

Chapter 906

“Omi, huh, it’s a pity that he’s not destined for my granddaughter.”

“Your Majesty, Omi is such a genius, I wonder if his name can be engraved on the stone wall.”

Goma Xing’s eyes lit up and smiled, “I’m looking forward to it too, with Omi’s talent, two realms of enlightenment should be inevitable, three, I’m afraid it’s impossible, after all, he’s already in the Unity Realm now, if he’s still in the Innate Realm now, it’s more likely.”

“What your majesty said is, having an epiphany to break through two is already very powerful, how can three realms be so easy, there were some special geniuses who came before and no one had an epiphany to break through three realms.”

“Well, let’s see how he’ll do then.”

Outside Paradise Valley, everyone was still waiting for the gate to open.

Not only were Omi and the others looking at the stone wall, but many other families were looking at the stone wall, and the elders of many of the families were lecturing their children, “You are all looking at the names on the stone wall, everyone who is able to get on this stone wall can have their reputation immortalized forever, and thousands of years later, his descendants can know his name, you must work hard, thisNot only for the family’s glory, but also for yourselves.”

The young sons and daughters of those families were all looking at the stone wall with blazing eyes, each of them seemed to have secretly sworn inwardly to go up the stone wall, which was definitely a glorious thing for their ancestors.

Omi suddenly saw a person in the crowd.

“Well, it’s him.” Omi’s eyebrows furrowed.

Omi saw a man wearing a hat, he seemed to deliberately lower his hat so as not to be seen by Omi. A second to remember to read the book

But alas, it was the hat he was wearing that caught Omi’s attention, he was Zhang Goni.

“Zhang Guoni?”

Standing beside him, Samira asked, “Who is Zhang Goni?”

“He’s the one I told you about, originally he was a pair with the princess, but because I suddenly appeared and ruined him, he came to kill me in the Valley of War Gods, but I spared him on two conditions, kneeling down and then announcing this to everyone.”

“So he’s Zhang Goni,”

Omi said, “The first thing is to kneel down the mountain, which he has already done, and the second thing is to announce the matter on TV, so I don’t know if he’s going to do it.”

Samira said, “What if he didn’t?”

“Then don’t blame me for being rude.”

Omi walked over to Zhang Guoni.

Zhang Guoni was also trying to enter Paradise Valley today, but, he saw Omi in Paradise Valley, so he got a hat to cover his face. But he didn't expect that everyone wasn't wearing a hat, but he was the only one wearing a hat, which made Omi notice him instead.

"Hey, Zhang Guoni." Suddenly, Omi's voice sounded behind Zhang Guoni.

"Ah, Tang, Omi." Zhang Guoni turned back sharply, trembling in fear when he saw Omi.

Omi guessed from Zhang Goni's reaction that Zhang Goni definitely hadn't announced that incident on the television station after he returned home.

A man and an old man beside Zhang Guoni heard the voices and looked back as well, they were Zhang Guoni's father and grandfather.

Omi said, "Zhang Guoni, why do you look so scared? Could it be that the second of my two conditions for sparing your life..."

You didn't go for it?"

Zhang Goni's eyes regained their composure, yeah, there was no need for him to be afraid of Omi now, now that his grandfather and father were here, why should he be afraid of Omi.

Zhang Goni's eyes snapped to attention and said, "Omi, what are you doing here, this is a place only for us from the Gomorrah Empire."

"Zhang Goni, answer me, there are two conditions for me to spare your life, kneel down and announce this matter in public, have you done the second thing or not after you return home?"

The man beside Zhang Guoni snorted, "So you're the Omi who tried to kill my son that day in the Battle God Valley."

Omi looked at the man, a strong man at the late stage of the Unity Realm, so he must be Zhang Guoni's father.

"You must be Zhang Goni's father, yes, I am Omi, but it wasn't that I wanted to kill your son, it was that your son wanted to kill me, but unfortunately I was too kind, so I made two conditions to give him a way out, but unfortunately, certain people are too ignorant of life and had to challenge my anger."

"Hahaha, challenge your anger?How old are you."The man sneered.

