

Su Yuhao ignored Liao Jia Yuan and snorted to Omi, "Omi, now my hatred for you has surpassed Liao Jia Yuan, you have beaten me before, what happened the day before yesterday was also your culprit, you still want me to let you go, aren't you telling jokes. Now me and Liao Jia Yuan, both have already eaten, even if I'm willing to let you go, Liao Jia Yuan is not willing, if you don't believe me, ask Liao Jia Yuan."

Liao Jia Yuan roared, "Su Yuhao, you still don't hurry."

Liao Jiayuan at the moment would like to eat Omi as well, so that his psychology is at least balanced, Omi's school martial arts number one has eaten anyway.

Omi sighed and asked, "Su Yuhao, I'm asking you one last time, are you willing to let me go?"

Su Yuhao grunted and ordered to his follower, "Do it."

At that moment, the rope on Omi's body suddenly snapped, and Omi clapped his hands as if nothing had happened.

"Ah, Omi, you you you." Su Yuhao panicked and took a few steps back.

Omi chuckled, "Su Yuhao, do you really think that your family produced that Wuji Soft Tendon Disintegration secretly plotted against me? Don't tease."

"You, you just clearly don't have any strength left." Su Yuhao was terrified.

Omi snorted, "How do you know that your eyes saw that I didn't have any strength, to be honest, it was all an act, I just wanted to see what you, this kid, wanted to trick me into going up to the roof."

“What? You actually faked it.” Su Yuhao was afraid and backed up. One second to remember to read the book

At this moment, Liao Jia Yuan’s heart was so angry, Omi was actually faking, then, just now when Su Yuhao implemented the inhumane plan on him, Omi still looked as if he was trembling, as if he couldn’t resist. What the hell, he actually watched him being practiced inhumane plan.

“Omi, I’m going to you.” Liao Gayuan tore up the sky and yelled.

Omi saw Liao Gayuan pointing his spear at him and said, “Liao Gayuan, are you sick, why are you suddenly yelling at me.”

Liao Jia Yuan gritted his teeth and said, “Omi, you’re not a human being.”

“How am I not a human being?”

“You weren’t poisoned at all, but when I was being forced by Su Yuhao just now, you even acted like you were poisoned, you’re not human, you watched without breaking free earlier.”

Omi laughed, “I admit that I was pretending, but it wasn’t my turn just now, so why should I break free so quickly.”

Liao Jia Yuan roared, “Omi, you son of a bitch, if you had broken free earlier, Su Yuhao and the others would have been scared and escaped earlier, you deliberately waited until Su Yuhao finished forcing himself on me before breaking free, you’re despicable.”

“Haha, whatever you say.”

At that moment, Su Yuhao and his three followers took the opportunity to try to run.

“Still want to run?” Omi grunted and chased after him, and Su Yuhao and the others were pounced upon by Omi in no time.

Omi lifted Su Yuhao up and grunted, “Su Yuhao, how dare you, how dare you lay a secret hand on me and try to force me to eat human yellow, you damn it, you don’t want to hang around.”

Liao Jiayuan saw the moment Omi questioned Su Yuhao’s appearance, angry, Omi deliberately waited until he was forced to finish before acting, this shameless villain, Liao Jiayuan hated Omi’s tooth itch, right now to Su Yuhao’s words, if he had said earlier, he Liao Jiayuan would not be so miserable.

Su Yuhao’s face was pale, he couldn’t believe why the Wuji Soft Tendon San that his family produced was ineffective against Omi, did Omi have an antidote?

“Pah.” Omi hoisted Su Yuhao up and then slammed him with a fierce

Fanning the floor.

“Slap slap.” Omi didn’t treat him nicely and pounded him for a while until Su Yuhao’s body was swollen and he couldn’t move as he lay on the ground.

Su Yuhao’s three sidekicks were also beaten by Omi for a while, and they all became big pigs.

Only after this did Omi stop.

Su Yuhao was carried by his three followers, and escaped in ashes.

Omi looked at Liao Jiayuan and flicked his finger, a 10-cent coin flew out and shot Liao Jiayuan's rope off, Omi smiled, "You're welcome."

After saying that, Omi walked away.

Liao Jiayuan hated so much, he obviously could have avoided suffering this today, Omi just had to let Su Yuhao know earlier that he was faking it, then he wouldn't eat today, Liao Jiayuan hated Omi to no end at the moment for this intentional act.

