

King of kings

Chapter 2176

I'm afraid Shi Haoxiang could never have imagined that this move that he was proud of at the moment was all full of loopholes in the eyes of someone who hadn't even practiced it yet, omi.

omi casually took out the twelfth layer, a move called 'Apocalyptic Slanting Sun', and attacked Shi Haoxiang's left ear direction.

Shi Haoxiang felt his gaze being obscured by omi's knife for a moment, and the knife in his hand was disturbed, but Shi Haoxiang continued to slash without any hesitation, he had no idea of omi's intentions.

"Boom." Shi Haoxiang's slash hit the ground with a shudder.

But, suddenly a cold knife was placed on his neck.

The image came to a standstill like this.

"Ah." Everyone was startled when they saw this scene.

"This." Maeve was now silly, the Howe she worshipped was actually being held by a knife to his neck.

Shi Haoxiang's brain was also blinded at this moment, not knowing what was going on.

omi said coldly, "Shi Haoxiang, if you dare to move, your neck will fall off."

"You." Shi Haoxiang was angry and frustrated, and felt very ashamed, in front of so many adoring others. One second to remember to read the book

Maeve was busy saying unquestionably, "How did this happen, Ho? That's impossible, how could you be a single move."

Shi Haoxiang didn't even dare to move at the moment, and when he heard the word 'one move', he was even more spitting fire inside.

omi said, "Shi Haoxiang, it seems that you are really an embroidered pillow, a hit-and-miss."

Shi Haoxiang held his tongue for half a day and had to say, "Have the guts to do it again? I was careless this time."

omi said, "Of course you can, but once again, I'm not free, three hundred Xian coins, if you can afford it, come."

"Three hundred, you won't go for it."

"If you win, I'll give you three hundred."

“Okay, that’s what you said.”With the matter at hand, Shi Haoxiang had no choice but to try again and use other moves.

Only then did omi take the sword away.

Shi Haoxiang ton slaughtered omi while he wasn’t ready, this time, he used the most skilled move he had practiced, although it wasn’t the most powerful, he would never make a mistake.

omi didn’t even look, he backhanded it.

Shi Haoxiang was disturbed by this backhanded slash from omi, and was in a state of confusion, retreating continuously, until after retreating four or five steps, the knife in his hand had come out of his hand, and omi’s knife, straight at his throat.

The picture was once again frozen.

Everyone was looking stupid.

Only then did omi twist the bull over and look at Shi Haoxiang.

“Gosh, this is too awesome, winning without even looking.”

“Tsk tsk, this is a true master of the world.”

“This person just fought with Shi Haoxiang who sneaked up behind him without looking, that pose, it’s so handsome.”

Everyone was dazzled by omi’s handsome posture just now.

Just now Shi Haoxiang was supposed to take advantage of the fact that omi wasn’t ready to do it, and suddenly did it behind omi, as a result, people head back, clanking a few encounters, and Shi Haoxiang’s throat was topped again.

The first thing you need to do is to take a look at the newest addition to the list.

omi said, “Shi Haoxiang, what else can you say this time, if you are not satisfied, you can come again, five hundred cents.”

“You.”Shi Haoxiang was shocked and unwilling inside at the moment, in this situation he was losing so much

It was so miserable that he really couldn’t find any reason for it.

omi said, “Shi Haoxiang, I don’t know if you’ve noticed, but the two times I’ve just fought you, I used the moves of the twelfth level of the Shura Divine Blade.In other words, you were defeated in the twelfth layer of moves.”

“No, how is that possible.”Shi Haoxiang just remembered, as if, he was suddenly going crazy, he had already lost badly enough.

It was only after being reminded by omi that everyone also remembered that it was true.

“Wow, awesome.”

“Tsk tsk, who is this person, what a reversal of my perception of the Shura Divine Blade.”

Everyone exclaimed.

Violet Bell, who was beside her, had already admired her, and even, looking at omi’s random sleeve waving motion, she felt so handsome.

On the other side, Maeve, who didn’t know what to say at this point, couldn’t help but re-examine omi.

omi said, “Shi Haoxiang, three hundred cents, bring it.”

Shi Haoxiang was very ashamed and threw out three hundred immortal coins and left, and in everyone’s eyes, Shi Haoxiang ran back to his cave in ashes, probably no longer daring to come out to see anyone easily.

Only omi and Purple Bell were left in the same place, along with that Mei Fu.

Mei Fu didn’t leave, just looked at omi somewhat dumbfoundedly.

omi didn’t even look at Mei Fu and said to Zi Ling, “Alright, this is the end of my guidance to you.”

“Ah, that’s it.” Ziuzhen thought that omi would proceed to instruct her.

“Miss Zilbell, you must not be too greedy as a person. If you want to continue looking for my guidance, you can, five immortal coins at a time, not only you, if everyone here, but only three days, after three days, I won’t guide anyone anymore.”

After saying that, omi flew to an empty cave.

Those who were watching, immediately rushed up.

“Big brother, I want to guide.”

“Big brother, guide me.”

For a moment, omi became a steamed bread again, and it was estimated that he could earn him another sum of money.

At that place just now, Mei Fu looked at Purple Bell, but Purple Bell snorted at Mei Fu, “You’re already my underdog, hahaha. But thanks to you, you were the one that omi wanted to mentor, but unfortunately, you thought you had Shi Haoxiang, and now you see, Shi Haoxiang, it really smells like sh*t, hahaha.”

Miff saw the smug-looking Purple Bell and said angrily, “Don’t be arrogant, the worst I can do is spend money to find him to mentor.”

Zi Ling snorted, “You think, Tang would want your fairy coins? The people who want to ask him for guidance can’t even line up for three days, so is it your turn?”

Purple Bell flew away, heading for omi’s cave.

At this moment, there were already dozens of people lining up at the entrance of that cave of omi’s.

At this moment, Miff saw a familiar figure in the queue.

"Ah, Su Xiao Qiao? Did Sue Jo go to him for guidance too?"

Su Xiao Qiao was the woman Shi Haoxiang liked, but Su Xiao Qiao didn't like Shi Haoxiang, Su Xiao Qiao was also trained to the twelfth level of the Shura Divine Blade, her strength was only second to Mei Fu, but, Mei Fu wasn't as beautiful as Su Xiao Qiao, so Shi Haoxiang liked Su Xiao Qiao more.

Mei Fu was surprised to see that Su Xiao Qiao, who was always proud, was also in the queue.

Miff immediately ran to Shi Haoxiang's cave.

"Brother Howe, Brother Howe, go take a look ah, that Su Xiao Qiao, also went to find that person to guide."

Without waiting to finish his sentence, Shi Haoxiang rushed out of the cave, and indeed saw Su Xiao Qiao in line.
