

“Chu Yiyun, there is a limit to my patience.” Omi said.

Chu Yiyun snorted disdainfully, “If it wasn’t for their sake, your bold slave would have been dealt with by me long ago.”

Liona was busy pulling Omi outside.

Liona said to Omi, “Didn’t I tell you not to talk to her so much, she’s leaving tomorrow. Moreover, her martial arts skills have reached more than seventy levels, and she’s at least in the top five in the entire Linjiang City, you really shouldn’t provoke her anymore, in case she really beats you and makes my father difficult.”

Omi said in his heart, “If it wasn’t for the fact that your dad is a face, I would have already k her.”

After the evening meal, Liona went back to her room early.

Chu Yiyun went out and didn’t come back until ten o’clock in the evening.

When only Chu Yiyun opened the door of the room she was staying in, she saw Omi sitting on her bed.

“Great anger slave.” Chu Yiyun was furious.

Omi said, “Chu Yiyun, I dare you to come with me to the hillside behind the villa and we’ll talk alone.”

“Fine, I was just about to have a chat alone with you.” Chu Yiyun bit his teeth. Remember the website . net

Chu Yiyun leapt out of the window, then with a little bit of both feet, he flew to the small hill behind the villa, which was only a dozen meters away.

Omi also clicked his feet and chased after him.

Chu Yiyun stopped on the small hill, Omi arrived in the blink of an eye, Chu Yiyun was also a little surprised to see Omi so fast.

“Dog slave, you took the initiative to ask me to talk alone, are you looking for a fight, then let me see where you have the guts to be a dog.”

Omi said, “I’m covered in guts, but I don’t have dog guts.”

“Buzz.” Chu Yiyun attacked Omi all at once, and she didn’t use her sword, because there was no need for her to use her sword against Omi.

Omi didn’t even move a muscle to grab Chu Yiyun’s fist.

Chu Yiyun was stunned for a moment and suddenly kicked Omi in the lower abdomen.

Omi’s body twisted, shaking Chu Yiyun’s foot away instead, and Omi threw only Chu Yiyun to the ground in a flash.

“Ah.” Chu Yiyun took the pain and shouted.

Chu Yiyun pounced on her again, and Omi pinned her down again.

“Let go of me.” A few minutes later, Chu Yiyun roared, she was no longer struggling as she realized that she was no match for her.

“Chu Yiyun, aren’t you arrogant, aren’t you the one who calls others trash at every turn? You’re so useless now that I’m holding you down and can’t move.”

“Bold slave.” Chu Yiyun’s eyes were cold.

Omi fumed, calling him a slave even at this time.

However, she was, after all, the daughter of Liu Chenming, and without looking at the monk’s face, Omi couldn’t beat her to death.

Omi was on fire, raising his palm and slapping Chu Yiyun’s buttocks.

“Slap.” Chu Yiyun’s buttocks was spanked by Omi, feeling hot and painful, and suddenly felt very angry and insulted.

Omi spanked her for a reason, because she was after all the daughter of Liu Chenming, if she were to hit her face or any other part of her body, it wouldn’t be good if she went to Liu Chenming to complain, so spanking, Omi didn’t believe that she dared to tell anyone about it.

“Daring, you.” Chu Yiyun gritted her teeth in anger.

“Chu Yiyun, you also know that being bullied

The taste of negative ah, tonight I will educate you cold-blooded animal."After saying that, Omi slapped her buttocks again, and a popping sound occurred.Omi wondered if he was addicted to spanking Song Yu'er last time, although part of the reason for spanking Chu Yiyun was so that she didn't dare to tell on her, but there was another part of the reason, maybe it really was an addiction.As expected, spanking Chu Yiyun's buttocks was very bouncy.Although this Chu Yiyun was mean and heartless, it really wasn't bad looking.

Chu Yiyun was incomparably ashamed and angry, no one had ever treated her like this since she was a child, no man had ever touched her buttocks.

"Pah."Omi came again.

"Omi, if you don't let go of me, I believe I'll kill you."Chu Yiyun raged.

Omi trailed off, "Chu Yiyun, don't you understand, now that you're in my hands, I want you to be born and die."

