

Chapter 321

Everyone froze, who was it.

Liao refueling was also stunned, who was shouting his name.

A few seconds later, Zhu Dan came in with a fire, losing his mind and yelling, "Liao Gou, come out, you compensate me for my life, I'm not finished with you."

Omi saw Zhu Dan appear, also suddenly yelled: "Pig organ, you heck, I've been looking for you for a long time, good, you appeared today, I want to settle scores with you." Zhu Dan impersonated Omi, Omi would definitely have to settle the score with him, but Zhu Dan didn't go to school these past few days, Omi couldn't find him and thought he was hiding, but he finally saw him here today.

Zhu Dan saw Omi and was on fire, if he hadn't impersonated Omi, how would he have turned out so miserable today. Zhu Dan yelled at Omi, "Omi, fuck you, the score between me and you will be settled later. Liao Jianwei, you come out here, you compensate me for my lifeblood."

Liao Jianwei's own lifeblood was ruined, and now he heard someone shouting for him to compensate, and he was on fire: "Your grandfather Liao Jianwei is here."

Zhu Dan was furious: "Liao Jie Jie, you kicked my life-root, I, Zhu Dan, will never let you go."

Just at this time, four more people came in at the door, Song Dai Tian and Song Yu'er, as well as Liu Yue, and a stranger.

Song Daitian was busy, "Captain Xu, we're here, what's the matter." It turned out that they were also called by Xu Mei Qian.

Liao Goi suddenly shouted, "You're Song Yu'er? Fine, I'm not done with you." Liao Goi was furious, his dad was ordered by Song Yu'er's bodyguard to cut his lifeblood, the debt wasn't over.

Hua Tianfeng said, "I'm dizzy, this is too complicated, what's going on? Uncle and nephew of Lin Explosive Tian want to settle accounts with Liao Jiejing, Liao Jiejing's father and son and Lin Explosive Tian want to settle accounts with Omi, Omi wants to settle accounts with this newcomer, this newcomer wants to settle accounts with Liao Jiejing, and Liao Jiejing wants to settle accounts with Song Yu'er. What kind of case is this, it involves so many people." One second to remember to read the book

Xu Mei Qian said, "I'm also dizzy."

Xu Mei Qian went up and said, "Alright, stop it, let's make things clear, what kind of grudge do we have, let's settle it today, if this kind of mass firefight happens again in the future, the police will not tolerate it. One by one, make a good statement, Lin Exploding Tian, you first, don't have any bullying, or else put all of today's crime on your head."

Lin exploded Tian huffed, "Omi cut my nephew, of course I will not let him go, a few days ago, went to the school to arrest Omi, cut Omi's lifeblood to my nephew to make up, but I did not expect, today was kicked by Liao Jianliang, Liao Jianliang, I will also never let go."

Liao Go Oil said: "Omi bully my brother, I went to Omi today to find a theory, I did not expect Omi to be quite cruel and unreasonable, so I came to the hospital to get some air, I did not expect Lin Dongfang to yell at me, so I kicked over, who knew that Lin Dongfang had just mended a few days. Then, Lin Yuntian even let someone kick my father, huh, Lin Yuntian, I will never let go."

I was so angry that Omi openly played me at school, but I couldn't beat him for the time being, so I wanted to take revenge on him, wearing Omi's human skin mask to do something bad, but who knew that before the bad was done, he was caught in the hospital by Lin Bangtian as Omi and transplanted my lifeblood to Lin Dongfang. Hmph, Lin Bo Tian, I will never let go. But who knows, today, I suddenly heard the news that my lifeblood temporarily stored in Lin Dongfang's body was kicked by Liao Goi. Hmph, Liao Goi, Lin Exploding Tian, and Omi, I will never let go, wait for me, my family will send someone down soon."

Omi said, "Zhu Dan is despicable and shameless, got a human skin mask that looks exactly like mine to impersonate me, and almost tricked Simran into going to the hotel, this bastard, if not for the fact that he just happened to be captured by Lin Explosive Tian, poor Li

Xuan'er was defiled by him, and he also went to hook up with Samira and caused a lot of harassment to me, Zhu Dan, I will never let go."

Song Yu'er said, "I didn't do anything, that day a masked pervert, who was lusting after girls at Baiyun Middle School, I let Liu Yue cut his lifeblood, who knew that pervert was Liao Xuan's father, it's not even my business, right, I'm just doing a good thing."

Everyone's statements were done, but the enmity was too complicated, and it was impossible to resolve everyone's conflicts at the moment.

Xu Mei Qian was also helpless, it was not easy to arrest so many people, and everyone was very connected in the background, so it was useless to arrest them.

Xu Mei Qian said, "Alright, I won't arrest you to the Public Security Bureau today, I'll let you go, but none of you are allowed to make trouble again today, do you hear me?"

Lin Yuntian walked up to Omi and said with fierce eyes, "You're the Omi who cut off my cousin's lifeblood?"

"Yes, I'm Don omi, who are you?"

Lin Yuntian huffed, "Omi, wait for me." After saying that, Lin Yuntian walked out of the hospital lobby, his dad, Lin Explosion, also left with more than 50 men.

Song Yu'er: "Omi, I know who he is, he's Lin Yuntian, the eighth of the ten outstanding young men."

Omi snickered, "So it's that chicken-haired youth again, speechless." The ninth place of the chicken-haired youth, Liao Goi, had been blown away, the ninth place, didn't he know? Omi's face was disdainful.

Omi's disdainful tone made Xu Mei Qian and Hua Tianfeng both startled, Omi was so tuggy, the Ten Outstanding Youths actually looked down on him so much.

Xu Mei Qian huffed, "Omi, don't talk like that, the Ten Outstanding Youths, although not very strong, but not as bad as you think, I won't lie to you, I'm also one of the Ten Outstanding Youths, and I'm seventh. What you just said about the chicken-haired youth, you're calling me out along with it."

Omi was stunned: "Captain Xu, so you're also one of the ten outstanding youths, huh, disrespectful and disrespectful."

Xu Mei Qian snorted, "Alright, you can go back now."

Hua Tianfeng came up and said, "Mei Qian, do you know this kid? It looks like you're familiar with him."

Xu Mei Qian said, "My sister's ex-boyfriend."

"What? Your sister's ex-boyfriend."

Hua Tianfeng looked at Omi and laughed, "Your sister is blind to find such an ex-boyfriend."

Omi's eyebrows furrowed as he looked at Hua Tianfeng and said, "As a police officer, don't you think the quality is low for cursing like that? Aren't you afraid of my anger?"

Hua Tianfeng snorted, "Omi, if you're arrogant I'll catch you and lock you up, don't think I don't know, you're the dregs of the school."

Xu Mei Qian is afraid that Hua Tianfeng really shot, after all, is her sister's ex-boyfriend, her sister went back to instruct her to take care of Omi, Xu Mei Qian busy: "All right, all right, Omi, you go back. Captain Hua, let's also hurry to the hotel, our colleagues are waiting anxiously." After saying that, Xu Mei Qian and Hua Tianfeng both hurriedly got into the police car and rushed to the hotel party.

Omi didn't know why, looking at Hua Tianfeng was very unpleasant, just now if he hadn't left quickly, Omi really couldn't help but teach him a lesson.

However, no lesson today, some other day Omi would have to teach him a lesson. Anyone who dared to upset Omi, Omi would not give him a good meal.

322.

Omi and Liona walked out of the hospital together, it was late and neither of them had eaten dinner yet.

Liona suddenly said, "Why don't we go out to eat."

"Miss, the house is already cooked, we were about to eat dinner when we came out, now we can go back and eat right away, why do we have to go out to eat, shameful waste ah."

Liona pouted in frustration, she had wanted to be outside with Omi, the two of them romantic, where to eat a Valentine's set or something, poor Omi didn't understand women's minds and was scolded by him.

"Alright, let's go back then, I don't know if my dad is home yet, I'll make a phone call." Liona took out her phone and called Liu Chen Ming.

“Dad, have you come home yet?”

“Xiang’er, I’m not coming back for dinner tonight, I’m going to a lecture.”

“Uh, what lecture?”

“Oh, Linjiang City’s ten outstanding young people, the sixth place Huang Qu, is holding a lecture in the conference room of the Blue Sea Hotel, I’m going to listen to it.”

“Oh.”

