2050

Just at this moment, footsteps came from outside, and there was the sound of crying.

As soon as the emperor heard the sound, he knew that the cry was Yun Zi's.

"What's going on?"

Just thinking about it, Yun Meng dragged Omi into the main hall, and Yun Zi ran in crying.

When Yun Zi saw the emperor, she immediately knelt down and said, "Father, don't listen to Yun Meng's nonsense, Zhou Mi is not such a person."

Yun Zi had to plead for mercy first.

Omi didn't say a word, let's see how the emperor wanted to handle it, handle it so that Omi was full of dissatisfaction.

"What's going on?" The emperor asked.

Yun Meng said, "Greetings to Father, originally today, we wanted to go to Upper Tree Yama early, but, just as we set out, something unpleasant happened, so I thought twice and came to report to Father."

"Say."

"It's like this, I found out that Zhou Mi, who has no Immortal Kingdom in his eyes, was just asked by Yun Zi how it would be if he went to Upper Fei Yan Continent and stayed at her uncle's house, and Zhou Mi even said that he didn't have such an uncle. He's married to Yun Zi, but he said such a treacherous thing, and he doesn't think there's any fairy kingdom in his eyes. Moreover, I taught him a lesson and he was actually still unconvinced, in short, he has absolutely no loyalty to the Immortal Kingdom to speak of." Yun Meng finished in one breath. Yun Zi was busy saying, "Father, it's not like that, Zhou Mi is not such a person."

The emperor said, "Yun Zi, don't speak."

The emperor looked at Omi and asked, "Zhou Mi, what Yun Meng said, but is it the truth?"

Omi nodded and said, "Yes, without the slightest exaggeration, it's completely factual."

"Zhou Mi, you're crazy." Yun Zi shouted.

Even Yun Meng was silly, Omi actually dared to say that in front of his father, oh my god.

The emperor was not surprised.

Yun Meng was busy saying, "Father, you heard it, Zhou Mi really isn't patriotic at all, why should a person who doesn't love the country give him three immortal grasses, why should he marry a princess?"

The emperor stepped down from the dais.

"Pah." Suddenly, the emperor slapped Yun Meng's face.

"Ah." Yun Meng was silly.

Yun Zi was also silly.

"Father, you've hit the wrong person, I'm Yun Meng." Yun Meng said subconsciously, she couldn't think of any reason why Father Emperor hit her other than this explanation.

The emperor snorted, "It's you who's hitting."

"Father, you, why are you hitting me?"

"Slap." The emperor slapped again.

"I said, it's you who's hit."

"Father." Yun Meng immediately cried out, the way she was crying in aggravation was quite charming.

The emperor ignored her weeping and walked up to Omi, apologizing to him, "Mr. Zhou, I'm really sorry, I didn't educate my daughter properly, and I've caused you to suffer."

"What." Yun Zi and Yun Meng were both silly, their father actually whispered an apology to Omi, and actually said that Omi had been wronged.

Only Omi said indifferently, "I'm a bit unhappy."

The emperor's face turned pale, was Omi warning him about this?

The emperor immediately turned to Yun Meng, his face full of anger. The emperor had managed to stabilize Omi's emotions over the past few days, and had asked Omi to return to the Upper Feyama Continent and not say anything to the Star Clan, which Omi had reluctantly agreed to do. However, now Yun Meng dragged him here to sue him, seemingly putting all his efforts of the past few days to waste.

"Yun Meng, look at the good you've done."

"Boom." The emperor slapped Yun Meng with his palm, as if he wanted to kill her.

Omi was also shocked, Omi just wanted Yun Meng to be taught a little lesson, not so much that she would pay with her life.

Omi was busy saying, "Killing her wouldn't be necessary, little

Just a little punishment."

"Bang." The emperor slapped Yun Meng and flew down to the outside of the palace.

Yun Meng vomited blood at once with severe injuries, but the emperor stopped at the last moment, otherwise, he would definitely be slapped to death.

Omi knew one more thing about the Emperor as a person, and when he came down, he was really ruthless enough, if Omi hadn't stopped a cry in time, his own daughter would have killed him.

"Yun Meng." Yun Zi panicked and ran out of the palace, Yun Meng fell to the ground, but her eyes were still open, she still couldn't seem to figure out why this was.

The emperor said to Omi, "Zhou Mi, I hope you're not angry, but if you're not relieved, I can kill her."

"Alright, as far as it goes, from her point of view, she didn't do anything wrong. It's okay for me to kill her, it's a bit much for you to kill her."

"Yes, yes, it's good that you're not angry."

The emperor walked out of the palace, tossed Yun Zi an Immortal Pill and said, "Feed her and take it."

"Oh."

Shortly after Yun Meng took it, her injuries were still recovered, and soon, Yun Meng recovered enough to stand up, however, still pale.

In the main hall, the emperor was pleading with Omi, "Zhou Mi, please, don't reveal this to the public ah, if Yun Meng Yun Zi, and all the princes and grandsons know, then how can I still mix."

"You also know that it's not good to mix."

"Please."

"Alright, for the sake of Yun Zi's face, I can keep quiet."

"Thank you, thank you so much."

At this moment, Yun Meng walked in.

The emperor's gaze was majestic as he looked at Yun Meng.

Yun Meng was busy saying, "Father, where exactly did my son go wrong? I expect Father to correct me, even if Father kills me, I will still say it."

The emperor said, "Yun Meng, don't worry about what is wrong, you just need to know that Zhou Mi, you must treat him with the same respect as your father."

"My son is puzzled, is it because of Zhou Mi's gift?"

"I don't need to explain to you, anyway, remember my words, and you too, Yun Zi."

"Yes, Father."

"Alright, you two can go out now."

Yun Meng and Yun Zi had to walk out of the palace, Yun Meng looked very disgruntled inside, but didn't dare to disobey.

Omi said, "I'm leaving too."

The emperor was busy asking, "Zhou Mi, are you leaving now?"

"Right."

"I'll send you a ride, then."

"Uh, send me?"

"Yes, I'll send the Black Prisoner to send you there, in case you encounter any strong enemies on the way, it'll be troublesome."

"No need, I can handle it myself, besides, there may not be any trouble."

"Then be careful, and have a safe journey."

Omi turned around and walked out of the main hall.

Outside the main hall, Yun Meng and Yun Zi were standing there.

Yun Meng, who had just looked pale, had now recovered as before, and the effect of the emperor's pill seemed to be very good.

Yun Zi and Yun Meng looked at Omi's eyes a little differently.

They were filled with doubts.

"Zhou Mi." Yun Zi called out, as if she wanted to ask.

"Don't ask anything, in short, just remember your father's words and treat me as if I were your father."

"But, why are you?"

"No why, let's go, let's go."

Omi immediately flew away.

Yun Meng and Yun Zi paused for a moment and followed.