Omi returned to his class, what happened on the roof, Omi did not put it in his heart, although Liao Jiayuan hated him, but Omi was not afraid of his hatred.

Liao Jiayuan immediately called Wu Shaojie, Wu Shaojie did not even know where he went, Wu Shaojie and Zhao Ritian came, panicked and dragged Liao Jiayuan to the hospital to wash his stomach, Zhao Ritian said in his heart: "Jiayuan this time is really miserable ah, originally I was still upset about his last time to force me, but today to see him so miserable, my last time that incident is nothing compared to him now, then forgive Liao Jiayuan for the misdeeds he committed against me last time."

It took the doctor two hours to finally flush out all of Liao Jiayuan's intestines and stomach.

Liao Shui Niu stood by the hospital bed, his face incomparably grim.

"Jiayuan, what happened?"

Liao Jiayuan hated the sound: "It's all Omi."

Zhao Ritian was furious: "What? It's Omi again, it was Omi who gave you the aphrodisiac last time, and now it's him again."

Liao Jia Yuan added, "It's Omi and Su Yuhao."

Wu Shaojie asked, "Omi and Su Yuhao teamed up to deal with you?"

"No, it was Su Yuhao who tricked me and Omi into going to the roof, and gave me and Omi both an Infinitely Soft Tendon, and we were both tied up, but, that turtle bastard Omi, he wasn't poisoned at all, he just watched..." explained Liao Ga Yuan.

Liao Buffalo shook his fist and said, "Looks like I can't hold back anymore, this time, I don't care what the outside world thinks, I must go find him."

Zhao Ritian busily said, "Uncle Liao, great, you're finally going to do it."

Liao Shui Niu gritted his teeth, "I regret now, why didn't I make a move sooner, if I had made a move sooner, so much wouldn't have happened to Jia Yuan."

Liao Jiayuan asked, "Dad, when are you going to make your move."

"I'll make my move this afternoon, you guys stay out of this matter, I might cripple Omi, maybe even kill him."

"Ah, killed." Zhao Ritian and the others were shocked.

Wu Shaojie said, "Uncle Liao, now Omi is Xu Yan's boyfriend ah, Xu Yan is Xu Mei Qian's sister ah, if you cripple Omi, how will Xu Mei Qian let you go, if you kill Omi, it's even more finished."

Liao Shui Niu said, "That's why I asked you guys to stay out of this matter, just pretend that I didn't say this, I will secretly go to Omi, and no one will know afterwards."

“Oh, good.”

Bai Yun Middle School had already finished school at noon, Omi and Xu Yan went to the restaurant to eat together, Lina didn't want to see Omi and Xu Yan's sweet face, so she went to the school cafeteria with her at the same table.

262

And at this moment, in front of Baiyun Middle School, in a car, Liao Shuanu sat in the back row, his eyes watching Omi who was eating in the restaurant.

Liao Shui Niu snorted, “Eat, eat, this may be your last meal, after this one, you'll have to wait for the next life.”

The driver asked, “Brother, do you really plan to kill him?”

Liao Buffalo's eyes chilled, “Hairless, do I look like I'm joking?”

“Oh.”

After Omi finished eating, Xu Yan asked Omi to accompany her for a walk around the campus, and Omi didn't refuse, being held by Xu Yan's hand as she walked around the campus.

Xu Yan didn't know why, but she was always walking towards less crowded places, and she was almost at the back of the hill.

“Why are you always heading to less crowded places?” Omi asked.

Xu Yan blushed and slyly said, "Which is it." In fact, Xu Yan wanted to go to a place where no one was around and be a little more intimate with Omi, the two of them hugging or something like that, but she didn't expect to be felt out by Omi.

Omi said, "Your sister has instructed you not to kiss me, let alone have premarital sex with me."

"Ah, you heard me." First URL m. .net

"Yes, I know you want to take me somewhere where no one is right now and have premarital sex with me, I'm not going to be that casual, don't you dare."

"Fuck you, what are you thinking, am I such a casual person, I just want to hug, you've only held my hand, you've never hugged me before, will you hug me." Xu Yan blushed.

"Is this also a boyfriend's obligation?"

"Sure."

"Yes." Omi hugged Xu Yan to his waist.

"Ouch, not hugging like this, standing face to face."

Omi put Xu Yan down, Xu Yan stood face to face with him and said, "Embrace it."

Omi had no choice but to hug Xu Yan in his arms.

Xu Yan also embraced Omi's waist with her backhand and pressed her face against Omi's chest.