“Right, you talk to omi and ask him if he would like to come over to listen to the lecture, omi is also a martial arts practitioner, that Huang Qui is the sixth of the top ten outstanding youths, it would be good for omi to listen to his lecture.” First published at m.kanshu8.net

“Okay, I’ll ask him about it.”

Hanging up the phone, Liona asked, “My father said, would you like to go to the lecture, the speaker is the sixth of the ten outstanding young people, my father said, it would be good for you to listen to the lecture.”

Omi huffed, “Not interested, what’s there to listen to a lecture by a chicken-haired young man, what a waste of time.”

But Liona said, “Oh my, come on, let’s go have some fun.”Liona didn’t want to go home at all now, making a scene to listen to a lecture with, even though we can’t have a Valentine’s Package, it’s good to listen to a lecture together.

“Not interested.”

“Come on, I want to go, the sixth strongest of the ten outstanding young people ah, it won’t hurt to listen to it, it might really help you improve your strength.”

“Alright, alright, go go go go.” Omi was helpless, since Liona wanted to go, he had no choice, after all, he was Liona’s personal bodyguard.

Liona’s plan worked and she smiled, “Then let’s go for a meal before we go to the lecture, shall we? You don’t have to go home for dinner this time.”

“You arrange it.” Omi said, “Since we have to listen to the lecture, it will definitely be too late to go home and eat out.”

Liona was happy to take Omi with her, and it felt great to eat at a street, a special food stall. A small table, sitting face to face with Omi, this feeling made her feel very enjoyable, and she really wanted to be able to do this every day.

After eating, the two of them immediately rushed to the Blue Sea Hotel and arrived at the large conference room on the sixth floor of the hotel.

“Omi, Xiang’er, over here.” Liu Chenming had already arrived and the lecture had already started, Liu Chenming saw Omi and Liona coming and called out softly.

Omi and Liona slipped in through the back door of the conference room and sat down next to Liu Chenming.

At that moment, on the conference room stage, a man with a microphone said, “Hey, who then, could you please be quiet? If you don’t want to hear it you can go out and don’t disturb the others.” This man who spoke with a microphone was the sixth ranked Huang Qui of the Ten Outstanding Youths. Moreover, it was Liu Chenming he was looking at with his eyes, because just now, Liu Chenming was greeting Omi and Liona.

Willow Chenming was busy standing up

Compensating with a smile, "I'm sorry, Senior Huang, my daughter also wanted to come to your lecture, but she's just late, sorry."

Huang Quan looked at Liona beside Liu Chenming and suddenly his eyes lit up, as if he had discovered a new continent, he didn't expect such a beautiful woman.

Huang Quan changed his tone and said with a smile, "It's fine, it's my honor that your daughter is able to come and listen to someone Huang's martial arts lecture, welcome. What is your name?"

Willow Chenming was touched, not expecting Huang Qu to be such a good tempered person.

"My name is Liu Chenming."

Huang Duc looked at Liona and smiled, "Little sister, how old are you? Called what?"

Liona felt a little uncomfortable, but out of politeness, she replied, "18 years old, Liona."

"Liona, good name, I didn't expect there to be an 18 year old little sister coming to my lecture, hahaha. Alright, I'll continue with my lecture first." Huang Quan took one last look at Liona, then his eyes moved away a bit reluctantly.

Huang Duc said to the crowd, "Where was I?" I just saw a beautiful woman that made Yellow Drain forget where he was talking about.

An audience member said, "You were talking about punching."

“Oh, yes, punching in my opinion, there are three ways, the first one, punching first and then punching; the second one, punching first and then punching, and the third one, punching and then punching. So, what’s the difference between these three ways? Actually, there’s no difference.”

“Now, let’s focus on how to defend, and we all know that the strongest thing is not to attack, but to take a beating, and yes, the stronger you are, the more you can take a beating. What’s the point of punching someone 10 times when you’re fine and they punch you once and you go down.”

“Elder Huang, I don’t understand.” An audience member said.

Huang Quan smiled, “How about this, I’ll find a spectator to come up and demonstrate, I wonder which spectator would like to volunteer to come up and practice with me?”

Unfortunately, no one raised their hand in the room.

“Since no one raised their hands, I’ll just call out randomly.”

With a sweep of his gaze, Huang Quan looked subconsciously at Liona and smiled, “Liona, come up here and we’ll show you how to do it.”

Liona was bored.

Omi knew at a glance that this chicken-haired young man, the sixth-place finisher, Huang Qu, must have called Liona on purpose, and I guess the others raised their hands and would end up calling Liona as well.

Liona said, “I’m sorry, I don’t know martial arts.”

Huang Kuo smiled, "It's okay, you can demonstrate even if you don't know martial arts."

Liona still shook her head and said, "I don't want to, you've invited someone else."

There was a bit of fire in Huang Kuo's heart, what are you doing, coming to my lecture and not giving face.

Huang Kuo saw that Liona was dead set against giving face, so he could only look towards Omi, who was sitting next to Liona, and beckoned, "Then you come."

Without hesitation, Omi stood up and walked up to the stage.

There were almost three hundred people who had come to listen to the lecture today, and their eyes were all looking at the stage at the moment.

Huang Canal said to everyone, "Next, I'll demonstrate how to dodge the enemy's attack when we encounter them. I will teach you all three methods, the first method, side dodge method, the second, sitting on the ground dodge method, the third, hand gesture dodge method. We'll be the first to test the sideways dodge method."

After saying that, Huang Gui said to Omi without good temper, "You, try attacking me."

323

Don asked, "How do you attack? There are many ways to attack."

"Yo-ho." Huang Qui laughed in shame at Omi, who felt that a bird hair was still telling him about attack methods.

“Punch me straight away and take out your maximum strength.”Huang Duc said.

“Oh.”Omi nodded his head.

Huang Canal stood in the middle of the stage and said to everyone, “Everyone look here, now the other side how I use the side dodge method to dodge the attack.”After saying that, Huang Canal said to Omi, “Begin, attack me, with all your might.”

Omi wasn't rude and attacked Huang Ducui with a fierce punch.

“Bang.”Omi's punch solidly struck Huang Duc's abdomen, and also let out a muffled sound, Huang Duc's eyes widened and his back was supplied by Omi's punch.

“You you you.”Huang Duc looked at the feeling of Omi's eyes going silly, he did not expect that he actually did not dodge Omi's punch.

Everyone was busy asking, “Senior Huang Duc, what's wrong?Didn't you say you'd show me how to duck?How come you didn't duck?”

Huang Kui's face was white, even his feet were a bit weak, Huang Kui endured the pain in his abdomen and said to everyone, “See, just now I didn't make a dodge and was instantly hit by the enemy, this is the performance of not being able to dodge the enemy's attack.”

One person said, “Senior yellow canal, we how you dodge la, not to be hit after the performance of la.”
Remember the website .kanshu8.net

Huang channel nodded, “Of course, I just demonstrated with you how to be hit, and now, I'll demonstrate how to dodge the attack.”

Afterwards, Huang Channel said, "You actually have two strikes."

"Usually." Omi said.

"Don't take out your full strength, just take half of it out." Huang Channel said with a bit of depression in his heart.

"Oh." Omi nodded his head.

Huang Canal said to everyone, "Everyone look here, the enemy is going to attack me."

"Begin, attack." This time, Huang Duc was fully prepared and would never let what had just happened happen again.

"Bang." In the next moment, Omi struck another solid punch at Huang Qu's abdomen, and Huang Qu cursed inwardly, "Nima."

Huang Kul was really fucking depressed at the moment, he had prepared his whole body and soul, but he still hadn't dodged Omi's punch.

The pain from his abdomen made Huang Kul's teeth chatter in pain, what was this kid's origin, how come he had so much power?

When the crowd saw that Huang Qu did not dodge again, they asked, "Senior Huang Qu, didn't you say you were going to demonstrate the sideways dodge method? Why haven't you dodged yet?"

Huang Duc once again endured the pain and laughed, "Did everyone just see it clearly?"

“No.” Everyone shouted together.

Huang Channel: “Just now the enemy attacked me with a punch, I deliberately reacted half a beat slower, and as a result, I was attacked by the enemy, and this demonstration I just gave is to tell everyone that when facing the enemy, you must react quickly and not the slightest bit slow. Otherwise, just like what I just demonstrated, a punch is struck.”

“Oh.” Everyone was helplessly oh, and said in their hearts, “Nima, we’re watching you demonstrate the side dodge method, not to see you get hit, okay. How to dodge without demonstrating it once, always demonstrating getting hit, something’s wrong.”