"Pah."Omi hit again.

"Let go of me, don't make me shout."

"Shout, I don't mind you shouting, I'm not the one to lose face anyway."

Chu Yiyun really shouted, "Someone..."

Omi quickly covered her mouth, she actually shouted, Willow Chen Ming's villa was just a dozen meters in front of the hill, and would be heard in a moment.

“You actually really shouted, well, in that case, one does not do, two does not rest.” Omi slapped Chu Yiyun’s ass, this slap used internal force, so Chu Yiyun’s pants collapsed at once, leaving only a pair of underpants, and his white flowered thighs were already exposed.

“Ah.” Chu Yiyun was so stupid that the lower half of his body was only wearing a pair of underpants.

“Big angry slave, what do you want?” Chu Yiyun looked at Omi in a bit of fear, she thought that Omi was going to defile her.

Omi snorted, “Don’t worry, I’m not the least bit interested in your flesh. Body, not the slightest bit interested, if you want to shout, then shout quickly and shout up Liu Chenming and Liona.”

“Dog slave, you’re shameless.” Omi stomped on Chu Yiyun’s ass and stepped on the ground, Omi said, “If you call me a dog slave one more time, I’ll have your panties crashed into pieces as well, leaving you completely naked, do you believe it.”

“You.” Chu Yiyun really felt scared and gritted her teeth, “Wait for me, my fiancé, he will definitely kill you.”

“Fiancé? Hahaha, could it be that your fiancé is some kind of three-headed, six-armed man?”

“My fiancé, it’s enough to deal with you. I’m not your opponent now, I admit it, when I go to the Martial Arts Academy, open the Ren and cultivate the realm, I’ll never let you go, and I’ll repay the shame of today tenfold.” Chu Yiyun swore.

Omi didn’t even want to tell her, I’ve already opened up the Renduji vein right now, and it’s already the middle stage of the Inner Gate, you can’t catch up with me even if you fucking do.

“What? Scared?”

Omi sneered, "I'm afraid of your hair, let your fiancé and you, come along, I'll beat your fiancé until he eats. Shit."

"Hmph, with you? My fiancé is already at the Martial Arts Academy, and you, a hangman, have spent your entire life working as a bodyguard, and you're humiliating me like this today, if my fiancé knew, you'd be miserable."

"Hahaha, Chu Yiyun, you people, I can't even describe it with words, what makes you say that I've spent my whole life as a bodyguard's life? On what basis do you think I can't open up the Renguo vein?"

Chu Yiyun sneered, "With just a little bodyguard like you, what kind of money and experts do you have to help you get through? If you have, why are you here as a poor bodyguard, trash, and you will see how you will beg for mercy at my feet in the future."

297

Omi harrumphed, this woman, all like this, still has such an arrogant tone.

"Chu Yiyun, you really leave me speechless, fine, I'll make you lower your proud head today, so how else can you feel self-conscious about being awesome." After saying that, Chu Yiyun's underwear was shattered into pieces by Omi with a shock of internal force.

"Ah." Chu Yiyun was dumbfounded, this time, really naked, Omi actually....

"Arrogant woman, you're talking to me naked now, let's see how you can still be arrogant in front of me." Omi took a glance at Chu Yiyun's bottom and skimmed his lips, "I feel disgusted at the sight, in front of me and Xiangyun, proud as anything, I'm afraid I don't know how many people have been ridden."

“You.” Chu Yiyun bit his teeth.

“Chu Yiyun, today I asked you out, just to teach you a lesson, in the future, don’t bully Xiangyun anymore, and don’t call others trash at every turn, you’re even more trash with your bare ass at the moment.”

After Omi said that, he flew away, and Chu Yiyun covered her bottom with both hands, trembling with anger. Luckily it was ten o’clock in the evening, or else everything would have been disgraced.

“Omi, you piece of trash, I’ll definitely come back to settle the score with you, so wait for me.” Only then did Chu Yiyun fly back to his room in the middle of the night.

Omi whistled and lay on his bed playing with his phone. Omi wasn’t at all worried that Chu Yiyun would dare to tell anyone about this, and for this kind of woman, it was better to humiliate her than beat her up. Of course, Omi just humiliate her, not to lust him, this to be clear.