Just like this, standing quietly, Xu Yan felt so warm.

Omi hugged Xu Yan, I don't know what to think, this scene, it seems to make Omi remember once, once he and his little sister went to Mu Nan, one day in the evening it rained heavily, the sky lightning and thunder, the little sister has been afraid of thunder since she was young, immediately scared to jump into Omi's arms, Omi just like this, holding the little sister, until two hours later the rain stopped, at that time, Omi was only sixteen years old, and the little sister was only fourteen years old.

Omi was suddenly sore inside, the past was unbearable to recall, Omi quickly skimmed out the thoughts in his head, and if he thought about it any further, he would have another headache.

But at this time, Xu Yan, who was held in Omi's arms, suddenly collapsed all over Omi's body.

"Xu Yan, what's wrong with you?"

"Hahaha." A laugh came from a few meters behind Xu Yan.

Omi took a look, he had just gotten distracted, and Xu Yan had been slapped unconscious by someone.

The person who made the laughing sound had a black hood on his head that was wrapped tightly, only two eyes were exposed, and he was also wearing a set of tight practice clothes, as if he didn't want anyone to know who he was.

"Who are you?" Omi stared at the masked man.

This masked man was Liao Shui Niu, Liao Shui Niu was worried about finding a chance to strike, but he didn't expect Xu Yan and Omi to take a walk, and the more they walked, the more they went off the

beaten path, and they were almost at the back of the school. So, when he found the opportunity, Liao Buffalo was the first to slap Xu Yan and knocked her unconscious, while Omi didn't know what he was thinking.

Omi took the opportunity to check on Xu Yan, she was only dizzy, and there was no serious problem.

"What are you?" Omi's gaze was cold.

"Omi, today is the day you die."

/>

"Hmph, mouth-breathing."

Liao Shui Niu didn't want to stall for time and fiercely pounced towards Omi, while pulling out his sword in his hand.

Omi didn't have a sword on him, fortunately Xu Yan had one on her, but it didn't matter, even if Omi was empty-handed, it would be enough to destroy the opponent.

"Swoosh." Liao Shui Niu had several sword moves in a row, Omi with one hand holding Xu Yan still easily dodged.

Liao Shui Niu was a bit unbelievable, Omi wasn't that powerful, he, Liao Shui Niu, at any rate, was a level 32 martial arts expert, and he couldn't get rid of Omi in the district?

He had really overestimated himself, level 32, in front of Omi, who was afraid that he had reached level 70, it was too much of a dish.

Omi took out Xu Yan's sword with a swoosh, the sword struck, Liao Shui Niu felt a chill and took a few steps back, Omi forced him back with his sword.

Omi leaned Xu Yan against a rock, then leapt towards Liao Shui Niu and killed him.

"Swoosh." After Omi issued his attack, Liao Shui Niu started to get his hands dirty.

Omi didn't take out any profound sword moves either, as Omi's eyes could tell what kind of goods Liao Shui Niu was at a glance.

Liao Shui Niu soon felt unable to cope with it, and the sword in his hand was almost swung open by Omi's sword several times.

Liao Shui Niu was horrified: "Omi is even more powerful than me, how is this possible, he is only a few years old, how could his martial arts strength surpass me."

At this moment, Liao Shui Niu was filled with reluctance and disbelief, Omi was even more powerful than him at such a young age, unable to accept it.

"The strongest move, a sword to the west." In a rush, Liao Shui Niu used his strongest move.

"Ka-cha." In the next second, his sword broke, his strongest move was no different from the weakest move in front of Omi.

"Ah." Liao Shui Niu was dumbfounded as he saw his sword break.

“Bang.” Suddenly, Liao Shui Niu’s chest was kicked hard by Omi, and Liao Shui Niu tumbled to the ground.

Omi’s sword pointed at Liao Shui Niu’s throat.

Liao Shui Niu looked at Omi in horror and was busy shouting, “Warrior, spare your life.”

Omi originally wanted to cut off Liao Shui Niu’s masked hood, but it was no longer necessary, because Omi already knew who it was, having just seen that strongest move on Liao Gayuan, and when he just shouted the words ‘Warrior spare your life’, it was obviously because he was in a rush and didn’t use a fake voice.

“Disrespectful.” Omi snorted.

“Warrior, spare my life.” Liao Shui Niu was busy pleading.

Omi said, “Slap yourself a hundred times, or I’ll make you splatter blood on the spot.”