<

br /> Huang Qu said to Omi, “Kid, thank you for your cooperation, you can go down now, next let the rest of the audience participate.”

Huang canal has now understood that this kid Omi is very strong, it’s better to find someone who doesn’t know martial arts to demonstrate.

The crowd shouted, “Senior Huang, up all up, hurry up and demonstrate, don’t change anyone, it doesn’t matter if we participate or not, we all came here specifically to listen to your lecture, not to participate in the demonstration, you hurry ah.”

“Yeah, if you don’t hurry up and demonstrate, I’m going to leave, I came here because of your sixth place status as an outstanding youth, otherwise I wouldn’t have come to listen to any lecture, you hurry up and demonstrate, well change what people ah.”

Huang Kuo was helpless, everyone had said so, he couldn’t forcefully replace another one who couldn’t do martial arts.

Huang Quan's eyes glared angrily at Omi, a burst of fire, and whispered, "Kid, who the hell are you, are you intent on tearing down my stage? You don't fucking believe I'm going to maim you."

"You're the one who told me to come up here and demonstrate."

Huang Kuo thought that Omi was some kind of enemy who had deliberately arranged to tear down the stage.

Huang Kuo had no choice but to say, "Since you didn't deliberately come to tear me down, then don't take out another fifty percent of your strength, you take out any twenty percent of your strength."

"Good." Omi nodded his head.

Only then did Huang Canal smile at the crowd, "Everyone, now I'm really going to start demonstrating, below, you can see how the Come Sideways Dodge method is performed."

"Begin, attack." Huang Duche motioned to Omi's eyes, this time Huang Duche wasn't distracted in the slightest, watching Omi's movements wholeheartedly.

"Bang." In the next second, Huang Duc's eyes blinked, before he could react, Omi punched him in the abdomen, Huang Duc's whole body trembled, Omi's punch was too fast for him to react.

The crowd was really upset when they saw that Huang Duc wasn't dodging again, they all shouted, "Senior Huang Duc, what's wrong with you, don't tell us you're trying to show us all how to react to being hit again, honestly, we don't want to see how to react to being hit, we want to see how to dodge."

Huang Qiu was now so depressed that he couldn't even speak out of pain. Faced with the accusations of the crowd, Huang Kou was angry and furious, and really wanted to shout, "You fucking think I don't want to dodge ah, this brat is punching so fast I can't dodge."

"Senior Huang Qu, if you don't dodge, we're going to leave, we won't listen to your lecture, it's not interesting at all, you only know how to talk about theory, it's hard to come up with a demonstration, and you deliberately pretend to compare, you just don't show us how to dodge, you're afraid that we'll learn away your skills, if you're afraid that we'll learn away your skills, then what lecture are you still holding."

Everyone was accusing Huang Qu, saying that he was pretending, not wanting to demonstrate and what lecture was he going to give.

However, Huang Qu didn't say a word in defense, not that he didn't want to defend himself, but his whole body was falling apart and he couldn't speak out of pain. He had received three punches in a row from Omi, the first two punches were more powerful but at least he could still grit his teeth and hold on, but the third one and then another, his body had reached the limit of what it could endure and couldn't hold back any longer.

"Senior Huang Qu, you will give us a word right now, whether to demonstrate your side dodge method or not, if not, we'll leave."

"Right, we'll leave if we don't demonstrate it."

While everyone was arguing, a sudden 'poof' sound was heard, and a mouthful of blood spurted out wildly from Huang Qu.

324

"Ah." The people sitting in the front rows of the conference room were suddenly sprayed with blood by Huang Dui and couldn't help but scream.

Huang Duc really couldn't help it, a mouthful of blood was already coming up to his throat when he received the third punch from Omi, he was strong enough to hold it back, but, in the end, it was still held back and a large mouthful of blood spurted out wildly.

After spraying blood, Huang Duche felt a huge amount of emptiness in his body, and his legs were trembling.

The entire noisy conference room was quiet, and everyone looked at Huang Duc without blinking, not knowing what was happening, including Liona and Liu Chenming.

Huang Duc said with trembling lips, "Everyone, I'm sorry, a little on fire, don't panic, let's continue."

Everyone was speechless for a while, can you spew so much blood when you're on fire? Who spilled so much blood on fire?

Huang Canal: "Let's continue, we just talked about how to dodge the enemy's attacks, now let's talk about it again, when we face... face..." at this point, Huang Canal felt like his legs couldn't stand any longer and he was stumbling on the platform, about to fall down.

"Senior Yellow Drain, what's wrong with you?"

Before the words were finished, there was a bang and Huang Drain fell down, his body unable to support him anymore.

"Ah!" Everyone screamed and rushed to the stage in a panic, only to see Huang Dulu's face turning blue, his lips white, and his body twitching, then he started foaming at the mouth, then his eyes turned white, and he didn't move. The incomparably powerful posterior force caused Huang Qu quicksilver to faint to death.

“Ah, Senior Huang Qu, what’s wrong with you?” Everyone is shouting. One second to remember to read the book

At that moment, a woman on the scene with a martial arts level of over 60 said, “Don’t move him, Huang Duan has fainted.”

“Suddenly, why did he faint?”

That level 60+ woman looked towards Omi, now she had understood that it wasn’t that Huang Qui didn’t dodge, but that he couldn’t dodge at all, because, Huang Qui had sadly found a demonstrator who was stronger than him. This level 60+ woman was precisely Huang Qu’s senior sister, just now she hadn’t thought about it that much, she thought that Huang Qu really deliberately didn’t demonstrate the dodge method, but it turned out that she also misunderstood, the real reason was this, only, what she couldn’t believe was, how could someone as young as Omi be stronger than her junior brother.

At this moment, Omi and Liona’s father and daughter were preparing to withdraw, and Liu Chenming also said while grumbling, “It’s so boring, not demonstrating how to dodge attacks, and playing dead.”

Omi heard it funny and said in his heart, “Uncle Liu, you really wronged people, they really didn’t play dead, he was unable to withstand my power, all the cells of his body had shock reactions, it was estimated that it would take a day to get up.” However, Omi didn’t explain anything to Liu Chenming.

Liona also said, “I should have known not to come, this Huang Qui is very annoying, the way he looks at me with lustful eyes, he is not a good person at a glance, this kind of person even if he is now the sixth of the ten outstanding young people, he will definitely have no great achievements in the future.”

Omi’s three men walked out of the conference room and soon arrived at the first floor of the Blue Sea Hotel.

At that moment, a woman around 35 years old stood at the entrance of the hotel, it was the 60-odd level expert who was just in the conference room, Huang Qu’s senior sister.

Seeing Omi's three people walk out, the woman's face was a bit cold and said, "Wait a moment."

"Uh, are you calling me?" Omi asked.

The woman grunted, "After beating someone up, are you just going to leave without saying a word?"

Omi smiled and said in his heart, "It seems that there is still one person who understands so many people in the conference room, and the others don't

Knowing that it was Omi who hit him, I still don't know what happened."

Omi said, "This lady, I don't understand what you mean."

"Still pretending?"

Willow Chenming was busy saying, "What's wrong, Tzu-Chen?"

Liona looked at the woman and said, "It's not as if we haven't offended you, why did you stop us?"

The woman snorted, "Beating up my junior brother like this, and still saying you didn't offend?"

"Who is your brother-in-law?" Liona was confused.

"My senior brother is Huang Qu, he just asked this kid next to you to go up and do a demonstration, and as a result, my senior brother is injured like this, and you guys still want to just walk away from it?"

Liu Chenming and Liona's bodies trembled, looking at Omi incredulously.

That woman said, "Kid, even if you are stronger than my junior brother, but you don't have to hit so hard, he asked you to go up to demonstrate, didn't expect you to be stronger than him, it's his bad luck, I won't say anything. But you, you have to hit so hard, my junior brother took three punches from you, not one of them dodged, and now even the cells are in shock, why do you have to hit so hard?"

At this moment, Liona and Liu Chenming fully understood, no wonder that yellow canal didn't dodge, always demonstrating how to behave after being hit, it wasn't that yellow canal didn't dodge, it was that he couldn't dodge ah, Omi was stronger than him ah.

Omi snorted, "This big sister, which eye of yours saw me strike so hard?"

"My brother is still lying on top of it, and you're saying that you didn't do it hard?" The woman was furious.

Omi said, "If I had really hit hard, your junior brother would have been dead long ago."