Omi opened the campus, at the moment there is a post on the campus is very hot.

“Tomorrow at 9 am, Liu Yue and Zhu Dan duel.” One second to remember to read the book

This post has 30,000 replies already, and the poster is Song Yu’er.

Omi looked through the campus, it was all about Zhu Dan’s posts, and was dominated by Zhu Dan, Omi was a bit upset and made a random spiteful post.

“The whole campus is full of Zhu Dan’s posts, I can’t even look at his other campus news if I want to see him, depressed! Why is Jutan so popular, such a nobody? I really don’t understand, pig guts, no matter how grippy it is, it’s just an organ of a pig ah.”

Omi was just casually posting a spit sticker, but didn't expect it to catch fire at once.

Tomo': "Holy shit, what is Omi doing?"

Story putty ears said, "Is this a war that Don Tzu-Chen is going into?"

Just for Existence i said, "Omi is so grippy, Zhu Dan, he's only an organ of a pig again, tsk tsk, I really want to see Zhu Dan's expression."

Nightdr Xi said, "It seems that Omi is not putting Zhu Dan in his eyes at all ah, sit and wait for the expression of a pig's organ."

At this moment, in one of the rooms, Zhu Dan's sidekick ran in with his cell phone.

"Young Master, it's bad, Omi posted on campus that no matter how grippy you are, you're still just a pig's organ. Omi doesn't seem to have any intention of taking you seriously at all."

Zhu Dan saw Omi's post and almost smashed his phone in anger, he defeated Zhao Ritian, Liao Gayuan, and Fang Xu in a row today, and thought that Omi had silently screamed in fear behind his back. But I didn't expect that Omi would actually dare to slander him like that on campus, this was not to be afraid of him at all.

"Young Master, what should we do? Should I reply right now?"

Zhu Dan huffed, "No need to reply, tomorrow after I fight with Liu Yue, I'll invite Omi to come out in public, if he's really that grippy, he'll automatically come out tomorrow, and I'll beat him until I'm soft, I'll see if he still dares to call me a pig's organ."

“Fine, tomorrow let all the students witness Omi

It’s how it was destroyed, which also happens to give you a reason to take the initiative to seek a duel with him.”

Omi went straight to bed after posting that spiteful post, Omi had no idea that it was already on fire, he was just spitting, no provocation was intended.

When he woke up the next morning, Chu Yiyun glared at Omi with murderous eyes.

Omi pretended not to see it.

Chu Yiyun gritted his teeth and said, “Omi, I won’t let you go, and neither will my fiancé, so wait for me.”

Omi pulled out his ears and said, “You’ve said this several times last night, your ears are all calloused, can you change it to something fresh, like, your family won’t let me go.”

“I’ll let you get away with it.” Chu Yiyun walked away after saying that, she indeed didn’t dare to be told about this by Liu Chenming and Liona’s father and daughter.

Omi laughed, “I heard you’re leaving today, no send off ah.”

“Dog slave.” Chu Yiyun cursed again, this time, in broad daylight, Omi really couldn’t do anything to her, in exchange for last night, she would definitely have to slap her ass some more.

After breakfast, Liu Chenming sent Chu Yiyun to the airport, and Omi and Liona still went to school.

The first time I saw her, I thought she was a bit shaky.

Omi asked, "Could it be that you can't bear to see Chu Yiyun go?"

"No."

"Then what is it?"

"She's gone, my mom, and she didn't even really have a word to relay to me."Liona said in disappointment.

"A heartless, unfeeling person, what do you care what she does."

Xiang Yun Liu sat in the car, startled out of her mind.

At 9 a.m., all the students and teachers rushed to the stadium of Baiyun Middle School to watch the duel between Zhu Dan and Liu Yue.

"Omi, hurry up, don't miss it."Carlos said to Omi.

Omi looked at Liona, who was sitting in the classroom and didn't move, so Omi said, "Carlos, I won't go."

"Ah, you're not even going to see such a wonderful thing."Carlos was incredulous.

Omi was speechless, this was also called something wonderful.