“Thank you, warrior for mercy.” Liao Shuaniu didn’t know if Omi would really kill him, so he immediately slapped his own slap.

Omi bellowed, “You didn’t eat, did you? Hit it hard.”

“Pah, pah.” Liao Buffalo could only hit so hard, and soon his face was swollen from his own beating.

“Warrior, a hundred blows have been completed, can I go now?” Liao Shui Niu was busy asking, this time, he even used a fake voice again, did he think he hadn’t been discovered by Omi yet? However, Omi didn’t bother to expose his true face.

Omi snorted, “Do you think it’s so easy to leave? You knock out my girlfriend, kneel down and kowtow a hundred more times, you must kowtow hard, or I’ll make you splatter blood on the spot.”

“Warrior, can I go now?” Liao Shui Niu was busy asking.

Omi did not want to kill anyone, but he would not let go of anyone who offended him.

263

Omi kicked Liao Shuaniu hard in the chest, and with a swoosh, Liao Shuaniu’s body flew up and into the backwoods a few dozen meters away.

Only then did Omi carry Xu Yan away.

Liao Shuaniu was kicked by Omi and flew a few dozen meters away, almost falling to his death, anyway, his bones felt like they were falling apart, his body was powerless, he had never been in such a mess before.

But Liao Shuaniu still managed to climb up with the pain, and first find a way to get out of here. Having just slapped and bumped his head, Liao Shui Niu was already dizzy and stumbling, and finally made his way out of the side of the school and onto a waiting car by the side of the road. He had already asked his men to meet him here before.

However, this car was not driven by his men; the car his men were driving was still a few dozen meters behind, and he stumbled into the wrong car.

There was a tall, obese girl sitting in the car, this girl was shocked to see a bruised and battered man come in, this girl’s first reaction was, “Oh no, I’ve met a pervert.”

But that's okay, she thought of a weapon in a hurry.

In the next second, this girl took out a bottle of 'Anti-Chen Spray' and said, "After waiting for so long, it finally comes in handy again."

"Swoosh."The anti-dust spray sprayed wildly towards Liao Shui Niu.

Liao Buffalo was already dizzy from the beating, his bones were falling apart and he was weak, fighting to the death to crawl back, where he could resist the dust spray, and he was sprayed blind.

Liao Buffalo roared: "Hairless, you are bold, how dare you use something to spray big brother."Liao Shui Niu thought the car was under him. Remember the URL . .net

The girl was shocked and inwardly said, "How did he know I was...hairless?Well, this pervert, he must have peeked at me, otherwise how would he know so well, let's see how I let this pervert go."

I'll spray your mouth, spray your nose, spray your ears.

Liao Buffalo originally wanted to roar, but not roar out, the mouth was sprayed, and sprayed directly into the throat, throat irritated, the voice can not be pronounced, plus the face was swollen by itself, forehead knocked bleeding, to how much pain.

Very quickly, this girl's spray ran out in no time, but she seemed to be still unsettled, humming, "Even Liu Yue's woman, you also dare to hit on her."

After saying that, this girl immediately drove, rushed into the school, drove to the front of the school building, got out of the car and shouted, "There is a pervert, there is a pervert, there is a pervert."

This girl is very fierce, Liao buffalo today run into her count him unlucky, this girl is the same fierce obese woman who once sprayed Liu Yue in the toilet. At that time, Song Yu'er noisily wanted Liu Yue to be a vicious youngster, Liu Yue helplessly imitated Omi to go to the women's restroom to pee, and he just happened to run into three girls who carried sprays with them, and this obese girl was one of them. The first thing you need to do is to take a look at the newest addition to your own website. The three girls just stop, Liu Yue took the opportunity to escape from the women's toilet, but Liu Yue just ran to the door of the women's toilet, the fat girl chased out and asked Liu Yue, you just said that whoever sprayed you will rape her, is it true? Liu Yue said with a fierce face that he was by no means joking. Then the obese girl shyly lowered her head and let Liu Yue choose her own time and place, in the street, under the bridge in the field, can be. At that time, Liu Yue almost fainted and pulled her legs out and ran.

Although it's been more than half a month since this incident, but this obese girl has been waiting for Liu Yue to choose the time, did not expect that Liu Yue has not chosen the right day, she was violated by a pervert.

At this moment, learn

As the school was about to start classes, there were many students standing in the corridor of the school building.

Everyone looked in front of the school building and saw the fat girl named Wang Wenying open the back door of a car and lift out a man who was wearing a mask and tight pants with one hand.