"How arrogant."

"Oh, the first time your junior brother asked me to take out my full strength, but I only took out 0.10% of my strength, the second time your junior brother asked me to take out 50% of my strength, but I only took out 0.05% of my strength, and the third time, your junior brother asked me to take out 20% of my strength, but I only took out 0.01% of my strength. Now you still say that I hit him hard, you really don't know how kind people are, I was so understanding of your senior brother, I didn't expect you to blame me for injuring him, why don't you go blame your senior brother for being useless himself?"

The woman was furious, of course she wouldn't believe Omi's bullshit that he only took out 0.1 percent of his strength, 0.1 percent of his strength to beat up her junior brother like this, then Omi already didn't

know what level to go to, so she felt that Omi had injured her junior brother and still didn't have any shame, he was still pretending and bragging in front of her, she was very angry.

"Kid, since you still have such an attitude, let me learn about your 0.10% power." Huang Qu's senior sister said furiously.

"Fine, then I'll take out the same power and let you taste it." Omi smiled.

"Buzz." Yellow Drain's senior sister didn't bother to listen to Omi's bullshit and came flying up with a punch.

Omi greeted it with a light palm against the Yellow Drain's senior sister's punches.

"Swoosh." Sister Huang Qu's body flew backwards, and with a swoosh flew into the rocky mountain fountain pond 20 meters outside the hotel.

"Wow." also splashed the water in the pool.

Liona and Liu Chenming were dumbfounded at Omi.

Liona turned back and said, "Go."

A few minutes later, Huang Canal's senior sister climbed out of the fountain pool and said with a pale face, "Oh my god, this Linjiang City Crouching Tiger, Hidden Dragon has someone so strong, at least at level 90, it seems that my senior brother was beaten up like this, it's really not an injustice."

The previous chapter talked about Omi and Liona going to a lecture on Huang Duc.

Huang Qu fainted, and this incident was spread to the Linjiang Window Forum.

In the Linjiang Window Forum, there were many experts, so the reason for Huang Duc's fainting was revealed right away.

And at this moment, Omi was still on his way home.

"omi, I'm not dreaming, am I? You're that strong? At least it's almost level 70, right?" Willow Chenming said incredulously.

"Oh, Uncle Liu, go home, you should listen to fewer such lectures in the future."

Omi didn't feel any excitement, after all, Huang Qu was too lowly, often beating up such lowly people, Omi himself felt tired of it.

Liu Chenming said again, "omi, if you go to register for the Outstanding Youth Selection, you will definitely rate third in the Top Ten Outstanding Youths."

Omi asked, "Why not first and second place?" With Omi's strength, if you really want to judge it, first place is a sure thing.

Liu Chenming smiled, "omi, first and second place are impossible la."

"Why is it impossible?" Omi was confused. First URL m. kanshu8.net

“Because the first and second place of the ten outstanding youths have already received an admission notice from the Martial Academy, and it’s also an invitation to enroll, just like my other daughter Chu Yiyun. To be able to be invited by the Martial Academy for admission, that’s a remarkable genius, the first time in our Linjiang City in ten years that such a genius has appeared, don’t you know that the entire news media in Linjiang City is now broadcasting this matter? This is a great joy for the entire Linjiang City.”

“Uh, the first time it’s happened in ten years.” Omi was really a bit surprised that Linjiang City had two other people besides him who had received notices inviting admission.

“Yeah, so the first and second place will definitely be them, they’re the pride of the entire Linjiang City, the most talented youths in Linjiang City in ten years. When they go to the Martial Academy in the future, that future, it’s really a bar.”

“Oh, huh.” Omi just smiled.

Omi didn’t know if he should tell them that he had, in fact, received an admission notice.

Omi thought about it, it’s better not to tell them for now, lest they get sentimental because they have to leave, let’s wait until after the New Year.

The three of them went back home.

At ten o’clock in the evening, Omi was lying in bed.

Omi hadn’t entered the Linjiang Window forum for some days, so he lay on his bed and used his phone to enter the forum to take a look.

Sure enough, the entire Linjiang Window forum was about the first and second place of the ten outstanding youths, because, they received the notice from the Martial Arts Academy, two of the most

talented youths in Linjiang in the past ten years, and they had almost become the pride and idol of the city's people. Even Liu Chenming had become a fan of those two geniuses.

Omi was really speechless, it was just receiving a notice, so how could the city's people worship them like this?

At this moment, at Song Yu'er's home, Song Daitian was lying on his bed, looking at his phone and laughing, "The first and second place of the ten outstanding youths, too powerful, I didn't think there were such outstanding geniuses in tiny Linjiang City, even if it's a big family, there aren't many who can be invited to school, tsk tsk, admiration ah." Needless to say, even Song Daitian had become a fan of those two geniuses.

Omi tossed his phone to his bed and said, "I'm also leaving Linjiang City after the New Year to go to the Martial Academy, I don't have much time left. It seems that I can't keep a low profile anymore, it's time to get high profile. Those two so-called most talented and outstanding youths of the past ten years are worshipped like this by the city's people just because they received an acceptance letter, while I, the true

The more I think about it, the more I feel unfair. The more I think about it, the more I feel unfair, why is it that no one admires me when I'm better than him, and I'm often despised by people who are a mess and trash, is this still the world's best young man? Back then, I was the number one young man in the world, from the 100-year-old woman down to the three little girls, all of them worshipped me day and night, and countless young girls wanted to sleep with me for one night but couldn't."

"Wind Lightning, Wind Lightning, you've come to this world and kept a low profile for so long, it's time for you to explode. You'll have to leave here after the New Year, if you don't explode, after I leave, everyone will dare to bully Liu Chenming's father and daughter."

Omi lay on the bed, thinking in his mind. Seeing that the first and second of the ten outstanding youths, receiving a broken notice, was worshipped by the city's people, while he, the real bull, was hiding in his den and no one knew about it, and then remembering that once, he was the first youngest in the world in the wind and light clouds, making countless people worship him. So, Omi was deeply irritated. Found that he really is a bit low-key, once he seemed to be not such a character ah, I don't know if it's because of this body, the personality are a bit changed, a bit not tough enough, a bit cowardly feeling now.

Wind Light Cloud, is the name of Omi's former life, this name, in that world of his, very loudly.

At this moment, in a certain hotel.

Xu Mei Qian drank a lot of wine with her colleagues.

“Captain Xu, I'd like to toast you and congratulate you on becoming one of the ten outstanding young men.”

“Thank you.” Xu Mei Qian said with a red face, she had already drunk a lot of wine and was about to raise her glass when Hua Tianfeng was busy saying, “Mei Qian, don't drink so much, let me drink for you.”

Hua Tianfeng wanted to block the wine for Xu Mei Qian, this was also a technique for picking up girls.

Unfortunately, although Xu Mei Qian was dizzy from drinking, her brain wasn't confused yet, she didn't have feelings for Hua Tianfeng, so she didn't want Hua Tianfeng to block the wine for her. Otherwise, the relationship would get more and more complicated.

“No, I can still drink.” Xu Mei Qian drank it all in one go, not giving Hua Tianfeng the chance to shield her from the wine, she didn't want to get as close as she was with Hua Tianfeng.

The other colleagues came up to make a toast, Xu Mei Qian's drinking capacity wasn't very good, even though she was a martial arts practitioner.

Xu Mei Qian didn't want to give Hua Tianfeng a chance to block the wine, so she drank it all by herself.

By 11pm, everyone had left, and Xu Mei Qian was already drunk and lying on the table.

“Captain Hua, we’ll be leaving first then.” Colleagues left in droves.

“Okay, take care, leave Captain Xu to me, I’ll take her home.” Hua Tianfeng said.

Soon, only Hua Tianfeng was left, along with Xu Mei Qian who was lying down.

Hua Tianfeng huffed, “Xu Mei Qian, tonight we’ll cook raw rice, you’ll naturally like me, hahaha.”

“Waiter, go get me a room.”

“Okay.”

This hotel wasn’t just for eating, there was also accommodation, so Hua Tianfeng directly asked the waiter to get a room in the guest room department.

Hua Tianfeng asked the waiter to help Xu Mei Qian to the room.

At this time, Omi was preparing to sleep.

At that moment, the call from Hacker Little Beauty came.

“Hey, what’s going on in the middle of the night?” Don omi asked.

“Have you slept, Brother Tzu-Chen?”

“Just about to sleep.”

