

King of kings

2298

"Thank you, Uncle Three-Eyed, then you go and get busy."

Princess Nian Shi was depressed inside.

Although she was a princess, she really might not give her face because Leng Tian Ling was a battle god among the high ranking immortals, ah, Leng Tian Ling's strength was not below that of the Immortal Emperor.

It had been said before that the Immortal Emperor's true combat strength wasn't strong, but only because he had mastered something special that allowed him to dominate the Three Realms. To rule the Three Realms, the Immortal Emperor had to rely on the support of Leng Tianling, the Three-Eyed War God, the Wind and Fire War God, and dozens of other great powerhouses.

In the end, Princess Nianxie had no choice but to try to see for herself if Leng Tianling could give her this face.

At the Leng Family.

"Master, Princess Nianxie is here."

"Er, Princess Nianxie? Why is she here?" Leng Tianling was startled.

"I don't know."

"Don't invite him in yet."

"Yes." Remember the URL . kanshu8 . net

Although Leng Tian Ling didn't necessarily want to sell the princess face, he didn't dare to deliberately offend her, after all, she was the daughter of the Immortal Emperor. Although, the Immortal Emperor wasn't necessarily stronger than Leng Tianling, but the Immortal Emperor controlled the Three Realms and had so many war gods and so many celestial soldiers under his hands, there was enough deterrence.

In the main hall.

"Leng Tianling pays his respects to Princess Nianci."

"Tian Ling War God, there's no need to be polite."

"I don't know what Princess Nian Tides has come to command."

"One of my guards, I heard he was captured by one of your men."

"Ah, who?" Leng Tian Ling was startled, he didn't even know about this, after all, it was his third son who did this, so he wanted to make a contribution to the family.

"Omi."

"Princess is mistaken, how could I possibly arrest your people."

"So, Tian Ling War God means that he doesn't want to release them."

"Princess Nenshi, we really didn't capture this person."

"Really?"

"Princess, your guard, has no quarrel with me, why should I arrest him, it's not reasonable."

"Perhaps, your men below you did not report to you?"

"How is that possible, since he's your guard, he's at least an Immortal, how could my family not let me know if they captured an Immortal, besides, to be your guard, he's definitely not an ordinary Immortal, my family, there's not many people who can do that ah."

"I forgot to tell you, my guard Omi, Cai Xuanxian."

"Er, only Xuan Xian, oh, so low, then I do have to ask for clarification. Someone, go and ask if someone has captured a man named Omi."

"Yes, milord." No one dared to slow down on what Leng Tian Ling had commanded.

In a hall.

"Third Master, it's bad, Princess Nianxie has come to our family to ask for someone, and now the Master is talking to her in the main hall, the Master doesn't know about this, he has sent someone to ask, do we have to tell that Omi is in our hands?"

"Damn, I didn't expect that Princess Nianzhi would come in person, this Omi is not a small person."

"What should we do now? If you don't hand someone over, you'll have to offend Princess Nian Shi."

"As things stand, it's better to release Omi, and as for that Li Jiudao, continue to lock him up. It seems that regarding Li Jiudao's Immortal Spitting Method, it won't be able to surprise my father, so I must quickly go and report to him."

"Yes."

"Omi, you're coming with me."

"Where to?"

"Go to the main hall, fortunately for you, Princess Nianxie herself came to save you."

Omi was busy asking, "What about Senior Demon King?"

“Li Jiudao? Oh, Princess Nianzhi didn’t say anything about saving him, so he naturally continued to stay here.”

&nb

sp; “Give it out.”

Omi wanted to say something else, but he was suddenly excluded from the prison by the ban.

Omi arrived in a large hall.

At this time, that Leng Tian Ling in the palace was squinting his eyes, as if, someone was speaking in his ears.

“Dad, I wanted to give you a surprise, but I didn’t expect that the person Li Jiudao fostered was Princess Nianxie’s person. Now I’ve asked someone to bring up Omi, and Li Jiudao, who is still in prison. Your father, you can decide on this, do you want that Immortal Machine Tumeric Method? If you don’t want it, release Li Jiudao, or kill him. If you want it, you can only continue to lock him up until he speaks up.”

That Leng Tianling said, “Alright, I know, you didn’t report such an important matter to me earlier. However, the Immortal Machine Spitting Method is indeed a good piece of cultivation, it must be.”

“What about Omi?”

“It can only be released, it’s not worth offending a princess, after all, this Three Realms is still theirs.”

“However, that Omi also knows the Immortal Machine Spitting Method, if he spreads the Immortal Machine Spitting Method and everyone in the three realms knows about it, then even if we get it, we won’t have an advantage.”

“Don’t worry, I’ll handle it myself.”

At that moment, Omi walked into the main hall, and Leng Tian Ling opened his eyes, having just spoken to his son in his mind.

“Omi, how are you?” Princess Nian Shi asked.

Omi busily worshipped, “Greetings to the princess, thanking her for coming to save us.”

“It’s good that you’re fine, and you’re still not thanking the Tian Ling War God for releasing the grace.”

Omi looked at the other one of that man, this man was Leng Tian Ling, he did look very strong imposing, indeed he was a strong man who had a fight with even the Three Eyed War God.

Omi was extremely unhappy, but even the princess asked him to thank him, so it was clear that the princess couldn’t even peddle this man’s power.

Helplessly, Omi could only say, “Thank the Tian Ling War God for not killing him.”

“Haha, Omi, you’re polite, how could I kill you, I was only inviting you as a guest. Now you can leave.”

Omi said to Princess Nianzhi, “Princess, I have another friend, can I take him with me?”

"Friends?"

"He is locked in a prison with me, and is known as the Nine Daoist Demon King."

Before he finished speaking, Leng Tian Ling said, "This man is an enemy of my family, I hope Princess will give me face and not embarrass me ah."

Princess Nian Shi nodded and said, "Of course, then we'll leave first. Omi, let's go."

"Yes."

Omi didn't say anything, it seemed that the princess's ability was also limited, or, this Leng Tianling was too powerful.

Before Omi walked out of the door, his ears heard Leng Tianling's voice, "Omi, I will get the Immortal Spitting Method, and I expect you not to say anything after you leave, if you spread the Spitting Method, then that friend of yours, I'm afraid it's going to be fatal. Of course, if you cooperate well, I can assure you that he won't die."

After hearing Leng Tian Ling's warning, Omi immediately stopped and said to Princess Nian Shi, "Princess, you should go back first, don't worry, since the Tian Ling War God has released me, naturally he won't touch me again, I now, suddenly want to talk to him."

"Good." Princess Nianxie left first.

Omi suddenly felt that perhaps, things weren't bound to be resolved in the most extreme way, the Leng family was just wanting the Immortal Machine Spitting Method, and the reason why the Nine Dao Demon King didn't say anything was to save his own life, so as to cause conflict.

But now it was something that Omi no longer despised, so why not give it to them, and also, Omi could modify the Immortal Machine Spitting Method before giving it to them, it was only necessary to save the Demon King first, so why make the Demon King suffer the crime of captivity.

"Tian Ling War God, I wonder, can we talk."

"Eh, you actually stayed to talk to me, hehe, if it wasn't for Princess Nianzhi, you wouldn't have the qualifications to talk to me."