This Wang Wenying, who is one meter tall and weighs nearly three hundred pounds, did not find it difficult to lift Liao Shui Niu out of the car with one hand.

Liao Shui Niu was extremely depressed, his eyes were blinding, his throat was mute, his face was swollen, his forehead was knocked out, his body was falling apart, his head was dizzy, and his body was powerless again, making him even defenseless at the moment.

Wang Sheng shouted, "He's the one who just suddenly rushed up to my car and tried to force me, moreover, he also peeked at me in the shower."

The onlookers shuddered, how brave was this pervert, daring to peek at Wang Wenying in the shower and trying to violate her.

Although Liao Buffalo was powerless, but his ears were not deaf and his eyes could see clearly, and immediately his voice was hoarse as he roared, "Fuck you fatty, let go of me." However, Liao Shuanui's vocal cords were irritated by the strong pepper spray, probably acutely inflamed, and his roar was not only hoarse, but also weak, whispering so low that even he couldn't hear it.

The first thing you need to know is that you can't be too careful about what you're doing, and that you can't be too careful about what you're doing. Sisters, what do you say to dealing with such a pervert?"

Several of Wang Wenying's sisters immediately rushed down with a bottle of anti-chen spray each, shouting as they ran, "Wenying, we're here to help you."

Liao Shui Niu was that furious ah.

At this moment, on the teaching building, Liao Gayuan and Wu Shaojie, Zhao Ritian and the others were also alarmed and stood in the corridor watching the fun.

Zhao Ritian said, "Jiayuan, did your father say when he would do it this afternoon?"

"Shh, keep your voice down, my dad told us to pretend we didn't know anything about this, and to stop talking about it."

"Hehe, right, we don't know anything." Zhao Ritian gave Liao Jia Yuan an 'understand' look.

Wu Shaojie said, "That pervert down there has really strong tastes too."

At this time, the entire school building was crowded with students, and several of Wang Wenying's sisters went down to help spray the pervert.

However, after all, Liao Buffalo was a martial arts practitioner, and even though he was beaten by Omi, he was still a very strong fighter when forced to fight.

"Bang bang." Liao Shui Niu was on fire, fucking over Wang Wenying and several of her sisters.

"Wow." The onlookers of the teaching building shouted wow when they saw the pervert easily fuck over the 300-pound Wang Wenying.

Liao Buffalo's furious slap on Wang Wenying's face, his voice hoarse and cursed, "Dead fat woman."

Wang Wenying was dropped and slapped, and then cried, and many students shouted angrily, "The pervert can martial arts, who martial arts is powerful, help kill the pervert."

"Yes, kill the pervert."

At this time, Wu Shaojie had a clever idea and said to Liao Jia Yuan, "Jia Yuan, good chance, pervert bullying girls in public, should you, as the Sealing Swordsman, do something about it? At the moment, if you punish the pervert severely in front of so many students, it will help you to restore your prestige in the school."

264

"What just happened?" Xu Yan asked.

"Oh, it's nothing." Omi smiled and didn't tell Xu Yan what had just happened.

Omi didn't kill Liao Buffalo, Omi wasn't decisive enough to kill? Too kind? Too gentle?

Wrong.

Killing and decisive, at least someone who was worthy of Omi's hand.

In his previous life, the people who died in Omi's hands were all famous experts, famous and worthy, never those Jiang Hu overnighters. Liao Shui Niu, even the night was a mosquito. Omi was so arrogant, even though he had crossed over, his heart was still as arrogant as it once was, how could a mosquito like Liao Shui Niu be worthy of Omi's hand. Omi just toyed with him as an ant, the entire Linjiang City, Omi did not put it in his eyes, kill Liao Shui Niu, dirty Omi's hands, and have to take a murderer's charge in this world.

Highly skilled, he is proud of, killing, but also has to be worthy of his hand to do it. If he couldn't understand it, it was obvious that he hadn't reached the realm of Omi, who stood tall and would see things differently.

Of course, a defeat of the Red Dust to do something on behalf of the heavens didn't count, that was just Omi being too bored and looking for something to do.

Omi and Xu Yan walked back to the school building and found the front of the building bustling with activity.

"Hey, what's going on over there?"

At a glance, Omi saw that Liao Buffalo was beating up a few girls, one of whom was still obese. A second to remember to read the book

Omi was confused: "Why is Liao Buffalo here wrestling with some girls?"

Xu Yan said angrily, "Too angry, who is that person with the mask? How to beat a woman, I want to go up there and do it for heaven."