“Brother omi, you’ve been inactive for a long time as a loser, and now someone is about to rape you, do you care?”

326

“Uh.” Don was startled.

“Who’s going to rape who?” Omi asked.

“Xu Mei Qian is going to be raped, my software just monitored the information, Xu Mei Qian was drunk, and his boss opened a room without consent, seemingly trying to rape her.”

Omi immediately sat up from the bed and hummed, “How bold, daring to rape my ex-girlfriend’s sister, I’ll be in charge of this one defeat.” Omi had already admitted in his heart that Xu Yan was his ex-girlfriend, so, Xu Mei Qian he would take care of her a little more from the inside, hearing that Xu Mei Qian’s boss wanted to rape her, Omi immediately got up.

“Not far from your home, Lightspeed Hotel, room 1506, hurry up and go oh.”

Omi flamboyantly put on his black clothes, then ran to the Lightspeed Hotel.

At this time, in this hotel room, Hua Tianfeng quietly opened the door and entered, only to see Xu Mei Qian being helped to lie on the bed by the attendant.

“Hehe, Mei Qian, after we have sex, you will naturally like me.” Hua Tianfeng smiled, he didn’t want to waste so much time chasing after her, now that he had the chance to fuck first, and his family wasn’t weak, so it wouldn’t be a disadvantage at all for Xu Mei Qian to fall in love with him.

Hua Tianfeng immediately went to the bed.

At that moment, Xu Mei Qian seemed to sense something and climbed up.

“Captain Hua, where is this?” Xu Mei Qian busy asking. Remember the website . kanshu8. net

“Michelle, you’re drunk and I’ve booked you a room.”

“Oh.”

Hua Tianfeng smiled as he sat on the bed, his eyes a bit ambiguous.

“Captain Hua, thank you for arranging a room for me, but it’s getting late, you should go back, I need to rest.” Xu Mei Qian said.

“Mei Qian, tonight, I have no plans to go back, I also want to sleep here.” Hua Tianfeng said brazenly.

“What.” Xu Mei Qian was shocked.

“Captain Hua, how can you say such words, you’re my superior and a police officer.”

Hua Tianfeng smiled, “Mei Qian, being a police officer is just to pass the time, besides, you should be able to tell that I like you these days.”

“Sorry, Captain Hua, I don’t have feelings for you, if you don’t mind, we can be good friends.”

Hua Tianfeng was a bit angry when he heard Xu Mei Qian’s words, he Hua Tianfeng at least received an admission notice from the Martial Arts Academy, but he was actually rejected by someone.

Hua Tianfeng said, “Mei Qian, what’s so good about being good friends, if we’re going to be lovers, we’re similar in age, and my family isn’t weak, I also received an admission notice from the Martial Arts Academy, am I so good that you’re not moved at all? If I’m not even tempted, hehe, I really don’t know who can make you tempted. Don’t tell me that those two so-called most talented youths of the decade in Linjiang City have moved you. You should know that my strength spiked those two outstanding youths.”

Xu Mei Qian didn’t listen to Hua Tianfeng’s words at all and said, “Sorry, Captain Hua, I really haven’t thought about feelings yet, you’re an outstanding man, you’ll find a girl ten thousand times better than me.”

Hua Tianfeng was irritated and initiated a good man card for him.

Hua Tianfeng said, “Mei Qian, be my woman.”

“Sorry, I don’t have feelings for you.” Xu Mei Qian sternly refused, if she really had feelings for Hua Tian Feng, she would have been happy to let Hua Tian Feng block her drink for her when she drank tonight, but Xu Mei Qian didn’t let him block a single glass of wine, Xu Mei Qian thought that Hua Tian Feng should be able to see what she meant.

Hua Tianfeng did see what she meant, and that’s why he was

Thinking of having sex first, it’s natural to fall in love with him.

“Oh, Mei Qian, don’t define it so early, where am I not good enough for you, Hua Tianfeng?I’ve already received the admission notice from the Martial Arts Academy, and now that my martial arts skills are much higher than yours, you should have taken advantage of the fact that I was single to get me.In the entire Linjiang City, is there a more outstanding young man than me, Hua Tianfeng?Is there anyone better for you than me?”

“Captain Hua, if you don’t leave, I’m going to call the police.”

Hua Tianfeng smiled, “Mei Qian, you’re drunk, we’re the police.”

“Hua Tianfeng, what do you want?”Xu Mei Qian was a bit angry.

“Mei Qian, let’s sleep together tonight, I’m sure you’ll have feelings for me after sleeping together.”

“You’re shameless.”Xu Mei Qian was impolite.

Hua Tianfeng was also impatient and grunted, “Xu Mei Qian, are you interesting like this?What if I’m forced to sleep with you tonight?Can you resist?”

“If you dare to do that, my family will not let you go.”

“Mei Qian, don’t forget that my family, as a whole, is estimated to be stronger than your family, and besides, we were drunk and unconscious tonight before we had sex.”

“You.”Xu Mei Qian retreated backwards.

Hua Tianfeng said, “You want to jump out of the window and escape?I, Hua Tianfeng, have such high martial arts skills, you don’t stand a chance of jumping.”

“Hua Tianfeng, don’t force me, you don’t deserve to be a policeman.”

“I don’t care about being a policeman, being a policeman is just to do something for the country and to train myself in the meantime.”

Hua Tianfeng walked towards Xu Mei Qian.

Xu Mei Qian immediately wanted to jump out of the window.

However, in the next moment, Hua Tianfeng grabbed Xu Mei Qian’s ankle with one hand and pulled hard, throwing Xu Mei Qian back on the bed.

“Mei Qian, don’t do anything useless, since I dared to do it, I’ve naturally taken all the consequences into consideration.”

At this moment, Xu Mei Qian was thrown helplessly on the bed, Hua Tianfeng was so much stronger than her, she couldn’t resist at all.

“Don’t you come over.” Xu Mei Qian roared, no one would ever know that Xu Mei Qian, the thunderous and fiery police captain of Linjiang City, had such a powerless moment.

“Oh, Mei Qian, don’t pretend, I don’t believe you’re still a virgin, pretend to be pure.” Hua Tianfeng snorted, finally, he showed his beastly side.

Hua Tianfeng pulled out his belt, threw it to the ground, and pounced on it.

“Ah.” Xu Mei Qian screamed and tried to escape, but there was no way to escape from Hua Tian Feng’s grasp.

Just when Xu Mei Qian was so helpless that she thought she was really going to lose her virginity, a dark shadow stood at the head of the bed, and that shadow said, “Rape, is it really that interesting?”

Hua Tianfeng snapped back as he didn’t even notice when there was an extra person in the room.

“Who is it?” Hua Tianfeng looked at the man in black and yelled.

Omi said, “One defeat of red dust.”

“What? You’re One Defeat Red Dust.” Hua Tianfeng was shocked, he came here to assist Xu Mei Qian in arresting One Defeat Red Dust, he didn’t expect One Defeat Red Dust to suddenly appear in front of him.

“Hua Tianfeng, as a police officer, you raped a subordinate, you know the law and broke the law, your crime is much worse.”

“Hmph, One Defeat Red Dust, you’re just in time.” Hua Tianfeng snorted angrily.

327

When Xu Mei Qian saw the sudden appearance of One Defeat Red Dust, she cried with joy and felt like pouncing inside. The first time Xu Mei Qian’s upper body was seen by a man, it was One Defeat Red Dust. At this time, seeing One Defeat Red Dust again, Xu Mei Qian’s inner feelings were indescribable.

Xu Mei Qian immediately warned, "One Defeat Red Dust, you have to be careful, Hua Tianfeng is a level 75 expert."

Omi's voice was cold as he said, "Thank you, Captain Xu for reminding me."

Hua Tianfeng made a move and roared, "One Defeat Red Dust, I'll arrest you today."

After saying that, Hua Tianfeng pounced on Omi.

Omi's figure moved as if he was a ghost, and in the next moment, Hua Tianfeng was strangled by one of Omi's hands and hung up by his neck.

"Ah." Xu Mei Qian's body trembled, God, she also warned One Defeat Red Dust to be careful, but who knew that One Defeat Red Dust was so powerful that Hua Tianfeng, a level 75, couldn't even block a single move, and was now being strangled by One Defeat Red Dust, hanging from the ceiling like a crab.

Xu Mei Qian looked at One Defeat Red Dust, didn't know what to say, suddenly felt, One Defeat Red Dust was so powerful, the strong air emanating from his body made Xu Mei Qian's heartbeat quicken, moreover, haven't seen him for so long, missed feeling.