“Come on, let’s go see, Zhu Dan and Liu Yue duel ah.”Carlos dragged Omi.

Omi was helpless, walked up to Liona and said, “Miss, don’t be bored in the classroom alone, come with us to the stadium to see that boring duel.”

Liona nodded her head.

The three of them arrived at the stadium, and at this moment, Liu Yue and Zhu Dan were already standing in the middle of the stadium.

Song Yu’er shouted from a short distance away, “Liu Yue, it’s up to you if you can make this lady look good.”

Omi and Liona were standing in the corner.

Zhu Dan huffed and looked at Liu Yue with a look at the ants.

“Zhu Dan, hum your sister.”Liu Yue said, Liu Yue always remembered to be more arrogant with his words, so he took out an arrogant tone now.

“Liu Yue, I’ll let you know later.”Zhu Dan said indifferently.

But Liu Yue laughed arrogantly, “Zhu Dan, you’re just an organ of a pig, I’m going to crush you today.”

Not far away, Song Yu’er shouted, “Right, keep up this arrogance.”

Liu Yue’s performance today, so far Song Yu’er was very satisfied.

When Liu Yue heard the lady's words, she worked even harder and immediately gave a thumbs up to Zhu Dan and said, "Zhu Dan, go you."

But Zhu Dan did not move, "Liu Yue, I'm not here to have a war of words with you, go ahead and do it, don't blame me for not giving you a chance to make a move."

"F\*ck you?." Liu Yue rushed to kill.

"Swoosh swoosh." Liu Yue was also open to the strongest move today.

However, Zhu Dan's figure moved, and Liu Yue's sword lost its target for a moment.

"Ah." Liu Yue was shocked.

In the next moment, Zhu Dan's voice sounded from behind Liu Yue's back: "I'm behind you, silly."

Liu Yue was horrified that Zhu Dan was so strong, and suddenly his forehead was sweating and he wanted to turn back. However, it was too late, Zhu Dan pinched Liu Yue's neck vertebrae with one hand and directly hoisted Liu Yue up.

"Ah." Liu Yue was hanging in the air without any resistance anymore.

"Wow." The whole arena saw Zhu Dan's bullby and shouted wow.

Zhu Dan hummed, "Liu Yue, go back and practice for another twenty years." After saying that, Zhu Dan threw Liu Yue viciously into the distance. The first website m. .net

Like throwing a lead balloon, he threw it twenty meters away.

"Wowse, strong." The whole arena roared, or, stupidly, everyone didn't even think that Jutan was so strong.

"Pah-pah." Many people immediately began to applaud, Zhu Dan had completely won everyone over, I'm afraid there would be many campus fans in the future.

At this moment, Zhu Dan yelled, "Everyone be quiet."

The crowd quieted down.

Zhu Dan wouldn't forget Omi's spiteful post last night on campus, saying that he was a pig organ.

Zhu Dan yelled, "Fellow students, I'm sure you all saw that last night, on campus, Omi called me a pig organ, and you all wanted to see my face, well, I'll show you my face today."

The audience was silent, feeling that something big was about to happen.

In the next moment, Zhu Dan yelled, "Omi, I know you were there, it's impossible for you to miss such an exciting event, come out. Since you dared to insult me on campus, I think you should also have the guts to curse me to my face, don't tell me that you only dare to curse me behind my back, not to my face."

Omi in the corner was stunned, was this a provocation from Zhu Dan?

Carlos said, "Tzichen, Zhu Dan calls you out."

Omi resolutely walked out, and everyone saw Omi appear and wowed.

"Ahhhh, Omi is going to fight with Zhu Dan." Many students felt irritated ah, these were the two most awesome people in White Cloud High School.

Omi walked not far in front of Zhu Dan.

Zhu Dan looked at Omi and snorted, "Omi, you posted insults to me last night, how do you want to settle this matter?"

"I don't know." Omi said.

"Don Omi, you're a little man, do you know that I've wanted to beat you up for a long time."

"Yeah? Pig organs." Omi smiled faintly.

"What did you just say?" Judan's brow furrowed, wondering if he'd misheard.

"I didn't say anything about pig organs." Omi smiled.

"You say that again?" Jourdan yelled.