Omi's gaze returned to Zhang Guoni again and said, "Zhang Guoni, it seems that you really didn't announce that incident in public on the TV station, have you forgotten what I told you at that time?You are challenging my anger, if you had made it clear then that you would not do it, then I would not have spared you then."

Zhang Guoni snorted, "Omi, then was then, now is now, now that my father and grandfather are with me, it's not certain who spared who.Omi, you almost killed me, I haven't sought revenge on you yet, you still dare to be arrogant in front of me, how do you drip, I clearly told you that I didn't go to the TV station to announce it, how do you dare to drip now, could it be that you want to kill me?Hahaha."

Omi's heart chilled, Omi regretted a bit after letting Zhang Guoni go, not laughing, not only did Zhang Guoni fail to achieve the two conditions, but now he was still so arrogant, thinking that his grandfather and father were there, Omi couldn't do anything with him.

Zhang Guoni's grandfather looked at Omi for a moment before saying, "Omi, I'm Zhang Guoni's grandfather, I heard that you're only 21 years old this year, but your mesmerism has already reached the standard of a special genius, right?"

“Don’t chat with me, I don’t have time to chat with you, I’ll just say this, Zhang Goni came to kill me first, anyone who wants to take my life, I, Omi, will not let go. Since Zhang Goni couldn’t fulfill the two conditions that promised to spare him, I, Omi, will definitely not stop there.”

“Hmph, Omi, a small young man, but arrogant, let’s just let this matter go, otherwise, you won’t be able to get away with it, don’t forget, this is the Gomorrah Empire, you’re a foreigner, you dare to be arrogant here, I think you’re tired of living.”

Omi looked at Zhang Guo Ni’s grandfather, Zhang Guo Wait, he was a strong man of the Unity Realm, no wonder he was so vocal.

“Very well, senior, so you are insistent on not allowing Zhang Goni to complete the two conditions he promised, then wouldn’t I, Omi, have spared a person who wanted to take my life for nothing.”

Zhang Guoni immediately laughed, “Hahaha, Omi, you’re wrong, it’s not that my grandfather won’t let me go to the TV station to announce it .”

“Zhang Guoni, don’t try to provoke my patience .”

“I pooh, my grandfather is a great success in the Unity Realm, I don’t believe that, what can you do with me, have the guts to kill me on the spot .I’m not going to announce what, do you regret letting me go then? Come on, now you kill me on the spot.””Omi, huh, it’s a pity that he’s not destined for my granddaughter.”

“Your Majesty, Omi is such a genius, I wonder if his name can be engraved on the stone wall.”

Goma Xing’s eyes lit up and smiled, “I’m looking forward to it too, with Omi’s talent, two realms of enlightenment should be inevitable, three, I’m afraid it’s impossible, after all, he’s already in the Unity Realm now, if he’s still in the Innate Realm now, it’s more likely.”

907

Omi looked at Zhang Goni’s arrogant face, somewhat unable to understand the man.

However, since this was his choice, Omi respected his choice.

“Zhang Guoni, the cycle of cause and effect, remember this.”Omi said.

Zhang Guoni’s grandfather frowned.

Zhang Guoni’s father was busy saying, “Dad, this kid threatened your grandson, he’s already offended anyway, why don’t you make a move to exterminate him while you still can, in case he can’t be exterminated in the future when he’s powerful.”

Zhang Guohou looked at Omi and sneered, “Omi, is it true that you can’t let this matter rest?Do we have to force my grandson to announce it on TV?If so, then I will definitely not let you live now.”

Omi looked at Zhang Guohou, this person was at the first level of the Unity Realm Great Perfection, his strength should be similar to Yan Nei, if Omi used the Life Blood Hidden, he would definitely be able to pass to kill him.

However, the consequences of Life Blood Hidden were known to Omi, the meridians were shattered, Omi had already shattered them once, if not for treasures like the Emperor Insect, it was unknown when Omi's meridians would recover, and even if they did, it was unknown if they were original or not, so it wasn't worth it at all to destroy one's meridians to kill such a person for such a small matter.

