"So when do we go?" Omi asked.

The Three-Eyed War God said, "I heard from the princess that you have one more thing to do."

"Right."

"Come back to me when you're done, just ask around and you'll know where I live, alright, I'll be leaving today."

"A respectful farewell to Senior War God."

The Three-Eyed War God walked away.

Captain Ming Cheng busily walked in, patted Omi on the chest and said, "You kid, you can ah, when have you been friends with the Three-Eyed War God, you are too good at hiding it."

Omi was speechless, "What's the matter, it's nothing at all, okay."

"You bastard, still pretending to be a comparison." Captain Ming Cheng rolled his eyes.

"Khan."

Captain Ming Cheng said, "You may not feel anything yourself, but actually, as me, it's already a great honor to be able to speak with someone of the level of the Three-Eyed War God. Unfortunately, it's impossible for someone of my level to even say a word to the Three-Eyed War God." One Second Remember to Read the Book

"Uh, is the Three-Eyed War God that powerful."

"Why lie to you, by the way, what did the Three-Eyed War God just call you for?"

"Oh, it wasn't him who came to me, it was Princess Nenshi who told him to come to me."

"Damn." Captain Mingcheng scolded, Omi pretended to compare again, the Three-Eyed War God coming was already awesome enough, I didn't expect that Princess Nennian sent him.

"Didn't you brag before that Princess Nennius Tides didn't have a friendship with you? Otherwise, why haven't you been sent out."

"Oh, the reason why Princess Nian Tides didn't arrange for me to be sent out before was because, she had a better place to arrange for me to go, that is, the Sky Wolf Battle Team, and the Three-Eyed War God just came to find me."

"Ah, the Sky Wolf Battle Team, how is that possible." Captain Mingcheng was shocked.

"Really."

"Damn, the Heavenly Wolf Battle Team, that's the top team in the Immortal Realm, it's not just any genius that can't get in ah."

"Oh, since Princess Nianzhi arranged it this way, I can only go."

"Tangdi, it turns out that you're really one of Princess Nianzhi's people."

"That's still false."

Omi and Ming Cheng chilled a lot, it seemed, Captain Ming Cheng's tone had changed, changed as if Omi's status was much higher, to the extent that even he had to please, not to mention, just the fact that Omi was able to enter the Sky Wolf Battle Team was enough to make Captain Ming Cheng worship.

The Sky Wolf Battle Team was a place that Captain Ming Cheng had once greatly desired, but unfortunately, he was not qualified to enter.

Now, their family, went all out to cultivate his sister, Ming Yue, expecting Ming Yue to enter the Sky Wolf Battle Team one day and bring glory to the family.

But to no one's surprise, Omi had entered the place their entire family longed for so quickly.

Captain Ming Cheng said inwardly, "Grandpa, you still had me as a general friend with Omi before and snobbishly looked down on Omi, but now, well, people Omi have entered your Sky Wolf Battle Team, now, it's their choice to still be brothers with me or not."

Captain Ming Cheng believed that if his grandfather knew the true situation of Omi, he would definitely regret what he said before.

"Brother Tang, then when are you going to enter the Sky Wolf Battle Team ah." Captain Ming Cheng said full of envy.

"The Three-Eyed War God asked me to finish my personal business."

"Tsk, if there is a connection,

It's different, let the god of war wait for you." Captain Ming Cheng tsked.

"Oh, it's not a big deal, it's just that the last time Shen Medicine heck harmed me, I won't let him off, I told Princess Nianzhi about this, and the princess said that she will send a person to assist me in the next few days to ruthlessly hold that Shen Medicine accountable, the head that should be killed."

"Wow, the princess is so good to you." Captain Ming Cheng's eyes flashed desperately, Omi these few things, take out any one of them, it is hard for Ming Cheng to fantasize in his whole life ah.

"Oh, very good indeed, I'm waiting for the people sent down by the princess now. I'll wait in the barracks first, Captain, that's fine I'll return to the barracks first."

"Uh-huh, go ahead." Captain Mingcheng said with a cordial nod.

After Omi left, Captain Ming Cheng also left the barracks and went straight home.

"Grandpa." Ming Cheng came to his grandfather's place.

"Why did you come back again, right, last time you said that Omi, you shouldn't have any contact with him now, this brat, you don't look at what catty you are, wanting to fight with the Shen family, you really don't know how to be ungrateful. You are not allowed to call him a brother from now on, even if you were to interact, it would only be a general friendship, a mere acquaintance." Ming Cheng's grandfather said.

Captain Ming Cheng said, "Grandpa, I was just about to tell you about him."

"What? You still want to come and beg me, to help catch Shen Pill?" Ming Cheng's grandfather was furious.

Ming Cheng said, "Grandpa, do you know that the Three-Eyed War God just went to the military camp to look for Omi."

"Er, the Three-Eyed War God looked for him? How is that possible, what level of the Three-Eyed War God, who wouldn't even give me a second glance, would personally go to the barracks to find him?" Ming Cheng's grandfather snorted with disdain, he was aware of how high the Three-Eyed War God said he was, he couldn't even get a second glance from the Three-Eyed War God at this level.

"Grandpa, why should I lie to you, the Three Eyed War God is looking for Omi to go to the Sky Wolf Battle Team."

"What did you say? Let Tang Zixin go? Do you know that countless geniuses in the Heavenly Realm want to go, but can't get in, and he, in fact, lets Omi go?"

"Nonsense, you didn't even look at who ordered it, it was Princess Nensui who ordered the Three-Eyed War God to arrange it."

"Erm, Princess Nensis?"

"Yeah, Omi is Princess Nennis' man, I heard Omi say that when he becomes an immortal in the future, he can go to Princess Nennis' side to serve her, right now, Princess Nennis is paving the way for her people."

"Ah." Ming Cheng's grandfather stood up.

"Thinking I'm lying to you again isn't it? I'm in no mood to lie to you."

"But it doesn't make sense, although Omi did well in the Heavenly Demon Battlefield last time, it's not like he was directly favored by Princess Nian Tides before he was even powerful, besides, Omi didn't even summon the Immortal Emperor, it shows that Omi's future must be nothing more than that."

"Grandpa, the fact that the Immortal Emperor didn't summon him doesn't mean anything ah, perhaps, the Immortal Emperor wants to transfer Omi, a talent, to Princess Nian Tides."

"Damn it, Ming Cheng, hurry up, hurry up, go ahead and invite your brother back as a guest." Ming Cheng's grandfather said.

Ming Cheng snorted, "Didn't you tell me not to call him brother?"

"What? Are you really with him? Aigoo, what are you waiting for, hurry up and apologize to him ah, pull this brother back ah."

"Alright, grandpa, I'm not as snobbish as you are, I'm still good brothers with him."

“That’s good, go and invite him back as a guest.”

“Oh, I’m on my way then.”