"Pig organs." Omi said.

“Omi, you... “Zhu Dan was feeling a bit stupid, it was already this time, but Omi actually dared to call him a pig organ.

“You what you, pig organ.”

“Ha.

Haha, good, very good.”Zhu Dan laughed furiously.

Omi said, “Laugh your sister, pig organs.”

The whole audience was dumbfounded, didn't Zhu Dan just say that Omi didn't dare to curse him to his face, now Omi is a mouthful of pig organs, Zhu Dan is going to burst with anger ah.

Zhu Dan took out his sword with a swoosh and gritted his teeth, “Get out your sword, I don't want to be accused of bullying you.”

Omi said, “Pig organ, I'll take out your sister's sword ah, you have the ability to force me to take out my sword.”

“You fucking dare to curse me a word, I believe I'll cut out your tongue.”Zhu Dan was really on fire, Omi was still not finished with the pig organs.

Omi said, “Cut your sister, pig organs, to cut also I cut your pig organs first.”

“You mother.”Zhu Dan was furious, and didn't care if Omi took out his sword or not, he could no longer control his anger and killed up with a sword.

The next moment, suddenly realizing that the target was gone, he stabbed the air with his sword .

“I’m here, pig organs.”Omi’s voice sounded behind his head .

Zhu Dan was shocked and violently tried to turn back.

However, Zhu Dan’s body suddenly hoisted up, and Omi pinned the pig organ’s jugular with one hand, hoisting him up, and instantly snatched the pig organ’s sword with the other hand .

“Ahhhh.”The pig organ struggled desperately, but it couldn’t break free.

The whole place was dumbstruck, this?

Just now Zhu Dan hung Liu Yue, I thought Zhu Dan was so strong, Omi was no match.

Omi snorted, “Pig organ, this is how you just bullied Liu Yue, I’m using this method to bully you now as well.”After saying that, Omi threw the pig organs.

“Bang.”The pig organs were thrown twenty meters away, but the pig organs were stronger after all and instantly climbed up.

“I’ll kill you.”The pig organ killed up in anger, seemingly losing his mind, he thought he was the number one expert at White Cloud High School, but he didn’t expect to be so hung up on, where could he stand it.

“Pah.”Before Zhu Dan’s sword reached Omi, Omi’s big slap slapped him away.

“Bang.”Zhu Dan was slapped seven or eight meters away, but he immediately climbed back up, his eyes blood red as he charged at Omi.

“Slap.”Omi slapped him again and flew away.

“Wow.”The scene wow, it seems that everyone was wrong, Omi is in the school, simply invincible ah, and thought that Zhu Dan can replace Omi, engaged in half a day, Omi can slap fly.

“Omi, you insult me like this, I’m not done with you.”Zhu Dan yelled and rushed up again.

Omi was also annoyed, and there was still no end in sight, this time he didn’t slap him away, he just snatched his sword, then grabbed him by the neck, hung him to a sewer outlet next to the stadium, pulled open the manhole cover, and threw Zhu Dan right in.

“Whoa.”The whole stadium screamed again.

Song Yu’er couldn’t help but shout, “Omi is so handsome.”

Many girls immediately shouted, “Omi, so handsome; Omi, so handsome; Omi, so handsome.”

Omi smiled at the crowd and waved his hand, saying, “Classmates, go back to class, about me being handsome, don’t spread the word oh.As for that pig organ, oh, he said he wanted to be quiet.”

Zhu Dan was in the sewer right now, hearing so many people up there shouting that Omi was so handsome, and Omi was even pretending to compare with everyone else, at this moment, he was really crying.However, after being hit so many times in a row by Omi, he seemed to be powerless.Zhu Dan yelled in the sewer, “Omi, am I handsome to you.”

Omi left, and his classmates left the sports field, pig organs, still in the sewer.

299

“Young Master, forget it, you can’t play with Omi, let’s hurry back to the family.”Zhu Dan’s sidekick Wang Xiaowei advised, Wang Xiaowei pulled Zhu Dan up from the sewer.

“Impossible, I, Zhu Dan, am at least a scion of a big family, what is Omi, why should he play me like this.”

