"Don't you?" After reaching the door, Xing Luo shouted.

Tian Xiang also knew that omi was Zhou Mi's name in this life, and it seemed that in the future, she would have to call him by his name in this life as well.

omi was really a bit embarrassed at the moment.

omi heard Xing Luo's shout, but, he didn't know whether to respond or not, because, it was really awkward.

Time rewound back ten minutes ago.

Star Luo rummaged around faster than a book and left.

omi was depressed, and when he turned back, he found that Yun Zi also looked unhappy.

"Purple, what's wrong with you again?"

"Hmph, I don't want to talk to you." Yun Zi exhaled, turned around and went into the room and locked herself in.

"Cloud Violet, open the door, what's wrong with you."

"I don't even know what's wrong with me, hmm, I don't want to talk to you even more." Remember the website .kanshu8.net

omi was speechless.

At that moment, Yun Meng quietly pointed her finger at the window outside, reminding omi that the window was open.

omi immediately went to the back of the house and jumped in through the window.

Yun Zi saw omi jump in through the window, and immediately got up again, opened the room and wanted to go out, but as soon as she reached the door, omi hugged her back.

omi already knew at this point that it must have just been like with Xing Luo, she was jealous, so omi just, that thing.

But, this was just getting into a rhythm, and from outside came Star Luo's shout.

"Damn, didn't this Star Luo just leave ten minutes ago? Why did you come back here." omi was incomparably depressed.

Yun Zi was blushing with shame, "What should we do now, in case she breaks in. Why don't we stop first."

omi disagreed, as he couldn't stop.

omi consoled, "It's fine, Star Luo is an educated person, she won't barge in, let her wait outside."

At this moment outside, Star Luo asked Yun Meng, "Miss Yun Meng, where did omi go?"

Yun Meng Dao: "It's in the room."

Since the matter was urgent and related to Tian Xiang's lifelong importance, Xing Luo didn't think about it that much and brought Tian Xiang into the house immediately.

Yun Meng also didn't stop him, because Yun Meng didn't know what omi was doing and thought that omi was coaxing Yun Zi.

Xing Luo immediately pushed open omi's door and shouted at the same time, "Tang Zi." Before the three words were finished shouting, Xing Luo was stupidly there.

Tian Xiang entered right after him.

"Ah." Tian Xiang suddenly covered her mouth, incredulous at the scene in front of her.

Yun Zi, on the other hand, now screamed, "Ah."

Yun Meng, who heard the scream outside, also instantly ran in.

"Ah." Yun Meng was also stupid.

omi was really damn depressed, so many people were watching him, how could he be embarrassed.

Star Luo came back to her senses and turned around in a panic while exhaling, "omi, you."

Tian Xiang also turned around, her face red.

Yun Meng had already seen it for the second time, but the impact on her was not that great.

omi said, "I didn't let you guys in, so you guys shouldn't go out yet."

Xing Luo and Tian Xiang were busy exhaling out of the door, Yun Meng closed the door of the room and mouthed, "It's broad daylight again."

Outside the house, it took Tian Xiang and Xing Luo several minutes to calm down.

They had been pure for so long, and today they were ruined by omi.

"That really pisses me off," Star Luo said, although Star Luo liked omi a bit in her heart, it didn't mean that she was willing to have anything ambiguous with omi, she hadn't reached that level yet, so right now her purity was contaminated and her heart was very angry.

Tian Xiang said, "Forget it, after all, we're the ones who barged in on our own."

"Then at least he did."

"He also thought we wouldn't break in."

"In short, my thousands of years of purity was destroyed by him. Tian Xiang, aren't you depressed? This kind of thing, the future is to be given to our husbands ah, the first time I see a man's body must be the future husband's."

"Maybe I'm going to marry Mei Tianqing, what do I need this purity for, instead of giving it to Mei Tianqing, I'd rather give it to Zhou Mi. However, Star Luo you are different, the person you are going to marry in the future must be great and strong."

"Forget it, it's already like this, I'll go back first, you wait for omi to come out, tell him what you have to say to him, I don't want to see him."

"Good."

Xing Luo left first, actually Xing Luo wasn't really that angry inside, but she always had to say something angry, otherwise she would think she was such an easy bully, next time omi would be even more excessive.

Tianxiang waited and waited at the door for more than half an hour before omi came out.

"Master Tianxiang, what are you looking for me for? Where's Starro?"

"Zhou Mi, me." Tian Xiang looked at omi's face at the moment and blushed for some reason.

"Say it."

"Zhou Mi, I beg you, worship my master as your master."

"Haha, Tianxiang, you're so funny, it's all in the past, and you're still bringing it up, don't worry, I'll never worship the Green King as my master."

Tianxiang said, "Zhou Mi, I might be getting married to Mei Tianqing tonight."

"What." omi was shocked.

"En, and, the bridal chamber will be at night." Tianxiang Dao.

"Ah." omi looked at such a beautiful Tianxiang, but she was about to be arched by that pig Mei Tianqing, he was uncomfortable, his head could be broken, blood could flow, only a beautiful woman can't be arched by a pig.

"Tianxiang, Mei Tianqing is not worthy of you at all, why did you marry him?"

"My master, and his grandfather, Plum Seed, used to be friends, and they set us up. I'm in full view of the public today." Tian Xiang told omi the whole story.

omi was depressed, "In other words, if I don't worship your grandfather, your grandfather will marry you off to Mei Tianqing, and if he does, he'll be open-minded and cut off his friendship with Mei Seed?"

"Yes. My master also said that he realizes that no one will take him seriously if he has no strength of his own, no matter how good he is at alchemy, so he is willing to cultivate you and cut you off from the Plum Seed, provided that you are a member of his own family."

"So." omi looked a little impressed.

If omi worshipped the Green King as his master, he might even get to Tianxiang, whereas if he didn't, Tianxiang would be married to Mei Tianqing by night.

"What should I do? I've already agreed to Master This Summer, how can I worship the Green King as my master, besides, Master This Summer and the Green King, are sworn enemies ah, it's just that Master This Summer has changed his appearance and identity and the Green King doesn't know about it."

omi was really torn.

"Can I think about it?"

Tianxiang Dao: "There's no time, I guess in half a day, Mei Tianqing will come to welcome the bride."

omi said, "I always have to discuss this with my master."

"Okay, then I'll give you an hour, I'll wait for your news at Xing Luo Na." Tian Xiang said.

omi nodded his head with some difficulty.

Tianxiang took a few steps and suddenly turned back, "Zhou Mi, do you like me?"
