

King of kings

2523

At that moment, Guchen said, "Xinghe, don't provoke him now."

"Grandfather, didn't you hear him say that death would not make anything for us?"

"So, you must not offend him now."

"Grandpa."

"Alright, you go out first, let me talk to Wind Lightning."

"Yes, grandpa." Gu Xinghe walked out of the main hall.

Guchen said to omi, "Feng Qingyun, you're very displeased aren't you."

"I'm convinced of your f*cking anger." omi scolded.

"Oh, it's understandable, after all, you were originally someone who had a bright future, and might even really be able to surpass me one day in the future, and now, being caught by me, it's normal to be disgruntled. However, I want you to calm down and have a talk with me."

"I pooh-pooh, kill or scrape, as you wish."

"Wind Lightning, don't get so excited, I want you to recognize reality, you've been captured by me, there's no way you can escape from me in this life, and there's only one path waiting for you in the future, and that's to be stripped of your divine frame. The ending can no longer be altered, but the process, you can choose, for example, to live unrestrainedly and happily until the end, or, to live painfully until the end, you can choose." Remember the URL .kanshu8.net

omi calmed down, there was no use in getting angry now, in a word, living was the only way to have hope.

Gu Chen said, "Wind lightly, my grandson, Gu Xinghe, he needs your divinity, of course, he also needs your help. I need you to seriously cooperate with us in the future and work hard to strengthen yourself, until you reach the Twelfth Realm God Emperor, you help me fuse one thing, so that your mission is complete, I will take your divine Grid and give it to my grandson. Will you promise me."

"Hahaha, hahaha." omi laughed furiously, wanting to take omi's divine grid, but he still needed omi's cooperation.

"Wind Lightning, I know, it sounds absurd, but I've just said that the end is already decided, if you cooperate with me, I can guarantee that before you are taken by me to take the divine Grid, you can live a free and happy life, and can live comfortably and painfully until you reach the Twelfth Realm God Emperor. If you don't agree, you won't have a single day of fast living, so you choose whether it's a good deal or not."

omi didn't speak again.

"Wind Lightning, think about it, even if you don't think for yourself, you have to think for your master."

"What do you mean?"

"Haha, I didn't kill your master completely, your master is still alive now, but I locked him up and lost some of his power. If you can promise me, I'll be able to guarantee that your master will never die, and when it's done, I'll return your master's Old Sang's freedom."

"You are despicable and shameless."

"Despicable? Can't believe you're preaching morality in the universe, pathetic. Alright, Windy, I'll give you a month to think about it, so go back to the prison and stay there, someone, take him to the prison."

"Yes." Several God Emperors immediately responded.

At that moment, a few more God Emperors came in from outside the palace, one of them reported, "God Emperor Guchen, there is something I want to tell you."

"Say."

"The reason why we couldn't find Wind Lightning in the Divine Plains You Forest before was because of Oude's granddaughter, Ouya, deliberately hiding Wind Lightning."

"Does Oude want to oppose me?" Ancient Chen was furious.

"Divine Emperor Guchen, what should be done about this?"

"Go and capture Eud's granddaughter."

"Back to God Emperor, it's already captured and is outside the main hall."

In the next second, a woman was escorted in, Omi hadn't left the main hall at the moment, and saw the wretched Ou Ya at a glance.

Omi's heart was shaken.

&nb

sp; Ouya also looked at Omi and their eyes crossed.

The Ancient Chen God Emperor said, "Ouya isn't it, how dare you hide the person I want to capture."

Ou Ya was busy saying, "I didn't know it was the person you were going to capture."

At that moment, one of the God Emperor's men said, "She lied, that day in the city on the edge of the God Plain's Ghost Forest, I already said that I was the First God Emperor's man, and she still helped Wind Lightning."

"Ouya, what else do you have to say? Someone, shoot it."

"Yes." Those few God Emperors, who were suddenly looking at Ou Ya with some pity, didn't expect that the Ancient Chen God Emperor directly told them to shoot to death, if they could take Ou Ya to

prison and then shoot to death, then they would have a chance, to enjoy this beauty. Therefore, at the moment, those God Emperor Dao were a bit reluctant to pat themselves to death, but, they didn't dare to disobey the Gu Chen God Emperor's order.

One of the God Emperors raised his hand and was about to shoot Ou Ya to death when a person rushed in at the door and shouted, "Grandpa, don't shoot to death." It was Gu Xinghe.

"Grandpa, don't shoot her to death, give her to me." Gu Xinghe said.

"Xinghe, what do you want her for."

"Grandpa, just give her to me, such a beautiful woman, a beauty that I don't know how many people miss, just give her to me."

Gu Chen said, "If that's the case, then you can take it."

"Thank you, grandpa."

At this moment, omi had already been escorted to the entrance of the main hall.

If omi didn't speak up right now, I'm afraid that he would never be able to save Ouya again.

omi shouted at once, "Wait."

When the Ancient Chen God Emperor heard this, he was busy saying, "Wind Lightning, have you made up your mind?"

omi said, "If I'm going to grant your request, I better not touch Ouya, or else, anything you want to accomplish, don't even think about it."

"What do you mean?"

"Ouya is my friend, let her go."

That Gu Xinghe busy: "Grandpa, don't ah, you have said to give it to me." Gu Xinghe looked at Ou Ya's figure drooling, how could the ducks to the mouth fly.

Gu Chen thought about it and said, "Ouya, you can go."

Those God Emperors released Ou Ya.

Ouya's eyes looked at omi in a complicated manner.

"Grandpa." Gu Xinghe looked like he was about to cry.

At this time, Gu Chen secretly sent a message to Gu Xinghe, "Xinghe, don't worry, let Ou Ya go in front of Wind Lightning's face now, after stabilizing Wind Lightning, take him back to the prison, then go and capture Ou Ya back, then, do as you wish."

When Gu Xinghe heard his grandfather's message, his face relaxed and he stopped whining.

However, omi was no fool, omi saw that Gu Xinghe was reluctant one moment, but his expression became relaxed in the next, and suddenly, omi guessed something.

omi immediately shouted, "Wait, take Ou Ya to the prison and stay with me, I'll only feel relieved when I look after her."

When he heard omi say that, Gu Xinghe, who had a relaxed face, burst into anger, "Wind Lightning, don't give an inch, your little life is still in my hands."

omi snorted, "If you have the guts, don't use my Godhead, since you want my Godhead, I advise you to speak in front of me."

"Grandpa, look at him." Gu Xinghe was busy shouting.

At that moment, God Emperor Guchen said, "Someone, take Ou Ya to the same prison as Wind Lightning and satisfy his demands."

"Grandfather." Gu Xinghe said reluctantly.

"Xinghe, stop it, you must shed something if you want to repair the flaws of your divine personality."