“But, young master, Omi is awesome.”

“Pah.”Zhu Dan slapped over and roared, “Try saying that he’s awesome again?I’ll beat you up.”

Wang Xiaowei cried, “Young Master, but you can’t beat him ah, how else are you going to pick up those school girls, forget it, Young Master, I heard there are a few good ones in heaven, how about.....”

“F\*ck you, those bitches in heaven, can they compete with my four school girls?Little Wei, use your brain more for things, thanks to you being with me for so long.Since I can’t beat Omi for now, I’ll use my brains.”

“Young Master, wasn’t your brain kicked by a donkey when you were young?”

Zhu Dan kicked over and said angrily, “Say this again later and I’m not done with you.”

“Woo.”Wang Xiaowei looked aggrieved.

Zhu Dan already had a perfect plan in his head.

Zhu Dan said proudly, "Little Wei, what do you think would happen if I had someone make a human skin mask, a human skin mask made entirely based on Omi's appearance, and then I put on the human skin mask?" Remember the URL . . .net

"Ah, impersonating a Don?"

"Yes, if I wear a human skin mask of Omi's appearance, do you think that Liona and Simran are in my bag? I easily and effortlessly slept through Liona and Simran, do you think I'm high on this move?"

Little Wei gave a thumbs up, "Young Master, brilliant, I didn't think you'd be so smart after having your brain kicked by a donkey."

"F\*ck you, still mentioning childhood things to me." Zhu Dan kicked up again.

Zhu Dan immediately went to contact one of his family's people, a man who was an expert at making human skin masks, masks that mimicked real people, which ordinary people didn't have the skills to make.

The day's classes ended, and in the evening, Omi and Liona came home from school, and met Simran in front of the school, only to see her face full of sadness.

"Xuan'er." Omi called out.

"Tzichen."

“What happened to your house? Why do you look so unhappy.”

Li Xuan Er was busy shaking her head, “No, my house is fine.”

“Then why do you look so unhappy?”

Kaylee Lee lowered her head somewhat depressedly.

“Go ahead.”

That’s when Xuan’er Li said, “Aunt Li’s money has been stolen.”

“Uh.” Omi was stunned and speechless, “What does it have to do with you if Auntie Li’s money was stolen?”

Simran smiled bitterly, “Auntie Li’s husband, also seriously ill, bedridden for years, before a defeat of more than two million to my family, there are still about 500,000 left, last night I and my mother together gave it to Auntie Li, I wanted to give her husband for medical treatment, but I did not expect, just now my mother called me, said it was stolen. I’m so depressed to hear this news, that half a million, last night my mother and I just sent it to ah.”

Omi was incredulous: “You actually gave the rest of the half a million to someone else.”

Simran laughed, “My father is now well treated, the rest of the money, when the

Natural to the people who need it, this is what my parents and I had discussed long ago, this time we have also been looking to see which family needs this money the most, after making some inquiries,

Auntie Li is the most in need of this money, but I did not expect that it was stolen this afternoon, what a tragedy.”

Omi was surprised that Simran’s family, instead of keeping the remaining 500,000 for themselves, gave it away, this spirit, Omi was quite touched.

“If One Defeat Red Dust knew that you guys gave the remaining money to other people in need, you must be very touched,” Omi said.

Simran, however, said bitterly, “That money was originally One Defeat Red Dust’s aid to us, how can the remaining money have any reason for us to possess it ourselves. Let’s not talk about that, now that the money has been stolen, alas, it’s so depressing.”

Omi said, “Why don’t you deposit it in the bank and then transfer it to Auntie Li so that it won’t be stolen.”

Simran took a glance at Omi and said, “That money came from an unknown source, and if you deposit it in the bank, it will definitely be investigated and may be confiscated. Now that it’s been stolen, and I can’t call the police, you say I’m depressed, I can’t say I’m bitter.”

Omi chuckled, and was really depressed.

“Xuan’er, leave this matter to me, I’ll definitely help you investigate it.”

“What can you do?” Simran looked at Omi in confusion.

“Anyway, you should leave it alone.”

After that, Omi and Simran separated, Simran took the bus, Omi said to take her home, she refused.

