

## Chapter 977

“Brother Omi, I will also take revenge together.”

Omi looked at the eyes, “Xiao Meng, you haven’t improved your strength very quickly these past two years.”

“Brother Omi, these two years have been muddled, I don’t know how to spend them, how can I be in the mood to practice martial arts.”

“However, with your age, reaching the middle stage of the Unity Realm at the age of 19 is already against the world.”

“Brother Omi, there’s something I want to tell you right now.”

“What is it.”

“I’m now nineteen years old and have reached the middle stage of the Unity Realm, this is considered very famous in the Yanhuang Empire, somehow it’s spread throughout the entire Yanhuang Empire, I heard that Wang Qi wants to summon me.If Wang Qi really summoned me, then he would recognize me as the person from the Ten Thousand Beast Forest at a glance, and would know that I’m a member of your mercenary group.If I ignore him and don’t go to see him, and I’m afraid that he will be unfavorable to my family, what should I do?”

Omi snorted, “What is this son of a bitch summoning you for.”

“I don’t know, maybe he heard about my talent and wants to stifle me, if he wants to hold onto the throne, seeing that I reached the middle stage of the Unity Realm at the age of 19, he’ll definitely be nervous and it’s not impossible for him to stifle me.”Xiao Meng Dao.

Omi nodded his head, the possibility of wanting to strangle Xiao Meng was still very high, it was just a case of not recognizing Xiao Meng yet, if he recognized her, then it wasn't a thought, it was 100% to kill her.

"Brother Omi, what should I do?" Remember the URL .kanshu8.net

"Nonsense, of course you don't need to bother with him, you'll just die if you go."

"But I'm afraid he'll take a shot at my family, and I don't want to harm my family."

"Even so, you can't go. But you don't have to worry for now, I killed a few of his brothers, and now that Wang Qi is so intent on finding me, he's probably already forgotten about you."

"Well, I hope so."

"Right, Xiao Meng, where are the others? Where are Lang Tian Ya, Yan Yu, Xiang Yun, Xuan Er, Yang Yi Jian, Liu Yue, Wang Xing, Xu Mei Qian, and others?"

Xiao Meng sighed, "Brother Omi, since I thought you were dead, the Destined One mercenary group has been disbanded."

"Disbanded? Who disbanded it?"

"You're gone, what's the point of everyone holding on to the mercenaries, it's a vain grief, but all of us vowed that whoever is capable of revenge in the future must do whatever it takes to get it."

"Alas, also." Omi didn't blame anything.

“What about everyone else now?”

Xiaomeng said, “Long Tianya took his sister, Long Tianqin, and went away to another country. Xu Mei Qian, Yang Yijian, Wang Xing, Qi Xue Yun, Samira, have all gone back to their own families. Liu Yue lost her message, Liona, Simran, went back to Linjiang, and now Liona is teaching at Baiyun Middle School, Simran opened her own bar and became a singer herself, they all stopped practicing martial arts.”

“Why don’t they practice martial arts anymore?”

“Because you ah, all thought you were dead, why practice martial arts, practice martial arts will also be more sad, might as well live your life in peace.”

“Ugh, looks like I’ll have to go back to them earlier.”

“Well, I’ll go with you.”

“Good, then it’s not too late, let’s go now.”

Omi and Xiaomeng immediately set off and flew to Tian Nanfu.

However, Omi was moving forward in a low-key manner, still wearing his mask, not wanting to alert anyone.

“Brother Omi, do the others need to be informed? Have everyone gather at Linjiang City.”

“No need, right now Wang Qi is still looking for me, this is not the right time for me to show up in a high profile, wait until I am confident to confront him, then inform the others, anyway

It's not too late. Otherwise, letting Wang Qi know might harm them instead."

"Good."

Omi didn't let Wang Xing, Yang Yijian and the others know that he was still alive for the time being.

As for Xu Mei Qian, Omi was going to video with her and not let her stay in sadness.

On the plane, Xiaomeng took her laptop and said, "Brother Omi, wait for me for a few more minutes, I'll be able to contact Sister Xu soon, because I haven't been a hacker for a long time and I'm a bit rusty."

"Haha, it's fine, heading to Linjiang City is still a long time away, there's plenty of time."

After a few minutes, Xiao Meng managed to hack into Xu Mei Qian's family's network and found Xu Mei Qian, who was seen in a surveillance camera entering the bathroom ten minutes ago.

At the moment, at Xu Mei Qian's house, she was bathing in a bathroom and lying in a bathtub, but Xu Mei Qian's eyes were lifeless and she didn't know what she was looking at dazed.

