Gao Tuo looked around furiously, omi and Xing Luo were already gone, leaving only voices behind.

"Why are you leaving in such a hurry."

"It's all over, let's go, the Gao Clan will be here even stronger later.Zichen, let's not go back to the Star Clan for now."

"Why?"

"Think about it, ten years ago you cut Gao Jian, and today you cut Gao Tuo, as a member of the Gao family, how can you swallow this anger, and now that everyone in the city knows that you ran away, no one will discuss it even if they Gao family kills you.So, the Gao family will definitely go straight to the Star family to kill people, the Gao family's anger has accumulated to the point where even the ancestor of my family is not daring to stop it.Don't forget, the Gao family is a bit stronger than our Star Clan."

"Then I won't go back, what's most important to me now is to quickly spread the news about me becoming a rank four Immortal Pill Master, the more people know the better, and then, when everyone is curious about me, I'll announce that I'll compete with Luo Ke.If I can win against Luo Ke, then I'll be the first fourth-ranked Immortal Pill Master in the Upper Fey Yan Continent, and there will be many Upper Immortals coming to find me to concoct pills, at that time, even if I stand in front of the strongest members of the Gao Family, they won't dare to do anything."

"Yes, before you become famous, you must not show your face."

omi nodded his head.

After that, omi and Xing Luo arrived at a hidden place.

omi lived directly in the Immortal Mansion, under normal circumstances, the Immortal Mansion was shrunk to the size of a palm and then placed in a corner, almost no one could find it, if it was to be a little more secretive, placing a palm-sized Immortal Mansion in a mouse hole, it was truly God-knows-what.

At this moment, the Gao Tuo couple lost their souls and returned to the Gao family. Remember the website .kanshu8.net

Both of them were frustrated that they had failed to kill omi and instead lost an important item of their own.

Gao Tuo and his wife had just arrived at the Gao family, a servant panicked, "Master Gao Tuo, quickly, go to the family hall for a meeting, the ancestors have all come out, everyone has gone to a meeting, they were just looking for you."

"Oh."Gao Tuo and his wife were busy heading to the main hall.

Sure enough, the Gao family hall gathered a lot of people, the Gao family ancestor was sitting up there, and almost all of the strongest people from the Gao family below were there.

"Gao Tuo, everyone is waiting for you for a meeting, where have you been, do you know that bastard Zhou Mi has returned." The ancestor of the Gao family snapped at Gao Tuo when he saw Gao Tuo, his tone was quite dissatisfied.

"Me." Gao Tuo had a hard time speaking, in front of so many people in the family, he really didn't dare to say that he had already seen Zhou Mi.

Just then, Gao Jian pounced on him, red-eyed, pulling Gao Tuo's arm and shouting, "Father, quickly, help me to kill Zhou Mi, quickly."

"Jian'er, I."

"Father, didn't you always want to avenge me, now that Zhou Mi is back, you must avenge me, okay." Gao Jian cried pitifully.

Gao Tuo's face was ugly and he didn't know what to say.

An old man at the scene, a late Earth Immortal, saw that Gao Tuo didn't even take a stance at all, he reprimanded, "Gao Tuo, the one who was cut is your son, now even we, the clan, are so angry when we learn that Zhou Mi is back, even the ancestors, we all want to tear Zhou Mi apart, and you, the father, are acting as if you are indifferent, what do you mean, do you want to let Zhou Mi off the hook for this."

Everyone nodded, seemingly unhappy with the high lump's attitude, and that reaction was surprisingly worse than the clan's.

"Me." Gao Tuo I said nothing again, he really had no face to say it, not knowing the inside of the Clan members, and thought he was not angry at all.

Even the ancestor of the Gao family couldn't see any more, roaring, "Gao Tuo, what me me, cut your son's revenge back, you don't rage to kill, still here me me me, what do you mean in the end, Gao Jian is not your biological. Since you as a father are not even a little importance, then why do we clansmen need to avenge Gao Jian."

"Old Ancestor, you misunderstood me, I, I dreamed of killing Zhou Mi." Gao Tuo said pitifully.

"If you dreamed of killing, why did Gao Jian beg you, you keep me me me me endlessly."

"Oooh." Gao lump finally was forced to hide and whimpered and cried.

"Why are you crying?"

Gao Tuo cried, "Old Ancestor, I'm really not cowardly, and it's not that I don't want to go kill Zhou Mi, but, rather, I've already gone to kill."

"Ah, you've already gone to kill it? When? If you couldn't find your people just now, did you go out to kill Zhou Mi?"

"Exactly."

"And how did it turn out? Zhou Mi is dead?" An Earth Immortal elder was busy asking.

Gao Tuo whimpered twice and said sadly, "As a result, my lifeblood was close to Zhou." After saying that, Gao Tuo couldn't control howling and crying.

"Ah." The entire palace was dumbfounded.

Gao Jian retreated three steps in a row, almost falling over in shock at his father's words.

"Father, this isn't real." Gao Jian hissed.

Next to him, Gao Jian's mother also wiped her tears, "It's true, your father is now like you."

"No, I don't want it, ahhh." Gao Jian was going crazy, shrieking and rushing out of the main hall.

"Jian'er." Gao Jian's mother panicked and went after him.

Only now did the entire palace come back to their senses, all of them blue in the face.

Gao's ancestor asked, "How could Zhou Mi cut you? What's going on, tell it like it is, and don't miss any details."

Gao Tuo told the matter in detail.

"Zhou Mi, what kind of strange encounter did he have? What was that thing of his that could look like a tombstone? It seems that it is necessary for me to personally set out."

After saying that, Gao Jian's ancestor, disappeared and headed straight for the Star Clan.

But alas, it was destined to be an empty run.

Right now, Omi was basking in the sun in his immortal mansion, his eyes closed, his mind thinking about the question about the fourth-grade Immortal Pill.

His Immortal Mansion, however, was currently hidden underneath one of this hidden house, and it was also in the shape of a stone, which looked to be nothing more than a palm-sized stone, and the average person would think that it was a universal stone even if they saw it.

At that moment, Star Luo came up and asked, "When can I go out and spread the news that you have become a fourth-grade Immortal Master? I'm the only one who's free now, but for safety's sake, I won't come back in after I go out, so that the Gao family won't be watching me."

Omi said, "There's no rush, right now the Gao family's people must be searching for me all over the city, in a few more days, I still need to study the Immortal Pill a bit more anyway, I feel a bit of a breakthrough in the past few days, it seems like I'm about to train into a Level 4 Level 1 Immortal Pill."

"Even Master Luo Ke's Level 4 Immortal Pill hasn't even reached Level 1 quality yet, you're so fast?"

"Yes, everything is just so fast, don't disobey, my life specializes in any disobedience."