When Omi returned home, he immediately called the little hacker beauty.

“Hey, Xiao Meng, it’s urgent.”

“Go ahead, brother Omi.”

“A friend of mine, her house was burglarized this afternoon for half a million, help me investigate and see if I can find it.”

The little hacker beauty nodded, “Okay, I’ll listen in on some information, and I should be able to find out what’s going on.”

Xiao Meng was very helpful, and in less than half an hour, she found the traces.

“Brother Omi, just monitored a complex message, a nickname ‘bounce all attacks’ sent a complex message to another person, saying that he went to the heavenly room at night. The other person asked where you got the money, and he said he was lucky this afternoon and got half a million. Brother Omi, I suspect that this person, it is possible that he is a thief, you go find this person now.”

“Okay, where is it?” Omi didn’t expect to get an eyebrow so soon.

“At a bar called ‘Sleepwalking Bar’, I’ve searched for the IP address, at Sleepwalking Bar machine 56, hurry oh, wait for this person to check out the machine.”

Omi immediately set off and rushed to the Dreamwalker Bar in a flash.

Half an hour later, Omi walked into the Sleepwalking Bar and locked onto Machine 56 with a glance.

At this moment, the young man in machine 56 is taking out a mobile phone, opening the software, searching for the serials in the chase, and seeing that there is no update yet, he immediately sent a comment in the following comment circle: "Grass you? What time is it, it's not updated, write so little every day, you idiot ah you, can't write don't write." This young man would open the software on time every day, and every day when he was in a bad mood, he scolded the author.

At this time, Omi walked up, there was a green backpack next to this youth, Omi directly took the backpack.

The young man stood up reflexively, grabbed the backpack with a death grip, and shouted: "Who the hell are you?"

Omi snatched the bag in one go, pulled it open, and there was a bundle of money inside.

300

"Grass you fuckers dare to rob me." That youth swung the stool of the bar and threw it at Omi.

Omi snatched the stool in one fell swoop, pushed him down on the computer desk, and asked, "Where did you get the money?"

"It's none of your business if it's my money." The youth yelled.

"Pah." Omi slapped it hard, where is this kind of youth worthy of playing with Omi.

"Give the bag back to me Laozi." The youth roared.

Omi snorted, "Open your mouth Laozi, close your mouth Laozi, you really owe to tidy up."

"Do I clean you up, let go of me, don't force me to be angry."The youth blushed furiously.

"Slap."Omi slapped it again and sneered, "Still daring to be arrogant in front of me, if you hadn't stolen the money you shouldn't have, you'd be worthy of playing with me.Say, where did the money come from?"

"I'll come you."The youth was incomparably fiery, he had already made a date to Heaven tonight.

"You don't say isn't it, well, I'll send you to the police station."

The young man really trembled, stole half a million, this if you go to the police station, do not know how many years of sentence. A second to remember to read the book

Don Zimmer dragged him out of it.

"Ahhhh."The little youth yelled in anger.

Omi immediately dialed Xu Mei Qian's phone.

"Hey, what for?"Xu Mei Qian asked.

Omi said, "Officer Xu, my money was stolen, half a million, but I've caught the thief, I'm now at the entrance of the Sleepwalking Bar, you come over right away."

Xu Mei Qian didn't have the time to say, "Find me even for this small sesame matter."

"Hey, then I had to kill the thief ah."

"Alright, I'll immediately send the police on a nearby mission over."

Not five minutes later, a police car came over and came down with two policemen, and the two policemen said enthusiastically, "Omi, listen to what Captain Xu said, you caught the thief."

Omi threw the thief to the two policemen, then opened his bag, poured out the money inside, and said, "Hurry up and take pictures for evidence, I have to go back when it's over."

"Good." Omi naturally wouldn't go back to make any statement, Xu Mei Qian's relationship was on the line, the two policemen wouldn't ask anything, with Omi's identity, it was always impossible for him to deliberately set someone up.

The young man was roasted up and then cried.

Omi asked, "How many years will this guy get?"

"We're not sure about that, I think that stealing half a million dollars will result in a sentence of 10 to 12 years."

