

King of kings

Chapter 2416

"I, too, would like to go to your home in this life."

"Your father is in a hurry."

"Brother, please, will you take me to the Ten Thousand Purple Mountains?"

"Well, in the worst case, I'll go to the Yunluo Immortal Kingdom first, so your father won't have to worry."

"Mmhmm, thanks brother."

After that, Omi went to the Yunluo Immortal Kingdom before bringing Zhou Zhou back to the Ten Thousand Purple Mountains.

"Stop." As soon as he entered someone's door, a furious voice came out.

When Omi looked, it was the divine nun, A Jie.

"Ah Jie, what's wrong with you? Hey, you found our family."

Shenny glared, "Don Omi, say, you've hidden so much from us, they're all your women, aren't they?"

Omi looked at a group of women not far behind him, Mu Qianji, Tang Huan, Lu Yuxi, Xiaoxin, Xiaobai, Mo Yuyan, Wang Xuwei, Yun Meng, Yun Zi, Tianxiang, Xing Luo, and Falan. One second to remember to read the book

At this moment, they were looking at Omi in silence.

Omi looked again at Gao Xiaolian and Shenni, who were full of anger, and said with a smile, "How about it, they all look okay."

"Omi, you're a big liar." Gao Xiaolian cried.

"Xiao Yue, don't be like that, you should also know that it's normal for a man to have three wives and four concubines."

"But they're already thirteen, and three wives and four concubines are only seven."

"Khan, you're drilling a bull's-eye, then if you're included, wouldn't that be fifteen, and if you include Ding Lan, who was married before, and Leng Gu Yue, who was already married to me, Ming Yue, and that Ao Bao who died for me, wouldn't that be nineteen. I say you two, just stare at those numbers, in a word, I will be satisfied with any wife of my Omi."

"Go to hell." Gao Xiaolian and Shenni yelled at the same time and started slapping Omi, but they didn't really fight, but the anger was definitely there, thanks to them, they thought that Omi only had two of

their wives, but they didn't expect that there were as many as thirteen hidden, and that there were several more in the immortal world, they were merely one twentieth of them.

Although after a lot of fuss, but in the end, the divine nun and Gao Xiaolian could only helplessly accept the reality.

Omi repeatedly promised that he would treat them twice as well and never fail them.

"Omi, the Ten Thousand Violet Great Sage has returned." Mu Qian absolutely said to Omi.

"What? The Ten Thousand Violet Great Sage has returned?" Omi was startled, the Ten Thousand Violet Great Sage had disappeared for hundreds of thousands of years, very frustrated at losing to the Three-Eyed War God.

"I'll go look for him."

Omi immediately went to the Ten Thousand Violet Cave.

"Great Sage Senior."

"Great Sage."

At that moment, the voice of the Ten Thousand Violet Great Sage came from inside, "Don't call me senior, or I'll think you're insulting me."

Omi walked in, only to see the Ten Thousand Violet Great Sage sitting in the corner nook of the cave, his person was emaciated.

"Er, Great Sage, how did you turn into this appearance?"

"Are you here to laugh at me, Don Omi? That's right, I can't even defeat the Three-Eyed War God, and my Ten Thousand Purple Mountain will soon be annihilated, in my heart, I must think that I'm not worthy of your respect anymore."

Omi said, "Great Sage, how could that be, you will always be the Ten Thousand Violet Great Sage in my heart."

"Don't laugh at me."

Omi sighed, how come the Ten Thousand Violet Great Sage was like a child, so unable to withstand setbacks, but yes, he had never had any setbacks in his life, unlike Omi who had experienced everything along the way.

"Great Sage, there's nothing that can't be beaten ah, what's a Three-Eyed War God." Omi said.

The Ten Thousand Violet Great Sage suddenly said, "Omi, let's have a duel."

"What?"

"Let's have a fight."

"Great Sage, don't joke about it." Omi was busy.

"Are you going to fight?" The Great Sage of Ten Thousand Violet roared.

"Ah."The entire Ten Thousand Violet Mountains scattered like frightened birds.

"Oh no, is the Immortal Court coming to attack the Ten Thousand Violet Mountain."That was everyone's first thought.

And right now in the distance of the Ten Thousand Violet Mountains, Omi's home.Everyone felt this trembling of the earthly column collapsing.

"Not good, something big has happened at the Ten Thousand Violet Mountains."Mu Qianji shouted.

After all, Gao Xiaolian and Shenni were high ranking immortals, and they rushed out as fast as they could, and indeed saw that the Ten Thousand Purple Mountains had split into two pieces, and they rushed up at fire speed.

And the rest of them, Mu Qianji said, "Let's not go up there, our strength can't help at all, now Gao Xiaolian and Jie are going up."

"Qianji, is the Immortal Court attacking the Ten Thousand Purple Mountains?"

"I don't know, looking at the fight scene, it's possible."