"Let go of me." Hua Tianfeng stirred his legs as hard as he could, but unfortunately, he just couldn't get rid of Omi.

Omi said indifferently, "Hua Tianfeng, you knew the law and broke the law by raping your subordinates, today I won't take your life, I'll only waste your lifeblood, I hope you'll change your ways in the future."

Hua Tianfeng's body trembled and roared, "You dare." One second to remember to read the book

Omi was about to do it when Xu Mei Qian was busy saying, "A defeat of red dust, can you let me handle it this time? Okay?" Xu Mei Qian looked pleadingly at Omi.

Omi said, "He almost raped you, don't you wish to castrate him?"

Xu Mei Qian said, "Although he doesn't deserve to be a police officer and is scum, I'm still a police officer, so I won't abuse the lynching. I'll call the police now and let them handle it, okay?"

Omi slammed Hua Tianfeng into the ground, directly injuring him internally and causing him to lose his battle strength.

Xu Mei Qian immediately called the director.

"Hey, Director, hurry over here, Hua Tianfeng tried to rape me, I'm in the hotel now, it was a defeat of red dust that showed up to save me."

Hua Tianfeng's anger yelled.

Hanging up the phone, Xu Mei Qian said, "The chief will come over soon, Hua Tianfeng will be cleared out of the police force."

"Do you just want to let him go like this? Clearing out the team, this isn't punishment for him."

Xu Mei Qian's eyebrows furrowed straight, if she really abolished Hua Tianfeng, Hua Tianfeng's family would definitely not stop, and then if she got angry at her family, things would be even bigger.

Omi said, "Captain Xu, cowardice is useless, you're a police officer who would encounter this kind of thing, let alone an ordinary person, let me take the place of Heaven."

“Don’t.” Xu Mei Qian shouted.

However, it was already too late, Hua Tianfeng’s crotch was a blur of blood and flesh.

“Ah.” Hua Tianfeng shouted in pain.

“Bang.” Omi kicked him and knocked him out.

“Ugh.” Xu Mei Qian sighed helplessly, but it was already castrated, so there was no point in saying anything.

; “A defeat of red dust, anyway, I want to thank you, you saved me for the second time, and I, however, have been trying to catch you.

“No harm, if there’s nothing else, I’ll leave first.” Omi was going to withdraw.

“Wait.” Xu Mei Qian shouted.

“What else is there?” Don’s voice was lonely and cold.

“Me.” Xu Mei Qian didn’t know what else was going on, but once the defeated red dust was leaving, her heart was suddenly nervous because she didn’t know when she would see it again next time.

Xu Mei Qian whispered, "It's fine, you can go."

Omi jumped out of the window and disappeared into the night.

Xu Mei Qian stood in front of the window, looking at the night sky outside, her heart had an unexplainable feeling, this goodbye, and next time, I don't know when I will see it again.

Omi returned home, and then went to sleep.

This one night, Xu Mei Qian lay in bed, no sleep at all, one night was thinking about a defeat of the red dust. For so long, every encounter, every encounter, vivid in her mind. Thinking of the time when One Defeat Red Dust had cut her pants, she couldn't help but smile, seemingly without any hatred. When she thought of that time, she saw the top half of her body and flew with her in her arms, she blushed unconsciously.

Especially tonight, when One Defeat Red Dust suddenly appeared, that powerful figure and scent made Xu Mei Qian unable to forget it, lingering in her mind.

"Could it be that I really like One Defeat Red Dust?" Xu Mei Qian was inwardly shocked, she had never thought of it this way before, and was suddenly so shocked.

"Oh my god, how can I be like this, I actually, really have special feelings for him. No wonder Hua Tianfeng chased me, I would be so resistant, no wonder I would be very mindful every time someone stares at my boobs, it turns out that I actually have unexplainable feelings for One Defeat Red Dust inside me."

Xu Mei Qian was already very sure that inside her heart, she really did like One Defeat Red Dust a bit. During this period of time, she had been praying every day for One Defeat Red Dust to show up, hoping that One Defeat Red Dust would come out to commit a crime, but unfortunately, in every day's case, there was nothing about One Defeat Red Dust, so she always felt a bit lost inside. She had thought

that she was just desperate to catch One Defeat Red Dust, but now she thought that she wasn't, but she wanted to see One Defeat Red Dust.

“Oh God, no, I'm a police officer, how could I have those feelings for him, absolutely impossible.” Xu Mei Qian shook her head incessantly.

However, Xu Mei Qian couldn't deny the fact within her heart, if One Defeat Red Dust hugged her, she wouldn't have any resistance, whereas if Hua Tianfeng hugged her, she would be very resistant. This assumption made her feel scared.

The next day, Xu Mei Qian did not sleep all night, Xu Mei Qian looked at herself in the mirror and said with a haggard look, “I actually developed a love for him, I'm sorry to the country, I failed the people.”

The next day, Omi drove Liona to school.

Omi thought to himself as he drove, “I don't want to keep a low profile anymore, I want to explode myself, otherwise people won't know how powerful I am, and when I leave Linjiang, won't Liu Chenming be bullied to death. It's time to explode, let everyone in Linjiang City tremble, let the people of the city know that I, Omi, am a figure that can't be messed with, so that in the future, people won't dare to bully Liu Chenming's father and daughter anymore, and I can go to the Martial Arts Academy after the New Year without any worries.”

At this moment, on the Linjiang Window Forum, that post yesterday, ‘Huang Qu, the sixth of the ten outstanding youths, was beaten up’ was completely on fire, and also, Omi's identity had been investigated, and it turned out to be the number one evil youngster of Baiyun High School, Omi.

It seemed like Omi was going to be in big trouble because, the first and second place geniuses of the Ten Outstanding Youths seemed to be very upset about this.

At nine o'clock in the morning, Linjiang City TV was doing an interview program.

The interview is with Lin Chaofeng, the first place winner of the Ten Outstanding Youths, and Bai Yijun, the second place winner.

The host asked, "Chaofeng, Yijun, as the two most talented youths in Linjiang in the past ten years, do you feel pressure?"

Lin Chaofeng replied, "To be honest, as the most talented young man in Linjiang City, I'm really a bit stressed."

"Bai Yijun, what about you?"

Bai Yijun smiled, "Fine, just work hard anyway."

The host asked, "Can you describe to us how you felt when you received the notice from Martial Arts Academy inviting you to enroll?"

Lin Chaofeng said, "When I received the notice from the Martial Arts Academy, I was shocked, but I wasn't surprised because I deeply knew that it was only a matter of time."

Bai Yijun said, "I am still a bit incredulous that the sacred Martial Academy would take the initiative to invite me to school."

The host asked, "Now that the entire Linjiang City is proud of you, what do you want to say to the people of the city?"

Lin Chaofeng said, "Thank you for the love of the city's people, I will not disappoint the city's people."

First URL m.kanshu8.net

Bai Yijun said, "Me too, when I go to the Martial Arts Academy, I'll practice martial arts well."

The host asked again, "By the way, last night in the Linjiang Window Forum, someone broke the news that Huang Qu was beaten up, the person who beat him up was also a high school student, called Omi, do you know about this?"

Lin Chaofeng snorted, "I already know, as the sixth place of the ten outstanding youths, Huang Qui was beaten up by a high school student, I am deeply disappointed in Huang Qui."

Bai Yijun smiled and didn't comment.

The moderator asked, "Chaofeng, as the first place of the ten outstanding youths, what do you think of this person Omi? A lot of people say he'd be at least third if he went to the judging, don't you think?"

Lin Chaofeng wanted to explode, but he held back.

Lin Chaofeng: "Omi beat up Huang Qu, I'll definitely step in for a bit on this, after all, as the first of the ten outstanding youths, I'm obligated to defend the name of the ten outstanding youths."

"Are you saying that you want to go to Baiyun High School and beat up Omi?" The host asked.

Lin Chaofeng said, "As one of the Ten Outstanding Young Men, I can't beat people up, besides, that Omi would definitely not dare to fight me."

The host said, "Let's link up with Omi live on our show, what do you think?"

Lin Chaofeng nodded and said, "Good, let's connect him live then."

At this moment, the entire Linjiang City's people were watching the interview, some were watching it on TV, some were watching it on the forum, and some were watching it on their mobile phones.

