Yun Zi sighed inside, she thought Omi would say something about her offering her soul.

Yun Zi had to go along with what Omi said and nodded, "Cousin, I'm sorry, I lied to you, Zhou Mi is right, I like him very much and I worship him, so I followed him all the way here from the Yunluo Immortal Kingdom, without any difficulty."

Yun Zi looked at Gu Si Ba again and said, "I'm sorry, Mr. Gu, I already have a heart, thank you for your kindness to me, you will find someone better than me, please go back."

"No." Guji Ba yelled, how beautiful a woman, he had almost decided inside that she was his wife, and as a result, flew off the handle, and liked a hillbilly, and the first lecher in his previous life.

Yun Zi said to Yang Fan again, "Cousin, please go back, I'm going upstairs, Zhou Mi asked me to go to his room, I don't want to keep him waiting, I'm sorry." After saying that, Yun Zi walked upstairs, Yang Fan was stunned there.

A few seconds later, Yang Fan yelled, "Yun Zi, you can't like him, that hillbilly doesn't deserve you." However, Yun Zi did not turn back at all.

Omi came to the room, and soon after, Yun Zi came up.

"Zhou Mi, what did you call me up here for." Yun Zi asked.

"You're my slave, can't you call if there's nothing wrong?"

"Oh."

"You must hate me in your heart for interrupting your marriage." Remember the URL .kanshu8.net

"No ah, I didn't like that Gusheba in the first place, it was my cousin who set me up with him."

At this moment, downstairs, Guji Ba looked dumbfounded, repeating with his mouth, "I'm surprisingly not as good as a yokel, huh?"

Yang Fan worried, "Brother Gu, are you alright? Don't scare me."

"I'm not even as good as a hick, huh?" Like a fool, Guji Ba repeated this sentence, then laughed bitterly.

Yang Fan was startled inside, "Oh no, Gusheba shouldn't be crazy, right? If you go crazy, it's really the end."

Right now, Yang Fan couldn't be bothered with Yun Zi and panicked, shaking Gusi Ba.

"Brother Gu, wake up, don't be like this, let's think of any problems together, I'm sure I can convince my cousin, Brother Gu."

However, Gusheba still looked like a fool, muttering to himself, "I can't believe I'm not as good as a hick, heh, I can't believe I'm not as good as a hick, heh."

"Ahhhh." Yang Fan was going mad, if Gusheba really went mad because of this, his family would definitely not escape responsibility, because he was the one who set up Gusheba and Yun Zi, how would the people in Gusheba's family let them go.

"Why do you have to be so unlucky, Guji Ba, can you stop being so useless, it's just one woman, so what." Yang Fan yelled.

"I'm not even as good as a yokel, huh?" Ancient Temple Ba was really stupid.

At this moment, many people in the inn had gathered around, this kind of public place, it was impossible for no one to know, Ancient Temple Ba was at least one of the top two hundred geniuses in Upper Fellows Island, the popularity was there, at this moment, seeing Ancient Temple Ba going crazy, everyone was incredible.

Fan Yang was anxious to stomp his feet, now was not the time to complain about the lack of belly, but how to solve it.

Yang Fan immediately carried Gusi Ba on his back and brought him back to the Yang residence first to report this to his father.

As soon as Yang Fan left, the entire inn was abuzz with discussion.

"Ancient Temple Ba has even gone mad, what kind of mental shock has he suffered?"

"I don't know, I just wasn't paying attention.

Put it on them, all I hear is, as Gusheba keeps repeating, I'm not even as good as a yokel."

"What do you mean? He's not as good as a yokel, how is that possible, that yokel daring to compare himself with Gusheba?"

And then a shop: "Do you want to know what happened?"

“.”

"Hey, money." Dropping a glance of the second child's shining gesture.

Those curious guests, who didn't care about the money, immediately tossed a bag to Shop Junior.

Shop Dao: "In our inn, there are a few guests from the Yunluo Immortal Kingdom living there, one of them is a girl named Yun Zi, the princess of the Yunluo Immortal Kingdom, she's so beautiful that one can't help but forget to breathe. It so happened that that Yun Zi was Yang Fan's cousin, Yang Fan wanted to befriend the ancient family, so he introduced his cousin to Gusiba, although I don't know what happened, but I know that after Gusiba saw Yun Zi, he liked her very much, and also, Gusiba was very confident that he would be able to hold the beauty back, after all, Yun Zi was only a princess of a small fairy country, with Gusiba's identity, he was worthy enough. However, the unexpected, that Yun Zi, already has someone he likes, that is, the man who came with Yun Zi, named Omi, and this man, Omi, is the reincarnation of Zhou Mi, the number one pervert of Yunluo Immortal Kingdom. Guji Ba learned the truth and went crazy."

"Wow shit, so that's how it is."

At this moment, in Omi's room, Omi had no idea that something significant had happened, he just looked at Yun Zi, and the more he looked at Yun Zi, the more tempting he found it, so now, Omi was slapdash, constantly pecking Yun Zi's fragrant lips. Yun Zi blushed shyly, but she didn't even put up any resistance, allowing Omi to kiss her lips.

"Knock knock knock." Just at this moment, a rapid knock came from the door.

The first thing you need to do is to take a look at the actual product.

The door opened, and Nodou came in with a rush.

"Wild beetle, what's the matter." Yun Zi blushed and asked.

Nodou saw Yun Zi's blushing, suspicious eyes looking at Omi, not knowing what they had just done, but their clothes were still intact.

Nodou didn't have time to think too much, he was too busy reporting, "Princess, it's bad, something big has happened."

"Uh, what big thing?"

"Princess, that Guji Ba, he's crazy."

Yun Zi was puzzled, "What does his madness have to do with me, I don't like him."

Nodou was depressed: "Princess, it's because you don't like him that he's crazy. I just went downstairs and heard the whole inn talking about it."

"Ah, no way." Yun Zi was startled.

Omi also had a light frown on his brow.

"It's true, when Guji Ba heard you say personally that you like Zhou Mi, he went crazy and kept saying silly things in his mouth that he's worse than a hick. Now your cousin Yang Fan has taken him away, presumably back to the Yang residence."

"Khan." Yun Zi looked at Omi and was very speechless.

Omi snorted, "What a useless man."

Nodou said, "Zhou Mi, now is not the time to speak sarcastic words, Gusi Ba is mad because of Yun Zi and you, this matter will definitely get bigger, I think we better leave here right away, this is not a place to stay for long."

Omi said, "I'm not ready to leave yet."

"Zhou Mi, there will be blood if this matter is not handled properly, even if you don't think about yourself, you have to think about the princess, if you don't leave, I'll have to take the princess and hide first."
