthy of Belinda Ma, and even spike Niu Dancing Water by an unknown number of streets."

The Ma family was stupefied there, and it was complicated.

One of the women asked, "You pervert, you haven't played enough with my daughter, you still want to play for a long time, right?"

Omi laughed, "You're right, I want to play for a long time, I plan to play for the rest of my life."

"You."

"You don't rely on your family's power and bully the weak."

"Heaven and earth's conscience, I really didn't bully you, I was sincere this time, Julie Ma gave me the first and second time, what reason is there not to follow me."

"Alright, today, I'll let you guys have a good discussion first, I'll recuse myself. However, no matter what the outcome of your discussion is, Belinda Ma I'm going to make up my mind, she's been my woman twice in a row, I will never allow anyone to take her away, goodbye, I'll stay at the Hongfa Inn in Xixing Town." After saying that, Omi turned around and walked away.

Everyone looked at Belinda Ma.

A man said, "This reincarnation of Zhou Mi does seem to be different from her previous life."

"Which so what, a man who defiled Belinda's life and still wants to marry him? It's a shame."

"But what if he is sincere, as you have seen, this Zhou Mi reincarnation, he is more handsome than Niu Dancing Water, his talent is stronger, his strength is even second to Niu Dancing Water, moreover, he is a first class Immortal Pill Master, you guys say, if Belinda misses out on this person, she won't be able to find such a good match in eight lifetimes."

“I think, this matter should be thought about carefully, it’s not just about Belinda, it’s also a big matter for our Ma Family, maybe, we can follow this person in the immediate future and soar to the sky, or take it to the next level.”

“The key now is to figure out if he is sincere or not, or if he is just having fun, if he cheats Belinda and plays for a year and a half and then throws it away, then don’t say it will only go up a level, it will only go down even further.”
