After Yun Meng left, Yun Zi asked, "Why do you want to be angry with her?"

"I don't know why, I just feel like being angry with her." Omi didn't know why this was so, could it be that Omi still had feelings for Yun Meng, and for her?

Usually there were still feelings before there was still hate, and there was still hate before you wanted to be angry with her.

Omi couldn't answer that, maybe.

Omi went back to his place of residence after eating, not going to the main hall, since it was someone's family business, so don't be so curious.

In the evening, Omi and Yun Zi were cooling off in a pavilion.

Not long after chatting, Yun Zi's cousin Yang Fan was not far away.

Yun Zi immediately shouted, "Cousin Yang Fan, you're here too."

"Uh, Cousin Yun Zi, you guys are also here." Yang Fan saw it and came over.

Omi looked at Yang Fan's appearance, he didn't seem to be happy.

Yun Zi asked, "Cousin, has the misunderstanding between Sister Yang Cai and her fiancé been resolved?" Remember the URL .kanshu8.net

"Ugh, forget about it, mother f*cker." Yang Fan exhaled a scolding.

"What's wrong? Has the misunderstanding not been cleared up yet?"

"Lift a shit, there was no misunderstanding at all, that son of a bitch."

"Can you say that? If you can't say it, forget it." Yun Zi Dao.

"What can't be said, it's probably going to be spread all over the city soon. That Wu Yong, he fell in love with someone else, that's why he withdrew from Yang Cai."

"No way."

"Hmph, although he doesn't admit it on his lips, I've already investigated it, Wu Yong withdrew his marriage from our Yang Cai in order to go after a woman who is more powerful than his family."

"This Wu Yong, what a shameless man, what about Yang Cai now?"

"What else can I do, Yang Cai was repudiated, and there's still and face. Even if a man is repudiated, he will lose face, let alone a woman. How else will Yang Cai find a partner in the future, everyone knows that Yang Cai has been divorced, everyone else thinks that Yang Cai has done something wrong to the Wu family."

Omi didn't speak on the side, Omi couldn't say anything, however, Omi felt that that Wu Yong, also did have enough courage, because that Yang Cai, who was so beautiful looking was also able to go down and withdraw her marriage.

Yun Zi Dao: "Then we need to persuade Yang Cai more, I'm really afraid that cousin sister she can't think of anything."

"Yes, Yang Cai is usually someone with a weak character. Thanks to my father, he was so satisfied with Wu Yong before, thinking that he had found a worthy son-in-law, but he didn't expect, alas, it's just that, what's the use of talking about it now, who let that Wu Yong be a genius."

Yun Zi asked, "What does it matter if he's genius."

"Nonsense, because Wu Yong is a genius, so it stands on the moral supreme, everyone is on Wu Yong's side, everyone listens to whatever Wu Yong says, Wu Yong said externally that Yang Cai did something wrong to him, of course everyone listens to Wu Yong, who would listen to our Yang family. Now of course, outside, they are all scolding Yang Cai for not knowing how to behave, and being divorced."

"Ah, this Wu Yong is too despicable, don't blackmail Yang Cai like this even if he withdraws his marriage."

"Hmph, if Wu Yong doesn't say that, how can he still go after a woman who is more powerful than our family, he will definitely blame Yang Cai, so no one will say anything about him if he withdraws his marriage."

Omi said, "This Wu Yong, even I can't bear to see him, such a beautiful woman, just withdraw your marriage, and still go to blackmail people, it's really shameless to the extreme."

Fan Yang clenched both fists and gritted his teeth, "I only hate our Yang family, we don't have a genius that can compare to Wu Yong, otherwise, how could we let him lead the public opinion in the direction."

Omi said, "A mere ninth ranked mid Human Immortal, and he's arrogant like this."

Fan Yang said, "Zhou Mi, you don't understand at all, any of the top ten ranked ones have countless fans, and those ranked so far ahead are definitely more powerful in the future, and no one wants to offend them, so this world is like that. Anyway, my sister Yang.

Cai, it's hard to wash your hands of it."

Omi said, "Brother Yang, Yun Zi is my woman, and Yang Cai, who is Yun Zi's cousin, if you need my help, I'm obliged."

"Alas, what can you do to help, but thank you."

Yun Zi said to Omi, "Husband, unless your ranking is also in the top ten, perhaps, you can help clarify this."

Omi said, "That's simple, let me beat that Wu Yong, to shit in full view of the public, then I can clarify for Miss Yang Cai."

Fan Yang said in shock, "Brother Zhou, you're not amusing me, if you're telling jokes to make me happy, then it's not necessary."

"Joke, alright, Yun Zi, do me a favor, place a challenge letter to Wu Yong, tomorrow at noon, I'll be waiting for him to come at the Thunderbolt Ring."

"Ah, Husband, you're not joking, are you? Are you serious?" Yun Zi was startled.

"Nonsense, hurry up."

"This." Yang Fan was also startled there.

Omi said, "When I'm in the ring, and I beat Wu Yong into dung, I'll tell everyone that I'm fighting for Miss Yang Cai's sake, and then, I'll give her back her innocence, I don't think there's a better way than this."

Fan Yang said, "Brother Zhou, are you sure you have the strength? You've only recently stepped into the middle Human Immortal stage."

"Hahaha, yes, but will this prevent me from challenging Wu Yong?"

"Don't blame me for being long-winded, it's a big deal, are you sure you want justice for my sister? In case you lose to Wu Yong, but he'll kill you." Fan Yang said.

"Right."

"Well then, I'm off to place my challenge." Yang Fan busily left.

Yun Zi looked at Omi worriedly.

Omi stroked Yun Zi's hair and said, "Don't worry."

Omi laughed, one to nine all together, Omi didn't even take it seriously, not to mention a ninth one.

Yang Fan immediately ordered his servant, to send a challenge to Wu Yong, at the same time, let people spread this matter in all the restaurants and other public places, tomorrow onlookers, must be as many as possible, so as to completely clarify for his sister, of course, the premise is that Omi can really defeat Wu Yong.

At this moment, in a certain boudoir of the Yang residence, Yang Cai was still in tears.

"Why is he so cruel, if he wants to withdraw from the marriage, just withdraw, why is he trying to stain my innocence." Yang Cai said in tears.

At this time, a girl walked in and busily said, "Miss, Mr. Zhou Mi Zhou, who is fighting for you, has issued a challenge to Wu Yong."

"Ah, who are you talking about?"

"Zhou Mi, Yun Zi's husband."

"Why would he challenge Wu Yong because of me? Is he crazy? Doesn't he know how risky it is?"

"I don't know about this servant."

Yang Cai said, "I really didn't expect that he would do this for me, there were so many young talents who liked me and pursued me in the past, and none of them were willing to stand up for me in any way to defend me, but he was willing to stand up. Even if it's because of Yun Zi, I'm grateful beyond measure."

At Cloud Violet's residence.

"You want to challenge Wu Yong?" Yun Meng looked at Omi with a ridiculous face when she learned of this.

"Right, do I still need to ask your permission."

"Zhou Mi, I advise you not to seek death, although Miss Yang Cai is indeed beautiful, you are already Yun Zi's husband, if you have any thoughts you shouldn't have again, don't blame me for being rude."

Omi trailed off, "Only dirty people have such dirty thoughts, I'm only looking out for Yun Zi's face."

"Hmph, I don't believe it, because of Yun Zi's face, you would risk your life to prove Miss Yang Cai's innocence." Yun Meng snorted, Omi didn't bother to pay attention to her and went back to his room.