Omi patted the youth's face and said, "Go in, reform well, and see the author later, you see, retribution is coming."

Omi carried his bag and left, while making a phone call to Simran.

“What? The money is recovered?” Xuan’er Li was incredulous, it had only been an hour or so before and after.

Omi drove to Simran’s house and cleared it up, 500,000 yuan had been missing 10,000, leaving only 490,000 left.

Omi took the money to Simran.

Simran said, “How about you do me a favor, take this money and give it to Aunt Li when her husband goes to the hospital in a few days, otherwise it will be stolen again.”

Omi nodded, and after returning home, Omi asked John to do this.

At this time, at a certain hospital, a doctor entered the ward.

“Lin Dongfang, your bottom has almost recovered.

It’s ready to start the transplant, you guys say when you’re ready and the hospital will arrange it for you.” The doctor said.

“Good.”

Lin Dongfang immediately called his uncle, this Lin Dongfang was the pervert who had his life roots cut off by Omi at the mall last time.

“Hey, uncle, the doctor said that I’m almost ready for a transplant now, when will you arrest Omi and transplant his bottom to me.” Lin Dongfang asked.

Lin Explosive Tian said instantly, "Can we finally start the transplant operation? good, it's time to have an explanation for this matter."

Lin exploded Tian hung up the phone, Omi had cut his nephew's lifeblood, and now more than half a month had passed. The reason why they hadn't gone to Omi for so long, it wasn't that they were kind, but Lin Dongfang wasn't fit for a transplant yet, that's right, they were going to take Omi's lifeblood and transplant it to Lin Dongfang.

It would be a big mistake to think that this matter was just going to go away, they were not only going to transplant Omi's lifeblood to Lin Dongfang, they were also going to transplant a woman's lifeblood to Omi, making Omi pay a heavy price for having cut off Lin Dongfang's lifeblood.

Omi returned home.

"Omi, where have you been?" Willow Morning asked.

"I went out to run some errands."

Omi had just sat down when there was a sudden clatter outside and an SUV crashed through the iron gate of the fence and rushed in.

Four or five people got down from the car.

"What's going on?" Liu Chenming ran out of the living room door in a panic, only to see Lin Bursting Tian and a few experts getting off the SUV.

Willow Chenming was shocked, "They, finally here, Omi, Lin Bursting Tian is the second master of the Chemical Dragon Hall, his martial strength is at level 52 ah."

Omi smiled slightly, he didn't expect that the Second Hall Master of the Chemical Dragon Hall would have such a high martial strength, level 52.

After getting out of the car, Lin Explosion lit a cigarette, spat out a smoke ring, and hummed full of disdain, "Omi, you should still remember who I am."

Omi said, "Remember, Lin Dongfang's uncle, huh, the one whose life I cut off last time."

Lin Bursting Heaven's eyebrows furrowed, one of his men roared, "Hey, Omi, how are you talking, the one who cut it off was Lin Dongfang, not our big brother."

"Oh, so it's my misremembering." Omi trailed off.

Lin exploded with anger, "Omi, don't stick gold on your face, it's been more than half a month since this incident, I'm afraid you think, I'm just going to spare you, right."

"Alright, it's dinner time, I don't have time to waste with you, if you have something to say, fart, go outside and let it out."

Lin Exploded Tian shook his cigarette butt, his face screwed up, and said, "Omi, your good days are over."

Omi moved and instantly hoisted Lin Explosion Sky up and said, "I said, dinner time is here, didn't you hear me?"

Lin Explosive Tian was trembling, incredulous, "You you you, how did you do that."

Lin Explosive Tian was about to order his men to tie Omi up, the four men he had brought with him were all above level 35, but all of them hadn't spoken yet, and he was hung up by Omi himself.

At this moment, Lin Explosive Sky was scared to death.

“Lin Explosive Sky, this matter has been over for so long, and I forgot about it if you didn’t come to me. I’m giving you two choices right now, first, get lost and completely disappear under my nose, I can continue to forget about this. Secondly, play with me to the end.” After saying that, Omi threw Lin Explosion Sky away and threw him outside the villa.

The four little brothers watched as their big brother, like a parabola, flew over their heads and went outside the villa.