Xu Yan wanted to go up and hit Liao Buffalo, but Omi held her back.

"Don't go up, it's not your turn, someone will naturally go up to do this kind of pushy thing." Omi said.

"Who? How do you know?"

Omi smiled, "Song Yu'er loves to make a fool of herself, how would she miss it."

As expected, Omi knew Song Yu'er well, at the moment, in the corridor on the fifth floor of the school building, Song Yu'er was busy shouting to Liu Yue, "Liu Yue, quick, quick, go down and severely punish the pervert, remember, when you severely punish the pervert, your actions should be more domineering."

"Oh." Liu Yue was obedient and immediately walked down the stairs.

Wu Shaojie, who was also on the fifth floor, saw Liu Yue coming down the stairs, and said in a row, "It's not good, Jia Yuan, Song Yu'er had Liu Yue go down to severely punish the pervert, and was snatched up by Liu Yue, such a good thing to restore your prestige, I told you well, if you don't hurry up, you'll be snatched up right away."

"What then? I don't want to miss this good opportunity to restore my prestige." Liao Jiayuan said urgently.

Wu Shaojie said, "Liu Yue has already gone downstairs, take the stairs you definitely won't be able to make it in time, you can only just jump down from the fifth floor and get ahead of Liu Yue."

"Ah, jumping from the fifth floor."

"You jump to the tree below, use the tree to cushion it, you can show your powerful and dominating figure along the way, hurry up."

"Good."

Liao Jia Yuan immediately jumped onto the wall of the corridor and shouted, "Bold pervert, how dare you openly molest girls in my Baiyun Middle School, ask me if the Sealing Swordsman agrees."

When Liao Jia Yuan yelled this, all the students watching from the corridor looked over.

After Liao Jia Yuan saw everyone looking at him, he immediately jumped down from the fifth floor.

"Wow." The whole place shouted a wow.

Liao Jia Yuan jumped on top of the tree downstairs and used the cushion of the branches to not fall to his death, but Liao Jia Yuan's balls were

The top of the branch almost exploded.

Liao Jia Yuan endured the egg pain, biting his teeth and rushed out to the pervert.

The students saw that Liao Jia Yuan was so dominant and jumped straight down from the building, that excitement and worship ah.

They all shouted, "Sealing God Swordsman."

"Sealing God Sword Warrior."

"Sealing God Sword Warrior."

Wu Shaojie smiled heedlessly, "I told you, it's an effective move."

Next to him, Zhao Ritian gave a thumbs up, "You're really worthy of being Gar Yuan's military advisor."

Liao Ga Yuan was very excited when he saw the students shouting the Sealing Swordsman in excitement, and the egg pain from the fall when he just jumped off seemed to be less painful.

Liao Jia Yuan ran to a few meters in front of Liao Shui Niu and shouted, "Pervert, how dare you, see how my God Sealing Swordsman will deal with you."

"Ah." Liao Shui Niu was now stupid, his son was going to clean him up.

Omi was not far away and also rolled his eyes, Liao Jia Yuan was going to clean up Liao Shui Niu?

Saying that, Liao Jia Yuan smashed his fist into Liao Shui Niu.

"Bang." Liao Shui Niu was still stunned, and the punch was knocked a few meters away.

The students who were watching shouted, "Sealed Swordsman, come on, beat up the pervert."

"Sword Warrior, I'll always support you." Several girls shouted.

And Liu Yue missed it, by the time he got down to the ground, Liao Jia Yuan was already beating the pervert violently.

Song Yuer saw the atmosphere, the crowd shouting Liao Jia Yuan's name, and was so angry that she wanted to jump, and such a good opportunity had been taken by Liao Jia Yuan.

Song Yu'er was on the fifth floor yelling at Liu Yue below, "Liu Yue, you haven't eaten, walking so slowly."

Liu Yue was also helpless, how did he know that someone would just jump down from downstairs and grab it from him.

"Bang bang." Liao Jia Yuan grabbed the pervert up and punched him again and again.

Liao Buffalo was already being beaten by Omi to the point of falling apart, where could he resist in the face of Liao Ga Yuan, being beaten to the point where he was simply going to carry his breath.

Liao Buffalo kept shouting, "Gar Yuan, it's me, Gar Yuan, you're crazy."

However, Liao Shui Niu's voice was hoarse, so it was impossible to hear what he was saying. Moreover, Liao Jia Yuan was encouraged by such an intense atmosphere at the scene, the beating was so fierce.

