"Stop." Bitter Sacrifice shouted.

Omi and Guyan stopped.

Guyan whispered, "Don Omi, don't be nervous, I'm here."

"Mm." Omi nodded his head, making it sound like he needed protection.

Five people in order to come up.

"Isn't this Guyan? What's this I hear about you being long dead, and why are you still standing here alive today?" Bitter Sacrifice asked.

Gu Yan smiled, "Brother Bitter Sacrifice is so curious, why don't you go and ask Caiyun directly."

"What do you mean when you say that? Is it possible that your death was simply a set-up by you?"

"In a word, if you want to know anything, go ask Caiyun, don't bother with me here. Omi, let's go." Gu Yan said to Omi.

"Yes, big brother." Omi nodded his head.

Bitter Sacrifice shouted again, "Stop." The first website [m.kanshu8.net](http://m.kanshu8.net)

Gu Yan looked furiously at him, "Bitter Sacrifice, what do you want?"

"I didn't try to do anything, but this Don Omi, I remember he wasn't one of yours."

"Well, he wasn't before, but now he is. What, just allow you guys to add new members and not us?"

The Bitter Sacrifice looked at Omi and said with a warning face, "Omi, I remember the last time I warned you not to enter the Evil God Relic again, but you didn't even listen."

Omi said, "Isn't Senior Bitter Sacrifice a little too much in charge?"

"You dare to talk back."

Gu Yan was busy stopping Omi from saying anything else, it was already dangerous.

Gu Yan said, "Bitter Sacrifice, Omi is from Caiyun, do you really want to challenge the war?"

"Don't threaten me with Caiyun, you think I'm afraid of that old woman of hers."

"Then what do you want?"

"Omi stays, you can get out." Bitter Sacrifice said.

Gu Yan said furiously, "Bitter Sacrifice, don't bully others too much."

"Bullying? I'm a bully. How dare you? I'll say it again, leave the Omi behind." The Bitter Sacrifice said mercilessly.

Omi really didn't understand why this Bitter Sacrifice was targeting him so much.

Omi looked at the Blue Emperor, this time, the Blue Emperor didn't say anything, he wouldn't help a second time, if he spoke for Omi again, maybe the Bitter Sacrifice wasn't so easy to talk to, not to mention Qin Zhong.

Omi said, "You left me behind, could it be that you want me to join you?"

"I pooh." The Bitter Sacrifice spat in the waterway, "I told you, if you enter the Evil God's ruins again, I want you to die."

"Fuck, don't you dare force me." Omi clenched his fists.

"Hmph, what are you, worthy of letting me force you? Are you thinking that you're over there in the Immortal World, very powerful, and your ego is inflated. I'm not afraid to tell you that here, you're just a bottommost creeper, and I want you to die."

Omi said, "Bitter Sacrifice, I, Tang, have not offended you anywhere except by entering the Evil God Relic."

"Bitter Sacrifice? You called me a sacrifice? Who the hell are you to call me that?"

"Pah." Omi suddenly felt a fiery pain in his face and was slapped.

"You."

"You what you, are you capable of resisting?"

Omi was on fire inside, but it felt like there was no resistance at all in front of such strong people, they were after all the first humans at the beginning of the world, and Omi was too far away from them.

&n

bsp;Gu Yan said, "Bitter Sacrifice, I advise you not to go too far."

"In a word, leave him behind, or else, you die too." Bitter Sacrifice said.

At this moment, a wispy voice came from the distant void, "Yoho, Bitter Sacrifice, are you threatening me?"

Gu Yan heard this voice and was delighted inside, this voice was incomparably familiar to him, it was his boss, Caiyun.

Caiyun was a woman, and the other woman, Star Moon, as well as him, were from the same faction.

Bitter Sacrifice heard Caiyun's voice, and hummed, "Stinking bitch, threatening me right."

"I'll threaten you, how about it, Bitter Sacrifice, I've been putting up with you for a long time since the Great Pan Heaven, don't force me to kill you alive or dead."

"Come on, have the guts to come." The Bitter Sacrifice yelled.

It was as if, there was a deep hatred between them, and they had been enemies long ago.

The void voice said, "It's up to you if you dare to come, if you dare to touch my people, I, Caiyun Fei Fei, won't fight with you, I'll do what you want, if you dare to do it."

At this time, Gu Yan said to Omi, "Omi, come with me."

"Yes." Omi was busy flying away with Guyan.

That Bitter Sacrifice was furious and wanted to do it very much, when the Blue Emperor said, "Bitter Sacrifice, because of a new kid, it's not worth it."

In the end, Omi and Guyan flew away under the eyes of the Bitter Sacrifice.

As for that voice in the void, it never appeared, it seemed to be just coming from far away, and people didn't move out.

Omi asked, "That woman just now was?"

"Caiyun, whose full name is Caiyun Fei Fei, is our boss, and in addition to that, there's another one named Star Moon, who is also from our three factions."

"Oh."

"That Bitter Sacrifice just now seems to really want to kill you, if Caiyun hadn't stopped it, I'm afraid it would have been really hard to escape, Omi, remember, you owe Caiyun Fei Fei a life."

"I understand. Big brother Gu Yan, why are you guys like enemies? There are only a dozen or so people practicing here in total, is it necessary to be so bitter and hateful?"

Gu Yan smiled bitterly, "You only see the present, you don't see the past. Once upon a time, the ten first humans that appeared, we were all very weak at the very beginning, back then, there was no food, no shelter, no use, nothing had grown yet, and the ten of us, sometimes, we might have to fight for days and nights for a full meal. Sometimes, we'd be head over heels for the slightest good thing. Do we have camaraderie in these situations? The five factions now, and the five factions then."

"Well, I see." Like a prisoner in a cage snatching food, they would not become friends in the future when they left the cage, and the grudge was already deep.

Soon, another glowing house was seen.

"Don Omi, here we are, the one in front, that's our place."

Omi flew up and saw at a glance that in that glowing house, two women were cultivating.

The two women were ordinary looking, nothing outstanding, except that one of them had a strong Qi and, a fierce look in her eyes.

This person was precisely Caiyun Fei Fei.

**"Caiyun Boss." Gu Yan went up and paid a bow.**

**Omi also paid a bow, "Senior Omi, I have met Senior Caiyun, Senior Star Moon."**

**That fierce looking woman opened her eyes and said, "Gu Yan, you're not even dead, what's going on?"**

**Gu Yan said happily, "Thank you boss for thinking of me, all of this is thanks to Omi, perhaps, he was sent by the heavens to save me, he got the Overturning Mirror I left behind, and because." Gu Yan briefly said how Omi resurrected him.**
