After saying that, that old man shouted, "Guards, blow him out."

Suddenly, out came a pre-Mortal Immortal man with a threatening gaze.

Omi could only walk out of the Immortal Hall first.

"Really f\*cking confused, he was the one who sneered at me first, I was just talking about self-study, he actually thought I insulted the Immortal Pillars and got mad at me, damn." Omi was so angry that he kicked a vase outside the Immortal Pillar Hall.

The old man who was a second-grade Immortal Pill Master, who probably thought he was a second-grade Immortal Pill Master and very powerful, suddenly heard Omi say self-taught and thought he had defiled the profession, a sacred and lofty profession, but he could actually learn on his own, feeling that his identity was suddenly devalued, no wonder it made him angry.

Yun Zi said, "Every Immortal Master is very proud of their high status, you just said self-study, it really made that person feel that he had devalued the profession."

"I'm originally self-taught, I'm just telling the truth." Omi was depressed.

That wild beetle asked suspiciously, "You're really self-taught? You wouldn't be intentionally deceiving people in order to elevate your talent, would you?"

Omi snorted, "My status is already so high, do I need to raise it again?"

"Uh." The wild moths had nothing to say and hummed, "Where are you higher, how do I feel you're low and pathetic."

Omi pulled Yun Zi over, kissed Yun Zi in public, and said, "I can kiss and sleep as much as I want to, Princess Genius of the Cloud Gong Immortal Kingdom, do you think I'm high or low in status?" First web site m . kanshu8.net

The wild worm blushed with anger and said, "Zhou Mi, you don't have to humiliate the princess."

"Don't bother to talk nonsense with you."

Belinda Ma looked embarrassed, these past ten days of contact, Belinda Ma already deeply doubted if Yun Zi really worshipped Omi too much to follow.

At that moment, Yun Zi said, "Are you sure you're a first-grade Immortal Pill Master? Able to refine a first-grade Immortal Pill?"

"Right."

"Then you can start by reporting Master Chen's identity, and say that you're a disciple of Master Chen of the Yunluo Immortal Kingdom Talent."

"I pooh, why should I report his identity to add to his glory." Omi said disdainfully, if Omi really appraised to the status of a first class Immortal Master, his status was very high, Master Chen had an additional Immortal Master disciple and his status had become even higher, how could Omi give him this advantage.

Yun Zi also said, "I have relatives in Upper Fey Yan Continent, why don't I go find my relatives, my relatives are also very powerful people in Upper Fey Yan Continent, perhaps, he can help you think of a way."

Omi hesitated and nodded, "Okay."

"Then come with me."

Omi forgave Yun Zi didn't dare to play any tricks, Omi could have not had to plead with anyone, but Omi couldn't contact the Devil King, otherwise, it might be possible to have another person cultivated by the Devil King help out. The Devil King had said that the other person he was cultivating was of such a high status that even the Emperor of the Yunluo Immortal Kingdom would have to treat him with respect when he saw him.

After that, Omi followed Yun Zi to a very splendid residence in Upper Fey Yan Continent.

Yun Zi said, "This is my cousin's house, my uncle is also a strong Earth Immortal, after you enter, don't speak nonsense."

After saying that, Yun Zi knocked on the door, soon after a butler opened the door.

"You are Yun Zi, right."

"Yes."

"Welcome Princess Yun Zi, I'll go inform your cousins and their cousins right away."

Yun Zi was busy, "My uncle, aunt and the others aren't here?"

&n

bsp; "They're out."

"Oh, good."

Not long after, a youth came first.

"Cousin Yun Zi." That youth shouted happily.

"Cousin."

"Sister Yun Zi, you haven't been here for almost thirty years, how come you're back here, hey, where are the others? Where is your father?"

"I'm the only one who came here, and a few of my friends." Yun Zi pointed at Omi and the others.

"Cousin Yun Zi, how dare you come alone and not bring a strong mortal immortal to accompany you, you're so beautiful, something will happen to you." That young man snapped.

"Oh." Yun Zi's expression was a bit strange as she laughed, which of her came here voluntarily, she was forced to.

"Cousin Yun Zi, how many of them are?"

Yun Zi busily introduced, "This is Wild Dodo, my guard, this is Zhou Mi, my friend, and this, my best friend, Julie Ma."

"Oh, Zhou Mi, how come this name is the same as the name of your Cloud Gong Immortal Kingdom's number one lecher more than fifty years ago." Cousin Yun Zi said.

Omi was annoyed inside, what a heck.

Yun Zi just heckled a bit and didn't go to defend Omi.

Omi didn't want to stay here anymore and said, "Yun Zi, you've seen them too, we should leave."

"Ah." Yun Zi was startled, why did Omi suddenly want to leave.

"Yun Zi, don't leave yet, prepare to retire here ah." Omi said.

"Zhou Mi, why are you suddenly in such a hurry." Yun Zi said very reluctantly.

Omi said, "A place that doesn't even know how to respect, why stay here, go." Omi's tone was non-negotiable.

However, Yun Zi's cousin was a bit confused, busy asking, "Cousin, what's going on, you're a princess, you're a friend, why are you being so verbose to you?"

"Me." Yun Zi was really bad to say, so she said, "Cousin, since my friend doesn't want to be here, we'll leave first ah, you can tell uncle and the others."

"Cousin, you can't leave, you've come to Upper Fernia Island, how can I let you go live somewhere else. Okay, okay, just now it was cousin's mouth that hurt your friend, it's always okay if I apologize to him."

Yun Zi's cousin said to Omi, "I'm sorry, brother, I just made a slip of the tongue and didn't think about it that much before saying it, please don't blame me. I'm sure your name, the general public's first feeling is like that, associating you with that person."

Omi snorted, as if he didn't really appreciate it.

Cousin Yun Zi was also noxious inside and said in his heart, "Little son of a bitch, if it wasn't for the sake of my cousin, I'd pinch you to death and dare to be high and mighty in front of me."

Yun Zi busy to Omi said: "Zhou Mi, my cousin has apologized to you, you should not be angry, you are a generous person, okay? Let's stay here, besides, we don't have anywhere else to go."

Omi said, "Alright then, for your sake, I'll reluctantly stay here."

Cousin Yun Zi's forehead was about to pop out black lines, but he was actually reluctant to do so, and most importantly, Cousin Yun Zi, why was he so accommodating to this person? Could it be that there is something about this man?

Yun Zi's cousin didn't say anything for the time being due to various considerations.

After that, several more men and women came, all addressing Yun Zi as cousins, cousins, cousins and so on, they seemed to be very close, this should be Yun Zi's mother's side of the family.