"Phew." Omi exhaled deeply, appearing extremely torn inside, although Omi still possessed the Emperor Insects, but since he had given one back to Ouosang, Omi only had three Emperor Insects remaining on him, one of which had to be given to Goma Star, it was not worth it to waste one for a trash person.

Zhang Guohou once again said loudly, "Omi, are you still not going to answer me?"

Omi weighed it up inside, and in the end, Omi let it go. First URL m.kanshu8.net

"Fine, let's leave this matter at that, but I have great contempt for your family." Omi turned around and walked away.

Zhang Guoni said, "Grandpa, don't let him go, he's still weak let it go, what if he's strong in the future and doesn't come back to me? Grandpa, in order to get rid of him once and for all, it's better to exterminate him."

Omi was furious when he heard Zhang Goni's words, Omi had already chosen to forget about it on his own accord, but he even wanted to kill Omi.

Omi turned back and said, "Zhang Goni, don't force me."

"Hmph, Omi, as soon as my grandfather threatened you just now, you immediately got scared and said forget it, hahaha, I thought you were so bullish, but it turns out you're also afraid of death. Unfortunately, the more you're afraid of death, the more you'll be killed." Zhang Guoni turned to Zhang Guohou and said, "Grandpa, let's do it, Omi's talent is so high, now that we have offended, if we don't eradicate it now, it will definitely become a big problem in the future."

Zhang Goni's father also said, "Yes, father, it's too big a risk, although he's only reached extraordinarily high genius in mesmerism, but it has to be guarded against."

"Grandpa, do it, behead him in the rise, I've just said such harsh words to him, we have no choice, I don't believe this anymore, Omi will still spare me when he is strong in the future."

Zhang Guohou looked at Omi, his brows furrowed straight.

Omi's gaze was cold as he looked at Zhang Guohou, Omi did want to let it go, but he didn't expect that Omi would let it go, but people still didn't count.

If Zhang Guoxiang chose to kill Omi, then Omi would be willing to waste an emperor insect to kill him.

It was up to Zhang Guolou to choose.

Zhang Guolou said, "Omi, this is your own choice, don't blame me."

"Hahaha, Zhang Guohou, so you have decided to take action against me and strangle me."

sp; "Omi, although you say that you're going to let this matter go like this, I can't guarantee that you're not really letting it go like this, rather than taking a gamble, I'd rather simply be more direct and kill you before I still have the ability to do so."

"Hmph, Zhang Guo Wait, I'm asking you for the last time, are you sure you want to do it to me?"

“Alright, my mind is made up.”

Omi’s body was already accumulating power, ready to launch Life Blood Hidden.

At this moment, a loud shout came from the sky, “His Majesty has arrived.”

Goma Star slowly flew in from the far side of the sky.

“See the Sovereign.” Everyone knelt down.

But Omi and the others only bowed slightly, Omi was not from his country, so there was no need to kneel.

“Everyone, get up.”

Goma Star flew directly to Omi’s side.

“Brother Tang.”

“Your Majesty.”

Zhang Guo Wait was shocked to see the emperor calling himself brother to Omi.

“Haha, you know Zhang Guohou’s family, huh?” Goma Star asked.

Omi said, "Back to His Majesty, not too familiar."

Omi didn't say anything about Zhang Guohou almost trying to kill him, even if he did, the emperor could never help Omi kill Zhang Guohou, at most, he could persuade him, but there was no point in persuading him.

"Alright, let's prepare to enter the Paradise Valley."

Everyone entered the Paradise Valley.

After Omi entered the Paradise Valley, he sat down on a large rock in the valley, and the others found a place to sit down as well.

Princess Zhou'er said, "When the light of Paradise appears, it will suddenly shine down in the sky, but no one knows when it will appear, so if it hasn't appeared by twelve o'clock at night, then don't wait."

At this moment, on a certain rock in Paradise Valley.

"Grandpa, what should we do now? Brother Mo Xing actually called himself brother to Omi."

"Hmph, even if we call him brother, so what, but it's not like Brother Mooshing really has brotherly love with Omi because of his high talent."

"That's right, so, when are you going to kill him?" Zhang Goni asked.

