

King of kings

Chapter 2271

Shen Yao huffed, "Omi, I don't know what luck you have had, the heavens have given you such a good providence, hmm, today since I found out and I had the opportunity, don't blame me for being rude, hahaha."

So, Shen Yao immediately cut off Omi's relationship with Ding Lan, and, Shen Yao also connected Ding Lan, with a person called 'Gao Xiaofei'.

"Hehe, Omi, hahaha." After Shen Medicine finished his handiwork, he panicked and left.

A few days later, Ding Lan, who was cultivating in the house, suddenly sighed.

A maid beside Ding Lan said, "Miss, what's wrong with you? Why are you sighing ah, is it that you miss the Tang Sovereign."

Ding Lan said, "I don't know, maybe, yes."

Ding Lan didn't say, in fact, Ding Lan felt inside, this life wanted a little bit more tired, it felt as if Omi wasn't the harbor her heart needed the most.

Ding Lan felt very bored, when she said, "I'm going for a walk."

Ding Lan arrived at one of the most crowded hanging islands in the Immortal Realm to take a walk on the island.

Just at this time, there was a flirtation behind: "Yo, isn't this bitch Dinglan, how drop, your husband Omi, can't satisfy you is it, come here to have fun ah, how about me."

"Hehehe, positive ah." Several other rogue immortals also looked at Ding Lan's figure with glowing eyes. Remember the website .kanshu8.net

These rogue Immortals were all Xuan Immortals.

Ding Lan angrily said, "You guys don't want to live do you?"

Just then, a man behind Ding Lan said, "Miss Ding Lan, why get angry with a hooligan, I'll teach them a lesson for you!"

Then the man beat up a couple of hoodlums.

"Thank you."

"You're welcome."

"May I ask who you are?"

"Hello, Miss Ding Lan, my name is Gao Xiaofei. I wonder if Miss Ding Lan would be willing to be gracious enough to come to my restaurant for a drink."

Just like that, Ding Lan and Gao Xiaofei got to know each other.

The acquaintance was strange and inexplicable, not as if it was arranged in the underworld.

However, after finishing the drink, Ding Lan took her leave and went home.

After returning home, Ding Lan couldn't stop thinking about that Gao Xiaofei, she always felt that Gao Xiaofei, the jade tree, was graceful and elegant.

Ding Lan was very contradictory, how could she have such a feeling for Gao Xiaofei, it doesn't make sense, that Gao Xiaofei is a few streets behind Omi.

However, the feeling couldn't fool anyone.

At this moment, Omi was still in the barracks.

Omi had no idea what was going on, nor did he know that his wife was 'moving on'.

All of this was caused by that Shen Medicine, who had cut off Omi and Ding Lan's Heavenly Desire relationship, and, moreover, forcibly linked Ding Lan to Gao Xiaofei.

While Omi was doing nothing, Ming Cheng pair came.

"Brother Tang, what are you staring at."

"Oh, big brother, you're here, why aren't you assigned to an expat mission?"

"Don't be ridiculous, I'm the captain of the barracks, how could I be sent out, only a celestial soldier could be sent out."

"Oh, so."

"Brother Tang, you're bored in the barracks, so am I. Let's go, let's go to my place and drink."

Omi said, "Big brother, can we celestial soldiers who haven't been sent out have to stay in the barracks all the time?"

"That's not true, you can take a leave of absence as long as it's approved from above."

"Well then, I'd like to take a leave of absence to go home." Omi said.

"Brother, leave of absence is applied for on my behalf and then reported to the corps commander, if the commander agrees, you can only go home."

"It's such a hassle, I'm so bored right now, I'd love to go home." Omi said.

Ming Cheng Dao: "Alright, tomorrow I will help you apply upwards, don't worry, I still have a good relationship with the regimental commander, I think, if I say a few good words, he will

You are granted leave to go home."

Don asked, "How long can I take a leave of absence?"

"Up to six months, and you can only have one chance to take a leave of absence in a hundred years."

"Understood, give me a six-month leave."

"Brother, is that really necessary? It's been six months on leave since the last war, which isn't that long."

"It's necessary, I feel like I'm going to stay crazy."

Ming Cheng was very quick to get leave for Omi the next day.

Omi left the barracks smoothly, without approval, it was impossible to leave the barracks, the management of the barracks, was very strict, without approval, not even a mosquito could get out.

Omi's mid-Dao Immortal realm was merely a bit more powerful among the lower celestial soldiers in the barracks.

"Ahhhh." Omi, who left the military camp, was like a liberated bird.

Omi went straight to his home.

"Huanhuan, I'm back." Omi first went to look for Tang Huan.

However, Tang Huan was not there.

"Where did he go?"

"Onward to the Academy of the Fairies." A servant said.

"Oh."

Omi went to find Ding Lan again.

"Lan'er, I'm back."

But Ding Lan wasn't there either.

"Where have you been again?"

"Miss Dinglan has gone to Taurin Island."

"Going to Taurin Island for what?" Omi asked.

"I don't know, Miss Dinglan has been there a few times lately."

"Oh, then I'll go and take a look."

Omi also went to Tao Lin Island to see what she was doing on Tao Lin Island.

Omi searched around Tao Lin Island and finally saw Ding Lan.

Ding Lan was in a restaurant, an average looking man was sitting in front of Ding Lan, and they were chatting.

Omi's eyebrows furrowed as he said in his heart, "No way, Ding Lan is eating with another man behind my back? The key guy is still ugly as anything, how is that possible."

Not believing it, Omi immediately rushed in.

"Dinglan, who is this?" Don Zimmer asked.

"Ah." Ding Lan was startled, thinking it would take a long time for her husband to come back, but suddenly he popped up.

"Husband, why are you back?"

Omi saw Tinglan's look and felt there was something wrong, and asked aloud, "Who is he?"

"Ah, he, he's a friend of mine."

Don asked again, "Did you guys f*ck?"

"Ah, no no, no, we're only meeting for the second time, really." Ding Lan was busy explaining.

Omi said angrily, "Ding Lan, I heck, I never thought that you would go behind my back and date another man."

"Husband, you've really misunderstood."

"So obvious or misunderstanding?"

"Husband, listen to my explanation."

"Fine, you explain, I'd like to hear your explanation." Omi said angrily.

Ding Lan was busy saying, "Husband, I know, you won't believe me, in fact, I really still have you deep inside, but I don't know why, I, I can't always forget Gao Xiaofei, it's like, it's like, I don't know how to describe it. But I swear, deep down inside, I love you."

"While dating someone else, you still say that deep down you still love me, do you believe it yourself?"

"Husband, I really, I'm not lying to you, sooooo." Ding Lan cried out.

At this time, Omi suddenly thought of something, before, that Tian Nian Shi Princess, seemed to have said so, the difference was, Tian Nian Shi Princess said that she obviously didn't like Omi, why did she have the feeling of being born with Omi.
