

King of kings

Chapter 2503

I don't know why, seeing omi trying to provoke Liang Xin, Miss Ah Luo was very unhappy inside.

Although Ah Luo didn't like omi, but it was just unpleasant, the human heart is really complicated, maybe this made Ah Luo feel ashamed.

omi hesitated for a moment, forget it, didn't go up to the Liang Core, after all, there was no need to offend a superior god.

However, at that moment, that Liang Core took the initiative to walk towards omi and shouted, "Wind Lightly."

"Ah, you called me, huh?"

"Windy, I thought you were looking for me for something?Let's go, I'm free now."Liang Xin said to omi.

"Er."omi was startled, but omi immediately realized that this Liang Core, was using omi as a shield.

As expected, Zhi Nan, the superior god who had just provoked Liang Core, immediately looked at omi with a threatening gaze.

Ji Nan's gaze seemed to be saying to omi, "I'd like to see if you, an inferior god, dare to rob someone from under my nose."

Liang Xin said again, "Go, Wind Lightning, what are you waiting for."Saying that, Liang Core turned her head and smiled at Ji Nan, "I'm sorry, Ji Nan, I already have a date with someone, that's Wind Lightning."

That Ji Nan snorted, "Really?How dare he ask you out?"Ji Nan looked at omi with a fierce glare. A second to remember to read the book.

omi was very upset, although Liang Xin used him as a shield, but that Ji Nan's warning meaning so barely enraged omi.

omi immediately said, "Yes, I have a date with Liang Xin, let's have some fun together tonight."

That Liang Xin's face paled, but now she couldn't argue back.

omi smiled and said, "Liang Xin, so you agreed to go have fun with me tonight?Then let's go."

Liang Xin flirtatiously smiled, "Yes, you're so handsome, why not."But Liang Xin was thinking in her heart, this brat, how dare he take advantage of her, he must teach him a lesson.

That Ji Nan's face was very bad, and he said angrily, "Liang Xin, I didn't expect that you would be such a person, even if you really want to have fun with someone else, don't choose an inferior god."

"I'm sorry, Ji Nan, I don't value strength, I value handsomeness more, look at the wind and light clouds, it's handsome enough."Liang Xin giggled.

Zhi Nan said to omi, "Kid, it's not too late for you to reject her."

omi sneered, "Why should I reject her? We're all men, you like to have fun with a beauty like this, why wouldn't I."

"Kid, I know you're smart, but being smart in this world isn't much of an egg, so don't blame me if you're so uninteresting."

"Hahaha, dumbass. Liang Xin, let's go, let's find a quiet, unoccupied place." omi immediately hugged Liang Xin's waist.

Liang Xin gritted her teeth, but, not too good to have an attack in front of Ji Nan, she could only let omi hug her, thinking to herself, where no one is, I'll be later.

Zhi Nan saw that omi, an inferior god, actually dared to snatch a woman from him openly and was going to explode with anger.

"Kid, are you forcing me?"

omi continued to hug Liang Xin with a contemptuous pop of the lips.

The first reason omi hugged Liang Xin was to take advantage of the situation, and the second was in case Ji Nan suddenly attacked, hugging Liang Xin would at least allow Liang Xin to make a move as well.

As expected, Ji Nan was furious and struck with a palm.

omi and Liang Xin were hugging each other, so Liang Xin also felt the power at once, and subconsciously met it with a palm.

"Ji Nan, you're crazy." Liang Xin and Zhi Nan faced each other with a palm, and both of them backed away, but Liang Xin was obviously much weaker, and a little bit of blood spilled out of her lips.

Ji Nan said with a black face, "Liang Xin, you get away from me, the person I want to move is not you."

Liang Xin bit her lips, "No way, I won't let you hurt Wind Lightning."

Liang Xin thought in her heart, "After all, she was the one who used Wind Lightning as a shield, and now that something is wrong, she can't ignore it." It could be seen that Liang Xin still had some sense of justice in her heart.

omi wasn't in any hurry because, Old Sang Senior was watching from afar.

omi could see that Liang Xin and Zhi Nan, both used fist techniques.

omi knew too much about fist techniques.

omi smiled and said, "Liang Xin, did you defeat Ji Nan?"

"Nonsense, cut the crap and get out of here, tonight's date is cancelled." Liang Xin's glared at omi and said.

However, omi didn't leave and said, "Liang Xin, I believe I have a way for you to defeat Ji Nan."

"How is that possible, our divine powers are all different."

"You don't trust me that much." omi immediately separated an idea, which was a set of boxing techniques.

Then, omi's finger tapped into Liang Xin's brain, giving the set of ideas that contained the fist technique.

"Ah." Liang Xin got omi's ideas, his eyes lit up, and he said in his heart, "What a brilliant set of boxing techniques, the boxing techniques I used to practice are not at all on the same level, perhaps, I can really defeat Ji Nan."

omi said, "Liang Xin, how is my set of boxing techniques, it's powerful enough, now, I believe you can defeat Ji Nan."

"Thank you, I didn't expect that you, this kid, still have a few points of ability." Liang Xin said, and pounced on Ji Nan.

A few minutes later.

Liang Xin knocked Ji Nan to the ground.

"Ah, this can't be, my divine power is five or six horsepower stronger than you." That Ji Nan was so stupid that he was actually defeated by Liang Xin.

"Hahaha." Liang Xin laughed freely in his heart, and when he looked at omi's eyes again, he was a bit impressed, I really don't know where this kid, where did he get such a profound fist idea.

omi said, "Liang Xin, don't let go, hold Ji Nan down hard."

"Er, what are you doing?"

Before Liang Xin could react, omi slapped Ji Nan's face. Of course, without Liang Xin holding it down, omi couldn't slap it.

"Ah." Liang Xin was shocked and was busy letting go of Ji Nan, although she had defeated Ji Nan, she didn't want to offend Ji Nan because of it. But I didn't expect that omi would actually let her hold it down and slap Ji Nan hard, this was the end.

"You." Ji Nan was slapped by omi, and was also foolish, deadly, never expecting an inferior god to be so hung.

omi said, "Ji Nan, this is what happens when you steal a woman from me, understand?"

"Looking for death." Ji Nan fought his way up and jumped on Don Zixin.

"Don't." Liang Xin subconsciously went to intercept.

Ji Nan gritted her teeth, "Liang Xin, don't push me, get out of my way, or else, don't blame me for being rude."

Liang Xin was depressed, she didn't want to become like this.

omi said, "Ji Nan, how dare you, you are Liang Xin's defeated man, who gave you the courage to say such words as being rude to me?"