"Don't be anxious, let's wait until Heaven's Light is finished first, since we're determined to kill him, we can't procrastinate any longer. Although Omi has only reached the talent of a special genius in mesmerism, it should not be taken lightly, there are many powerful mesmerists in the world today."

“Yes, grandpa, if Omi is allowed to grow up, he might be a Fifteen-Prime Ecstasy Master in the future, and at that time, it will be difficult to deal with.”

“Well, although a fifteen-grade enchanted soul master isn’t necessarily able to beat me, there is a great risk, alright, let’s forget about Omi for now, let’s prepare ourselves, comprehend more, and try to be able to break through a realm under the bath of heavenly light.

At noon, a cloud suddenly drifted across the sky, and then that cloud fired down a red light.

The red light just happened to shine on Paradise Valley, and nowhere else but Paradise Valley could be illuminated.

At this moment, great joy appeared on Omi’s face.

“Wow, what an intense martial will.” Omi was suddenly like an alcoholic who broke through and fell into the sea of wine, very strong martial will, if we were to speak in scientific terms, then the light was scattered with many fragmented factors of martial arts.

908

Omi frantically comprehended the martial factors spread in the light, each factor was an understanding of the martial dao, an understanding that every martial arts practitioner usually needed to have an epiphany in constant practice to gain, but now, it was placed before your eyes for you to experience.

Omi was very fortunate to be able to come to this Heavenly Valley, perhaps, the light of this Heavenly Valley was really God’s leakage.

Ten minutes later, Omi had broken through to the second level of the late stage of the Unity Realm.

“Yay, breaking through to the second layer, the light of paradise continue ah, don’t extinguish it so quickly, continue ah.”

“No, I heard from Princess Zhou’er that the time of appearance of the Heavenly Light is constant, it only appears for about two hours every year.”

“Two hours, alas, that’s too short, if only it could appear for a day.”

“How can I be distracted from thinking about this, I should wholeheartedly comprehend it and not waste even a second.”

Omi immediately entered the state with all his heart and soul, he had just broken through a realm in ten minutes, the first person among the thousands of people there, and the only one so far.

At that moment, not far away, a close minister beside Goma Star said, “Your Majesty, look at Omi.”

Goma Star looked over at Omi and was horrified, “Omi’s Qi has increased, he’s only broken through a realm in ten minutes, oh my god, it’s incredible, how is this possible.”

“Your majesty, Omi is worthy of being someone who has reached extraordinarily talented, Omi has already broken through a realm when everyone hasn’t made any progress, you know, Omi is already in the unity realm, and the breakthrough of the unity realm is obviously more difficult. Remember the URL .kanshu8.net

“It really is genius.”

Time passed by minute by minute.

Everyone was competing for every second, and some were even sweating anxiously.

However, the more people who looked anxious, it meant that the more chaotic their hearts were, how could such people break through.

On the contrary, those who looked like they had lost track of time were progressing rapidly.

Another half hour passed, and Omi broke through once again, becoming the third level of the late Unity Realm.

Moreover, Omi's second breakthrough was still the first in the room, and no one else had broken through besides Omi.

No, there was one person, and she was Xiaomeng.

That's right, Xiaomeng also broke through the first realm when Omi broke through the second realm.

And the others, still hadn't.

Omi forgot the time, forgot the place, forgot everything, and entered the state with all his heart.

In just forty minutes, Omi had already broken through two realms.

Brother Mo Xing had been observing Omi and was horrified when he saw that Omi had broken through again, "I'm afraid, Omi will be the first person to break through three realms in a row in more than a decade, but I didn't expect that it would be a foreigner."

Goma Star looked over to his granddaughter, but unfortunately, Princess Zhou'er hadn't broken through yet.

In the blink of an eye, another twenty minutes had passed, so far, an hour had passed, and there was still half the time left until the end of Heaven's Light.

At this moment, the momentum on Omi's body suddenly surged again.

"Wow, Your Majesty, Omi's qi has increased again."

