"Zhou Mi, I already know this matter, to tell you the truth, in this room, I have watched Hua Ming Zhi enter and leave Tian Le Fang no less than ten times, but unfortunately, I have not been able to find the opportunity to kill him. Every time, Hua Mingzhi entered Tian Le Fang right under my nose, and I could only watch. Because, every time Hua Ming Zhi was followed by a strong Dao Immortal, I couldn't even get close enough to do anything." Qing Shi slammed his fist on the table, looking very angry.

"I'm aware of this situation, but I have all the means to get Hua Ming Zhi killed, and after that I can make sure no one knows who did it."

"What's your solution?"

"Big brother is watching, by the way, how long will it take for Hua Ming Zhi to come to Tian Le Fang?"

"He'll be out in about two more months, and Hua Ming Zhi is bound to come pleasure-seeking once every twenty or thirty years."

"Good, then let him live for two more months. Brother Qing Shi, how long have you been here?"

"Thirty thousand years ago, thirty thousand years ago, I stepped into the Heavenly Immortal, and then I came here, I was able to come so quickly because my grandfather hadn't come home for hundreds of thousands of years, I was very worried about him, and then somehow I stepped into the Heavenly Immortal. Hey, Brother Zhou Mi, how come you're also a Heavenly Immortal?"

Omi said, "I've spent millions of years in the Immortal Academy and had some extraordinarily strange encounters, so, I've become a Heavenly Immortal."

"No way, so fast."

"The Academy of Immortality, well, that's where miracles are created."

"Also, unfortunately, I don't have that fate." Remember the URL . kanshu8 . net

"Why do you need to be so frustrated, Brother Qing Shi, if there is a chance, I will definitely find a way for Brother. By the way, big brother, my family members at home?"

"Don't worry, they're very nice, it's just that you've been away for millions of years after all, and they miss you so much."

"That's good, I'll go back when I kill Hua Ming Zhi."

"I'll go back with you, it's time for me to go back to my grandfather for his funeral."

"Hmm."

Two months passed quickly.

Omi could only take a desperate risk, blending into Tian Le Fang, sneaking into Wan Hong's room and then knocking her out, after which it was disguise.

Omi transformed himself into Wan Hong.

Omi secretly snorted, "Hua Ming Zhi, I hope you won't keep me waiting for too long."

Unexpectedly, the day after Omi pretended to be Wanhong, Hua Mingzhi came.

"Hua Shao, you're here, hahaha."

"Well, is Miss Wan Hong here?"

"Of course, Wan Hong is looking forward to your appearance every day, Hua Shao quickly please."

At the front door, Hua Ming Zhi came dressed in a gorgeous costume, he was followed by an unloving, cold-faced Dao Immortal man.

Hua Ming Zhi came to the door of Wan Hong's room and said to the Dao Immortal behind him, "Leng Ha, you wait for me at the door."

"Yes, Hua Shao." That Dao Immortal didn't get suspicious, after all, this had been done countless times before, and Hua Ming Zhi's fastidiousness would come out in a few hours.

Entering Wan Hong's room, Omi immediately pretended to be Wan Hong and said, "Hua Shao, you've finally come."

"Hahaha, Miss Wan Hong, Hua Mingzhi has come to pay his respects to you." Hua Mingzhi smiled and said with a respectful tone, because this Wan Hong, who was also worth millions, was in a way much richer than Hua Mingzhi, who only relied on the immortal stones given by his family.

Omi didn't bother to pretend anymore, disgusting.

Thus, Omi immediately walked up.

That Hua Ming Zhi didn't have the slightest defense, and suddenly, Omi took control of Hua Ming Zhi.

"Ah." It was only until this moment that Hua Ming Zhi

Silly.

"You, you're not Wan Hong."

Omi made a man's voice, "Unfortunately, you know too late."

"You, who the hell are you?"

"A man who wants you dead."

"Lengha." Hua Mingzhi immediately wanted to shout, but unfortunately, how would Omi give him the chance, Hua Mingzhi couldn't shout at all.

"Don't waste your energy, you won't be able to shout."

"Who the hell are you? Why do you want to kill me, I'll give you double the amount of immortal coins, please let me go."

"Haha, immortal coins, I am a billionaire, can you afford to give me immortal coins? Hua Ming Zhi, you remember a man named Qing Tian."

"Qingtian? Who is he? I really don't know, you've got the wrong person."

"Sure enough, in your eyes, my grandfather Qingtian is as cheap as a blade of grass ah."

"Please, I really don't know Qingtian." Hua Mingzhi pleaded bitterly.

Omi angrily said, "Then listen carefully, you were once at your gate, a doorman, killed by you for opening the door a little late, that man, was my grandfather."

"Ah, this, how is this possible?"

"Hua Ming Zhi, pay for my grandfather's life."

"No, I'm so wronged, it's not fair that I, Hua Ming Zhi, the young master of the Hua Ming House, should die because of a doorman."

"So, in your eyes, my grandfather's life and your life are not equal, but unfortunately, in my eyes, your life is less than a finger of my grandfather. Go to hell."

"No."

Unfortunately, Omi had already killed Hua Mingzhi.

Omi chopped off Hua Ming Zhi's head, put it in his spatial ring, and then, walked away through the back window.

The Dao Immortal, however, was still standing outside the door, but of course, Wan Hong's room wasn't really a few dozen square feet of yes room, it might as well be a large courtyard.

Omi soon left Tianlefang.

Across from Tian Le Fang, Qing Shi and Tang Huan saw Omi come out and said happily, "He came out, I don't know if he succeeded or not."

"Definitely succeeded, my husband almost never misses."

Omi looked up to a certain window of the inn across the street and gave a wink to Qing Shi and Tang Huan, then the three of them just flew away.

The three of them soon left the Northern Club and flew towards the Upper Feyan Continent.

It was only after they reached far away that Omi took out Hua Mingzhi's head, and Hua Mingzhi's eyes were still wide open, as if he was unwilling.

"Pah." Omi slapped the head's face and scolded, "Are you still unhappy?"

Tang Huan said, "Forget it, don't get your hands dirty, it's already a dead head, what does he know."

At this moment, in Tian Le Fang, the news of Hua Ming Zhi's death had already been discovered.

That Dao Immortal bodyguard of Hua Ming Zhi's was currently being tied up with five flowers, and several Xuan Immortals were investigating the scene.

Of course, there were also the cries of a few women and the roar of a group of Hua Ming Zhi's men.

One month later, Omi finally returned to the Northern Clublands.

Soon to see his family, Omi couldn't hold back his excitement.

After a million years apart, Omi had never been apart from them for so long.

Having arrived at the familiar Upshern Yama Continent, Omi headed straight for home.

Omi immediately felt a sense of familiarity when he arrived at the long-lost fairy house.