"Brother Omi, Sister Seo is taking a bath."

"Does she have a phone?"

"There, I've dialed her number."

In Xu Mei Qian's bathroom, the phone placed next to her suddenly rang.

It took several seconds for Xu Mei Qian to come back to her senses and reached for the phone, it was an unknown call as there was no number displayed.

Xu Mei Qian directly hung up, it was definitely a harassing call.

“Ah, Sister Xu doesn’t answer.”

“Then send a text message, she probably thinks it’s a harassment call.”

“Ding ding ding.”The text message was sent.

Xu Mei Qian opened the text message to read, “Sister Xu, it’s me, Xiao Meng, pick up the phone.”

Within a few seconds, Xu Mei Qian’s phone rang again, and she immediately answered it.

“Sister Xu, it’s me, Xiaomeng.”

“Xiao Meng, it’s you, sorry, I thought it was some kind of harassing call.Xiaomeng, how are you now.”Xu Mei Qian asked in a weak voice.

“Sister Xu, are you in the shower.”

“Yeah, how did you know.”

“I just hacked into your family’s network, I saw you enter the bathroom on the monitor, it’s been about ten minutes, it’s been so long and you haven’t finished washing ah.”

“Oh.” Xu Mei Qian laughed bitterly.

“Sister Xu, do you want me to introduce a man to you now?”

Xu Mei Qian’s face sank, somewhat unhappy, “Xiao Meng, don’t be like this, or else I’ll ignore you, introduce me to men, are you doing this to Omi.”

“Sister Xu, are you sure you don’t want it?”

“Xiaomeng, if there’s nothing else, I’m hanging up.” Xu Mei Qian had no desire to speak anymore because of Xiao Meng’s words.

“Wait, Sister Xu, the man I introduced you to is Brother Omi ah, and now Brother Omi is by my side.”

“What? You say that again.”

At that moment, Omi’s voice rang out, “Mei Qian, it’s me.”

“Ah.” Xu Mei Qian became silly, it really was Omi.

“Tang, Omi, it’s really you?”

“It’s me, Mei Qian, take it easy, stay calm, don’t let anyone know that I’m still alive for a while, tomorrow you find an excuse to get on a plane and come to Linjiang City to find me.”

“Omi, it’s really you.” Xu Mei Qian cried out with her phone.

“It’s me, I said don’t get excited, huh.” Omi smiled sadly, the two years he had been missing really brought a lot of sadness to the few of them.

Omi returned to Linjiang City, and met Simran at a certain bar in Linjiang City.

Only, what Omi didn’t expect was to see a person harassing Simran when he first arrived at the bar.

That man drove a sports car, the back seat of the sports car was filled with flowers, and there were also many heart-shaped candles placed in front of the bar, it happened to be night, and many people were watching in front of the bar.

That man was also a martial arts practitioner, and already had a Houtian realm.

“Simran, promise me that you’ll be my girlfriend.”

“Simran, I know you can’t forget that Omi, but he’s already dead, do you really plan to spend the rest of your life keeping knuckles for a dead man.”

Simran came out and said, “Cai Hyuk, please don’t bother me, I’ll never fall in love again in my life.”

“Xuan’er Li, you should know that we have something in common, you like to sing and so do I.”

“Get out.”

“I’m not going away, I’m going to think of your happiness for the rest of your life, Xuan’er Li, be my girlfriend, I’ll let you get more happiness from Omi.”

“Cai Hyuk, don’t make me.” One second to remember to read the book

In the crowd, Xiao Meng gas, “Brother Omi, I went out to fight him off, how dare he bully Sister Xuan’er.”

Omi said, “There’s no need to be anxious, just let him confess.”

“Brother Omi, I can’t even listen to this anymore.”

Over there, the man named Cai He laughed, “Xuan’er Li, you can’t escape me for the rest of your life, I’m already going to fix you, hahaha.”

“Cai Hyuk, don’t be too shameless.”

“Shameless?There is no shamelessness in love, besides, Omi is already dead, and the famous flower has no owner, of course I can take it for myself.”

“Cai Hyuk, do you really want to force me?”

“Simran, you should know that I only chase you because I think highly of you, and with my family, you may not be worthy of me yet.Alright, I declare that you are my woman now.”

“Bang.”At that moment, a brick shifter suddenly flew onto Cai Hyuk’s head and smashed his head.

“Who?Who the F\*ck hit me?”Cai Hyuk was furious, Linjiang City is such a small place, but there are still people who dare to smash him, the Houtian Great Perfection is strong enough to be king in Linjiang City,

so he arrogantly dominated Simran. In fact, he didn't really want to be with Simran, but it was just a matter of finding a bed warmer during this time in Linjiang City.