Goma Star said incredulously, "Breaking three realms in a row, Omi, in one hour, Omi, his name can be carved on the stone wall of those hundred or so people. For thousands of years, only a hundred or so people have been able to carve their names on this stone wall, Omi, surprisingly, is one of them."

Omi's realm had reached the peak of the late Unity Realm, he had broken three consecutive realms from the first level of the late Unity Realm and rushed to the peak of the late Unity Realm, which meant that Omi was halfway to the completion of the Unity Realm.

"Come on." Omi thought inwardly, with an hour left, Omi vowed to completely step into the Unity Realm Complete.

Once he stepped into the Unity Realm Perfection, it meant that Omi had officially stepped into the ranks of the entire world, the top powerhouses, though only the weakest of the top.

The ranks of the world's top powerhouses, I'm afraid there was no second person in the entire world who could reach this level at the age of 21.

Soon, an hour and a half passed.

Apart from Omi who had broken through three realms, the others, Xiao Meng had broken through two realms, Princess Zhou'er had broken through one realm, Wei Sakura had broken through one realm, and a young man from the Gomorrah Empire had broken through one realm, and the rest, surprisingly, not a single person had broken through. For many people, breaking through one was very difficult.

Time, in the blink of an eye, was about to pass two hours.

Many people had given up and started to open their eyes to see other people.

Omi was still trying to comprehend, Omi only had one belief within him, he must take advantage of this opportunity and step into the Unity Realm Perfection in one fell swoop.

Just at this moment, the light of heaven gradually faded.

Omi himself felt it too.

"It's almost there, one step too close." Omi was a bit anxious inside.

"Don't disappear so fast, don't disappear so fast, I'm only one step away."

"But, what step is missing? Why can't you feel anything all of a sudden? I clearly feel like it's only one step away, so why do I just not know which step it is?"

The light of heaven dimmed even more.

"No, I have to break through four realms, my name, to be engraved on that stone wall that only has one name, I have to break through four realms in a row, ahhh."

Omi shouted, because, Omi felt that there was no way for him to break through to the Unity Realm Perfection.

However, what Omi didn't expect was that after Omi's yell, a message went straight to Omi's soul, and Omi seemed to feel a hint of something again.

"No, I can do it." Omi realized once again, though there were only the last few minutes left.

However, Omi still calmed his mind.

Just at the last second when the light was completely dimmed, Omi opened his eyes with a laugh.

"Hahaha, hahaha, hahaha." Omi laughed as he finally broke four realms in a row at the final juncture, striking the Unity Realm Perfection.

Right now, Omi's realm was the first level of the Unity Realm Completion, four whole realms ah.

And the entire audience, eyes were focused on Omi.

Brother Mo Xing was the first to fly to Omi's side and said excitedly, "Omi, congratulations, you have broken four realms in a row. Congratulations on becoming one of the world's top powerhouses."

"Wow." When the people at the scene heard Goma Star's words, they cried out with a wow and looked at Omi incredulously, in legends, for thousands of years, there was only one person who had broken four realms in a row, but today, they were seeing it in reality.

At this time, Zhang Guoni, his father, and grandfather, all looked at Omi in a baffled manner.

Zhang Guowei said, "Isn't Omi a genius in the art of enchantment? Why break four realms in a row?"

"Grandpa, we seem to have gotten it all wrong, Omi is also a special genius in the martial arts."

"Ah." Zhang Guohou trembled all over.

909

Goma Star said, "Omi, your name will be immortalized forever on the stone wall of Paradise Valley." After saying that, Goma Star immediately personally carved Omi's name onto the stone wall, and on that stone wall, there were only two names, and Omi's name was one of them. The name that had been alone for two thousand years was finally no longer alone, and finally had someone to keep him company.

"Oh." Omi just smiled faintly.

Omi's group of friends from the mercenary group immediately surged up and hugged Omi up in excitement.

All of them, looked at Omi and worshipped him.

Omi said, "Alright, there's nothing to get excited about."

"Brother Omi, you've broken four realms in a row ah, that's nothing."

Omi said, "Breaking four realms in a row is nothing, it only means that the martial arts comprehension information spread by the Light of Heaven is very close to the martial arts I practice and suitable for me, otherwise."