In one office, Liu Chenming sat at his desk, watching the interview on his computer, and smiled when he heard the host say that he wanted to connect with Omi.

In another upscale office, Song Daitian was holding a cell phone and watching this interview on his phone.

At this moment in a car, a beautiful CEO is driving the car, the radio in the car is also playing the radio version of this interview program, and when she heard the radio say that the live link to Omi, she secretly said, "It's been a long time since I've seen this kid Omi." This beautiful CEO was none other than Meng Wenqi.

In one of the offices of the Public Security Bureau, Xu Mei Qian also watched this program, Xu Mei Qian also quite admired Lin Chaofeng and Bai Yijun, if not for the selection of the

Ten Outstanding Youths, Xu Mei Qian didn't even know that there were two other people in Linjiang City besides her who had received a notice from the Martial Arts Academy. Of course, the fact that Xu Mei Qian had received a notice from the Martial Arts Academy was unknown to everyone except Hua Tianfeng, otherwise, Xu Mei Qian would definitely be third in the Top Ten Outstanding Youths.

Omi was sitting in class, when his phone rang.

"Hello." Omi picked it up.

"Hello, are you Omi?" The host of the show asked.

Don said, "What do you want from me? I'm in class, don't harass me if you have nothing to do."

Many viewers despised Omi when they heard his words, this Omi, and his tone dragged.

The host of the program said, "Hello, Omi, I'm Xiao Ma, the host of Linjiang City TV's 'Today's Matters' interview program."

Omi said, "Oh, sorry, I've never heard of you."

"Uh." That host was a bit depressed, so many viewers were watching, but he actually said he had never heard of him, making him a bit embarrassed.

"Oh, Omi, it's like this, we're doing an interview program right now."

Omi said directly before the host could finish, "Sorry, I'm not interested in being your interviewer, you can find someone else."

The host was suddenly scolded in his heart, "Who's looking for you to be a guest, just because you're also worthy of being our guest?"

"Omi, you've misunderstood, we're not looking for you to be our guest, we're doing this program right now, and our guests are Lin Chaofeng, the first place winner of the Ten Outstanding Youths, and Bai Yijun, the second place winner. We're connecting you live right now, got it?"

"Oh, link me up for what? Can I help you?"

"Here's the thing, you hit the yellow channel last night, and many of our viewers are eager to connect and we'd like to take advantage of the connection to interview you online. Do you have time?"

Omi originally wanted to say that he didn't have time, he wasn't interested. However, Omi thought that it was time for him to be high profile and not low profile, so Omi nodded and said, "There is time."

"Okay, thank you for your cooperation, then let's begin. Fellow Omi, is it true about the fact that the sixth ranked Huang Qu, the ten outstanding young man last night, was beaten by you? What do you think about this?"

Omi said, "It's true, Huang Duan that stupid, just his stupid strength, but also dare to hold any lecture, stupid and asked me to go up to demonstrate, then I three punches until he fainted."

At this moment, somewhere, Huang Duc was lying on his bed, and when he saw Omi's voice on the show, he was so angry that he wanted to vomit blood, Huang Duc had just woken up last night after being unconscious.

The host asked again, "Omi, it seems that you are really strong, many people say that if you also participate in the selection, you can become the third place of outstanding youth, what do you think about this yourself? Do you think you can rate yourself third?"

Omi said, "Who said I could only get third place, call him out and I promise not to kill him."

"Ah, so what do you mean? You want first place?" The host was shocked.

At the show, Lin Chaofeng was very upset when he heard Omi's arrogant tone, and he really wanted to grab the host's phone and have a word with Omi.

Omi said, "What's wrong with first place, who else is qualified to be first besides me."

The host laughed and asked, "Omi, if you want to be number one, what do you want the current number one, Lin Chaofeng, to do?" The host was trying to be sarcastic inside, but didn't make it that obvious, after all, it was a live show and so many viewers were watching.

329

Omi said, "He can do what he likes, he's not a big shot."

At this moment, at the show, Lin Chaofeng who was sitting on the side was green, Omi's words were so disrespectful to him, didn't he know that the city's people were proud of him?

At this moment, many viewers were scolding Omi for being so arrogant, even Xu Mei Qian and others who knew Omi felt that Omi was a bit too arrogant.

The host asked again, "Omi, Lin Chaofeng and Bai Yijun, both of them received notices from the Martial Arts Academy and are the most talented youths in Linjiang City in the past ten years, becoming the pride of the city's people, what do you think about this?"

Omi grunted, "Receiving a broken notice, but actually sensationalizing the city, also the most genius in ten years, also the pride of the city's people. Moderator, do you really want me to tell the truth?"

"Sure, tell the truth."

Omi said, "Alright, then I'll say what's in my heart, don't blame me after that. In my heart, that what Lin Chaofeng ah, what Bai Yijun ah, what ten outstanding young people ah, all of them are scum. The people of Linjiang worship these scum like treasures, Tzu-Chen I think about it, I'm really drunk, I really feel sad for the people of the city inside."

The host was furious, "Omi, do you know what you're talking about? It's fine to insult the people of the city, but don't insult Lin Chaofeng and Bai Yijun, do you know what it means that they received a notice

of invitation to enroll in the Wulin Academy? Representing that they are geniuses certified by the Martial Arts Academy, you, a high school scum student, you dare to comment on them.” The host couldn’t control himself and became angry.

Omi laughed, “Look, you told me to tell the truth, and you scolded me even after I said it, alas, it seems that you’re a scum host as well. This interview program of yours is probably a slippery, flattering program as well.”

At this point, Lin Chaofeng couldn’t hear any more and roared angrily, “Omi, I’m Lin Chaofeng.”

“Oh, you’re Lin Chaofeng, what, you want to interview me too?” Don Omi asked. Remember the URL .kanshu8.net

Lin Chaofeng that gas is, angry, “Omi, what are you, I interview you? Do you deserve it?”

“Oh, indeed, you really don’t deserve to interview me.”

“Omi, you have the guts to say that again.” Lin Chaofeng roared.

The host was busy reminding, “Chaofeng, you’re recording a show, pay attention to your image.”

Lin Chaofeng roared, “I image him?”

The host was helpless.

Omi said, “Hey, that, Lin Burning Feng, your quality seems to be a bit low ah, as far as I know, the Martial Arts Academy does not accept students with low quality ah, you go home and quickly take out the gold medal to see if it is fake.”

“Grass you, I’m called Lin Chaofeng, do you fucking know who you’re talking to?”

Lin Chaofeng was on fire.

“Oh, forget it, talking to someone of such poor quality brings my image down, that’s all.” Omi hung up the phone.

“Ahhhh.” Lin Chaofeng was furious at the show site, roaring wildly, he don’t city people worship, did not expect to be humiliated by Omi in front of so many viewers.

The hosts were also quite speechless, a good live connection made into this. However, this could only be blamed on Omi’s arrogance, he was so mad in front of so many viewers, and said the pride of the city’s people into slag, at the moment, not only Lin Chaofeng was furious, the city’s people were furious.

Right now in thousands of homes, many people were staring at the screen, watching Lin Chaofeng’s reaction, while cursing Omi for being an idiot.

Liu Chenming was quite incredulous at the moment, Omi was actually so crazy, this was to make the city’s people curse Omi ah.

Xu Mei Qian and the others were also speechless, of course, everyone thought that Omi was ignorant, no one thought that Omi really had the strength to play with Lin Chaofeng, it was just that Omi was ignorant and didn’t have the strength, if Omi was there Omi wouldn’t dare to be so crazy.

The host said to the exasperated Lin Chaofeng, “Chaofeng, don’t be angry, there’s no need to be angry over an ignorant student.”

Lin Chaofeng raged, "That ignorant grifter Omi called me a scum, do you think I can't get angry? Ask the city if they're angry. He says I'm scum, ask the people of the city if I'm scum."

"Ugh." The host sighed, the interview had only just started, how do you record it with an hour or so to go?

Lin Chaofeng suddenly stood up and said, "I'm sorry, I'm not recording the show, I'm going to Baiyun Middle School to look for Omi."

The host was shocked, busy pulling Lin Chaofeng, persuaded: "Chaofeng, egg settling, egg settling ah, the program was only recorded more than ten minutes, there is still an hour before the end, you can not suddenly leave ah."

The host is also depressed ah, the first recorded program is not half of the guests to run, and also live interviews.

Lin Chaofeng said, "I'm sorry, I have to go to Baiyun Middle School now."