Liao Jia Yuan grabbed the pervert's head and banged the pervert's head into the ground continuously, while cursing, "You fucking pervert, you dare to violate girls under my nose, don't you fucking know that

I, the Sealed Swordsman, am most unused to this kind of thing? You're just fucking horny, and you're still fucking hooded, you don't even dare to be known for your real face, and you're still fucking a pervert."

"Bang bang." Liao Buffalo's head was battered by the impact.

The onlookers said excitedly, "Liao Gayuan is so domineering."

"Yeah, the scene of violently beating the pervert, tsk, so domineering."

"I'm afraid that Omi can't even be this domineering."

When Wu Shaojie heard the students' discussion, he whistled proudly, and Zhao Ritian said with eyes full of envy, "Shaojie ah, when will you also instruct me, so that I can also restore a little prestige in the school."

Omi foolishly stood not far away, Omi but very clear, that hooded person, is Liao buffalo, Liao Jiayuan did not even know, so violently beat his father.

Liao Jiayuan saw almost beaten, this only stopped, Liao buffalo rolling on the ground, want to cry and can not cry out.

Everyone thought that this was the end of the matter.

265

But Song Yu'er was very reluctant, and immediately ran downstairs shouting, "Fellow students, next, let Liu Yue come to the aftermath."

Song Yu'er felt that no matter what, she had to come back with some end prize, and couldn't let Liao Jiayuan steal all the limelight.

Liao Jiayuan was upset: "Song Yu'er, you are not involved here, this matter is my doing."

Song Yu'er huffed: "It was originally Liu Yue's, it was you who shamelessly stole Liu Yue's limelight."

Liao Jiayuan thought on a second thought, arguing with a woman will affect his hard-earned reputation, not bothering to argue with Song Yu'er, hummed: "I've already beaten the pervert, if you fight again, people won't say you're great."

Liao Jia Yuan turned around and walked upstairs, in a beautiful mood.

Song Yu'er shouted, "Liu Yue, scissors."

"Miss, the scissors are here." Liu Yue immediately ran out with a large pair of scissors.

It turned out that Song Yuer didn't want to beat up the pervert again, but to cut the pervert's lifeblood, the last time Liao Gayuan's didn't succeed, which made Song Yuer regretful, this time she must succeed.

Song Yu'er raised the large scissors she held in her hands.

"Wow." Many of the students watching from the corridor wowed and chilled. The first website m. .net

Song Yu'er took the scissors to Liu Yue again and said, "Liu Yue, look at you, don't let me down again."

"Miss, don't worry." Liu Yue was busy nodding her head.

After all, Song Yu'er was a girl, he still didn't dare to cut when things came to an end, let Liu Yue cut.

At this moment, Liao Buffalo raised his head and watched as Liu Yue took the scissors step by step towards him, his body constantly shrinking back.

Liao Jia Yuan went back upstairs and saw Song Yu'er let Liu Yue cut the pervert's lifeblood, annoyed: "Why does this Song Yu'er always want to steal the limelight from me, what a pity, just now why didn't I think of doing this, I should have known that I would come to cut, now Song Yu'er's limelight, overshadowed me just now."

At the moment the onlookers were indeed more sensational than the students who had just beaten the pervert violently, Liao Jiayuan was going to die of anger.

Liu Yue walked up to Liao Buffalo and grunted, "Lustful pervert, I'm offended."

Liu Yue ton scissors down.

"Ah." Liao Shuanu immediately tore up and roared, his hoarse voice was originally roared out by this roar as well.

Liao Jia Yuan felt that this roar was somewhat familiar.

Song Yu'er hid in the crowd and didn't dare to look, but she was satisfied with the effect.

Song Yu'er immediately shouted, "Liu Yue, get his hood off, so everyone can see his true face."

"Yes, Miss."

Liu Yue used scissors to cut off the pervert's hood, and all of a sudden, Liao Shui Niu's face was revealed, only, Liao Shui Niu's nose and face were swollen, and it was not too easy to identify him.

However, Wu Shaojie recognized it at once.

"I grass." Wu Shao Jie's eyes widened.

Liao Jia Yuan frowned: "How come it feels a bit like my father?"

Wu Shaojie was shocked and said, "Jia Yuan, he is your father."

"What?" Liao Gayuan yelled.

Zhao Ri Tian said, "It seems like it's really Uncle Liao yeh."

