

King of kings

2193

omi never expected that it was really Tang Huan, he had thought that it was a person with the same name.

omi immediately followed up, and of course, the crowd of onlookers at the scene also followed up.

Tang Huan quickly returned to her dormitory, Tang Huan looked at the group of melon eaters following behind her, somewhat helpless.

Tang Tang Huan entered her dormitory with a bang, and closed it tightly.

As soon as Tang Huan entered her dormitory, a voice came from her dormitory, "That guy who's chasing you, really don't you want to think about it?"

"Mother, what are you talking about." Tang Huan looked over to a person in her dormitory, it was her mother from her previous life.

"That person just now, his name is Nong Yao, he's quite a famous genius of the Immortal Academy, the Immortal Academy is the place with the most geniuses in the three realms, and all future strongmen are born from here. At the moment, all of them can be famous here, and when he leaves the Academy of Immortality in the future, it can be expected that his achievements will not be too small."

"Mother, I'm angry if you keep this up."

"Oh, I'm just saying, I don't mean to interfere with you."

"Mother, omi and I, we are already married, so I won't have any other man but him in my life."

Tang Huan's mother said, "That omi of yours, I am somewhat aware of him, he is from the mortal world after all, his starting point is too low, perhaps, becoming an immortal is already his greatest achievement, I'm afraid it's a bit difficult to go higher." Remember the URL .kanshu8.net

"Impossible, I, Brother Tang, have never let us down before."

At this moment, there was another shout from outside from Nong Yao, "Huan Huan, I beg you, be my girlfriend, I, Nong Yao, have never chased a girl like this in my life, so you should be able to see my sincerity."

Tang Huandao, "Mother, I'll ignore him, if he dares to force his way into my dormitory, please help me clean him up."

"Good." Tang Huan's mother nodded her head.

At this moment, outside, omi came up with the crowd.

Nong Yao was kneeling outside Tang Huan's dormitory door, still holding colorful flowers in his hand.

"Tang Huan, if you don't agree to me, I will always be kneeling here." Nong Yao said with a bite.

At this moment, a voice came from the crowd, "No need to waste time." The one who spoke was omi.

"Who dares to say that to Nong Yao?" Everyone was shocked when they heard it and panicked to look at the place where the sound was coming from.

At this moment, inside the dormitory, Tang Huan was about to cover her ears when she suddenly heard a familiar voice, and Tang Huan rushed towards the window.

Tang Huan's mother was busy asking, "Who dares to talk to Nong Yao like that? Hilarity, you know?"

Tang Huan didn't rush to answer her mother, but rushed to the window and immediately pushed it open, when she saw a certain figure outside, Tang Huan cried out in excitement, it really was him.

Tang Huan's mother also came up, and seeing her daughter so excited, she couldn't help but look at that person as well.

Outside, Nong Yao was on fire, but he told him not to waste his time, he f*ck.

Nong Yao yelled, "Who just said that? Does he not want to live?"

omi stepped out of the crowd and said quietly, "I said so."

"You don't f*cking want to live."

omi said, "I should have said that, you dared to chase my woman, you don't want to live ah, man, it might not be too late to apologize to me and say it was a misunderstanding in front of everyone."

Nong Yao's face was cold, there was still someone who dared to talk to him like that, Nong Yao certainly didn't think that omi could beat him, after all, the spell department

, among the late Upper Immortals, he was ranked fifth, which one of the top four, he didn't know, even the top fifty, he knew them all, and omi, was clearly not one of the top fifty.

Nong Yao gritted his teeth and said, "This friend, today is a great day for me to chase after Tang Huan, it might not be too late for you to get out of here right now."

omi said, "Don't know whether you're dead or alive."

After saying that, omi rushed up.

That Nong Yao also immediately fought back, the spells in his body were launched, Nong Yao was learning the Heavenly Luo spell.

"Heavenly Luo Emperor Seal." Nong Yao was probably too hot, and when he did it, it was the strongest spell.

Celestial Luo Emperor Seal, the entire spell system, other than above the Heavenly Immortals, not more than five people practiced it, and Nong Yao was one of those five people who practiced the Celestial Luo Emperor Seal.

"Buzz."

On all sides of omi, a single, golden streak looked seemingly very strong.

In Tang Huan's quarters, Tang Huan was full of worry.

Tang Huan's mother said, "This Nong Yao is worthy of being a genius, this Heavenly Luo Emperor Seal, it's performed very well."

Tang Huan said, "I believe in my brother Tang."

"What? You mean, he's omi?"

"Yeah."

"No way, why did he come here."

Tang Huan's mother sized up omi, although she had interacted with omi before, it was the first time she had seen what he looked like.

omi looked at the golden streak, and suddenly, the golden streak contracted violently.

omi didn't put it in his eyes at all, he was an expert in the Air Tearing System.

He could break this seemingly beautiful Sky Tear spell with a single move by casually casting an Air Tear spell, such as the Sun and Moon Divine Sword, because the Sun and Moon Divine Sword was a combination of spell plus sword art.

Just when everyone was worried that omi would be annihilated into powder, omi moved.

omi instantly launched his sword.

"Wow." omi closed his blade down as if a bolt of lightning had sliced through, and the sky all looked eclipsed under that lightning-like blade.

Once the knife was finished, omi swooshed his blade into its sheath, at the same time, Nong Yao's Heavenly Luo Emperor Seal floated away like a dandelion flower, at the same time, everyone also saw that the clothes on Nong Yao's body were cut off with a single slash, and when the wind blew, the clothes on his body scattered like a molting snake, only one pair of pants was left on his body, and Nong Yao's body did not see any blood marks, this shows that omi broke his Heavenly Luo Emperor Seal with a single slash, at the same time, he also perfectly controlled the force and the technique of the knife, the clothes against his skin cut off without leaving any blood marks, this is how brilliant the knife technique must be.

The entire audience was silent.

Even though the people here were learning spells, they could still see the perfection of omi's knife.

In omi's quarters, Tang Huan's mother said in shock, "Good swordsmanship."

Tang Huan, however, was not in the mood to admire his swordsmanship and immediately rushed out, shouting with excitement, "Husband."

omi turned his head to see Tang Huan pouncing on him and smiled slightly.

"Huanhuan."

“Husband.”

In full view of everyone, Tang Huan jumped into omi’s arms.

Everyone was confused as to what was going on.

omi and Tang Huan were embracing each other, just a short distance in front of Nong Yao, at the moment Nong Yao looked at the embracing two, he didn’t know how to feel inside, not to mention, he was so thoroughly defeated, the same late stage Upper Immortal, so badly defeated.
