Chapter 2261

A few seconds later, Ting Lan's mind moved and her hair grew out, returning to her previous appearance.

Ting Lan was being held by Omi's hand, feeling whether this was a dream or not, and was busy biting herself several times.

"What are you doing?"

"I'm afraid this is a dream, and when I wake up, I'm still on the mountain of Godni."

"It wasn't a dream, though I don't know why the Godni suddenly went mad."

"Then let's get out of here, just in case she regains her senses and catches me back."

"Go."

Omi quickly flew away with Ding Lan.

Both Omi and Ding Lan couldn't figure out about why Shenni suddenly went crazy, it felt like she was being forced.

A few days later, Omi returned to Ding's Immortal Mansion.

"You guys." Ding Cang Dao was silly when he saw that they were back together. First URL

Omi said, "Dad, I don't have time to talk to you for now, I'll find you later."

Omi pulled Ding Lan and headed straight to their place.

"What are you guys going to do."

"Doing what couples should do."

"Ah." Ding Cang Qiong was startled, but, with a slight smile on his face, he asked, "So you're still going to marry my granddaughter, Ding Huan?"

As Omi pulled Ding Lan away, he said, "You watch the arrangements."

Behind him, Ding Cang Dao said, "Then let's take advantage of the half year you're on vacation to do this as well."

"Yes, after that, I'll be both your son-in-law and your granddaughter-in-law." After saying that, Omi and Ding Lan disappeared into the courtyard in front of them.

"Yeah." Ding Cang Dome smiled bitterly, but everything was worth it to be able to keep a genius like Omi behind, but the joke would spread again that he, Ding Cang Dome, had not only married his daughter to him, but also his granddaughter in order to keep Omi's heart.

Ding Lan blushed and said, "What are you pulling me to do."

"You tell me."

"I don't know." Tintan said playing dumb.

"It's time you got to know a real man."

"What do you mean."

Tenzin asked, "What? Have you already learned what a real man is?"

"I don't understand."

"You used to be with that Li Changting, I don't think there's that."

"How is that possible, I was still ignorant and unknown before, he was pleasing me a hundred times, plus he was quite a genius at the Immortal Academy at the time, so for a while, I had a bit of a crush on him. I haven't even held hands with him, and, some time ago, the first kiss was only given to you." Ding Lan gave Omi a blank look.

"So, your eyes are still pure and flawless, too."

"Nonsense."

"Hahaha."

Laughing, they had arrived at their place.

Omi stopped Ding Lan in his arms and entered the room.

Two hours later.

"How was it." Omi said wiping Ding Lan's hair.

"How about what." Ding Lan lowered her head with a blushing face, now she was completely clear about this kind of thing, but before she knew nothing, she had never even seen a man's body.

"You understand."

"I don't understand." Dinah said shyly.

"I'm talking about technique."

"Alright, alright, don't say it, shame on you."

"Hahaha." Omi laughed as he watched Dinglan being conquered by himself.

Two days later.

Ding Cangdong went looking for Omi.

"Dad, what are you looking for me for?"

"Tzu-Chen, it's for you.

I came here to tell you that the date you and Ding Huan have chosen for your business is in two months, what do you think?"

"Of course, just as long as it's between my six months of vacation, everything is up to Dad to bother."

"Oh, don't bother, after you get married to Ding Huan, if you want to call my dad picket call dad, if you want to call me grandpa, call grandpa."

"Er, haha." Omi smiled awkwardly.

In fact it was completely possible not to recognize Ding Huan's granddaughter relationship, previously it was Ding Lan who strongly wanted to treat Tang Huan as his daughter, so helplessly, the dean recognized her as his granddaughter, now, all the truth was revealed, Ding Lan and Tang Huan also dissolved their mother-daughter relationship, so naturally, they were no longer his granddaughter.

However, Ding Cangdong can't be that stupid, adding one more Ding Huan, one more binding to Omi, and a granddaughter and son-in-law, to see if he can forget the Ding family when he's developed in the future.

Ding Cangdong immediately sent someone to the Academy of Immortality to bring Ding Huan up and formally let Ding Huan recognize his ancestors, before, although it was said that Ding Huan was the surviving daughter of one of Ding Cangdong's deceased sons, but there was no announcement of the world, nor was there any ceremony held in the family, now, it was time.

When the time came, Tang Huan would truly become Ding Huan.

However, Omi called like Tang Huan.

So, Ding Cangdong found Omi again.

"Dad, what is it again?"

"Omi, before Ding Huan, name plus Tang Huan, right."

"Right."

"You've gotten used to being called Tang Huan before, and now you want to change your name to Ding Huan, I'm afraid it's a bit uncomfortable."

"It's fine, you'll slowly get used to it later, it's just a name."

Ding Cangdong said, "Considering you don't like what you call it, then let's do it, when Ding Huan officially recognizes her ancestors and fixes her name on the family tree, I'll have her name modified to 'Ding Tang Huan', after that, it will be logical for you to call her Tang Huan."

"Er, surname Ding, name Tang Huan."

"Yeah, what do you think, so you won't have to change your name."

"Thanks dad, you're so good to me." Omi smiled hehehe, recently Ding CangDong was really obedient to Omi.

"I'm your father and your grandfather, if I don't treat you well, who will I treat, alright, the rest is fine, go ahead and get busy, just tell me if you need anything."

"Okay, I'll leave first then."

As soon as Omi returned home, Ding Lan welcomed him out.

"You're back, what did dad want to see you about?"

"It's fine, just in case I have trouble changing my name, take Tang Huan's name and change it to Ding Tang Huan."

"Well, that's fine, my family hasn't fixed the name for Tang Huan yet anyway, it's still not too late to change it to anything you want. Omi, come inside quickly, there's someone who calls himself your captain looking for you."

"Yes."

Omi busily entered the house, and suddenly saw Captain Mingcheng.

"Haha, Omi."

"Captain, what brings you to my place."

"What? I'm not welcome, I'm here to give you an award, it's a prize given by our barracks to every warrior who fought in the war."

"What is it?"

"It's not anything precious, it's just an Immortal Pill."

Next to him, Ding Lan said, "A tenth-grade immortal pellet."

"Yes, it's not just a tenth-grade Immortal Pill, it's also a Fetal Pill."

"Wow." Ding Lan was shocked.

"What's a Fetal Pill?"

"A fetal pellet is, ten people take it, and five of them can raise one level of immortal pellets."

"Yes, Omi, this military camp, there are only a total of one hundred fetal pills to take out as rewards, I got you a quota."

"Ah, got me a quota ah."

"Yeah, you still don't accept it, with your performance on the battlefield, aren't you worthy of this Fetal Pill."
