

King of kings

Chapter 2276

"Come on, don't just read about this one thing every day."

"If I don't recite this one thing, then do I have anything else to recite, everyone and everything else, I already know it inside, so what's there to recite."

"Also, but don't worry, Nian Shi has been very good since she was little, and she never messes up, you don't have to worry about anything happening to her, her destiny is higher than the three realms, even you can't kill her, even if she's broken all over, her soul will never die or be destroyed."

"I'm not worried about her right now, I'm worried about whether she'll find a man."

The Immortal Mother glared at the Immortal Emperor and said, "Nianxi's destiny is higher than the Three Realms, and within the Three Realms, there is no man she can see. Your worries will never exist."

"Words can't be so deadly, you have to know that Nian Tides' destiny is higher than the three realms, once someone is united with Nian Tides, I can't even predict that person anymore, it becomes, I have two unpredictable people."

"All that being said, it's the same words again."

Not knowing how long he had slept, Omi opened his eyes.

In a daze, the first thing Omi saw was, a woman dressed as a Xian Py.

"Ah, who are you?" Omi was busy asking.

That fairy said, "Omi, how did you find this place?" First web site m . kanshu8.net

Omi touched his eyes and asked, "What is this place? I don't know ah, I walked and walked in a daze and came here, sister fairy, if I've offended you, I hope you'll forgive me, I'm leaving, I'll never bother you."

"Come on, it's no offense, if you have any questions, let my master talk to you."

"Your home lord is?"

At that moment, a woman whose beauty was deeper than the sky walked in and said, "It's me."

Omi immediately recognized that it was Princess Niancius.

"Ah, Princess Nian Tides, it's you?"

"Yes, it's me."

"Wuxian pays homage to the princess." Omi scrambled to pay his respects.

"No need to be polite, get up."

"Thank you, Your Highness."

"Alright, Omi, how did you end up here?"

"I really don't know, I was drinking while walking, the wine in the Immortal Realm was too strong, I was already drunk and confused, then I fell asleep on the ground and woke up and saw you guys."

Princess Nian Shi sighed inwardly, "I thought that it was impossible for me to run into Omi since I was hiding so far away, but I never thought that the heavens would arrange for me to be with him, no matter what, I couldn't hide. O Father, you have insight into all the three realms, perhaps, before I was even born, you have already seen what happened here today, and you, you really didn't even show any sign, did you really acquiesce to me and Omi getting together in the future? It's just a matter of time, since you all have acquiesced, I'll try to consider him, if in time I still can't accept him, then I can only go against the fate of heaven. Oh, what's the point of going against the fate of heaven, perhaps, my future, Father Emperor already knows whether I will be with Omi in the future or not."

Omi said, "Princess, I didn't know you were here, I'm really sorry ah, I'll leave right away."

"Wait." Tian Nian Shi shouted.

"Is there anything else Princess?"

Tian Nian Shi asked, "Omi, talk to me about you."

"Talk about me?"

"Yes, everything about you, from the time you were born."

&n

bsp; "Oh." Omi was a bit confused, the princess even wanted to know him, was that, a good place to start?

Immediately, Omi told Tian Nianxi the things he had done since birth, bit by bit.

Although Tian Nianxi's destiny was higher than the Three Realms, she wasn't an Immortal Emperor, so naturally she wouldn't know various things about other people's past and present lives.

Omi talked about this for a day and a night, after all, Omi's experience was far more legendary than the average person's, that started from the weakest mortal and rose against the sky creating countless myths along the way.

After hearing Omi's journey all the way, Princess Tian Nianxi also exclaimed, "Omi, I didn't expect that you came from a mortal to cultivate against the sky, you can say that you are the first person within the three realms to do so, no wonder, no wonder."

"Er, hard to blame for what?" Don Zimmer asked.

"Nothing."

What Princess Nianzhi wanted to say was, no wonder her father would acquiesce to him, his father already knew everything about Omi, knowing that Omi's future should be good, right?

"Princess, if there's nothing else, then I'll leave first."

"There's no need to rush, it's not impossible to stay with me for a few days, so I can observe you for a few more days."

"Er, observe me?" Omi was a little confused and was busy saying, "Princess, you're not planning to be with me, are you?"

"You think too much, and if you ever speak such nonsense again, don't blame me."

"Then why are you observing me?"

"I'm observing you, but I'm just trying to get myself, to make up my mind, to consider the future you, and even if I did consider the future you, that would be a very distant future to be with you."

"Oh, then in case the Immortal Emperor knows?" Omi frowned, the Immortal Emperor didn't even summon Omi, he wasn't even interested in bringing in the future Omi, how could he allow Omi to be with his daughter, wasn't this bullshit? Therefore, Omi's heart was not hopeful at all.

Princess Nian Shi said, "Don't worry, every word we say at this moment, and even everything that happens in our future, my father has known about it since before I was even born."

"Oh, also, the Immortal Emperor, that supreme of the three realms, knew what would happen, he already knew. If he really didn't allow it, he would have appeared long ago." Omi smiled bitterly, Omi already knew in his heart that the Immortal Emperor must have already known that his future with the princess was simply impossible, so no matter how Omi and the princess were entangled now, it would be fruitless, that's why the Immortal Emperor was just relieved, besides, Princess Nianzhi was still far more powerful than Omi.

"Princess, what do you want me to do?"

"No need to do anything, just accompany us and walk around in the Earth Immortal Realm."

"Good."

Omi also figured it out now, no matter if his future was ordinary or not, it couldn't change that future anymore, so why be happy and live how he originally wanted to live. The beauties that he had met before and liked him, all of them were taken in and lived happily ever after.

Omi accompanied Princess Nianzhi and walked around the Earth Immortal Realm for a few months.

After half a year, Omi said, "Princess, I can't walk with you anymore, I have to go back to the barracks, my vacation is over."

Princess Nian Shi said, "It's okay, I'll have someone go and continue your leave for you, or, I'll transfer you to another place, you can go wherever you like."

Omi busily asked, "Thank you Princess, then can I be transferred to the Heavenly Division Divine Palace?"

Omi remembered that Ming Yue was there, Omi might as well go to the Heavenly Division Shrine and have a round with Ming Yue and enjoy the day.