“Brother Omi, you’re too calm, if it were me, I would have gone crazy, only two people have been able to do it in thousands of years ah.” Princess Zhou’er said.

Omi said, “Then, may I ask that senior who broke four realms in a row two thousand years ago, did he finally transcend the Unity Realm?”

“Ah.” Even Goma Star was stunned by Omi’s question.

Goma Star said, “No, people who have broken four realms in a row for two thousand years have not surpassed the unity realm in the end, Omi, in our world, no one has surpassed the unity realm since ancient times because it’s too difficult.” One second to remember to read the book

“Hahaha, so, breaking four realms in a row is nothing to be proud of, so don’t worship like what, scatter it.”

“Alright.” Everyone was doused with a pot of cold water by Omi, and there was nothing left to say. If it had to be measured by transcending the realm of unity, it really didn’t count for anything, any genius in this world didn’t count for anything.

Omi’s goal was to transcend the Unity Realm, besides, the path of martial dao was far from being so short, after the Unity Realm, after the Sect Master Realm, there were even higher and more powerful martial domains, and the true path of martial dao was just beginning.

Omi directed his gaze towards Zhang Guohou.

Omi immediately flew to Zhang Guohou’s side.

“Zhang Guohou, now that the Light of Heaven is over, you can do it.”

"Hmph." Zhang Guohou snorted.

Omi said firmly, "If you don't kill me, I will come for you another day."

"You." Zhang Guowei was furious.

Zhang Guoni was busy with anger and said, "Omi, you sinister is a special genius in mesmerism, why have you now become a martial artist."

"Zhang Guoni, when did I say that I'm only good at mesmerism, can't I be a double genius? Zhang Goni, now I'll give you one more chance, just promise me one condition and I can spare your family."

"And what do you want me to do?"

"Zhang Guoni, all you have to do is to commit suicide in front of me and I will have no enmity with your family, otherwise, I will definitely not stop."

"Don't go too far, Omi, you're bullying people too much. Grandpa, kill Omi quickly." Zhang Guoni roared.

At that moment, the emperor came up and asked, "What's going on? Brother Tang, why are you holding a grudge against them?"

Omi said, "All this

It has to start with Zhang Goni coming to kill me." Omi simply told Goma Xing what happened.

Goma Star looked at Zhang Goni and said, "Zhang Goni, you really have it coming, Omi even wanted to be friends with me, and you are so blind."

Zhang Guoni's body trembled, and he was busy saying, "Your Majesty, please Your Majesty, I beg Your Majesty, I thought that Omi was only a genius in mesmerism, I didn't know that he was also in martial arts, otherwise, I definitely wouldn't have been so."

Goma Star looked at Zhang Guo Hou and asked, "Zhang Guo Hou, you are one of our Gomaia Empire, one of the nine Unity Realm Great Perfections, are you also unaware of Omi's talent in martial arts?"

Zhang Guohou was now pale and nodded his head, "Back to the Sovereign, I, I indeed don't know, I thought that Omi was only a genius in mesmerism, even though he was a special genius, but mesmerism is limited after all, I, I."

Goma Star said to Omi, "Brother Tang, Zhang Guohou is one of our Gomaia Empire, one of the nine strongest in the Unity Realm, and his grandson, Zhang Goni, is by far the most genius of the younger generation, how about I be a peacemaker, let's make peace, after all, it's better to resolve than to close a grievance ah."

Omi shook his head without hesitation, "Sovereign, originally I did want to let it go like this, but unfortunately, you didn't know that Zhang Goni was too arrogant and even tried to stifle me, for such a person, even if it offends the strongest person in the Unity Realm, I will kill him. I can now stop holding a grudge against the Zhang Guohou family, but there is only one condition, Zhang Goni commits suicide."

Zhang Guohou and the others' bodies trembled violently.

When Goma Star saw the determination in Omi's eyes, he no longer persuaded them, he had done his best to be benevolent to the Zhang Guohou family.

Goma Star said to Zhang Guohou, "Zhang Guohou, you are indeed a little too blind, I can't help you any more, you can see for yourselves."