After saying that, Lin Chaofeng walked away no matter how the host pulled, leaving Bai Yijun alone.

Bai Yijun looked at the departing Lin Chaofeng and said, "I'm sorry, host, I'm not recording this either." After saying that, Bai Yijun also ran away.

That host sadly exclaimed, "God, two guests have run away, I interview a chicken hair ah, Omi, I hate you." If there are regrets, the host will never connect Omi live, and not connect Omi, so the guests will not be angry and run away.

At this moment, many of the viewers who were watching the live broadcast immediately turned off their TVs and rushed to Baiyun Middle School in flames. Lin Chaofeng ran off to White Cloud High School, so hurry up and go to White Cloud High School.

Liu Chenming also went to drive to Baiyun Middle School first thing.

The TV station had no choice but to let the host carry the camera and follow Lin Chaofeng.

“Viewers, we’re doing a special interview for this episode, we’re on our way to Baiyun Middle School, the car in front of us is Lin Chaofeng’s, driver, hurry up and don’t lose him.”

So many people who couldn’t walk away could see what was happening behind them on TV again, and were very much looking forward to it.

Omi was playing a game when a call came from Liu Chenming.

“Hello, Uncle Willow.”

“omi, something big has happened.” Willow Chenming said.

“Uncle Willow, what’s the big deal?” Omi asked somehow, Omi didn’t know that so many people would know about that interview show connection just now, to Omi it was just answering the phone.

“omi, what you just said, I saw it on the show.”

“Uh, that interview show just now?”

“Yeah, a lot of people in Linjiang City are watching this show ah, we all saw what you just said, Lin Chaofeng was so angry with you that he threw the interview on the spot and was so angry that he wanted to come and settle the score with you, he’s on his way to Baiyun High School at the moment.”

“Oh.” Omi laughed.

“omi, why are you still laughing so calmly.”

“Uncle Liu, it’s better to come find me, I don’t want to keep a low profile lately anyway.”

330

Hanging up the phone, Omi continued to play with his phone, not taking it seriously at all. That Lin Chaofeng, really think of himself as an onion, but also left the interview to come to him, Omi will make him regret coming, just as Omi does not want to low-key.

At that moment, Omi’s phone rang again, it was from Xu Mei Qian.

“Captain Xu, what is it?” Omi asked.

“Omi, you’ve offended Lin Chaofeng.”

“Captain Xu, did you specifically call just to tell me that?”

“Omi, I’m calling to care about you because you’re my sister’s ex-boyfriend, and my sister told me to take care of you more before she left, and that’s why I’m calling to care about you, and you’re still talking like this.”

“Alright, thanks, I really don’t need you to care.”

“I’m not talking to you, I’m almost at school, Lin Chaofeng’s car is not far in front of me.”

“Oh.”

Sure enough, it wasn’t long before Lin Chaofeng’s car drove into Baiyun Middle School.

While the whole school was in class, there was a yell from below the building, “Omi, come out here.”
One second to remember to read the book

The students and teachers who were in class were shocked as the students didn’t watch this interview show so they didn’t know what was going on.

All the students came out of their classes and stood in the corridor to find that the school was suddenly so crowded and there were so many people from the community.

A young man was standing in the open space below the school building, followed by a man carrying a camera.

This young man was the same Lin Chaofeng who had just angrily thrown down the interview and come to Baiyun High School to settle the score with Omi, even the TV station had followed him.

Lin Chaofeng stood in front of the school building and yelled, “Who is Omi, come out, heck, come out, I promise not to kill him.”

Omi was standing in the corridor of the school building.

The students were all talking, not knowing what was happening.

Liona was busy, "What's wrong, Tomi? Why is someone bothering you again, and there are cameras following you, what the hell happened?"

Omi laughed and explained, "The idiot who called me out below, the first of the ten outstanding young people, just seemed to be doing some kind of talk show, and the host connected me live, and I said something that looked down on him, and then he left the show and came to settle the score with me. Oh, it came pretty fast."

"Ah." Both Liona and Carlos were speechless, so that was what happened.

At this moment, the viewers in front of the TV were staring at the screen, which had Baiyun Middle School in the background, and Lin Chaofeng was shouting at a school building, "Omi, come out."

At that moment, in the TV picture, a person suddenly jumped from the fifth floor of the teaching building, and many people in the audience wowed.

The camera immediately focused on the person who jumped down, he was precisely Omi.

Lin Chaofeng saw Omi and gritted his teeth in anger, "You're the Omi who was just connected live?"

"Exactly, cockney youth, and you've found your way to my school," Don omi said.

"Who the fuck are you calling a cock-haired youth?" Lin Chaofeng was furious.

"Oh, are there any other chicken-haired youths here?" Omi said, but Omi saw Xu Mei Qian not far away as soon as his eyes were opened, Omi was really speechless.

Not far away, Xu Mei Qian was depressed, Omi even scolded her, Xu Mei Qian was named Outstanding Young Man, she didn't sign up for herself, don't even know who signed up for her.

At this time, a woman next to Lin Chaofeng snorted, "Omi, don't be too arrogant, please respect the Outstanding Youth, okay?"

Don omi watches

Turning to the woman, "Who are you again? Don't tell me you're a cockney youth, too."

"You." The woman was furious and just said to let him respect the distinguished youth, and he shouted chicken-haired youth again.

At that moment, the camera brother carrying the camera on his side said, "She's Bai Yijun."

"Don't know her." Omi really didn't know, he didn't pay attention to the chicken-haired youth, where would he know.

The camera big brother was speechless, "You don't even know Bai Yijun, the second place of the ten outstanding youths, I really don't know if you're from Linjiang City."

"Does someone from Linjiang City have to know the second place of the chicken-haired youth?" Omi rolled his eyes at that camera big brother.

At this point, the city's audience was speechless, Omi one mouthful of chicken feather youth, really very much despised the outstanding youth ah.

Lin Chaofeng looked at Omi with cold eyes, at this moment, seeing Omi so arrogant on the spot, he calmed down instead.

“Omi, you really are arrogant, good, then I, the first place chicken-haired youth, will let you experience it.”

Omi said, “How to experience it?”

Lin Chaofeng gritted his teeth and said, “Omi, since you despise outstanding youths so much, I’m asking you right now, do you dare to accept my challenge?”

“Uh, you’re challenging me.”

“Yes, I didn’t want to duel with someone like you, but you’re too arrogant, so I had to put down my dignity and take the initiative to challenge you. I want you, as well as the people of the city, to know if I, Lin Chaofeng, am the pride of Linjiang City.”

Omi chuckled, “Yes, Omi I’m very interested.”

Lin Chaofeng grunted and told everyone to back off ten meters.

Soon, the open space in front of the school building was vacant with a ten meter radius.

Omi and Lin Chaofeng stood in the circle, surrounded by a dense crowd of onlookers.

Lin Chaofeng said coldly, “Omi, in front of the city’s audience, don’t say that I, the First Outstanding Youth, bullied you, I’ll let you do three moves.”

Omi said disdainfully, "Lin Chaofeng, if I were you, just rush over here, don't pretend to compare, save the bad ending later."

"Very well, Omi, today I'll fight to lose my image to bust you, you arrogant and ignorant grifter."

"Chicken-haired youth, indeed one is more than a silly comparison."

"Silly you?, I'll fuck you to death." Lin Chaofeng shouted, his feet bounced and blasted towards Omi, the sword in his hand ejected with a swoosh as he bounced in the air.

At this moment, the city's viewers watching the show were holding their breath, not blinking their eyes for fear of missing any details.

Omi also didn't want to keep a low profile today, so he also leapt in mid-air with a little bit of both feet.

"Omi, go die." Lin Chaofeng stabbed his sword at Omi's chest.

Omi grunted disdainfully and didn't use his sword, instantly blasting Lin Chaofeng's sword with a fist, the tremendous force, the shock broke Lin Chaofeng's sword into a dozen pieces.

"Ah." Lin Chaofeng was stunned.

"Bang." At this time, Omi struck down at Lin Chaofeng's chest with his palm.

Lin Chaofeng tried to dodge, but unfortunately, Omi was too strong.

“Ah.” Lin Chaofeng screamed as he fell from midair to the ground, smashing a hole in the stone slab of the ground.

“Drink.” Omi shouted and swept down from mid-air with another kick.

“Bang.” The kick swept down hard on Lin Chaofeng’s body.

“Poof.” Lin Chaofeng spurted out a mouthful of blood wildly.
