2088

"Let's go." omi said to Yun Zi, preparing to leave, this place should not be left for long, fearing a repeat of the consequences of the last duel with Wu Yong.

At this moment, a voice came from behind omi, "Wait."

omi was busy turning back, omi thought that Mei Tianqing's family wouldn't let omi leave.

"Zhou Mi, please stay."

"Who are you?"

The man who came up smiled, "My name is Zhu Eyeless."

omi was startled, Zhu Eyeless? Wasn't it the one who was supposed to meet up with Yun Meng before?

"What do you want?"

"Hahaha, Zhou Mi, this one next to you is that Yun Meng, right." Zhu Eyeless said, looking at Yun Meng on omi's side.

"So what if it is."

"No how." Zhu Wuyou bypassed omi and came to Yun Meng's side, smiling, "Zhu Wuyou has met Miss Yun Meng." Remember the URL .kanshu8 .net

Yun Meng didn't say anything, her eyebrows furrowed.

Zhu Wuyou hadn't seen Yun Meng with his own eyes before, so he had stopped when Yun Meng didn't come for a blind date, but now, having been seen by Zhu Wuyou with his own eyes, Zhu Wuyou was completely attracted to Yun Meng's beauty and vowed not to give up, so he shamelessly came up to see if he could salvage it and re-match Yun Meng.

Zhu Wuyan said, "Miss Yun Meng, I wonder if you still remember me?"

"You are?"

"That's right, I'm Zhu Eyeless, originally Yang Qilu planned to introduce you to me, but unfortunately, Yang Qilu fell, and then, someone sent me a letter asking me to meet you, but, somehow, you didn't come. I don't know if Miss Yun Meng, do you still remember this? That day, it caused me to wait for you for a long time at the promised inn." Zhu Wuyan said.

Yun Meng was startled and somewhat confused, omi had told her that Zhu Wuyou didn't want to see her because Zhu Wuyou was afraid of offending Wu Longquan.

But now, what Zhu Wuyan said was different from what omi had told her before.

Yun Meng looked at omi.

omi said, "That's right, Yun Meng, I was the one who lied to you before, we were supposed to meet, but when we were about to meet, I found out that Zhu Eyeless wasn't sincere with you at all, so I lied to you. Yun Meng, I am also doing this for your own good, if Zhu Wuyan was truly interested in you, of course I would wish you well, but he is not, if you want to blame me for making my own decisions, then blame me."

Yun Meng was busy saying, "Zhou Mi, how could I blame you."

"Er, there's no mistake." Startled, omi thought that Yun Meng would get angry and ruin her marriage.

"Zhou Mi, you're also doing it for my own good, thank you."

That Zhu Eyeless was busy saying, "Yun Meng, how about we re-date and get to know each other properly, then, how about we start over? Give each other a chance."

omi also said, "Yun Meng, right now Zhu Eyeless is standing in front of you, if you want to date him, go ahead, I won't stop you, you're an adult and know your place."

Yun Meng said to Zhu Eyeless, "I'm sorry, Zhu Eyeless, I'm not for you."

"Ah, Yun Meng, am I sure I heard you right?" Zhu Wuyou was startled, with his talent and strength, there was still someone who rejected him?

Yun Meng said, "Sorry, I'm not for you."

"Miss Yun Meng, I'm Zhu Eyeless ah, late Human Immortal, top ten ranking ah."

&n

bsp; "I know."

"If you know it, then you still reject me." Zhu Eyeless said.

Yun Meng said, "But you're a top ten genius in the late Human Immortal ranking, what does it have to do with me, and I don't like you."

"This." Zhu Eyeless was very embarrassed.

After all, it was too humiliating for him to pick up a girl in full view of the public and be rejected in public. Originally, he thought that a small Xian Kingdom princess, with his genius, could easily be taken and also be able to show off in front of everyone.

But unexpectedly, he was rejected.

Zhu Wuyou's face was ugly.

Yun Zi was busy saying, "Sister, didn't you always look forward to the blind date before? Now what?"

"Oh, before, I was wrong, but I won't be sorry within myself for a second time, what's a Zhu Eyeless Eye, even if the late Human Immortal first place, what's that, my heart, it won't change again." Yun Meng said seemingly without knowing who she was targeting.

Zhu Eyeless said furiously, "Yun Meng, don't be ungrateful, I am one of the top ten in the late Human Immortal period, what right do you have to reject me, a small Immortal Kingdom princess." Zhu Wuyou really got angry, he couldn't help but look around and noticed that everyone was looking at him, so ashamed.

omi indifferently looked at Zhu Wueyan, this Zhu Wueyan, picking up girls fail to still annoyed.

It seems that Zhu Wueyan is not willing to give up his face, he is afraid that he will be a tyrant today.

It's easy for Zhu Wuye to take advantage of a small Immortal Princess. Although he will be talked about and scolded behind his back, Zhu Wuye's reputation is already bad, and he's not afraid of being scolded again.

omi said inwardly, "Now that I have practiced a little bit of the third divine ability of the second level of the Silence Technique, if I get into a fight with Zhu Wuyan, I think I won't lose to him even if I'm not sure of winning. Just as well, today was only supposed to be a duel with Mei Tianqing, but this Zhu Wueyan came out to make trouble, if he really dares to rob Yun Meng by force, then don't blame me for being rude."

omi's gaze was cold, and in his mind, he was temporarily practicing the third divine Great Domain Method. omi had already practiced a little bit before when he was at home, but right now under pressure, omi's brain was spinning even faster, and indeed, the Great Domain Method was practicing so fast in omi's mind.

Yun Meng faced Zhu Wuyou's insults and said angrily, "Zhu Wuyou, it's too much for you to say that, even though I'm just a small Xian Kingdom princess, don't I have the right to refuse you?"

"Hmph, what right do you have to reject me, if you are more talented than me, or if you are stronger than my family? If you don't give me a reason today, I won't let you go." Zhu Wuyou played the rascal.

"You." Yun Meng was so angry that she wanted to cry.

Numerous eyes were looking at them, and although everyone was talking about it, no one came up to help her.

But it was normal, who would be willing to but offend Zhu Eyeless.

Of course, there were still many people whispering to scold Zhu Eyeless shamelessly.

Zhu Eyeless shouted, "All of you, shut up, I'll be shameless how."

There wasn't a single voice in the crowd, everyone didn't dare to say anymore, don't offend Zhu Wuyou because of this.

At this moment, Heavenly Fragrance in the crowd said, "It's really excessive, this Zhu Eyeless, shameless. Master, why don't you go out and put a stop to it, otherwise, that girl will definitely be forcibly taken away by Zhu Wuyou today." Heavenly Fragrance said to her master, Master Green King.