Zhang Guohou's breath trembled as he looked at Omi and said, "Omi, you are indeed a genius, my husband admires you, however, you haven't stepped into the Unity Realm Great Perfection after all, I'll ask you once again, can we just let this matter go?"

Omi sneered, "Zhang Guohou, I've answered this question before, but unfortunately, it was you who were unwilling to let me go, and now, you're even praying for me to forget it, do you think I'm that cheap? Zhang Guo Wait, now is the time for me to give you a chance, if Zhang Goni chooses to commit suicide, then I will not hold a grudge against your family, or else."

"Or else what? You haven't stepped into the Unity Realm Great Perfection yet, and even though you are a genius, you don't have the qualifications to bargain with me right now."

"Hahaha, Zhang Guo Wait, it seems that you really won't shed a tear without seeing the coffin." Omi's face chilled, Omi had already made up his mind to kill Zhang Guohou and Zhang Goni at the risk of wasting an emperor insect.

Zhang Guoni's father was busy saying, "Omi, my son is the young generation of the Gomorrah Empire, the first genius, his future achievements will likely surpass my father, why do you want him dead?"

Omi said, "A death-doer, I have no reason to spare his life one after another, I give you three minutes to think about it."

Omi also didn't want to waste the Emperor Worm, so he still gave them three minutes to consider, if Zhang Goni chose to commit suicide.

Goma Star said, "Zhang Guohou, as things stand now, just let Omi have his way, why make things worse."

Zhang Guohou gritted his teeth and said, "Your Majesty, Omi wants my grandson to die ah, if it was your granddaughter Princess Zhou'er instead, would you agree?"

"Uh." Gomstar froze and stopped talking.

Zhang Guohou said firmly, "Omi, I will never let you have your wish, since you have chosen to scream at me, then don't blame me for being rude."

Omi didn't want to be long-winded anymore, death was the best outcome for this kind of trash.

Omi instantly launched Life Blood Hidden, although it was a pity that Omi would have to waste an Emperor Insect, but as one fights for one breath, the Buddha fights for one incense, Omi would rather waste an Emperor Insect than endure this breath.

A powerful momentum surged out of Omi's body, and the face of Goma Star, who was standing beside him, changed drastically, as if his power had increased so much at this moment that it could almost equal him, that is, Omi's strength reached the third level of the Unity Realm Great Perfection after displaying the knock-off version of Life Blood Hidden.

"Swoosh." Omi suddenly resembled an invisible wind, rapidly shooting towards Zhang Guoxiang, then, passing through Zhang Guoxiang's body.

Zhang Guolou was unable to react at all as Omi's body showed up behind Zhang Guolou's back.

Omi turned back and slapped his palm on top of Zhang Guohou's head, seemingly slapping Zhang Guohou, but actually sucking his mental energy.

A few seconds later, Zhang Guohou collapsed straight down.

“Grandfather.”

“Father.”

Zhang Guoni and Zhang Guoni’s father rushed towards Zhang Guohou who had fallen to the ground. The first website m.kanshu8.net

Goma Star looked at Omi with an incredulous face.

Omi took a deep breath and immediately checked his body and found that the meridians were not shattered, however, many cracks had appeared.

It seemed that Omi’s own strength had increased, plus he had taken the Emperor Insect before, the effect of the two reasons, so it hadn’t shattered, only many many cracks had appeared.

“Grandpa, grandpa, how did this happen.”Zhang Guoni cried out, incredulous to see that Grandpa had been killed by Omi.

Omi said, “Zhang Guoni, originally Zhang Guohou didn’t need to die, it was all because of your unworthy grandson.”

“Omi, I’m not done with you.”

“Just because you deserve it, Zhang Guoni, I spared you twice, but unfortunately, you don’t know how to cherish it, what a death-defying guy, now go accompany your grandfather.”

Zhang Guoni suddenly fell to the ground without saying a word, Omi used a mesmerizing attack and made Zhang Guoni brain dead in no time.

Omi looked at Zhang Guoni's father and said, "As long as you tell me to spare your life, I'll spare you."