"Dad." Liao Jiayuan burst into tears and rushed downstairs, Wu Shaojie and Zhao Ritian also busy following.

Liu Yue finished clipping the Liao buffalo and was thinking of calling 120 so as not to let him bleed to death, when Liao Gayuan rushed out from the stairway and shouted, "Dad."

The whole school didn't know what was happening, who was Liao Jia Yuan shouting for Dad.

"Dad." Liao Jia Yuan rushed to the front and saw that it was really his dad.

“Dad.” Liao Gayuan cried out.

The whole room was talking.

“No way, that pervert is actually Liao Jia Yuan’s dad.”

“Oh my god, Liao.

Gajuan brutalized his father.”

“More than just a brutal beating, he was ordered by Song Yu’er’s bodyguards and had his lifeblood cut off.”

Not far away, Omi sighed.

Xu Yan asked, “You already knew that person was Liao Jiayuan’s father?”

“Right.” Don nodded.

“Then why didn’t you remind me.”

“Why would I need to remind.” Although Omi didn’t care to kill such flies, they were quite annoying, and even if they died in front of Omi, Omi wasn’t interested in stopping them.

“Dad, woohoo.” Liao Jia Yuan looked at Liu Yue and Song Yu’er with anger and yelled, “Song Yu’er, Liu Yue, I don’t share the same fate as you.”

Song Yuer huffed, "Who made your dad to be a pervert, besides, didn't you beat your dad yourself, it's none of my business."

Wu Shaojie said, "Jia Yuan, hurry up and take Uncle Liao to the hospital."

Liao Jiayuan picked up his father, Zhao Ritian put Liao buffalo was cut into the pocket, the three of them hurriedly ran out of the school and drove to the hospital.

The onlookers learned what to disperse, back to their respective classrooms, a lot of discussion.

Xu Yan asked: "Omi, what's going on ah? You must know something."

"Well, I'll tell you the truth, just now you and I were walking, at the back side of the mountain you fainted, it was Liao Buffalo who suddenly attacked and knocked you out. Liao Buffalo should be trying to assassinate me, but unfortunately not my opponent, and being beaten by me should be considered miserable, after which I took you away from the back side of the mountain, and you know the rest of the story."

"Ah, Liao Shui Niu wanted to assassinate you?" Xu Yan was shocked.

"Yes."

Omi could see that Liao Shui Niu wanted to assassinate him, otherwise there was no need to dress so tightly, but he had really brought this on himself by dressing so tightly that his son couldn't even recognize him and was brutally beaten by his son.

Xu Yan immediately dialed Xu Mei Qian's phone.

“Hello.”

“Sister, Liao Buffalo tried to assassinate Omi at noon.” Xu Yan reported to her sister.

Omi hadn't wanted to make a noise about it, after all, it was one thing to come and assassinate him, it was another thing to be able to kill him.

“Ah.” Xu Mei Qian was shocked.

“Sister, it's true, I was also attacked by Liao Buffalo and knocked unconscious, fortunately, Omi's martial arts skills are high, Liao Buffalo is no match, huh.” Xu Yan just thought of it, how is it possible that Omi defeated Liao Shui Niu?

Xu Mei Qian is horrified, it seems that it was a mistake to support her sister to fall in love with Omi, Omi is full of enemies, whoever is his girlfriend will be implicated. Xu Mei Qian immediately decided to forbid her sister and Omi to get together, it was too dangerous.

“Take the phone to Omi.”

Xu Yan handed the phone to Omi.

“Hello, Officer Xu.”

“Omi, did my sister really get knocked out?” Xu Mei Qian asked.

“Yes.”

“Why did Water Buffalo Liao assassinate?”

“He naturally has his reasons for assassinating me.”

“You actually defeated Liao Buffalo?” Xu Mei Qian asked incredulously.

“Oh, right.”

“Then why didn’t you kill Buffalo Liao?”

“Disdain.” Don Omi said only two words.

“Disdain? What are you capable of? With such an arrogant mentality, you don’t even care to kill Liao Shui Niu. However, you did the right thing, if you killed Liao Buffalo, I would be coming to arrest you now.”

“Oh.” Omi smiled indifferently.

Xu Mei Qian said, “Omi, you have too many enemies, the last time you cut Lin Dongfang’s lifeblood, sooner or later they will settle this debt with you, it’s too dangerous for my sister to be with you. I didn’t realize it originally, but I only realized today when she was knocked unconscious by Liao Buffalo, it’s not like you really like my sister, I’m not worried.”
