

King of kings

Chapter 2291

It turned out that no matter what realm Omi was in, the savages he saw were what realm they were in, their clearance had nothing to do with how many realms they were in, it was all about strength, and those who were strong in their realms would see strong savages in their realms as well.

Omi had to go back and study how to further improve his strength.

"Omi." Cheng Yu took the initiative to come looking for Omi.

Now only the two of them were in the Sacred Ancient World.

"Cheng Yu, you're healed."

"En, it's fine." Cheng Yu remembered that her body was being looked at by Omi, so she couldn't help but give Omi a glance.

"Why are you looking at me like that."

"It's going to be, you're taking advantage of me but you're still acting like nothing's wrong."

"If you really mind, then just marry me, I don't mind marrying one more anyway."

"You wish."

"Come on, let's all stop being ghetto." First URL m.kanshu8.net

"Omi, congratulations, you've stepped into the late Dao Immortal stage." Cheng Yu said.

"Thank you, I also stepped in at a critical moment, by the way, I didn't suffer any loss this time when Uluo was in trouble, I was inspired by him and stepped into the late Dao Immortal stage."

"You're lucky, I can be the most disadvantaged, my body was seen naked and injured, and I didn't get anything."

"How come you didn't get anything, you got my heart."

"No decency."

"You took that hit for me, I'm grateful to you, I'll be your man anytime if you don't mind, that's not getting me."

"Nonsense, it's my loss."

"By the way, Cheng Yu, do you have any secrets of the Air Tearing Technique."

"Didn't you already practice two kinds."

"I want to study some more, then, and then incorporate them into my moves li, so that I should be able to make my current Sun and Moon Shura, even stronger."

Without saying a word, Cheng Yu immediately threw out three secrets of the Air Tearing Technique.

"You can see for yourself, these books of Air Tearing Technique, although they are not brilliant, they are still stronger than the Sun and Moon Divine Sword and the Shura Divine Saber."

"Thank you, then I'll start researching, you also hurry up."

"Good."

The two of them entered the closed door more.

Cheng Yu gave Omi three books of empty tearing techniques, distinctly called "Yuan Punch", "Heavenly Power" and "Great Sorrowful Hand

After reading it, Omi said in his heart, "It's really quite strong, but how do I take these three Air Tearing Techniques and then incorporate them into the Sun and Moon Shura? How do you get these three, which can be said to have no connection to the Sun and Moon Shura, all of which have no weapon medium?"

Omi racked his brains, but he had no ideas.

Strength really wasn't that easy to improve.

However, the emperor was not disappointed, after a thousand years.

"Hahaha, I've finally succeeded."

Yes, it took a thousand years, and that didn't include the time it took to enter Deep Space, Omi had finally fused the five Air Tearing Techniques, Yuan Punch, Heavenly Power, Great Sorrowful Hand, Sun and Moon Divine Sword, and Shura Divine Saber together.

After the fusion, Omi created an Air Tearing Technique that was even more powerful than these five combined, called the Heavenly Yuan Great Compassion Sword.

This was Omi's newest and strongest martial art.

Right now, Omi was full of confidence.

Although Omi had spent a thousand years in the Sacred Ancient World, if one included the time spent entering Deep Space, it was estimated to be more than a hundred thousand years, so it was evident that Omi hadn't spent much experience.

Omi said, "I think it's time to try and see if I can pass the fifth level."

Omi arrived at the tribe where the fifth level was located.

"Come on." Omi shouted.

"Tian Yuan Great Sorrow Sword." Omi shouted out with a sword.

"Swoosh swoosh."

"Bang bang bang." Omi's sword was like a madman, striking hundreds of sonic booms in the air, each one blowing a savage's head off, simply unbeatable.

Ten seconds later, all eight hundred savages fell.

"Hahaha, after the fifth one, it only took me twelve minutes, hahaha, hahaha." Omi let out a loud laugh.

Omi, who had created the Heavenly Yuan Great Sorrow Sword, had increased his strength much, much more.

According to this level, Omi could now, in one minute, kill 4,000,000 savages.

Four thousand ah, Omi himself was a bit incredulous.

Four thousand savages, I don't know how many levels it was.

At this moment, the voice of Cheng Yu could be heard in the ear, "Omi, you're out of the level?"

"Yes, Cheng Yu, all of a sudden, we haven't seen each other for a thousand years."

"Just a thousand years, by the way, did you get through the fifth level?" Cheng Yu said.

"Yes, after this thousand years of seclusion, my sword, my strength has improved again, how about you?"

"Me too, my Da Luo Galaxy spell has improved a lot, I just came here today to see if I can get through the fifth level, I didn't expect to run into you."

"Oh, I've already passed."

At this moment, the eight hundred savages that had just been killed by Omi suddenly all rose up from the ground, intact.

"Cheng Yu, it's your turn." Omi stepped back to one side and said.

"Hmm." Cheng Yu began to kill those savages, all of them were late Dao Immortals when Omi killed them just now, and now that Cheng Yu had killed them, they had all become mid-Dao Immortals again.

Fifty minutes later, Cheng Yu had killed all eight hundred savages.

"Yay." Cheng Yu shouted excitedly.

"Omi, I've also passed the fifth level, great." Cheng Yu said excitedly.

"Congrats." Omi chuckled.

"Same joy, same joy." The two congratulated each other.

Omi asked, "Cheng Yu, do you know what the sixth level is like? And what about the seventh and eighth levels?"

Cheng Yu said, "Sixth level, kill one thousand savages; seventh level, kill two thousand savages; eighth level, kill three thousand savages; ninth level, kill four thousand savages."

"Wow damn." Omi said in his heart, wouldn't this be, if he practiced the Heavenly Yuan Great Compassion Sword, he could all directly challenge the ninth level?

"How many levels are there in total? Which level of the ultimate assessment is it?" Omi asked.

"There's a total of ten levels ah, that's not even clear, the ultimate assessment is the tenth level ah."

"Wow damn." Omi was shocked again, he f*cking would soon be at the ultimate level, if the ultimate level was passed, he would have passed this assessment.

"Omi, why are you wowing twice in a row ah?" Cheng Yu asked.

"Oh, let's not rush, let me ask you, what's the ultimate level like?"

"The ultimate level is difficult to say the least, killing ten thousand of the same level savages in one minute."

"So this is the ultimate level."

"Ten thousand savages a minute, it's not that easy."

"Hehe." Omi smiled, although it wasn't that easy, Omi now had the ability to challenge the ninth level.

"Omi, you still haven't told me why you wowed twice in a row?"

Omi said, "Cheng Yu, I just finished killing eight hundred savages in twelve seconds."

"Huh?"

"Hey, that means, give me a minute and I can kill almost four thousand savages, do you think I want to wow a little."