In fact, Omi was now incapable of killing Zhang Goni's father, Omi's mesmerizing technique couldn't deal with Zhang Goni's father, and martial arts, because of the cracks in his meridians, couldn't deal with it either. It was just that Zhang Guoni's father had been scared out of his wits and didn't know it.

Zhang Guoni's father knelt down and said, "Please spare my life."

"Fine, I'll spare your life, go."

"Thank you for not killing me."

Omi turned around and walked away, sighing, none of them had to die originally, they had done everything themselves, who was to blame.

Brother Mo Xing said, "Brother Tang, what's going on, why did your momentum suddenly soar just now that you were able to equal my level and kill Zhang Guo Wait in one fell swoop?"

Omi was astonished, "The momentum is equal to yours?"

"Yeah, even I'm not sure I can beat you with that momentum you just had."

"Nope." Feeling a little disappointed, Omi had thought that he

Having just cast Life Blood Hidden, he was able to reach the pinnacle of the Unity Realm Grand Perfection no matter what, but he was actually on par with Goma Xing. Brother Mo Xing was only a third level of the Unity Realm Grand Perfection ah, although the third level and the peak, only a step apart, but the real move is too big a difference, the later the martial realm, the greater the gap between each level.

“Brother Tang, did you take some kind of medicine that made your strength soar?”

Omi shook his head, “No, it’s a martial art that I use to harm myself to reach a certain level of strength, I used it once before when I was in the middle of the Unity Realm and I also killed a person in the first level of the Unity Realm Great Perfection. This martial art doesn’t skyrocket to a higher level of power as my own strength increases, but it can mitigate the damage I do. The last time I performed this martial art, my meridians shattered, but this time, because of my own increased strength, they didn’t shatter, only cracks appeared.”

“Ah, the meridians are shattered? You, how could you possibly repair it.”

“Oh, Your Holiness, it’s because I have a treasure, and truth be told, I was just about to give you one.”

Omi stopped nagging, took out the bottle he had already prepared, handed it to Goma Star, and said, “This bottle looks empty, but there is actually a worm inside, the worm is invisible, take it back and take it right away, be careful not to let the worm escape, or you won’t be able to find it.”

“Ah, what does it do?”

“Taking this worm can increase your lifespan by decades, but of course, there’s no need to say anything about stabilizing and repairing your meridians.”

“Thank you, thank you.” Goma Star was excited.

Goma Xing didn't know that Omi had caught it from the Underground City, and Omi had deliberately kept him from knowing that it was caught from the Underground City, but of course, there was no telling if Princess Zhou'er would say it later.

Omi said, "Alright, Your Holiness, it's very nice to meet you, we should also leave, we've enjoyed this trip to the Goma Star Empire, thank you for your hospitality."

"Omi, you guys are leaving now, huh?"

"Yes, it's been here for a short time." Omi looked to Xiao Meng and smiled at Xiao Meng, who would be pleased.

About a minute later, a flying ship came swooshing out of the sky and stopped in the middle of Paradise Valley, many people had never seen it before.

Goma Star asked, "This, this is a flying ship?"

"Yes, wow, flying ships, many of those top powerhouses in the world have flying ships, I'm the only one who doesn't have one yet, I'm going to get one some day."

"Haha, let's go then."

The hatch of the flying ship opened, and Xiao Meng and the others jumped into the ship.

Princess Zhou'er looked at Omi with difficulty.

"Brother Omi."

Omi said, "Princess Zhou'er, thank you for your love, it's been a pleasure to meet you, and when you come to the Yanhuang Empire in the future, you must come find me oh."

"Brother Omi, I am."

"Alright, then we'll leave first, see you later."

Goma Star looked at his granddaughter and sighed.

Omi hopped onto the flying ship and stood at the door of the cabin, waving to Princess Zhou'er and Ouosang and Goma Star below.

"Bang."The hatch of the flying ship closed.

Princess Zhou'er's heart was empty and shouted, "Brother Omi, I love you."

The speed of the flying ship was so fast that Princess Zhou'er had only finished shouting, and the flying ship had already disappeared in the distant sky.