The crowd of onlookers were also dizzy from the sudden brick that flew at them.

"I'll smash you." Omi walked out of the crowd.

"Who the F\*ck are you?" Cai Hyuk was furious.

When Simran saw Omi appear, her entire body trembled, filled with incredulity.

The furious Cai He didn't see Simran's look either, and rushed towards Omi, seemingly intent on beating the crap out of Omi.

Cai He grabbed Omi's sleeve with one hand and bellowed, "How dare you F\*cking smash me."

Omi, however, looked at Simran.

"Say, why are you smashing me? What the F\*ck am I to you?"

Don asked, "Then please tell me, who are you?"

"I'm a man from the Cai family of the Tiannan Prefecture."

Omi's eyebrows furrowed, the Earth Emperor of the Tennen Prefecture, a member of the Cai family, I didn't expect that this one who was harassing Simran was actually a member of the Cai family, Liu Chen

Ming was still married to a member of the Cai family, I didn't expect that once Omi died, a descendant of the Cai family would dare to touch the

Don Omi's woman now.

"Yeah?What about the Cai family."

"What the F\*ck do you know about who my grandfather is?"

"I don't know."

"The patriarch of the Cai Clan of the Tiannan Prefecture, Cai Lingpeng, is my grandfather."

"Oh, so you're the dog grandson of the Cai Clan Chief, I'm so disappointed for your grandfather."

"F\*ck you."Cai Hyuk punched Omi in the temple.

"Bang."In the next second, Cai Hyuk's head suddenly exploded.

"Ah."The crowd screamed.

Omi didn't even look at the blood of brains all over the floor and walked towards Simran, who threw herself into Omi's arms and let out her tears as the crowd screamed.

Soon after, the police arrived, and the police captain recognized Omi at once, and immediately went up to greet Omi, saying, "Welcome home to guide your work."And then nothing happened.

Omi took Simran and Xiaomeng and went straight to Liona's house.

The meeting with Liona was similar, and I won't repeat the long-windedness here.

The police investigated Cai He's identity and found out that he was a member of the Cai family of Tennen Province, and didn't dare to harbor him, so they quickly reported it to the top.

Soon, the Cai family learned the news.

When the Cai family learns that Cai Hyuk died in Linjiang City, their first reaction is anger.

But when they learned that the person who killed Cai Hyuk was Omi, it turned into fear.

So, Cai Lingpeng, the Cai family's patriarch, came to Linjiang City on a special plane overnight to apologize to Omi, saying that he hadn't taught his grandson well.

Omi was in a good mood, of course he forgave them, after all, Liu Chenming also married a woman of the Cai family, we are all relatives.

And so, late into the night, that night, staying at Liona's house.

Omi and Liona and Simran lived in the same room, the three of them slept in the same room, and it wasn't too crowded, they really couldn't stand them, of course, that's true. In fact, Xiaomeng is also nineteen years old, and understands everything, and it's embarrassing to say this.

A night without a word, so dawn.

Omi didn't sleep all night, a long time apart, where to sleep, Liona and Simran two of course also can not sleep, as soon as the day dawned, get up, into the bathroom to wash a sweat clean.

In the afternoon of the next day, Xu Mei Qian caught a plane overnight, the excess program will not be said.

Omi temporarily stayed in Linjiang City for half a month.

"Brother Omi, what do you plan to do next?" Xiaomeng asked, this half month, had been too leisurely, causing Xiaomeng to wonder if Omi was enjoying himself and had fallen into a woman's tender place.

"Next, I have to raise my realm, only by raising my realm will I have a chance of defeating Wang Qi. However, I've already reached the first level of the Unity Realm Great Perfection, it's incredibly difficult to go further, and for a while, I don't know what I should do myself, how should I be able to step into the second level of the Unity Realm Great Perfection? I really want to find a senior to guide me."

"Brother Omi, why don't we re-form the mercenary group and continue to go on our adventure."

"Continue to go for training? Even the Forest of Ten Thousand Beasts had already been there, where else could we go? The Forest of Ten Thousand Beasts is known for its high mortality rate, and any team that goes in there will always die a few."

"Brother Omi, no matter how high the mortality rate is in the Ten Thousand Beast Forest, it's not as high as Thousand Mountain Twilight's. Thousand Mountain Twilight is where no one alive comes out at all, the only one who came out later went insane, let's go to Thousand Mountain Twilight for an adventure."
