Omi arrived at the dean's residence.

The distant abode was isolated by a layer of restriction that ordinary people couldn't see him, so the previous Omi had no idea where the dean's abode was.

Now, however, Omi could see it at a glance.

Omi easily walked into the restriction, seemingly like a spider, without the slightest defense in front of Omi.

And now, in one of the houses in the restriction, a man shook, "Someone is coming in, who can enter my restriction so easily."

The man flew out of the house and saw Omi at once.

Omi also saw him.

They looked at each other, and in that instant, they both seemed to have recalled much of the past.

"Omi, it's you." Yard said softly, his heart was quite complicated, Yard had also heard about what had happened in the Immortal Court, Omi was able to split even the Immortal Emperor in half, and he, still the same dean, was still stopping at the same place.

Omi looked at the dean and sighed, once at least father-in-law, there was no deep hatred with him, but with his son Ding Hao, there was hatred.

Omi said, "Yes, it's me." One second to remember to read the book

"Oh, how have you been lately."

"Not too bad, just chopped up your Immortal Emperor in the Immortal Realm a year ago."

"Yeah, I know about that too, Omi, you're amazing."

"Not bad."

"You've come here today to visit me," Ding Cangding said.

Omi's eyebrows furrowed.

Ding Cang Dong smiled, "I didn't expect that you still have my former father-in-law in your eyes, but in fact, you will always be my son-in-law in my heart."

"Is that so." Omi didn't say anything to spoil the mood, although Ding Cangding was narcissistic and a bit disliked.

"Of course I am, Omi, come in and sit down, it's warm in the house. Since you've come to visit me, I must buy you a proper drink."

"It's not necessary."

"Omi, I know that you have forgiven me inside, haven't you." Ding Cang Dome said happily, thinking that the fact that Omi had come to visit him meant that he had forgiven him, and perhaps, Omi had come in to ask for a reunion.

Omi said, "You're thinking too much."

"Don't be obstinate, I still understand your character, it's obvious, and you still want to deny it in order to save face, like now, hehe."

Omi didn't bother to listen to his nonsense and asked, "Is Ding Lan okay?"

"Lan is fine, do you want me to send someone to invite her?"

"She wants the Academy of Immortality too?"

"That's not true, she wanted the Immortal Realm, and after leaving you, she entered the Immortal Command Shrine to work."

"Oh, that's good, it's better than being a tutor at the Academy of Immortals before."

"Yeah, a mentor at the Academy of Immortality is too poorly ranked, a dream position for many immortals in the Earth Immortal Realm, but she used to do it for interest."

"Alright, since everything is fine with her, send her my regards for me."

"Aren't you going to greet her yourself?"

"It's not ready yet, but sooner or later it will be."

"You didn't come to visit me today?" Ding Cang Dong asked.

Omi shook his head and said, "I'm sorry to have misunderstood you, but I only came today to ask you about a person."

"Oh." Ding Cang Vault was full of disappointment.

Omi asked, "Some time ago, a person came down from the Immortal Realm and wanted to chase a girl named Zhou Zhou, who is that person?"

"Ah, how do you know such trivial things."

&

nbsp; "You think it's trivial?"

"Of course, that Zhou Zhou is nothing more than a very common bottom-tier immortal in the Earth Immortal Realm."

"I asked you to answer." Omi interrupted the dean's words.

"Fine, fine, that person is called Zhang Li Turtle, and he is the grandson of Lord Zhang of the Immortal Realm. Zhang Li Turtle's talent is average, his strength is only a very ordinary Tai Xian, and he is lustful by nature and likes to collect beautiful women. Only, he couldn't collect the beauties of the Immortal World, so he would often come to the Earth Immortal World to collect the beauties with low strength and no background in the Earth Immortal World, and take them to the sky for his pleasure. His personality was a bit strange, sometimes he was directly strong when he saw a beautiful woman, but sometimes, he acted like a lover to do all kinds of things that felt like a woman, and sometimes, he suddenly acted like an incompetent and got annoyed when he saw a woman. However, he's a man who's been tossing women around all his life, and I've heard that he's played with more than a hundred thousand women of all kinds in the Earth Immortal World."

"Damn, this kind of person, coming to the Academy of Immortals to pick up girls, why don't you stop him?"

"Oh, that Zhang Li turtle, although he is despicable himself, his family is not weak, and his grandfather, Zhang Bing, is at any rate an immortal, and still a positive six of the Immortal Court, why should I offend because of an ordinary Earth Immortal Realm woman."

Omi said angrily, "That Zhou Zhou is my sister."

"How is that possible, you used to be my son-in-law, we still know your past, when did you get an extra sister."

"It's a sister's from a previous life, no?"

"That's someone who has nothing to do with you now."

"Since I've regained my past life memories, how can I not have any relationship."

"Don't be angry, I'm referring to the blood relation. Since it's your sister, it shouldn't be too late for you to go to his house right now."

"What do you mean?"

"I heard that just half a day ago, Zhang Li Turtle caught the girl who escaped and has headed to the fairy world. If nothing else, he'll take the girl and head straight home."

Omi suddenly disappeared.

Omi had left the Immortal Academy and headed straight to the Immortal World.

If that Zhang Li turtle, had already defiled Zhou Zhou, then Omi would surely exterminate his entire family.

Even if he hadn't defiled it, Omi would still consider exterminating his entire family.

Right now, in the Immortal Realm, on a certain Immortal Mansion.

In a room, a cute looking little beauty shouted, "Let me go."

Unfortunately, she couldn't get out because there was a restriction.

"Ooooh, let me go." That little beauty cried out, she had already left the Immortal Academy, she thought she wouldn't run into this person again, but she didn't expect that this person was so powerful, so she could still find him.

Just then, a man walked in the doorway, that man was nasty looking and had a tuft of hair by his lips, so disgusting.

"Hehehe, Choo Choo."

"Let me go."

"Zhou Zhou, this is already the immortal world, a place you can't come to in your whole life, aren't you, aren't you happy?"

"Please, Senior, let me go, I don't want to go to any immortal world, I just want to go home."

"Zhou Zhou, don't say such silly things anymore, from now on, you will be my wife, how about it?"

"I don't want to, whimper."

"Why are you crying, am I bad?"

"I don't want it, I'd rather die than not."

"Zhou Zhou, death is not going to solve the problem, you, an earth immortal who has no influence, it's useless for you to scream your throat out, you might as well serve me well, maybe even one person can be able to rise to heaven. So many years, I've also played no less than 100,000 girls, I'm also quite tired, I want to stop and rest, Zhou Zhou, you are the most beautiful of all the girls I've played with, the most beautiful, your beauty, not that kind of mature beauty, but that kind of young and tender beauty, all the time like the feeling of first love it."
